Hollywood Cartoons - Michael Barrier 2003-11-06

In Hollywood Cartoons, Michael Barrier takes us on a glorious guided tour of American animation in the 1930s, '40s, and '50s, to meet the legendary artists and entrepreneurs who created Bugs Bunny, Betty Boop, Mickey Mouse, Wile E. Coyote, Donald Duck, Tom and Jerry, and many other cartoon favorites. Beginning with black-and-white silent cartoons, Barrier offers an insightful account, taking us inside early New York studios and such Hollywood giants as Disney, Warner Bros., and MGM. Barrier excels at illuminating the creative side of animation--revealing how stories are put together, how animators develop a character, how technical innovations enhance the "realism" of cartoons. Here too are colorful portraits of the giants of the field, from Walt and Roy Disney and their animators, to Bill Hanna and Joe Barbera. Based on hundreds of interviews with veteran animators, Hollywood Cartoons gives us the definitive inside look at this colorful era and at the creative process behind these marvelous cartoons.

[How to Read Nancy](#) - Paul Karasik 2017-10-31

Everything that you need to know about reading, making, and understanding comics can be found in a single Nancy strip by Ernie Bushmiller from August 8, 1959. Paul Karasik and Mark Newgarden's groundbreaking work *How to Read Nancy* ingeniously isolates the separate building blocks of the language of comics through the deconstruction of a single strip. No other book on comics has taken such a simple yet methodical approach to laying bare how the comics medium really works. No other book of any kind has taken a single work by any artist and minutely (and entertainingly) pulled it apart like this. *How to Read Nancy* is a completely new approach towards deep-reading art. In addition, *How to Read Nancy* is a thoroughly researched history of how comics are made, from their creation at the drawing board to their ultimate destination at the bookstore. Textbook, art book, monogram, dissection, *How to Read Nancy* is a game changer in understanding how the "simplest" drawings grab us and never leave. Perfect for students, academics, scholars, and casual fans.

"Being a girl was something that never really happened for me." —Rae Spoon Ivan E. Coyote and Rae Spoon are accomplished, award-winning writers, musicians, and performers; they are also both admitted "gender failures." In their first collaborative book, Ivan and Rae explore and expose their failed attempts at fitting into the gender binary, and how ultimately our expectations and assumptions around traditional gender roles fail us all. Based on their acclaimed 2012 live show that toured across the United States and in Europe, *Gender Failure* is a poignant collection of autobiographical essays, lyrics, and images documenting Ivan and Rae's personal journeys from gender failure to gender enlightenment. Equal parts hilarious and heartbreaking, it's a book that will touch LGBTQ readers and others, revealing, with candor and insight, that gender comes in more than two sizes. Ivan E. Coyote is the author of six story collections and the award-winning novel *Bow Grip*, and is co-editor of *Persistence: All Ways Butch and Femme*. Ivan frequently performs at high schools, universities, and festivals across North America. Rae Spoon is a transgender indie musician whose most recent CD is *My Prairie Home*, which is also the title of a new National Film Board of Canada documentary about them. Rae's first book, *First Spring Grass Fire*, was a Lambda Literary Award finalist in 2013.
