The Devil In The White City - Erik Larson
2010-09-30

'An irresistible page-turner that reads like the

most compelling, sleep defying fiction' TIME
OUT One was an architect. The other a serial killer. This is the incredible story of these two men and their realization of the Chicago World's Fair of 1893, and its amazing 'White City'; one of the wonders of the world. The architect was Daniel H. Burnham, the driving force behind the White City, the massive, visionary landscape of white buildings set in a wonderland of canals and gardens. The killer was H. H. Holmes, a handsome doctor with striking blue eyes. He used the attraction of the great fair - and his own devilish charms - to lure scores of young women to their deaths. While Burnham overcame politics, infighting, personality clashes and Chicago's infamous weather to transform the swamps of Jackson Park into the greatest show on Earth, Holmes built his own edifice just west of the fairground. He called it the World's Fair Hotel. In reality it was a torture palace, a gas chamber, a crematorium. These two disparate but driven men are brought to life in this mesmerizing, murderous tale of the legendary Fair that transformed America and set it on course for the twentieth century . . .

Dark Lies the Island - Kevin Barry 2013-09-24

An award-winning collection from the author of *City of Bohane*, which was hailed by Pete Hamill as "full of marvels" (The New York Times Book Review) * Short-listed for the Frank O'Connor Short Story Award * Winner of the Sunday Times Short Story Award * One of last year's most

critically acclaimed books in the UK * A Guernica Best Book of the Year * A Library Journal "Best Indie Fiction of 2013" * Dark Lies the Island is a wickedly funny and hugely original collection of stories about misspent love and crimes gone horribly wrong. In the Sunday Times Short Story Award-winning "Beer Trip to Llandudno," a pack of middle-aged ale fanatics seeking the perfect pint find more than they bargained for. A pair of sinister old ladies prowl the countryside for a child to make their own. And a poet looking for inner calm buys an ancient inn on the west coast of Ireland but finds instead rancorous locals and catastrophic floodwaters. Kevin Barry's dazzling language, razor-sharp ear for the vernacular, and keen eye for the tragedies and comedies of daily life invest these tales with a startling vitality. Dark Lies the Island was short-listed for the Frank O'Connor International Short Story Award, and as one of the most acclaimed collections in Europe in many years, it heralds the arrival of a new master of the short story.

[The Sober Diaries](#) - Clare Pooley 2017-12-28
BY THE AUTHOR OF NEW YORK TIMES BESTSELLER THE AUTHENTICITY PROJECT, THE BRAVE AND FUNNY MEMOIR THAT IS CHANGING LIVES. How one mother gave up drinking and started living. This is Bridget Jones Dries Out. Clare Pooley is a Cambridge graduate and was a Managing Partner at one of the world's biggest advertising agencies, and yet by eighteen months ago she'd become an overweight, depressed, middle-aged mother of three who was drinking more than a bottle of wine a day, and spending her evenings Googling 'Am I an alcoholic?' In a desperate bid to turn her life around, she quit drinking and started a blog. She called it Mummy Was a Secret Drinker. This book is the story of a year in Clare's life. A year that started with her quitting booze having been drinking more than a bottle of wine every day. It sees her starting a hugely successful blog, then getting and beating breast cancer. By the end of the year she is booze free and cancer free, two stone lighter and with a life that is so much richer, healthier and more rewarding than ever before. Sober Diaries is an upbeat, funny and positive look at how to live life to the full. Interwoven within Clare's own very personal and frank story is research and advice,

and answers to questions like: How do I know if I'm drinking too much? How will I cope at parties? What do I say to friends and family? How do I cope with cravings? Will I lose weight? What if my partner still drinks? And many more.

This is the most comprehensive review of depression available today. Written and edited by leading experts mostly from Columbia University, this is an essential resource for anyone involved in the care and treatment of patients with mood disorders.

The Seven Moods of Craft Beer - Adrian Tierney-Jones 2018-04-24

350 international craft beers are divided into seven categories--or moods--for drinking, including social, adventurous, poetic, bucolic, imaginative, gastronomic, and contemplative--ensuring the perfect beer for every occasion. THE SEVEN MOODS OF CRAFT BEER brings together the best 350 beers from around the world and then divides them into specific moods meant as the perfect guide for what to drink, when. There are beers that are social, like Funky Buddha Hope Gun from Florida, which are to be sipped in the backyard to the hum of conversation and kids playing. There are beers that are imaginative, like the Broken Dream from the UK, meant for contemplative nights with old friends. And there are gastronomic beers, like Sovina which pairs perfectly with a carnitas taco. Each of the seven chapters offers profiles of approximately 50 beers that cover

tasting notes, history and information on the brewery, and alcohol percentage. Sidebars throughout include histories of the world's best bars and information on styles of beer, brewers and breweries, and the world's most famous festivals.

The Center of Winter - Marya Hornbacher
2009-10-13

At the center of winter, in Motley, Minnesota, Arnold Schiller gives in to the oppressive season that reigns outside and also to his own inner demons -- he commits suicide, leaving a devastated family in his wake. Claire Schiller, wife and mother, takes shelter from the emotional storm with her husband's parents but must ultimately emerge from her grief and help her two young children to recover. Esau, her oldest, is haunted by the same darkness that plagued his father. At twelve years old, he has already been in and out of state psychiatric hospitals, and now, with the help of his mother and sister, he must overcome the forces that drive him deep into himself. But as the youngest, perhaps it is Katie who carries the heaviest burden. A precocious six-year-old who desperately wants to help her mother hold the family together, she will have to come to terms with the memory of her father, who was at once loving and cruel. Narrated alternately by Claire, Katie, and Esau, this powerful and passionate novel explores the ways in which both children and adults experience tragic events, discover solace and hope in one another, and survive. The Center of Winter finds humor in unlikely places and evokes the north -- its people and landscape -- with warmth, sensitivity, and insight. The story of three people who, against all odds, find their way out of the center of winter, Marya Hornbacher's debut novel will leave you breathless, tearful, and ultimately inspired.

Eat the City - Robin Shulman 2013-05-21
New York, the city of money, glass, and concrete, seems like no kind of place to produce food. Yet in this smart, funny, and beautifully written book, Robin Shulman places today's urban food production in the context of hundreds of years of history, tracing the changing ways we live and eat. As Shulman tells the story of New York's ability to feed people, she also shows the things we've always longed for in the cities that we build: closer human

connections and a sense of something pure. Food, of course, is about hunger—but it's also about community. With humor and insight, *Eat the City* shows how, in places like New York, people have always found ways to use their collective hunger to build their own kind of city.

Nineteen Eighty-Four - George Orwell
2021-01-09

"Nineteen Eighty-Four: A Novel", often published as "1984", is a dystopian social science fiction novel by English novelist George Orwell. It was published on 8 June 1949 by Secker & Warburg as Orwell's ninth and final book completed in his lifetime. Thematically, "Nineteen Eighty-Four" centres on the consequences of totalitarianism, mass surveillance, and repressive regimentation of persons and behaviours within society. Orwell, himself a democratic socialist, modelled the authoritarian government in the novel after Stalinist Russia. More broadly, the novel examines the role of truth and facts within politics and the ways in which they are manipulated. The story takes place in an imagined future, the year 1984, when much of the world has fallen victim to perpetual war, omnipresent government surveillance, historical negationism, and propaganda. Great Britain, known as Airstrip One, has become a province of a totalitarian superstate named Oceania that is ruled by the Party who employ the Thought Police to persecute individuality and independent thinking. Big Brother, the leader of the Party, enjoys an intense cult of personality despite the fact that he may not even exist. The protagonist, Winston Smith, is a diligent and skillful rank-and-file worker and Outer Party member who secretly hates the Party and dreams of rebellion. He enters into a forbidden relationship with a colleague, Julia, and starts to remember what life was like before the Party came to power.

Emotionomics - Dan Hill 2010-10-03

'I believe that 'emotion' is where it's at' Tom Peters For far too long, emotions have been ignored in favour of rationality and efficiency, but breakthroughs in brain science have revealed that people are primarily emotional decision-makers. Many companies have not yet accepted that fact, much less acted on it. In this fully revised edition, Emotionomics will help you to understand emotions in terms of business opportunities - both in the marketplace and in the workplace. In today's highly competitive marketplace where many products look alike, it is the emotional benefit that can make the difference. At the same time, companies with engaged, productive work forces will undoubtedly achieve competitive advantage. Dan Hill's book draws on insights gathered through facial coding, the single best viable means of measuring and managing the emotional response of customers and employees, to help you to leverage emotions for business success in terms of branding, product design, advertising, sales, customer satisfaction, leadership and employee management. Emotions matter and Emotionomics will help you to step closer to customers and employees, but step ahead of your competitors.

Fire Watch - Connie Willis 2010-01-13

Winner of six Nebula and five Hugo awards, Connie Willis is one of the most acclaimed and imaginative authors of our time. Her startling and powerful works have redefined the boundaries of contemporary science fiction. Here in one volume are twelve of her greatest stories, including double award-winner "Fire Watch," set in the universe of Doomsday Book and To Say Nothing of the Dog, in which a time-traveling student learns one of history's hardest lessons. In "A Letter from the Clearys," a routine message from distant friends shatters the fragile world of a beleaguered family. In "The Sidon in the Mirror," a mutant with the unconscious urge to become other people finds himself becoming both killer and victim. Disturbing, revealing, and provocative, this remarkable collection of short fiction brings together some of the best work of

an incomparable writer whose ability to amaze, confound, and enlighten never fails.

Ritual - David Pinner 2011-04-01

75 years since its first release, a true modern rarity and historical keystone in occult fiction and cinematic pop culture returns. Shrouded in the same brand of mystery and contradiction that forms its tangled plot, Ritual is commonly recognised by cult cinema fanatics as the original seed that spawned the towering movie enigma, The Wicker Man. A police officer is requested to investigate the presumed murder of a child in an obscure rural village. During his short stay, he is subjected to a spectacle of psychological trickery, sexual seduction and ancient practices and rituals.

A Really Good Day - Ayelet Waldman 2017-01-10

The true story of how a renowned writer's struggle with mood storms led her to try a remedy as drastic as it is forbidden: microdoses of LSD. Her revealing, fascinating journey provides a window into one family and the complex world of a once-infamous drug seen through new eyes. When a small vial arrives in

her mailbox from "Lewis Carroll," Ayelet Waldman is at a low point. Her moods have become intolerably severe; she has tried nearly every medication possible; her husband and children are suffering with her. So she opens the vial, places two drops on her tongue, and joins the ranks of an underground but increasingly vocal group of scientists and civilians successfully using therapeutic microdoses of LSD. As Waldman charts her experience over the course of a month--bursts of productivity, sleepless nights, a newfound sense of equanimity--she also explores the history and mythology of LSD, the cutting-edge research into the drug, and the byzantine policies that control it. Drawing on her experience as a federal public defender, and as the mother of teenagers, and her research into the therapeutic value of psychedelics, Waldman has produced a book that is eye-opening, often hilarious, and utterly enthralling.

Audacity of Hops - Tom Acitelli 2017-06-01
Charting the birth and growth of craft beer across the United States, Tom Acitelli offers an epic, story-driven account of one of the most inspiring and surprising American grassroots movements. Depression-Free, Naturally - Joan Mathews Larson, PhD 2011-05-11

Many of you who appear to have life under control are simply great actors. Underneath you live with inner tensions, anxiety or panic states,

feelings of hopelessness or paranoia, racing thoughts, ongoing anger, bone-weary fatigue. . . . The good news is that all this is fixable. What is the best treatment for ongoing depression, mood swings, exhaustion, and anxiety? Psychotherapy? Prescription drugs? Or is there a natural way that works better and is safer, faster, and cheaper? There is, and now Joan Mathews Larson, Ph.D., the brilliant nutritionist who founded Minnesota's esteemed Health Recovery Center, offers her revolutionary formulas for healing your emotions--biochemically. Twenty years of working with both addicted and nonaddicted patients has shown Larson that unhealthy and unstable moods are the result of the chemistry of our physical brains and are not psychological in origin. When you feed your imbalanced brain what it craves--the key essential fatty acids (EFAs), natural mind-body hormones, and the right amino acids--most mood swings, depressions, anxiety, and other upsets will disappear, even if they have a genetic basis. Through proven all-natural formulas, *Seven Weeks to Emotional Healing* will help you find the emotional stability and well-being you've been missing your entire life. Inside you'll discover how to - Screen yourself for emotional and behavioral symptoms - Recognize the mental and physical clues that indicate biochemical imbalances - Find an open-minded health practitioner - Eat the right foods for optimal mental fitness Dr. Larson also provides her unique anti-aging formula that restores sexual function, rejuvenates the immune system, elevates mood and energy levels, reduces stress, and expands your life span! *Seven Weeks to Emotional Healing* is both responsible and effective--and gives you the tools you need to find lasting emotional health and contentment for the first time in your life.

the feature film, *The Lightning Thief*.
The Circle - Dave Eggers 2013-10-08
A bestselling dystopian novel that tackles surveillance, privacy and the frightening intrusions of technology in our lives—a “compulsively readable parable for the 21st century” (*Vanity Fair*). When Mae Holland is hired to work for the Circle, the world’s most powerful internet company, she feels she’s been given the opportunity of a lifetime. The Circle, run out of a sprawling California campus, links users’ personal emails, social media, banking, and purchasing with their universal operating system, resulting in one online identity and a new age of civility and transparency. As Mae tours the open-plan office spaces, the towering glass dining facilities, the cozy dorms for those who spend nights at work, she is thrilled with the company’s modernity and activity. There are parties that last through the night, there are famous musicians playing on the lawn, there are athletic activities and clubs and brunches, and even an aquarium of rare fish retrieved from the Marianas Trench by the CEO. Mae can’t believe her luck, her great fortune to work for the most influential company in the world—even as life beyond the campus grows distant, even as a strange encounter with a colleague leaves her shaken, even as her role at the Circle becomes increasingly public. What begins as the captivating story of one woman’s ambition and idealism soon becomes a heart-racing novel of suspense, raising questions about memory, history, privacy, democracy, and the limits of human knowledge.

Drink Beer, Think Beer - John Holl 2018-09-04
From an award-winning journalist and beer expert, a thoughtful and witty guide to understanding and enjoying beer Right here, right now is the best time in the history of mankind to be a beer drinker. America now has more breweries than at any time since prohibition, and globally, beer culture is thriving and constantly innovating. Drinkers can order beer brewed with local yeast or infused with moon dust. However, beer drinkers are also faced with uneven quality and misinformation about flavors. And the industry itself is suffering from growing pains, beset by problems such as unequal access to taps, skewed pricing, and sexism. Drawing on history, economics, and

interviews with industry insiders, John Holl provides a complete guide to beer today, allowing readers to think critically about the best beverage in the world. Full of entertaining anecdotes and surprising opinions, *Drink Beer, Think Beer* is a must-read for beer lovers, from casual enthusiasts to die-hard hop heads.

[The Seven Moods of Craft Spirits](#) - Dominic Roskrow 2018-10-04

The second in the *Seven Moods* series, this little guide is destined to become the pocket bible to craft spirits for years to come. Now is

the most exciting time for craft spirits. Craft distilling is riding a perfect wave, as consumers look for provenance and heritage, drink less but better, and seek bespoke and original drinks rather than homogenous global brands. Gin distilling has become particularly popular in London, tequila is back in fashion, Cuban rum is making a resurgence, and great whiskies are being created everywhere, from France to Japan, Taiwan to Denmark. Gone are the days of brand loyalty. Instead, drinkers are choosing from a portfolio of drinks to match where they are and what they are doing, from a relaxing gunpowder tea-based gin to a festive spiced rum, and from a contemplative single malt to a fiery absinthe. Brought together in one accessible guide, here are 350 of the world's most interesting and innovative spirits _ whiskies, gins, vodkas, rums, brandies, liqueurs, poteens, tequilas, piscas, schnapps, and brandies/cognacs. Researched and written by leading whisky writer, Dominic Roskrow, each entry includes a specially commissioned drawing, tasting description, strength, distillery information, and spirit type. Each chapter is devoted to seven different moods (Social, Adventurous, Poetic, Bucolic, Contemplative, Gastronomic, Imaginative), and alongside the entries there are numerous useful features on related subjects, including gin and whisky distilleries, spirit bars, whisky festivals, craft distillers, and mixing spirits and food.

The Forty Rules of Love - Elif Shafak

2010-02-18

In this lyrical, exuberant tale, acclaimed Turkish author Elif Shafak, author of *The Island of Missing Trees* (a Reese's Book Club Pick), incarnates Rumi's timeless message of love. *The Forty Rules of Love* unfolds two tantalizing parallel narratives—one contemporary and the other set in the thirteenth century, when Rumi encountered his spiritual mentor, the whirling dervish known as Shams of Tabriz—that together explore the enduring power of Rumi's work. Ella Rubenstein is forty years old and unhappily married when she takes a job as a reader for a literary agent. Her first assignment is to read and report on *Sweet Blasphemy*, a novel written by a man named Aziz Zahara. Ella is mesmerized by his tale of Shams's search for Rumi and the dervish's role in transforming the successful but unhappy cleric into a committed

mystic, passionate poet, and advocate of love. She is also taken with Shams's lessons, or rules, that offer insight into an ancient philosophy based on the unity of all people and religions, and the presence of love in each and every one of us. As she reads on, she realizes that Rumi's story mirrors her own and that Zahara—like Shams—has come to set her free.

A Dress of Violet Taffeta - Tessa Arlen

2022-07-05

A sumptuous novel based on the fascinating true story of La Belle Époque icon Lucy, Lady Duff Gordon, who shattered the boundaries of fashion with her magnificently sensual and enchantingly unique designs. Lucy Duff Gordon knows she is talented. She sees color, light, and texture in ways few people can begin to imagine. But is the male dominated world of haute couture, who would use her art for their own gain, ready for her? When she is deserted by her wealthy husband, Lucy is left penniless with an aging mother and her five-year-old daughter to support. Desperate to survive, Lucy turns to her one true talent to make a living. As a little girl, the dresses she made for her dolls were the envy of her group of playmates. Now, she uses her creative designs and her remarkable eye for color to take her place in the fashion world—failure is not an option. Then, on a frigid night in 1912, Lucy's life changes once more, when she becomes one of 706 people to survive the sinking of the Titanic. She could never have imagined the effects the disaster would have on her fashion label Lucile, her marriage to her second husband, and her legacy. But no matter what life throws at her, Lucy will live on as a trailblazing and innovative fashion icon, never letting go of what she worked so hard to earn. This is her story.

The Last of the President's Men - Bob

Woodward 2016-10-11

Woodward exposes one of the final pieces of the Richard Nixon puzzle, examining the untold story of Alexander Butterfield, the Nixon aide who disclosed the secret White House taping system that changed history and led to Nixon's resignation. In forty-six hours of interviews with Butterfield, supported by thousands of documents, many of them original and not in the presidential archives and libraries, Woodward has uncovered new dimensions of Nixon's

secrets, obsessions, and deceptions.

The guide also highlights non-UK bottled real ales including from the U.S., the best bottled examples of traditional beers from abroad, and notes on foreign beer styles

The Diary of a Young Girl - Anne Frank
1996-02-01

THE DEFINITIVE EDITION • Discovered in the attic in which she spent the last years of her life, Anne Frank's remarkable diary has since become a world classic—a powerful reminder of the horrors of war and an eloquent testament to the human spirit. Updated for the 75th Anniversary of the Diary's first publication with a new introduction by Nobel Prize-winner Nadia Murad "The single most compelling personal account of the Holocaust ... remains astonishing and excruciating."—The New York Times Book Review In 1942, with Nazis occupying Holland, a thirteen-year-old Jewish girl and her family fled their home in Amsterdam and went into hiding. For the next two years, until their whereabouts were betrayed to the Gestapo, they and another family lived cloistered in the "Secret Annex" of an old office building. Cut off from the outside world, they faced hunger, boredom, the constant cruelties of living in confined quarters, and the ever-present threat of discovery and death. In

her diary Anne Frank recorded vivid impressions of her experiences during this period. By turns thoughtful, moving, and amusing, her account offers a fascinating commentary on human courage and frailty and a compelling self-portrait of a sensitive and spirited young woman whose promise was tragically cut short.

Big Dogs, Little Dogs - Jim Medway 2020-09

A book about every dog breed. "Breeds both familiar and unfamiliar are positively bursting out of this oversize volume... Dog lovers will spend hours poring over these winsome illustrations." -- School Library Journal The book brings together charming drawings of 300 domestic dog breeds, including every breed recognized by the American Kennel Club in the seven official groupings -- Working, Toy, Hound, Terrier, Herding, Sporting and Non-Sporting. Also included is a selection of purebreds not officially recognized by the American Kennel Club as well as some of the most popular "designer" dogs, such as the Labradoodle and Chiweenie. There are also breeds less familiar to North Americans but recognized by kennel clubs in other countries; for example, the Canadian Eskimo Dog and the Australian Silky Terrier. Jim Medway's color drawings are accurate and engaging. At the end of the book is an entertaining Puppy Identifier where children can test their ability to recognize the breed of 30 puppies. There is also a Dog Breed Fact Index

with interesting trivia about all of the breeds. More than one-third of American households have a dog. With Big Dogs, Little Dogs, children and adults alike will enjoy learning and identifying the dogs that they encounter. It is fun and informative and it might instill a lifelong interest in "man's best friend."

Mad, Mad Bear! - Kimberly Gee 2018-10-23

Bear is very, very, very MAD! Will he ever feel better? Find out in this sweet and silly picture book about toddler tantrums that little ones—and their caretakers—are sure to relate to. Bear had to leave the park early for his nap. Then he fell and got an owie on the way home. And then he had to leave his favorite boots and stick outside. Bear feels like nothing is fair, and that makes him VERY, VERY, VERY MAD! Can he find a way to move through his emotions and get back to feeling better? Maybe...but not before having a major meltdown!

Herd on the Street - Ken Wells 2007-11-01

For more than sixty years, The Wall Street Journal has prided itself not just on its serious journalism, but also on the whimsical and arcane stories that amuse and delight its readers. In that regard, animal stories have proven to be the most beloved of all. Now, veteran Journal reporter and Page One editor Ken Wells gathers the finest, funniest, and most fascinating of these animal tales in one exceptional book. Here are lighthearted, witty stories of breakthroughs in goldfish surgery, the untiring efforts of British animal lovers who guide lovesick toads across dangerous motorways, and the quest to tame doggy anxieties by prescribing the human pacifier Prozac. Other pieces reflect on mankind's impact on the animal kingdom: a close-up look at the nascent fish-rights

movement, the retirement of U.S. Air Force chimpanzees that once soared through space, and ongoing scientific efforts to defeat that most hardy enemy -- the cockroach. Each of these fifty-odd stories -- from the outlandish to the poignant -- exemplifies the superb feature writing that makes The Wall Street Journal one of America's best-written newspapers. This charming and utterly captivating collection will be a joy not only to animal lovers, but to all those who appreciate artful storytelling by writers who are obviously having a wonderful time spinning the tales.
