I'm a killer and I'm good at it. It's not something you can put on a resume or bring up during a date -- but we all have our secrets. The visions I see at night are part of mine. The Elders send me visions of my new targets -- chosen by them -- for me to kill. I don't determine if they are good or bad -- just that their fate is to die by my hand. direct. One night my vision features four sinfully yummy men. They seem to find me delicious as well. When my life gets thrown into chaos, these men are the only ones I can trust. What happens when I am not the monster I've always believed myself to be? I went from being the killer to the target. One thing is for sure, I don't plan on remaining anyone's prey. *Infernally Mine* is the first book in a paranormal RH/#whychoose romance series with assassins, shifters, and a succubus. [The Goetia](#) - Aleister Crowley 2021-07-03

"*The Goetia: The Lesser Key of Solomon*", also known as the "*Clavicula Salomonis Regis*", or "*Lemegeton*", is a centuries old spell book or grimoire. The exact source of the work is anonymous and compilations of older texts began appearing in the 16th and 17th centuries. In 1904, famed English occultists Aleister Crowley and Samuel Liddell MacGregor Mathers translated these older texts and published them in English. This grimoire is concerned primarily with summoning demons and contains the names, symbols, and spells for 72 distinct demon spirits. Crowley and Mathers painstakingly and meticulously researched the seals, charts, and sigils for the demons, making their edition of this ancient text one of the

most complete and detailed. Descriptions of the spells and rites necessary for the invocation of these demon spirits is included along with definitions and explanations for many of the unfamiliar terms found throughout the text. This edition of "The Goetia: The Lesser Key of Solomon" remains an essential addition to the library of anyone interested in ancient and Western occult practices. This edition is printed on premium acid-free paper.

Infernal Games - Jenna Wolfhart 2021-07-19

My life is pretty normal now. No demons. No soul contracts. No supernatural serial killers trying to stab me in a dark alley. It's all very safe. And boring. But when Lucifer shows up in Hell's Kitchen, he drags me into a dangerous game of cat and mouse. One I can't lose. If he gets his hands on me, he'll bind me to his side. Why? No one knows. I have a sneaking suspicion it has something to do with a darkness in my past I can barely remember. Whenever

I'm near Az, hazy memories spark, and our undeniable connection feels strangely familiar. Whatever the reason, I have to find the answers fast. Or I'll end up trapped in Hell forever.

Ever held a seance and accidentally trapped a demon into marriage? No takers? Just me? Crap. Marriage is my idea of hell, at least until the day an unfairly hot demon shows up in my apartment and drags me to actual Hell—as his wife. I’d honestly rather have a root canal without sedation than marry anyone, least of all a surly—even if damnably attractive—demon. But I’m bound to the contract stupid Teenage Me made with Azazel when I accidentally summoned and trapped him into marriage, to be consummated if I were still single at twenty-five. I’d forgotten all about it. He hasn’t. And now he’s here to claim me. Neither of us is thrilled about this marriage-of-inconvenience, but what I hate even more than the idea of being married...is being ignored. So when Azazel intends to park me out of sight and mind at the other end of his estate in Hell, I make it my newly eternal life’s mission to be as much of a real inconvenience to him as possible. It’s all fun and games,

until I find a soul that shouldn’t be in Hell, stumble smack-dab into the middle of a demon family feud...and the banter between me and Azazel turns so hot it might consume me. Hellishly Ever After is the first installment in a new paranormal romance series by award-winning author Nadine Mutas. If you love laugh-out-loud funny enemies-to-lovers stories with enough heat to burn up the pages, you don’t want to miss this book!

Witchcraft, Demonology and Magic - Marina Montesano
2020-05-20

Witchcraft and magic are topics of enduring interest for many reasons. The main one lies in their extraordinary interdisciplinarity: anthropologists, folklorists, historians, and more have contributed to build a body of work of extreme variety and consistence. Of course, this also means that the subjects themselves are not easy to assess. In a very general way, we can define witchcraft as a supernatural means to cause harm, death, or misfortune, while magic also belongs to the field of supernatural, or at least esoteric knowledge, but can be used to less dangerous effects (e.g., divination and astrology). In Western civilization, however, the witch hunt has set a very peculiar perspective in which diabolical witchcraft, the invention of the Sabbat, the

persecution of many thousands of (mostly) female and (sometimes) male presumed witches gave way to a phenomenon that is fundamentally different from traditional witchcraft. This Special Issue of Religions dedicated to Witchcraft, Demonology, and Magic features nine articles that deal with four different regions of Europe (England, Germany, Hungary, and Italy) between Late Medieval and Modern times in different contexts and social milieus. Far from pretending to offer a complete picture, they focus on some topics that are central to the research in those fields and fit well in the current "cumulative concept of Western witchcraft" that rules out all mono-causality theories, investigating a plurality of causes.

Infernal Assassin - Drake

A bloody ritual left my sister in a coma. I'm going to get her back. It's been two years, seventeen days, and twelve hours since I discovered my sister's body surrounded by witchcraft and black magic. She's barely kept alive by machines - and if I can't pay the bill this month, the mages at Fallen Oaks will pull the

plug. So when my ex-employer shows up at my door with a possible cure, it's tempting to slip back into my role as a killer for hire. One job, he tells me, and I could have the answers I need to save Cat for good. The only problem is, I'll be working for vampires - the same soulless creatures I used to hunt. According to them, my mark is about to release a modified version of the wolf plague that will decimate the supernatural races. They say I'll be doing the world a favor. I don't care about the politics, I'm just trying to save my sister. But when I arrive in Belize with my vampire entourage, the mark isn't what she seems, and the man protecting her is my ex-boyfriend. The same one who testified against me when the Trust took away my magic. Dominic freaking Finch. Wizard first class, ex-army badass, and a terrific kisser. And now, the only obstacle in the way of completing my mission. Thanks to him, I'm not allowed to use my arsenal of enchanted weapons, as decreed by the

magical governing body we both used to work for. I've spent the last year at the bottom of a bottle, holed up with a baby dragon and a very grumpy faerie. But if I can prove who was really behind the ritual that destroyed my sister, I might just get my life back. For Cat to live, someone has to die. Luckily, I'm great at killing people.

In a city that's already gone to hell in a hand basket, it might just need a demon. *Queen of Storms* - Katerina Martinez 2019-06-06 In the hallowed Storm Fae Academy, everyone has a secret. It sucks to be a supernatural fugitive, but as a fae witch, what can you do? Get on with things. Ignore the elite fae assassins who rule the city. Try not to freak out when one of them surprises you mid-shower. Usual stuff. But when the assassins capture my best friend, I'll do anything to stop her execution. Including joining their academy. Now, while I secretly plot to break Wren out, I am forced compete in a lethal set of trials. Failure means that a monstrous headsman kills us both. Turns out I have to train with a dragon-blood fae. He's powerful, scary, and lethally attractive. And, like me, he's harboring dark secrets. Worst thing about him? He's the monstrous headsman himself. This book is from the

Demons of Fire and Night world, with characters who appear in Court of Shadows.

The Abyssal Angels - S.

Connolly 2013-07

The Abyssal Angels: Infernal Colopatiron Redux is a stripped-down-for-public-consumption version of the limited edition grimoire Infernal Colopatiron. While the paperback version doesn't include the more dangerous parts of the text, nor the detailed intricate instructions, it does give the advanced magician enough information about gate opening, theophany, and magick to facilitate personal experimentation. The Nuctemeron Gates is a good companion for this text.

Publisher's Note: This text does not include some commentary, one chapter, and two key rituals from the original Infernal Colopatiron, all of which will never see a reprint.

Ursula may have escaped the Shadow Realm, but things are worse in New York. Kester is missing, and the city is under

siege by a legion of dragons.

There's a bounty on Ursula's head - alive or dead, and the dragons prefer the latter.

Ursula flees back to England, searching for the hidden island of Avalon, barely staying ahead of the bloodthirsty monsters.

To make things worse, she learns a dark truth about herself more terrible than she could possibly imagine. But with the powerful shadow demon Bael by her side, Ursula must focus on finding the one weapon that can fight the dragons-the sword Excalibur. If she fails, the dragons will destroy civilization completely.

I would not say things are going well, exactly. I live in a burnt-out car under a bridge, surrounded by rubbish. When Ruadan shows up to bring me back to the Institute, I leap at the chance. That is, until he throws me into the dungeons. I'm on the naughty list, and the mentor who once trained me is cold as ice. Now, I must pass every single trial, or the Institute's executioners will rip

me to pieces. Good thing I can handle it. I was the queen of the gladiator ring, and I do not go down easily. This will be part of a four book series to be continued.
