The Guggenheim Mystery - Robin Stevens 2019-10-15

The adventure that began in Siobhan Dowd's popular novel The London Eye Mystery at long last continues as three kids investigate a theft at the Guggenheim Museum. When Ted and his big sister, Kat, take a trip to New York to visit their cousin Salim and their aunt Gloria, they think they're prepared for big-city adventures. But when a famous painting is stolen from the Guggenheim Museum, where Aunt Gloria works, the surprises begin to mount faster than they could have anticipated. With the police looking at Aunt Gloria as the prime suspect, Ted, Kat, and Salim become sleuthing partners, following a trail of clues across NYC to prove her innocence--and to pinpoint the real thief. Ultimately, it comes down to Ted, whose brain works in its own very unique way, to find the key to the mystery.

The Faithful Lover - Massimo Bontempelli 2007

Winner of the Premio Strega, Italys most prestigious literary award, The Faithful Lover is a sumptuously imagined collection by one of the twentieth centurys most renowned writers. Eclectic and astute, these

remarkable stories show us that the border between this world and the out-of-this-world may be more permeable than we think. In Encounter, a young man eavesdrops on a pair of ghostly lovers, while in Lights, the whisperings of a mysterious voice steer the unnamed narrator towards an elusive destination. Other stories are grounded in the everyday, showcasing the incisive mix of tragedy and comedy that is central to Bontempelli's work. The upside of insanity creates a moral dilemma for a loving mother in Empress, while in Octogenarian, an elderly woman summons her family to her deathbed for one final, hilarious domestic dispute. The title story pokes brutal fun at the narrators fleeting affections, and in the renowned novella Water, an ethereal young womans innocence wrecks havoc on a host of admirers. This is a breathtakingly elegant and unsentimental collection. Bontempelli challenges our view of the world by looking beyond the old ideas to a startling truth, a way of seeing that is an unwavering source of joy and surprise.

[La stirpe di Topolino](#) - Domenico Misciagna 2015-02-11

"La stirpe di Topolino" si propone come uno strumento per orientarsi nel modo più completo possibile, senza riassunti, in oltre novant'anni di animazione Disney. Come in un libro di storia, ognuno dei venti capitoli è dedicato a un periodo i cui lavori sono accomunati da realtà artistiche e produttive. L'opera è completata da: veloci schemi di ricapitolazione al termine di ogni sezione; filmografie complete divise per cortometraggi, lungometraggi e serie tv; un "percorso rapido" per chi non ha tempo di addentrarsi nell'oceano cartoon Disney, con una selezione personale di lavori che identificano ogni epoca; un'appendice dedicata alle edizioni italiane delle produzioni animate disneyane.

Weeds - Richard Mabey 2010-10-14

Weeds survive, entombed in the soil, for centuries. They are as persistent and pervasive as myths. They ride out ice ages, agricultural revolutions, global wars. They mark the tracks of human movements across continents as indelibly as languages. Yet to humans they are the scourge of our gardens, saboteurs of our best-laid plans. They rob crops of nourishment, ruin the exquisite visions of garden designers, and make unpleasant and impenetrable hiding places for urban ne'er-do-wells.

Weeds can be destructive and troubling, but they can also be beautiful, and they are the prototypes of most of the plants that keep us alive. Humans have grappled with their paradox for thousands of years, and with characteristic verve and lyricism, Richard Mabey uncovers some of the deeper cultural reasons behind the attitudes we have to such a huge section of the plant world.

I for Isobel - Amy Witting 2014-01-29

Winner of the Barbara Ramsden Prize, 1990. This was life: no sooner had you built yourself your little raft and felt secure than it came to pieces under you and you were swimming again. Born into a world without welcome, Isobel observes it as warily as an alien trying to pass for a native. Her collection of imaginary friends includes the Virgin Mary and Sherlock Holmes. Later she meets Byron, W.H. Auden and T.S. Eliot. Isobel is not so much at ease with the flesh-and-blood people she meets, and least of all with herself, until a lucky encounter and a little detective work reveal her identity and her true situation in life. I for Isobel, a modern-day Australian classic, was followed by Isobel on the Way to the Corner Shop, winner of the Age Book of the Year Award. Amy Witting was born in Annandale, an inner suburb of Sydney, in 1918. She attended Sydney University, then taught French and English in state schools. Beginning late in life she published six novels, including The Visit, I for Isobel, Isobel on the Way to the Corner Shop and Maria's War; two collections of short stories; two books of verse, Travel Diary and Beauty is the Straw; and her Collected Poems. 'When we come to write the history of Australian writing in the twentieth century, the strange case of Amy Witting will be there to haunt us. Here is a writer who not only has great gifts - the kind of expert and mimetic gifts that would impel instant recognition from someone who admired a fine-lined American naturalist like William Maxwell - but a realist who has an effortless immediacy and a compelling sense of drama that should have ensured the widest kind of appeal, the sort of appeal that Helen Garner could command in her fiction-writing days. And yet this woman who

published in the New Yorker and commanded the respect of Kenneth Slessor was scarcely encouraged during the long grey sleep of Australian fiction publishing. It wasn't until the publication of *I for Isobel*...that Witting gained a national profile.' Peter Craven 'Australia's Amy Witting is comparable to Jean Rhys, but she has more starch, or vinegar. The effect is bracing.' New Yorker 'Isobel is instinctively searching for a lost part of her substance, the very memory of which has been obliterated. Prompted by her inexplicable sense of loss, she goes on her way, deviating, baffled, yet rejecting substitutes. To call the ending happy is to say both too much and too little. Was the lost part also searching for her? Amy Witting's admirers will find this novel as distinctive and compelling as her stories and her poetry.' Jessica Anderson '[Witting] lays bare with surgical precision the dynamics of families, sibling, students in coffee shops, office coteries. One sometimes feels positively winded with unsettling insights. There is something relentless, almost unnerving in her anatomising of foibles, fears obsessions, private shame, the nature of loneliness, the nature of panic.' Janette Turner Hospital 'A beautifully but unobtrusively honed style, a marvellous ear for dialogue, a generous understanding of the complex waywardness of men and women.' Andrew Riemer 'Terrific - incredibly wise...When I finished it I went straight back to the first page.' Cate Kennedy

Crossing - Pajtim Statovci 2019-04-02

From the acclaimed author of *My Cat Yugoslavia* a stunning, incandescent new novel that speaks to identity, war, exile, love, betrayal, and heartbreak The death of Enver Hoxha and the loss of his father leave Bujar growing up in the ruins of Communist Albania and of his own family. Only his fearless best friend Agim--who is facing his own realizations about his gender and sexuality--gives him hope for the future. Together the two decide to leave everything behind and try their luck in Italy. But the struggle to feel at home--in a foreign country and even in one's own body--will have corrosive effects, spurring a dangerous

search for new identities. Steeped in a rich heritage of bewitching Albanian myth and legend, this is a deeply timely and deeply necessary novel about the broken reality for millions worldwide, about identity in all its complex permutations, and the human need to be seen.

La saggezza della nonna... e qualche magia. Consigli e rimedi - Simonetta Marra 2014

The Summer Book - Tove Jansson 2012-08-08

In *The Summer Book* Tove Jansson distills the essence of the summer—its sunlight and storms—into twenty-two crystalline vignettes. This brief novel tells the story of Sophia, a six-year-old girl awakening to existence, and Sophia's grandmother, nearing the end of hers, as they spend the summer on a tiny unspoiled island in the Gulf of Finland. The grandmother is unsentimental and wise, if a little cranky; Sophia is impetuous and volatile, but she tends to her grandmother with the care of a new parent. Together they amble over coastline and forest in easy companionship, build boats from bark, create a miniature Venice, write a fanciful study of local bugs. They discuss things that matter to young and old alike: life, death, the nature of God and of love. "On an island," thinks the grandmother, "everything is complete." In *The Summer Book*, Jansson creates her own complete world, full of the varied joys and sorrows of life. Tove Jansson, whose Moomintroll comic strip and books brought her international acclaim, lived for much of her life on an island like the one described in *The Summer Book*, and the work can be enjoyed as her closely observed journal of the sounds, sights, and feel of a summer spent in intimate contact with the natural world.

Better Than Life - Daniel Pennac 1999

"Anyone who loves to read and wants our young people to develop a similar passion will savor" *Better than Life* "- an enchanting, beautifully written, and wise book."--Regie Routman An essential guide to helping

children discover the pleasures of reading! In "Better than Life," Daniel Pennac shares the secrets that all book lovers treasure. This remarkable book explores simple ways to create a life-long devotion to reading: how reading aloud can ensure that a love of books begins why it is important that children develop a private relationship with books what "The Reader's Bill of Rights" can do to guarantee children value reading This book reads like a novel with gripping anecdotes from literature and fresh insights into creating and nurturing enthusiastic readers.

The Mastery of Love: a Practical Guide to the Art of Relationship: a Toltec Wisdom Book by Don Miguel Ruiz - Don Ruiz 2018-07

In *The Mastery of Love*, don Miguel Ruiz illuminates the fear-based beliefs and assumptions that undermine love and lead to suffering and drama in our relationships. Using insightful stories to bring his message to life, Ruiz shows us how to heal our emotional wounds, recover the freedom and joy that are our birthright, and restore the spirit of playfulness that is vital to loving relationships. *The Mastery of Love* includes: * Why "domestication" and the "image of perfection" lead to self-rejection * The war of control that slowly destroys most relationships * Why we hunt for love in others, and how to capture the love inside us * How to finally accept and forgive ourselves and others "Happiness can only come from inside of you and is the result of your love. When you are aware that no one else can make you happy, and that happiness is the result of your love, this becomes the greatest mastery of the Toltec: the *Mastery of Love*." - don Miguel Ruiz

[Between Two Seas](#) - Marie-Louise Jensen 2011-01-20

"Travel to Skagen and find him. Give him my letter. Seek a better life,

Marianne! Promise!' Bound by a vow made to her dying mother, Marianne sells her few belongings and leaves Grimsby. Her destination? Denmark, where she will search for her father, Lars Christensen-the golden-haired fisherman her mother fell in love with many years before. The journey will be long-and dangerous for a young girl travelling alone. As Marianne boards the fishing boat that will carry her across the North Sea, she wonders: will Denmark be the fairy-tale land she has dreamt of? Will she find happiness there? Will the father she has never met welcome the arrival of his illegitimate child? And why didn't he return for her mother, as he promised he would?

Favolisticamente Magia - Michela Chiarelli 2017-02-15

“La magia è Pura connessione con l’Universo intero” Nei loro illuminati racconti, Eliche Alchimilla e Nonna Malva, maghe naturali da molte generazioni, ci svelano la magia con semplicità e chiarezza anche secondo quanto emerge dalle più recenti scoperte della fisica delle particelle. Il requisito essenziale per compiere atti magici è riconoscere che dentro ciascuno di noi c’è una forza capace di guidare gli eventi e che è importante imparare a controllarla e utilizzarla. È così possibile modificare gli eventi a tal punto che: “Otterrai di vedere ciò che ti aspetti... gli eventi sono mutevoli e indeterminati.... la manifestazione dell’evento dipende dall’aspettativa dell’osservatore”. Ma solo una mente sgombra permette la Manifestazione...“Nella precisa calma e controllo di pensieri, si crea il mutamento...”. Questa è la vera Magia insita in ogni essere umano: il migliore strumento che abbiamo a disposizione per trasformare la realtà esterna. Ecco il potere magico della mente, ecco l’attenzione, ecco la manifestazione! Un potere innato che anche la fisica quantistica può aiutarci a comprendere.

Little Fox in the Forest - Stephanie Graegin 2017-02-28

Fans of Aaron Becker’s Caldecott Honor winner Journey will love this utterly enchanting wordless picture book in which two friends follow a young fox deep into the woods and discover a wondrous and magical world. When a young girl brings her beloved stuffed fox to the playground, much to her astonishment, a real fox takes off with it! The girl chases the fox into the woods with her friend, the boy, following

close behind, but soon the two children lose track of the fox. Wandering deeper and deeper into the forest, they come across a tall hedge with an archway. What do they find on the other side? A marvelous village of miniature stone cottages, tiny treehouses, and, most extraordinary of all, woodland creatures of every shape and size. But where is the little fox? And how will they find him? Stephanie Graegin’s oh-so-charming illustrations are simply irresistible, and readers young and old will want to pore over the pages of this delightful fantasy adventure again and again.

Orazio e la magia - Salvatore Sergio Ingallina 1974

L'alba degli eroi - Nicole V. Gelsomini 2017-10-24

Quattro città, quattro Eroi, quattro vite destinate ad incrociarsi per la salvezza della Terra. Dagli abissi marini di Nuova Atlantide fino alle alte vette di Kumaria, Anthis, Alyssa, Elysa e Rigel, con l’aiuto del bel Matau, si opporranno coi loro poteri agli Yaho, gli stregoni di bianco vestiti, capeggiati dal sovversivo e intrigante Talamor. La forza di questo romanzo è nella fantasia, unita a ispirazioni esoteriche e alla forza di un messaggio spesso esplicitato in chiave poetica. La trama riporta con passione alcuni temi tipici dei manga giapponesi quali il valore sacro dell’amicizia e quello del rispetto per la natura, madre di tutti noi.

Sopravvivenza - Natalia Lenzi 2022-07-12

Toscana. Tre racconti intessuti di un unico filo nero; nero come il colore dell'oblio in cui si gettano i ricordi delle azioni scellerate commesse nella convinzione di aver agito per sopravvivere. Un viaggio nel tempo dalla metà del Duecento a quella del Cinquecento popolato di personaggi decisi a raggiungere i propri obiettivi con qualunque mezzo. 1620. Ultima di una stirpe di donne votate ad assistere le partorienti al momento della nascita, Manfilia viene denunciata per sospetta stregoneria; tradita dall'avidità della sua padrona, dovrà decidere come affrontare ignoranza e superstizione. 1255. Bentivoglio, unico erede maschio di un nobile signore appartenente ad una potente consorteria familiare stringe un'inaspettata amicizia; tre giovani uomini legati da una profonda fratellanza, la tradiranno per viltà ed egoismo dinanzi una tragedia. 1460. Fiorenza, sedicenne sposa prossima al primo parto, comprende in fretta il significato più cinico della maternità all'interno di una ricca dinastia determinata a prostrarre il proprio vigore nel tempo; una proposta immorale la costringerà a decidere se tradire o meno il proprio sangue per ambizione. Non sempre c'è un lieto fine.

Red Sorghum - Mo Yan 1994-04-01

The acclaimed novel of love and resistance during late 1930s China by Mo Yan, winner of the 2012 Nobel Prize in Literature. Spanning three generations, this novel of family and myth is told through a series of flashbacks that depict events of staggering horror set against a landscape of gemlike beauty, as the Chinese battle both Japanese invaders and each other in the turbulent 1930s. A legend in China, where it won major literary awards and inspired an Oscar-nominated film directed by Zhang Yimou, *Red Sorghum* is a book in which fable and history collide to produce fiction that is entirely new—and unforgettable. *Julian the Apostate* - Gaetano Negri 1905

Lady O - Abigail Prowse 2019-08-02

Expressing yourself from behind a screen has always been the easy way out; and for Lady O - pen name of Olyvia Cardoso - writing in this way makes her life lighter, less complicated, and easier to bear. Especially when she thinks of her past, and the oppression that came with it. Especially when she lives and breathes the insecurities her mother planted firmly inside her. Through the pages of her books, and the words of her newspaper column, the Upper East Side's most infamous journalist demolishes men one-by-one, always fighting the corner of each woman who writes to her. She forgets, briefly, that these same men were the ones who caused her so much pain during her teenage years. But she can never fully forget - not about everything. Suddenly, Gerard Gordon comes crashing back into Olyvia's life: one of the main contributors to her suffering all those years ago. Spiteful, arrogant, deceitful...or so it seemed. Could it be possible that this cursed angel, with his sparkling sapphire eyes and spellbinding smile, is exactly who he claims to be? A neurosurgeon who is so fascinated by Olyvia that he wants to protect her, even from herself? From the brilliant mind of Charlotte Lays, best-selling Italian author, comes this moving, ingenious novel, laden with emotion... Because, often, looks can be deceiving - and beauty does not always come from the heart. Charlotte Lays Pseudonym of Carlotta Pugi, born in 1980, who lives in Montale: a pretty little town embedded in the rolling Tuscan hills. She is lucky enough to have a husband, two children and a dog, who have taught her to fall in love with life. She enjoys writing about strong women in her sexy, mischievous novels.

L'unica cosa che conta - Raffaele Morelli 2010

The Book of Disquiet - Fernando Pessoa 2010-12-09

Sitting at his desk, Bernardo Soares imagined himself free forever of Rua dos Douradores, of his boss Vasques, of Moreira the book-keeper, of all the other employees, the errand boy, the post boy, even the cat. But if he left them all tomorrow and discarded the suit of clothes he wears, what else would he do? Because he would have to do something. And what suit would he wear? Because he would have to wear another suit. A self-deprecating reflection on the sheer distance between the loftiness of his

feelings and the humdrum reality of his life, *The Book of Disquiet* is a classic of existentialist literature.

Correndo nell'aria sottile - Michael Crawley 2022-04-13

Per quindici mesi, Michael Crawley si è allenato in Etiopia correndo a fianco di atleti di tutti i livelli, da guardiani notturni speranzosi di cambiare le proprie vite a maratoneti di caratura mondiale, mosso da un'unica voglia: capire quale sia la forza, antica e potente, che la corsa alimenta in quella regione dell'Africa. Perché per i corridori etiopi ha senso alzarsi alle 4 del mattino e allenarsi a 3000 metri di altezza? Perché pur di farlo corrono su un terreno ripido, roccioso e infestato

dalle iene? E qual è il modo migliore di correre in una foresta? Correndo nell'aria sottile unisce sport e antropologia nel racconto di un mondo fatto di visioni, miti e leggende, fra allenamenti e sfide, destini e grandi imprese. Con la speranza di essere chiamati a una gara internazionale e di chiuderla con un tempo memorabile che permetta di entrare nel numero di "quelli che ce l'hanno fatta". Il resto è fatica, piacere, respiro. È passione che muove le vite. Questo libro tocca il cuore e l'anima della corsa in Etiopia. - Haile Gebrselassie Pieno di meravigliose intuizioni e di cose da imparare da un mondo in cui la capacità di correre è qualcosa di magico e misterioso. - Adharanand Finn
