The Dare - Lauren Landish 2020-01-19

Have you ever had one of those really bad days at work? You know, one where your sexy AF boss catches you photocopying your backside in his office? No? Just me then? I blame my bestie and partner in chaos. She challenged me with a not-so-innocent dare that I should've flat out declined. But I'm an adrenaline junkie, and now, here I am. I know it sounds crazy, and daredevil tendencies aside, I definitely went too far to get his attention. But you haven't seen him. Colton Wolfe. My boss. Tall, dark, and handsome, with the sexiest British accent I've ever heard. His only flaw? That he's completely oblivious to what's been right in front of him all along. Me. Well, he was until a few minutes ago. Remember those good old days? Before I got caught bare-assed and making nice with the copy machine, and before I was totally getting fired? But wait. Maybe I'm not. If I can take on the biggest dare of all. Making Colton Wolfe fall in love with me.

Warning: This erotica contains scenes and elements that may be disturbing to some readers. Please review the full content warning below. Jessica Martin is not a nice girl. As Prom Queen and Captain of the cheer squad, she'd ruled her school mercilessly, looking down her nose at everyone she deemed unworthy. The most unworthy of them all? The "freak," Manson Reed: her favorite victim. But a lot changes after high school. A freak like him never should have ended up at the same Halloween party as her. He never should have been able to beat her at a game of Drink or Dare. He never should have been able to humiliate her in front of everyone. Losing the game means taking the dare: a dare to serve Manson for the entire night as his slave. It's a dare that Jessica's pride - and curiosity - won't allow her to refuse. What ensues is a dark game of pleasure and pain, fear and desire. Is it only a game? Only revenge? Only a dare? Or is it something more? This book contains intense fantasy scenes of hard kinks/edgeplay, graphic sex, and harsh language. It is intended only for an adult audience. Beware: this is a dark, weird, kinky read. The activities depicted therein are dangerous and are not meant to be an example of realistic BDSM. Reader discretion is advised. Kinks/Fetishes within: erotic humiliation, fearplay, painplay, knifeplay, consensual non-consent (CNC), orgasm denial, boot worship, spanking, crying, blowjobs, clowns, group sexual activities, spit, bondage, public play, bloodplay.

The Dare - Elle Kennedy 2020-06-16

Get ready for another binge-worthy romance from New York Times bestselling author Elle Kennedy! College was supposed to be my chance to get over my ugly-duckling complex and spread my wings. Instead, I wound up in a sorority full of mean girls. I already have a hard time fitting in, so when my Kappa Chi sisters issue the challenge, I can't say no. The dare: seduce the hottest new hockey player in the junior class. Conor Edwards is a regular at Greek Row parties...and in Greek Row sorority beds. He's the one you fall for before you learn that guys like him don't give girls like me a second glance. Except Mr. Popular throws me for a loop—rather than laughing in my face, he does me a solid by letting me take him upstairs to pretend we're getting busy. Even crazier, now he wants to keep pretending. Turns out Conor loves games, and he thinks it's fun to pull the wool over my frenemies' eyes. But resisting his easy charm and surfer-boy hotness is darn near impossible. Though I'm realizing there's much more to Conor's story than his fan club can see. And the longer this silly ruse goes on, the greater the danger of it all blowing up in my face.

The Dare - Lesley Kara 2021-08-03

She thought she had put all the questions to rest. But someone from her past wants answers. From the bestselling author of *The Rumor* and *Who Did You Tell?* comes *The Dare*, an electrifying novel of suspense. "I read *The Dare* in two big gulps—it's pacy, has great characters, and there's a flip worthy of Simone Biles."—Fiona Barton, New York Times bestselling author of *The Widow* At the time it was exciting. A game of dare, but one that had motive and justification. Children can be so judgmental, can't they? I can still hear her cry as she toppled forward, the dull thud of her body as it landed on the pavement. Lizzie and Alice are the best of friends, as close as can be. Until the day when they're out playing by the train tracks and a childish spat triggers Lizzie's epilepsy. When she comes to, she finds an unimaginable horror: Alice has been killed. Lizzie is devastated, and as she tries to cope with her grief, she is shocked to find herself alienated from Alice's friends and relatives, who are convinced Lizzie and "the dare" somehow had a role in her friend's death. I knew that whatever she wanted me to do, I'd do it. Like that first, dreadful dare. Years later, Lizzie has tried to move on. She's engaged to a wonderful man and is starting a new life in London. But someone from her past isn't willing to forgive and forget. And they'll do anything to pry answers from her. Even if Lizzie doesn't know them herself.

Dare to Succeed - Mark Burnett 2001-09-12

The man who has lived a classic rags-to-riches life story turns his passion for daring and challenge into life lessons on personal and professional achievement. The genius behind the wildly popular *Survivor* series, Mark Burnett is now the hottest producer in television. What most people don't know, however, is that Burnett has his own survival story to tell, and it's every bit as riveting as the show. A decade ago, he was selling t-shirts on the beach in Southern California. But through a combination of inspiration, determination, and sheer nerve, he transformed his life, went on to produce an Emmy-winning extreme sports program, and, of course, created the most popular series on the air today. A former paratrooper and an open-water certified SCUBA diver, Mark Burnett has used his life of daring experiences as a jumping-off point, and now shows readers how to chase their dreams, ignore their fears, and follow the road less traveled to personal and business success. His book unfolds like a real-life adventure story, offering valuable lessons, inspirational vignettes, and hard-hitting advice. Burnett's recipe for success encourages people to bend the rules, embrace risk, lead with compassion, learn through failure, revel in pain, and focus like a laser on their goals. By following this blend of heart and chutzpah, you'll not only survive, but go on to succeed beyond your wildest dreams.
