The Enormous Radio, and Other Stories - John Cheever 1953

Come to Me - Amy Bloom 1994-04-13
Nominated for a National Book Award, this fresh and stunning

collection of stories takes the reader deep into the heart of the most alarming and joyful human relationships.

Nine Stories - J.D. Salinger 2019-08-13

The "original, first-rate, serious, and beautiful" short fiction (New York Times Book Review) that introduced J. D. Salinger to American readers in the years after World War II, including "A Perfect Day for Bananafish" and the first appearance of Salinger's

fictional Glass family. Nine exceptional stories from one of the great literary voices of the twentieth century. Witty, urbane, and frequently affecting, *Nine Stories* sits alongside Salinger's very best work—a treasure that will be passed down for many generations to come. The stories: *A Perfect Day for Bananafish* *Uncle Wiggily in Connecticut* *Just Before the War with the Eskimos* *The Laughing Man* *Down at the Dinghy* *For Esmé—with Love and Squalor* *Pretty Mouth* and *Green My Eyes* De Daumier-Smith's *Blue Period* *Teddy* *At Home in the World* - Joyce Maynard 2010-04-01

New York Times bestselling author of *Labor Day* *With a New Preface* When it was first published in 1998, *At Home in the World* set off a furor in the literary world and beyond. Joyce Maynard's memoir broke a silence concerning her relationship—at age eighteen—with J.D. Salinger, the famously reclusive author of *The Catcher in the Rye*, then age fifty-three, who had read a

story she wrote for *The New York Times* in her freshman year of college and sent her a letter that changed her life. Reviewers called her book "shameless" and "powerful" and its author was simultaneously reviled and cheered. With what some have viewed as shocking honesty, Maynard explores her coming of age in an alcoholic family, her mother's dream to mold her into a writer, her self-imposed exile from the world of her peers when she left Yale to live with Salinger, and her struggle to reclaim her sense of self in the crushing aftermath of his dismissal of her not long after her nineteenth birthday. A quarter of a century later—having become a writer, survived the end of her marriage and the deaths of her parents, and with an eighteen-year-old daughter of her own—Maynard pays a visit to the man who broke her heart. The story she tells—of the girl she was and the woman she became—is at once devastating, inspiring, and triumphant.

The Wrong Heaven - Amy Bonnaffons 2018-07-17
For fans of George Saunders and Karen Russell, an "amazing, wildly inventive" collection of stories that straddles the line between the real and the fantastical (Kevin Wilson). In *The Wrong Heaven*, anything is possible: bodies can transform, inanimate objects come to life, angels appear and disappear. Bonnaffons draws us into a delightfully strange universe, in which her conflicted characters seek to solve their sexual and spiritual dilemmas in all the wrong places. The title story's heroine reckons with grief while arguing with loquacious Jesus and Mary lawn ornaments that come to life when she plugs them in. In *Horse*, we enter a world in which women transform themselves into animals through a series of medical injections. In *Alternate*, a young woman convinces herself that all she needs to revive a stagnant relationship is the perfect poster of the Dalai Lama. While some of the worlds to which

Bonnaffons transports us are more recognizable than others, all of them uncover the mysteries beneath the mundane surfaces of our lives. Enormously funny, boldly inventive, and as provocative as they are deeply affecting, these stories lay bare the heart of our deepest longings.

Including the story *Horse*, as heard on *This American Life*.

A Reader's Guide to J.D. Salinger - Eberhard Alsen 2002

Best known for *The Catcher in the Rye*, which continues to be read and discussed by secondary school students, undergraduates, and scholars, Salinger also wrote numerous shorter works. This reference covers his entire oeuvre, including autobiographical elements in his writings.

[In Search of J. D. Salinger](#) - Ian Hamilton 2010-04-15

Ian Hamilton wrote two books on J. D. Salinger. Only one, this one, was published. The first, called *J. D. Salinger: A Writing Life*, despite undergoing many changes to accommodate Salinger was still victim of a

legal ban. Salinger objected to the use of his letters, in the end to any use of them. The first book had to be shelved. With great enterprise and determination however, Ian Hamilton set to and wrote this book which is more, much more, than an emasculated version of the first. For someone whose guarding of his privacy became so fanatical it is perhaps surprising how much Ian Hamilton was able to disinter about his earlier life. Until Salinger retreated completely into his bolt-hole outside Cornish in New Hampshire many aspects of his life, though it required assiduousness on the biographer's part, could be pieced together. A surprising portrait emerges; although there were early signs of renunciation, there were moments when his behaviour could almost be described as gregarious. The trail Hamilton follows is fascinating, and the story almost has the lineaments of a detective mystery with the denouement suitably being played out in Court. 'As highly

readable and as literate an account of Salinger's work from a biographical perspective as we are likely to receive' The Listener 'A sophisticated exploration of Salinger's life and writing and a sustained debate about the nature of literary biography, its ethical legitimacy, its aesthetic relevance to a serious reading of a writer's books' Jonathan Raban, Observer 'Hamilton's book is as devious, as compelling, and in a covert way, as violent, as a story by Chandler' Victoria Glendinning, The Times

A Writer's Eye: Collected Book Reviews - Welty, Eudora 1994

The Way of a Pilgrim ; And, The Pilgrim Continues His Way - Reginald Michael French 1989

This is the story of a religious pilgrim's experiences as he wanders from place to place in Russia and Siberia in the middle of the nineteenth century.

The Catcher in the Rye - Jerome David Salinger 1988

Language, Music and Gesture: Informational Crossroads

- Tatiana Chernigovskaya 2021-08-23

This book brings together selected revised papers representing a multidisciplinary approach to language, music, and gesture, as well as their interaction. Among the number of multidisciplinary and comparative studies of the structure and organization of language and music, the presented book broadens the scope with the inclusion of gesture problems in the analyzed spectrum. A unique feature of the presented collection is that the papers, compiled in one volume, allow readers to see similarities and differences in gesture as an element of non-verbal communication and gesture as the main element of dance. In addition to enhancing the analysis, the data on the perception and comprehension of speech, music, and dance in regard to both their functioning in a natural situation and their reflection in

various forms of performing arts makes this collection extremely useful for those who are interested in human cognitive abilities and performing skills. The book begins with a philosophical overview of recent neurophysiological studies reflecting the complexity of higher cognitive functions, which references the idea of the baroque style in art being neither linear nor stable. The following papers are allocated into 5 sections. The papers of the section "Language-Music-Gesture As Semiotic Systems" discuss the issues of symbolic and semiotic aspects of language, music, and gesture, including from the perspective of their notation. This is followed by the issues of "Language-Music-Gesture Onstage" and interaction within the idea of the "World as a Text." The papers of "Teaching Language and Music" present new teaching methods that take into account the interaction of all the cognitive systems examined. The papers of the last two

sections focus on issues related primarily to language: The section "Verbalization Of Music And Gesture" considers the problem of describing musical text and non-verbal behavior with language, and papers in the final section "Emotions In Linguistics And Ai-Communication Systems" analyze the ways of expressing emotions in speech and the problems of organizing emotional communication with computer agents.

Can't and Won't - Lydia Davis
2014-04-08

A new collection of short stories from the woman Rick Moody has called "the best prose stylist in America" Her stories may be literal one-liners: the entirety of "Bloomington" reads, "Now that I have been here for a little while, I can say with confidence that I have never been here before." Or they may be lengthier investigations of the havoc wreaked by the most mundane disruptions to routine: in "A Small Story About a Small Box of Chocolates," a professor

receives a gift of thirty-two small chocolates and is paralyzed by the multitude of options she imagines for their consumption. The stories may appear in the form of letters of complaint; they may be extracted from Flaubert's correspondence; or they may be inspired by the author's own dreams, or the dreams of friends. What does not vary throughout *Can't and Won't*, Lydia Davis's fifth collection of stories, is the power of her finely honed prose. Davis is sharply observant; she is wry or witty or poignant. Above all, she is refreshing. Davis writes with bracing candor and sly humor about the quotidian, revealing the mysterious, the foreign, the alienating, and the pleasurable within the predictable patterns of daily life.

Last One Out Shut Off the Lights - Stephanie Soileau
2020-07-07

"A lightning bolt of a literary debut." ---Adam Johnson, Pulitzer Prize winner
"Enchanting and so neatly planned they feel made by time,

these stories mark the debut of a writer to watch." ---John Freeman, Literary Hub Last One Out Shut Off the Lights is an evocative portrait of the last-chance towns of southwest Louisiana, where oil development, industrial pollution, dying wetlands, and the ever-present threat of devastating hurricanes have eroded their inhabitants' sense of home. These eleven piercing stories feature indelible characters struggling to find a foothold in a world that is forever washing out from under them, people who must reckon with their ambivalence about belonging to a place so continually in flux. In a collection whose resonant echoes abound, we meet a reluctant teenage mother who stows her baby in a closet to steal a night out; a spiteful retiree who sabotages his neighbor in the wake of a hurricane; a Pentecostal singer in a children's theater company who confronts the cultish leader of her troupe; a community of elderly Cajuns who conspire with a family of

Sudanese immigrants to hide an escaped cow from the authorities; and a desperate young woman who tries to drag her brother to Mexico for surgery, determined to save his life and her own. As Lauren Groff did for the state of Florida in her recent collection Florida, Stephanie Soileau demonstrates that Louisiana is as much a state of mind as it is a place on the map. A love letter to the Cajun language, life rhythms, and customs that still make the region unique, Last One Out Shut Off the Lights is also a powerful reminder of the treacherous escape routes that bedevil anyone longing to leave home, and the traps that remain for those who desire to return.

Nine Horses - Billy Collins
2011-08-10

Nine Horses, Billy Collins's first book of new poems since *Picnic, Lightning* in 1998, is the latest curve in the phenomenal trajectory of this poet's career. Already in his forties when he debuted with a full-length book, *The Apple That Astonished Paris*, Collins

has become the first poet since Robert Frost to combine high critical acclaim with broad popular appeal. And, as if to crown this success, he was appointed Poet Laureate of the United States for 2001-2002, and reappointed for 2002-2003. What accounts for this remarkable achievement is the poems themselves, quiet meditations grounded in everyday life that ascend effortlessly into eye-opening imaginative realms. These new poems, in which Collins continues his delicate negotiations between the clear and the mysterious, the comic and the elegiac, are sure to sustain and increase his audience of avid readers.

Last Night in Montreal -

Emily St. John Mandel 2009
Eli searches for his ex-lover Lilia after she disappears one morning from his Brooklyn apartment, but he discovers surprises about her childhood after going to Montreal on a tip from a source who says that Lilia may be there.

Character and Personality in the Novels of William

Faulkner - Ineke Bockting 1995

Bockting has produced a work that focuses on the "people" that Faulkner created in his four major psychological novels: *The Sound and the Fury* (1929); *As I Lay Dying* (1920), *Light in August* (1932), and *Absalom, Absalom!* (1936). The author writes not about these people, either as literary characters or as human beings, but instead has allowed them to come alive in their own time, through their own texts.

Psychostylistics is the innovative approach to the literary character that Bockting employs, bringing together new developments in narrative psychology and psychiatry with literary stylistics and mind-style to provide detailed textual and contextual evidence in support of its observations on personality. Contents: *The Literary Character: Between Life and Linguistic Style*; *Mind-Style in The Sound and the Fury*; *Multiple Voices in As I Lay Dying*; *Light in August and the Issues of Unreliability*; *Absalom, Absalom!: A Novel of*

Attribution; Character,
Personality, and
Psychostylistics.

My Salinger Year - Joanna
Rakoff 2014-06-03

A keenly observed and irresistibly funny memoir about literary New York in the late nineties, a pre-digital world on the cusp of vanishing. Now a major motion picture starring Sigourney Weaver and Margaret Qualley After leaving graduate school to pursue her dream of becoming a poet, Joanna Rakoff takes a job as assistant to the storied literary agent for J. D. Salinger. Precariously balanced between poverty and glamour, she spends her days in a plush, wood-paneled office—where Dictaphones and typewriters still reign and agents doze after three-martini lunches—and then goes home to her threadbare Brooklyn apartment and her socialist boyfriend. Rakoff is tasked with processing Salinger's voluminous fan mail, but as she reads the heart-wrenching letters from around the world, she becomes reluctant to send

the agency's form response and impulsively begins writing back. The results are both humorous and moving, as Rakoff, while acting as the great writer's voice, begins to discover her own.

Raise High the Roof Beam, Carpenters and Seymour: An Introduction - J. D. Salinger
2019-08-13

The last book-length work of fiction by J. D. Salinger published in his lifetime collects two novellas about "one of the liveliest, funniest, most fully realized families in all fiction" (New York Times). These two novellas, set seventeen years apart, are both concerned with Seymour Glass—the eldest son of J. D. Salinger's fictional Glass family—as recalled by his closest brother, Buddy. "He was a great many things to a great many people while he lived, and virtually all things to his brothers and sisters in our somewhat outsized family. Surely he was all real things to us: our blue-striped unicorn, our double-lensed burning glass, our consultant genius,

our portable conscience, our supercargo, and our one full poet..."

For Esmé - with Love and Squalor - J. D. Salinger

2019-08-13

'This is the squalid, or moving, part of the story, and the scene changes. The people change, too. I'm still around, but from here on in, for reasons I'm not at liberty to disclose, I've disguised myself so cunningly that even the cleverest reader will fail to recognize me.' This collection of nine stories includes the first appearance of J. D. Salinger's fictional Glass family, introducing Seymour Glass in the unforgettable 'A Perfect Day for Bananafish'. 'The most perfectly balanced collection of stories I know' Ann Patchett

Early to Death, Early to Rise -

Kim Harrison 2010-05-25

Seventeen, dead, and in charge of heaven's dark angels—all itching to kill someone.

Madison Avery's dreams of ever fitting in at her new school died when she did.

Especially since she was able to maintain the illusion of a

body, deal with a pesky guardian angel, and oh yeah, bring the reaper who killed her to his untimely end. Not exactly in-crowd material. It's amazing that her crush, Josh, doesn't think she's totally nuts. Now Madison has learned that she's the dark timekeeper, in charge of angels who follow the murky guidelines of fate. Never one to abide by the rules, she decides it's time for a major change to the system. With the help of some unlikely allies, Madison forms a rogue group of reapers who definitely don't adhere to the rules of the heavens. But as she grapples with the terrifying new skills that come with being a timekeeper, Madison realizes she may not be prepared for what lies ahead—unless she gets some seriously divine intervention.

[The Catcher in the Rye](#) -

Jerome David Salinger 1964

Story of an alienated, disillusioned youth who drops out of school, and spends three days and nights in New York City on a quest for self-discovery.

The Look of the Book - Peter

Mendelsund 2020-10-06

Why do some book covers instantly grab your attention, while others never get a second glance? Fusing word and image, as well as design thinking and literary criticism, this captivating investigation goes behind the scenes of the cover design process to answer this question and more.

NAMED ONE OF THE BEST BOOKS OF THE YEAR BY THE NEW YORK TIMES BOOK REVIEW As the outward face of the text, the book cover makes an all-important first impression. *The Look of the Book* examines art at the edges of literature through notable covers and the stories behind them, galleries of the many different jackets of bestselling books, an overview of book cover trends throughout history, and insights from dozens of literary and design luminaries. Co-authored by celebrated designer and creative director Peter Mendelsund and scholar David Alworth, this fascinating collaboration, featuring hundreds of covers, challenges

our notions of what a book cover can and should be.

Three Early Stories - J. D. Salinger 2014

A young and ambitious writer named Jerome David Salinger set his goals very high very early in his career. He almost desperately wished to publish his early stories in *The New Yorker* magazine, the pinnacle, he felt, of America's literary world. But such was not to be for several long years and the length of one long world war. *The New Yorker*, whose tastes in literary matters were and remain notoriously prim and fickle, was not quite ready for this brash and over-confident newcomer with the cynical worldview and his habit of slangy dialogue. But other magazines were quick to recognize a new talent, a fresh voice at a time when the world verged on madness. *Story* magazine, an esteemed and influential small circulation journal devoted exclusively to the art of the short story and still active and respected today, was the first publication to publish the name J.D.

Salinger and the story "The Young Folks" in 1940, an impressive view of New York's cocktail society and two young people talking past one another, their conversation almost completely meaningless and empty. His next short story was published in a college journal, The University of Kansas City Review, "Go See Eddie," a tale of quiet menace as an unsavory male character gradually turns up the pressure on a young lady to see a man named Eddie. Also published in 1940, the story is notable for the backstory that is omitted - a technique that Hemingway used to great effect. Four years later toward the end of Salinger's war experience saw the publication of "Once A Week Won't Kill You," again in Story magazine. Ostensibly about a newly minted soldier trying to tell an aging aunt he is going off to war, some may see the story as a metaphor for preparing one's family for the possibility of wartime death. Three Early Stories (Illustrated) is the first legitimately published book by

J.D. Salinger in more than 50 years. Devault-Graves Digital Editions, a publisher that specializes in reprinting the finest in American period literature, is proud to bring you this anthology by one of America's most innovative and inspiring authors.

Franny and Zooey - Jerome David Salinger 1981

The author writes: FRANNY came out in The New Yorker in 1955, and was swiftly followed, in 1957 by ZOOEY. Both stories are early, critical entries in a narrative series I'm doing about a family of settlers in twentieth-century New York, the Glasses. It is a long-term project, patently an ambiguous one, and there is a real-enough danger, I suppose that sooner or later I'll bog down, perhaps disappear entirely, in my own methods, locutions, and mannerisms. On the whole, though, I'm very hopeful. I love working on these Glass stories, I've been waiting for them most of my life, and I think I have fairly decent, monomaniacal plans to finish them with due care and all-available skill.

The Inverted Forest - John Dalton 2012-07-10

Summer camp counselor Wyatt Huddy, a disfigured young man, learns that the camp will be responsible for dozens of severely disabled wards of the state, a situation complicated by the dangerous inclinations of a fellow counselor.

Seduction Theory - Thomas Beller 2005-07

Ten stories "of lonely friends and yearning lovers caught in the lights of modern Manhattan, and of the children and adolescents who grow up there."

Salinger - David Shields 2014-09-09

Draws on extensive research and exclusive interviews to share previously undisclosed aspects of the enigmatic writer's life, from his private relationships and service in World War II to his legal concerns and innermost secrets.

[If You Really Want to Hear About It](#) - Perseus 2006-06-13

Draws on fifty years of interviews, profiles, reviews, and memories pertaining to the

iconic literary figure, from Eudora Welty's 1953 review of *Nine Stories* and John Updike's review of *Franny and Zooey* to insider accounts by such figures as Joyce Maynard and Betty Eppes. Original.

Modern American Short Story Sequences - Maxwell F.

Kennedy 1995-01-27

Originally published in 1995, this book explores American short story sequences as a twentieth-century genre.

Three Early Stories - J. D. Salinger 2014-11-19

Three formative short stories by one of the most significant American writers of the twentieth century. A cocktail party conversation is most revealing in what is left unsaid. Tensions between a brother and sister escalate to violent threats. A soldier heading off to war is torn between duty to his country and to his family. These stories, first published in magazines in the 1940s and long out of print, showcase the formidable talent that would blossom in *The Catcher in the Rye*. The first book by J. D. Salinger to be published in fifty

years, *Three Early Stories* is a crucial addition to the shelves of Salinger fans and newcomers to his work alike. Jerome David Salinger published just one novel and three short story collections in his lifetime, but is regarded as one of the most influential American writers of the twentieth century. His books - *The Catcher in the Rye*, *Nine Stories*, *Franny and Zooey* and *Raise High the Roof Beam, Carpenters and Seymour: An Introduction* - were published between 1951 and 1963, and Salinger lived most of his later life out of the public eye. J. D. Salinger died in 2010.

J. D. Salinger - Kenneth Slawenski 2011-01-25

NATIONAL BESTSELLER •

The inspiration for the major motion picture *Rebel in the Rye* One of the most popular and mysterious figures in American literary history, the author of the classic *Catcher in the Rye*, J. D. Salinger eluded fans and journalists for most of his life. Now he is the subject of this definitive biography, which is filled with new information and

revelations garnered from countless interviews, letters, and public records. Kenneth Slawenski explores Salinger's privileged youth, long obscured by misrepresentation and rumor, revealing the brilliant, sarcastic, vulnerable son of a disapproving father and doting mother. Here too are accounts of Salinger's first broken heart—after Eugene O'Neill's daughter, Oona, left him—and the devastating World War II service that haunted him forever. J. D. Salinger features this author's dramatic encounters with luminaries from Ernest Hemingway to Elia Kazan, his office intrigues with famous *New Yorker* editors and writers, and the stunning triumph of *The Catcher in the Rye*, which would both make him world-famous and hasten his retreat into the hills of New Hampshire. J. D. Salinger is this unique author's unforgettable story in full—one that no lover of literature can afford to miss. Praise for J. D. Salinger: *A Life* "Startling . . . insightful . . . [a] terrific literary biography."—USA

Today “It is unlikely that any author will do a better job than Mr. Slawenski capturing the glory of Salinger’s life.”—The Wall Street Journal “Slawenski fills in a great deal and connects the dots assiduously; it’s unlikely that any future writer will uncover much more about Salinger than he has done.”—Boston Sunday Globe “Offers perhaps the best chance we have to get behind the myth and find the man.”—Newsday “[Slawenski has] greatly fleshed out and pinned down an elusive story with precision and grace.”—Chicago Sun-Times “Earnest, sympathetic and perceptive . . . [Slawenski] does an evocative job of tracing the evolution of Salinger’s work and thinking.”—The New York Times

Drinking Coffee Elsewhere - ZZ Packer 2004-02-03

The acclaimed debut short story collection that introduced the world to an arresting and unforgettable new voice in fiction, from multi-award winning author ZZ Packer Her impressive range and talent

are abundantly evident: Packer dazzles with her command of language, surprising and delighting us with unexpected turns and indelible images, as she takes us into the lives of characters on the periphery, unsure of where they belong. We meet a Brownie troop of black girls who are confronted with a troop of white girls; a young man who goes with his father to the Million Man March and must decide where his allegiance lies; an international group of drifters in Japan, who are starving, unable to find work; a girl in a Baltimore ghetto who has dreams of the larger world she has seen only on the screens in the television store nearby, where the Lithuanian shopkeeper holds out hope for attaining his own American Dream. With penetrating insight, ZZ Packer helps us see the world with a clearer vision. Fresh, versatile, and captivating, *Drinking Coffee Elsewhere* is a striking and unforgettable collection, sure to stand out among the contemporary canon of fiction.

Dream Catcher - Margaret A. Salinger 2013-09-10

In her highly anticipated memoir, Margaret A. Salinger writes about life with her famously reclusive father, J.D. Salinger—offering a rare look into the man and the myth, what it is like to be his daughter, and the effect of such a charismatic figure on the girls and women closest to him. With generosity and insight, Ms. Salinger has written a book that is eloquent, spellbinding, and wise, yet at the same time retains the intimacy of a novel. Her story chronicles an almost cultlike environment of extreme isolation and early neglect interwoven with times of laughter, joy, and dazzling beauty. Compassionately exploring the complex dynamics of family relationships, her story is one that seeks to come to terms with the dark parts of her life that, quite literally, nearly killed her, and to pass on a life-affirming heritage to her own child. The story of being a Salinger is unique; the story of

being a daughter is universal. This book appeals to anyone, J.D. Salinger fan or no, who has ever had to struggle to sort out who she really is from whom her parents dreamed she might be.

Maggie Brown & Others - Peter Orner 2019-07-02

In this powerful and virtuosic collection of interlocking stories, each one "a marvel of concision and compassion" (Washington Post), a National Book Critics Circle Award finalist and "master of his form" (*NY Times*) takes the short story to new heights. Through forty-four compressed gems, Peter Orner, a writer who "doesn't simply bring his characters to life, he gives them souls" (NYT Book Review), chronicles people whose lives are at inflection points, gripping us with a series of defining moments. Whether it's a first date that turns into a late-night road trip to a séance in an abandoned airplane hangar, or a family's memories of the painful mystery surrounding a neglected uncle's demise,

Orner reveals how our fleeting decisions between kindness and abandonment chase us across time. These stories are anchored by a poignant novella that delivers not only the joys and travails of a forty-year marriage, but an entire era in a working-class New England city. Bristling with the crackling energy of life itself, *Maggie Brown & Others* marks the most sustained achievement to date for "a master of his form" (New York Times). A New York Times Notable Book A Chicago Tribune Notable Book An Oprah Magazine Best Book of 2019 Kirkus Reviews Best Short Fiction of 2019 Longlisted for the Simpson/Joyce Carol Oates Prize
Hapworth 16, 1924 - Jerome David Salinger 1997

Nine Stories - J.D. Salinger 1953
"DeDaumier-Smith's Blue Period," "Teddy," and "A Perfect Day for Bananafish" are among the nine works in a collection of Salinger's

perceptive and realistic short stories

How to Write A Short Story (And Think About It) - Robert Graham 2017-09-16

Short story publishing is flourishing in the 21st century and is no longer seen as a poor relation of the novel. But what is a short story? And how do you write one? Robert Graham takes you through everything you need to know, from how a writer works to crafting and editing your own fiction. This heavily revised edition features new chapters by contemporary fiction writers. Stressing the importance of reading broadly and deeply, the book includes a wide range of prompts and writing exercises. It teaches you how to read as a writer and write like somebody who has read. You will learn the elements of craft you need to produce short stories, and one of the key writer's disciplines: reflecting on your own work. Whether you are a student or an experienced author, this book will teach you how to write short stories - and reflect on the creative processes

involved. The book features chapters from writer-teachers James Friel, Rodge Glass, Ursula Hurley, Heather Leach, Helen Newall, Jenny Newman, James Rice and Tom Vowler.

Franny and Zooey - J. D.

Salinger 2019-08-13

"Perhaps the best book by the foremost stylist of his generation" (New York Times), J. D. Salinger's Franny and Zooey collects two works of fiction about the Glass family originally published in The New Yorker. "Everything everybody does is so--I don't know--not wrong, or even mean, or even stupid necessarily. But just so tiny and meaningless and--sad-making. And the worst part is, if you go bohemian or something crazy like that, you're conforming just as much only in a different way." A novel in two halves, Franny and Zooey brilliantly captures the emotional strains and traumas of entering adulthood. It is a gleaming example of the wit, precision, and poignancy that have made J. D. Salinger one of America's most beloved writers.

Homeland - Barbara Kingsolver
2011-10-06

The short stories in this collection are spread over landscapes ranging from northern California and the urban Southwest to the hills of eastern Kentucky and the Caribbean island of St Lucia. In every setting the characters are bound by a strong sense of place and the ties of love and family history: a child accepts the impossible responsibility of remembering her Cherokee great-grandmother's dying culture; a quietly dissolving couple must fight ghosts of past expectations to reach one another; a tough Mexican American woman finds herself in jail because of her commitment to a family legacy of 'doing the right thing'. Homeland and Other Stories follows in the tradition of some of the great short story writers of our time, including Alice Munro, Flannery O'Connor and Annie Proulx. With disarming honesty - at times comic but often heartrending - Barbara Kingsolver emerges as a true master of the form.
