*Queerness in Play* - Todd Harper 2018-10-19  
Queerness in Play examines the many ways queerness of all kinds—from queer as ‘LGBT’ to other, less well-covered aspects of the queer spectrum—intersects with

games and the social contexts of play. The current unprecedented visibility of queer creators and content comes at a high tide of resistance to the inclusion of those outside a long-imagined cisgender, heterosexual, white

male norm. By critically engaging the ways games—as a culture, an industry, and a medium—help reproduce limiting binary formations of gender and sexuality, *Queerness in Play* contributes to the growing body of scholarship promoting more inclusive understandings of identity, sexuality, and games.

### **The Devil's Kiss (Free Dark Billionaire Romance) -**

Gemma James

She stole from the wrong billionaire... Broke and desperate, Kayla siphons thousands from her employer to pay for her daughter's treatment, but when CEO Gage Channing discovers her theft, she learns her sadistic boss has no intention of turning her over to the police. Instead, he issues an ultimatum—submit to him in the bedroom, or go to jail.

Backed into a corner by a man with no shame, Kayla must find the strength to travel down the path of pain and pleasure. But when her past catches up to her, prompting a free fall into forbidden territory with a man she once loved, Kayla realizes

nothing is black and white when everyone around her has secrets. NOTE TO READERS: THE DEVIL'S KISS is a dark billionaire romance with a BDSM edge that does NOT conform to safe, sane, and consensual practices. Includes explicit content and subject matter that may offend some readers. Intended for mature audiences. Book 1 in the Devil's Kiss series. WHAT READERS ARE SAYING "This dark series by Gemma James is great." ~ New York Times Bestselling Author, Anna Zaires "If you don't mind the DARK AND EDGY reads, and you enjoyed the books like *Dark Duet* or *Tears of Tess*, you will find *The Devil's Kiss* a most satisfying read." ~ My Journeys Into Pure Imagination "Gemma warns us...this ain't your Mama's Romance. It is intense, dark, gritty and ... Awesome!" ~ SnifferWalkBooks "THE DEVIL'S KISS will light you on fire! **Capitalism and Desire** - Todd McGowan 2016-09-20

Despite creating vast

inequalities and propping up reactionary world regimes, capitalism has many passionate defenders—but not because of what it withholds from some and gives to others. Capitalism dominates, Todd McGowan argues, because it mimics the structure of our desire while hiding the trauma that the system inflicts upon it. People from all backgrounds enjoy what capitalism provides, but at the same time are told more and better is yet to come. Capitalism traps us through an incomplete satisfaction that compels us after the new, the better, and the more. Capitalism's parasitic relationship to our desires gives it the illusion of corresponding to our natural impulses, which is how capitalism's defenders characterize it. By understanding this psychic strategy, McGowan hopes to divest us of our addiction to capitalist enrichment and help us rediscover enjoyment as we actually experienced it. By locating it in the present, McGowan frees us from our

attachment to a better future and the belief that capitalism is an essential outgrowth of human nature. From this perspective, our economic, social, and political worlds open up to real political change. Eloquent and enlivened by examples from film, television, consumer culture, and everyday life, *Capitalism and Desire* brings a new, psychoanalytically grounded approach to political and social theory.

Obsessed - Aleatha Romig

**Embracing My Submission** - Jenna Jacob 2012-10-29

Haunted for years by dreams of a savage, amber eyed Dominant with lips so enticing my soul ached in frustration and lust. None of the Dominants at Genesis, my local BDSM club ever stirred me in such blistering ways. While I tried to fill my submissive desires vicariously through interactions at the club, I attempted to convince myself it was enough. But it wasn't. My dream Dom made certain I hungered for more. Forced beyond what I could bear, my passion and frustration exploded. I threw in the towel, determined to stop chasing a

dream and gave up completely on finding submissive surrender. But fate intervened when two gunshots split the night. Forced to confront my desires and insecurities, I was shocked to realize that my dreams may have held a deeper meaning. Were they compelling me to finally embrace my submission?

**Tighter** - Adele Griffin  
2012-06-12

When 17-year-old Jamie arrives on the idyllic New England island of Little Bly to work as a summer au pair, she is stunned to learn of the horror that precedes her. Seeking the truth surrounding a young couple's tragic deaths, Jamie discovers that she herself looks shockingly like the dead girl—and that she has a disturbing ability to sense the two ghosts. Why is Jamie's connection to the couple so intense? What really happened last summer at Little Bly? As the secrets of the house wrap tighter and tighter around her, Jamie must navigate the increasingly blurred divide between the worlds of the

living and the dead. Brilliantly plotted, with startling twists, here is a thrilling page-turner from the award-winning Adele Griffin.

*Thinking the Problematic* -

Oliver Leistert 2020-10-31

The notion of »the problematic« has changed its meaning within the history of power and knowledge since the early 20th century, leading up to today's performative, neocybernetic fascination with generalized management ideas and technocratic models of science. This book explores central scenes, conceptual elaborations, and practical affiliations of what historically has been called »the problem« or »the problematic«. By way of considering modes of problematization as modes of inhabitation, intervention, and transformation the contributions map its current conceptual-political uses as well as onto-epistemological challenges. Thus, »problematization« is positioned as a critical concept that links, often in intricate ways, several currents from speculative philosophy to the formation of interdisciplinary fields. The »problematic«, as it

turns out, has been the source of change in philosophy and the sciences all along.

Southern Masculinity - Craig Thompson Friend 2009

The follow-up to the critically acclaimed collection *Southern Manhood: Perspectives on Masculinity in the Old South* (Georgia, 2004), *Southern Masculinity* explores the contours of southern male identity from Reconstruction to the present. Twelve case studies document the changing definitions of southern masculine identity as understood in conjunction with identities based on race, gender, age, sexuality, and geography. After the Civil War, southern men crafted notions of manhood in opposition to northern ideals of masculinity and as counterpoint to southern womanhood. At the same time, manliness in the South--as understood by individuals and within communities--retained and transformed antebellum conceptions of honor and mastery. This collection examines masculinity with

respect to Reconstruction, the New South, racism, southern womanhood, the Sunbelt, gay rights, and the rise of the Christian Right. Familiar figures such as Arthur Ashe are investigated from fresh angles, while other essays plumb new areas such as the womanless wedding and Cherokee masculinity.

**Beyond Convergence** -  
National Defense University  
(US) 2017-08-24

The world order built upon the Peace of Westphalia is faltering. State fragility or failure are endemic, with no fewer than one-third of the states in the United Nations earning a "high warning"-or worse-in the Fragile States Index, and an equal number suffering a decline in sustainability over the past decade.<sup>1</sup> State weakness invites a range of illicit actors, including international terrorists, globally networked insurgents, and transnational criminal organizations (TCOs). The presence and operations of these entities keep states weak and incapable of effective

governance, and limit the possibility of fruitful partnerships with the United States and its allies. Illicit organizations and their networks fuel corruption, eroding state legitimacy among the governed, and sowing doubt that the state is a genuine guardian of the public interest. These networks can penetrate the state, leading to state capture, and even criminal sovereignty.<sup>2</sup> A growing number of weak and corrupt states is creating gaping holes in the global rule-based system of states that we depend on for our security and prosperity. Indeed, the chapters of this book suggest the emergence of a highly adaptive and parasitic alternative ecosystem, based on criminal commerce and extreme violence, with little regard for what we commonly conceive of as the public interest or the public good. The last 10 years have seen unprecedented growth in interactivity between and among a wide range of illicit networks, as well as the

emergence of hybrid organizations that use methods characteristic of both terrorist and criminal groups. In a convergence of interests, terrorist organizations collaborate with cartels, and trafficking organizations collude with insurgents. International terrorist organizations, such as al-Qaeda and Hezbollah, engage energetically in transnational crime to raise funds for their operations. Prominent criminal organizations like Los Zetas in Mexico and D-Company in Pakistan have adopted the symbolic violence of terrorists—the propaganda of the deed—to secure their "turf." And networked insurgents, such as the Islamic State of Iraq and the Levant (ISIL), the Revolutionary Armed Forces of Colombia (FARC), and the Liberation Tigers of Tamil Eelam (LTTE), have adopted the techniques of both crime and terror.

**Contemporary German Crime Fiction** - Thomas W. Kniesche 2019-10-21

A companion to contemporary German crime fiction for English-speaking audiences is overdue. Starting with the earlier Swiss "classics" Glauser and Dürrenmatt and including a number of important Austrian authors, such as Wolf Haas and Heinrich Steinfest, this volume will cover the essential writers, genres, and themes of crime fiction written in German.

Where necessary and appropriate, crime fiction in media other than writing (TV-series, movies) will be included. Contemporary social and political developments, such as gender issues, life in a multicultural society, and the afterlife of German fascism today, play a crucial role in much of recent German crime

fiction. A number of contributions to this volume will comment on the literary reflection of these issues in the texts. The goal of the volume is to make available to English-speaking audiences, to students, teachers and to a wider circle of interested readers, a series of articles on genres, topics, authors, and texts that will help them understand the scope and depth of German crime fiction, its ties to international traditions and also the specificity of the German context, its historical development and contemporary situation.

*This is War, Baby* - K Webster  
2016-02-29

My life had a plan. Until he invaded it and stole it all away. My captor took me and I became a pawn. His strategy changed and he sent me away to WAR, because money is everything in this world. In my WAR, though, I found peace. I couldn't help but find love where I least expected it, with a man who lived a battle every day of his life ...all inside his

head. But then my captor came back for me. Yet, this time, battle lines had been drawn and I was protected. So we thought. Even though my WAR was raging, my captor would fight to the death. The good guys always win, right? Not always. All's fair in love and WAR, right? Not this time. Warning: *This is War, Baby* is a dark romance. A really dark one. So dark you're going to wish you had a flashlight to see yourself to the end and someone to hold your hand. Human trafficking, dubious consent, and strong sexual themes that could trigger emotional distress are found in this story. This story is NOT for everyone.

Mick - Christopher Andersen  
2012-07-10

"He's a smart little mother\*\*\*\*\*, I'll give him that." —KEITH RICHARDS on MICK JAGGER IS he Jumpin' Jack Flash? A Street Fighting Man? A Man of Wealth and Taste? All this, it turns out, and far more. By any definition, Mick Jagger is a force of nature, a complete

original—and undeniably one of the dominant cultural figures of our time. Swaggering, strutting, sometimes elusive, always spellbinding, he grabbed us by our collective throat a half-century ago and—unlike so many of his gifted peers—never let go. For decades, Mick has jealously guarded his many shocking secrets—until now. As the Rolling Stones mark their 50th anniversary, journalist and #1 New York Times bestselling author Christopher Andersen tears the mask from rock’s most complex and enigmatic icon in a no-holds-barred biography as impossible to ignore as Jagger himself. Based on interviews with friends, family members, fellow music legends, and industry insiders—as well as wives and legions of lovers—MICK sheds new light on a man whose very name defines an era and candidly reveals: —New details about Jagger’s jaw-dropping sexual exploits with more than four thousand women (including Madonna, Angelina Jolie, Carly Simon, Linda

Ronstadt, Uma Thurman, and France’s First Lady Carla Bruni)—as well as his encounters with several of rock’s biggest male stars. Also, the day Mick’s wife Jerry Hall and Keith Richards pleaded with Jagger to seek treatment for sex addiction. —The backstage drama surrounding Mick’s knighthood, and Jagger’s little-known ties to Britain’s Royal Family, including Prince William and Kate Middleton. —What he really thinks of today’s superstars—including Lady Gaga, Britney Spears, Beyoncé, Justin Timberlake, Kanye West, and Justin Bieber. —Never-before-revealed, behind-the-scenes accounts of his often turbulent relationships—from his band-mates, ravenous groupies, and rabid fans to such intimates as Andy Warhol, John Lennon, Jackie Onassis, Bill Clinton, and others. —Cocaine, LSD, hashish, and speed—the flabbergasting truth about the extent of Jagger’s substance abuse, and how long it really went on. —A rare glimpse into Mick’s

business dealings and the killer instinct that has enabled him to amass a personal fortune well in excess of \$400 million. —The stormy “marriage” between Mick and Keith that nearly ran aground over Keith’s searing comments—and all the scandal, mayhem, excess, madness, and genius that went into making the Rolling Stones “the world’s greatest rock-and-roll band.”

Like its subject, this book is explosive and riveting—the definitive biography of a living legend who has kept us thrilled, confounded, and astounded. THIS IS MICK.

Road to Tara - Anne Edwards  
2014-06-23

Margaret Mitchell was as complex and compelling as her legendary heroine, Scarlett O’Hara, and her story is as dramatic as anything out of her own imagination—indeed, it is the basis for the legend she created. *Gone With the Wind* took the American reading public by storm and went on to become the most popular motion picture of all time. It was a phenomenon whose success has never been

equaled—and it shattered Margaret Mitchell’s private life. In this commemorative reprint of *Road to Tara*, Anne Edwards tells the real story of Margaret Mitchell and the extraordinary novel that has become part of our heritage.

**Adult Education, Museums and Art Galleries** - Darlene E. Clover  
2016-11-04

This is a book about adult education in the sphere of public museums and art galleries. It aims to enrich and expand dialogue and understanding amongst adult and community educators, curators, artists, directors, and cultural activists who work within and beyond the walls of these institutions. The various chapters take up the complex and interconnected pedagogics of subjectivity, identity, meaning making and interpretation, knowledge, authority, prescription, innovation, and creativity. The contributors are a combination of scholars, professors,

graduate students, heritage and cultural adult educators, artists, curators and researchers from Canada, United States, Iceland, England, Scotland, Denmark, Portugal, Italy and Malta. Collectively, they challenge us to think about the dialectics of passivity and engagement, didactics and learning, gender neutrality and radicality, and neutrality and risk-taking amongst a collage of artworks and artefacts, poetry and installations, collections and exhibits, illusion and reality, curatorial practice and learning, argument and narrative, and struggle and possibility that define and shape modern day art and culture institutions. The chapters, set amongst the discursive politics of neoliberalism and patriarchy, racism and religious intolerance, institutional neutrality and tradition, capitalism and neo-colonialism, ecological devastation and social injustice, take up the spirit and ideals of the radical and feminist traditions of adult

education and their emphases on cultural participation and knowledge democracy, agency and empowerment, justice and equity, intellectual growth and transformation, critical social and self reflection, activism and risk-taking, and a fundamental belief in the power of art, dialogue, reflection, ideological and social critique and imaginative learning.

**Fool's Gold?** - L. Sargisson  
2012-07-17

What's wrong with the world today and how might it become better (or worse)? These are the questions pursued in this book, which explores the hopes and fears, dreams and nightmares of the 21st century. Through architecture, fiction, theory, film and experiments with everyday life, Sargisson explores contemporary hopes and fears about the future.

**Margaret Mitchell's Gone With the Wind** - Ellen F. Brown  
2011-02-16

Margaret Mitchell's *Gone With the Wind*: A Bestseller's Odyssey from Atlanta to Hollywood presents the first

comprehensive overview of how this iconic novel became an international phenomenon that has managed to sustain the public's interest for seventy-five years. Various Mitchell biographies and several compilations of her letters tell part of the story, but, until now, no single source has revealed the full saga. This entertaining account of a literary and pop culture phenomenon tells how Mitchell's book was developed, marketed, distributed, and otherwise groomed for success in the 1930s—and the savvy measures taken since then by the author, her publisher, and her estate to ensure its longevity.

**Creating the Future of Health** - Robert Lampard  
2021-02-15

Creating the Future of Health is the fascinating story of the first fifty years of the Cumming

School of Medicine at the University of Calgary. Founded at the recommendation of the Royal Commission on Health Services in 1964 the Cumming School has, from the very beginning, focused on innovation and excellence in health education. With a pioneering focus on novel, responsive and systems-based approaches, it was one of the first sites to pilot multi-year training programs in family medicine and remains one of only two three-year medical schools in North America. Since the first class in 1973, over 5000 doctors have graduated from the Cumming School of Medicine. Centres of clinical excellences have been created at four affiliated teaching hospitals and the school now boasts seven medical research institutes at the Foothills/Alberta Children's Campus, the largest medical complex in the province. Drawing on interviews with key players and extensive research into documents and primary material, Creating the Future of Health traces the history of

the school through the leadership of its Deans. This is a story of perseverance through fiscal turbulence, sweeping changes to health care and health care education, and changing ideas of what health services are and what they should do. It is a story of triumph, of innovation, and of the Calgary tenacious spirit that thrives to this day at the Cumming School of Medicine

Never Let Go - Scarlett Edwards 2013-10-31  
Inspired by true events...The first day of college gives every girl a chance to reinvent herself. I go and screw mine up by meeting the most gorgeous guy I've seen in five years while talking to my cat. But

Andrew Crouner is far from judgmental. By the end of our interaction, he has me smitten by his easy manner and kind smile. And from the way his eyes linger on me before he leaves, I start to think that maybe I've caught his attention, too. I let myself believe that luck may finally be on my side. That is, until I stumble on my roommate, and her overnight guest: Spencer Ashford. Lean, tattooed, and sexy as sin, Spencer is exactly the type I need to avoid. I would have no trouble with that... were it not for his swift and inexplicable interest in me. Suddenly, I go from a girl with next-to-no experience with boys to one caught in the crosshairs of two completely different men. Andrew's interest is wholesome and sweet. Spencer's is edgy and raw. My choice should be easy. But there are always complications, and sometimes, matters of the heart take the least expected turns.

**Social Inequalities and Cancer** - Manolis Kogevinas  
1997

In both industrialized and less developed societies, cancer incidence and survival are related to socioeconomic factors. This fascinating volume, the first to examine the magnitude of these socioeconomic differences in relation to cancer, provides vital information for all those interested in public health. Cancer incidence and survival are related to socioeconomic status in both industrialized and less developed countries. These differences can be explained, in part, by known risk factors, particularly tobacco smoke, occupational exposures, reproductive behaviour, diet and biological agents. T.

*Handbook of Psychological Assessment* - G. Goldstein  
2000-02-16

The field of psychological assessment has been undergoing rapid change. The second edition of this Handbook, published in 1990, appeared at the beginning of a decade marked by extensive advances in assessment in essentially all of its specialized

areas. There are many new tests, new applications of established tests, and new test systems. Major revisions have appeared of established tests, notably the Wechsler intelligence scales. The time seemed right for a third edition, since even over the relatively brief period of ten years, many tests described in the second edition have been replaced, and are no longer commonly used. Furthermore, much new research in such areas as neuropsychology, cognitive science, and psychopathology have made major impacts on how many tests and other assessment procedures are used and interpreted. This third edition represents an effort to give the reader an overview of the many new developments in assessment, while still maintaining material on basic psychometric concepts in order for it to continue to serve as a comprehensive handbook for the student and professional.

*Intelligent Projects Using Python* - Santanu Pattanayak  
2019-01-31

Implement machine learning and deep learning methodologies to build smart, cognitive AI projects using Python Key FeaturesA go-to guide to help you master AI algorithms and concepts8 real-world projects tackling different challenges in healthcare, e-commerce, and surveillanceUse TensorFlow, Keras, and other Python libraries to implement smart AI applicationsBook Description This book will be a perfect companion if you want to build insightful projects from leading AI domains using Python. The book covers detailed implementation of projects from all the core disciplines of AI. We start by covering the basics of how to create smart systems using machine learning and deep learning techniques. You will assimilate various neural network architectures such as CNN, RNN, LSTM, to solve critical new world challenges. You will learn to train a model to detect diabetic retinopathy conditions in the human eye and create an intelligent system for

performing a video-to-text translation. You will use the transfer learning technique in the healthcare domain and implement style transfer using GANs. Later you will learn to build AI-based recommendation systems, a mobile app for sentiment analysis and a powerful chatbot for carrying customer services. You will implement AI techniques in the cybersecurity domain to generate Captchas. Later you will train and build autonomous vehicles to self-drive using reinforcement learning. You will be using libraries from the Python ecosystem such as TensorFlow, Keras and more to bring the core aspects of machine learning, deep learning, and AI. By the end of this book, you will be skilled to build your own smart models for tackling any kind of AI problems without any hassle. What you will learnBuild an intelligent machine translation system using seq-2-seq neural translation machinesCreate AI applications using GAN and deploy smart mobile apps using

TensorFlowTranslate videos into text using CNN and RNNImplement smart AI Chatbots, and integrate and extend them in several domainsCreate smart reinforcement, learning-based applications using Q-LearningBreak and generate CAPTCHA using Deep Learning and Adversarial Learning Who this book is for This book is intended for data scientists, machine learning professionals, and deep learning practitioners who are ready to extend their knowledge and potential in AI. If you want to build real-life smart systems to play a crucial role in every complex domain, then this book is what you need. Knowledge of Python programming and a familiarity with basic machine learning and deep learning concepts are expected to help you get the most out of the book

**Captive in the Dark** - Cj Roberts 2011  
BOOK ONE OF THE DARK DUET: Caleb is a man with a singular interest in revenge. Kidnapped as a young boy and

sold into slavery by a power-hungry mobster, he has thought of nothing but vengeance. For twelve years he has immersed himself in the world of pleasure slaves searching for the one man he holds ultimately responsible. Finally, the architect of his suffering has emerged with a new identity, but not a new nature. If Caleb is to get close enough to strike, he must become the very thing he abhors and kidnap a beautiful girl to train her to be all that he once was. Eighteen-year-old Olivia Ruiz has just woken up in a strange place. Blindfolded and bound, there is only a calm male voice to welcome her. His name is Caleb, though he demands to be called Master. Olivia is young, beautiful, naïve and willful to a fault. She has a dark sensuality that cannot be hidden or denied, though she tries to accomplish both. Although she is frightened by the strong, sadistic, and arrogant man who holds her prisoner, what keeps Olivia awake in the dark is her unwelcome attraction to him.

**WARNING:** This book contains very disturbing situations, dubious consent, strong language, and graphic violence.

Uncovering You 5 - Scarlett Edwards 2014-07-30

I am mentally exhausted. I am at my wit's end. I am in the dark, again, with no end in sight. But just when all hope seems lost, a light appears at the end of the tunnel. A confession... that breaks me from the stranglehold of hopelessness and despair. An admission... that brings new dimensions to the man who is shrouded in secrecy. Stonehart's revelation can never change what he's done to me. But can it be enough to make a difference in how I see him? As old questions are answered, new ones arise: Is it possible for a man to change? Is it possible for him to repent for all his sins? And, perhaps most important of all: Is it possible for me to forgive?

**Doing Family in Second-Generation British Migration Literature** -

Corinna Assmann 2018-09-24

Due to the large-scale global transformations of the 20th century, migration literature has become a vibrant genre over the last decades. In these novels, issues of transcultural identity and belonging naturally feature prominently. This study takes a closer look at the ways in which the idea of family informs processes of identity construction. It explores changing roles and meanings of the diasporic family as well as intergenerational family relations in a migration setting in order to identify the specific challenges, problems, and possibilities that arise in this context. This book builds on insights from different fields of family research (e.g. sociology, psychology, communication studies, memory studies) to provide a conceptual framework for the investigation of synchronic and diachronic family constellations and connections. The approach developed in this study not only sheds new light on contemporary British migration literature but can also prove

fruitful for analyses of families in literature more generally. By highlighting the relevance and multifaceted nature of doing family, this study also offers new perspectives for transcultural memory studies.

Neo-slave Narratives - Ashraf H. A. Rushdy 1999

After discerning the social and historical factors surrounding its first appearance in the 1960s, *Neo-Slave Narratives* explores the complex relationship between nostalgia and critique, while asking how African American intellectuals at different points between 1976 and 1990 remember and use the site of slavery to represent cultural debates that arose during the sixties."--

**Uncovering You 2** - Scarlett Edwards 2014-04

I have survived the worst. I have come out of the darkness with my sanity intact. Now, I get to meet the monster holding me here. For the first time since my captivity began, I get to meet Stonehart. Whatever he wants, I'll be ready. The collar may be tight

around my neck, but I will not be a prisoner. A prisoner has no choice. A prisoner has no purpose. But a concubine, on the other hand? She always has a choice. And today, I choose to fight. - Uncovering You 2: Submission continues the story begun in Uncovering You: The Contract. It contains scenes of intense emotional and physical abuse. Readers with sensitivity to such subjects are advised to proceed with caution.

*What Katy Read* - Shirley Foster 1995-04-05

What Katy Read focuses on a much neglected area of literary criticism: literature for girls. Written by women for children, such texts have been doubly marginalized by the critical establishment. Shirley Foster and Judy Simons use twentieth-century feminist critical practice to open up fresh perspectives on popular fiction for girls written between 1850 and 1920. The study analyses both American and British novels for girls which have acquired 'classic' status, from the domestic myth to the school story, and considers

their scope and influence in providing role models for girl readers.

**Bunnicula Strikes Again!** - James Howe 2011-12-20

"Let's just say the matter is under control," Chester slyly tells his pals Harold and Howie. But what on earth does he mean? It seems that Bunnicula, the vampire rabbit, is back to his old ways -- or so Chester thinks, having found pale vegetables drained of their juices scattered about the Monroe family kitchen. And now, once and for all, Chester is determined to save the world from this threat. But why has Bunnicula -- so frisky just a short time ago -- been so listless and tired of late? Is this part of Chester's scheme? Can Harold let Chester get away with hurting an innocent bunny, no matter what his harebrained suspicions are? It is not long before the Monroes notice Bunnicula's condition and rush him to the vet, and then the chase is on, ending up with a dramatic confrontation in a most unusual (and dangerous!) location.

## **Conservation Catalysts -**

James N. Levitt 2014

"This multi-author volume explores large-landscape conservation projects catalyzed by colleges, universities, independent field stations, and research organizations around the world. These initiatives are grand-scale, cross-boundary, cross-sectoral, and cross-disciplinary efforts to protect working and wild landscapes and waterscapes in Australia, Canada, Chile, Colombia, Honduras, Kenya, Tanzania, Trinidad & Tobago, and the United States"--

Uncovering You 6 - Scarlett Edwards 2016-03-17

Evil. That is really the best way to describe Jeremy Stonehart. When he was Stonehart. Is he that anymore? I don't know. As he reveals more and more of himself to me, I start to see a glimmer of the man beneath the surface. I start to understand, in some small way, that even evil comes from a source, from some initial seed that sprouted and took hold of a person's soul. Evil is what Jeremy was. But is it what he

will continue to be? I will only find out by sticking to him until the very end. It is my only choice. It is my only option. It is the only way I will get answers, and the only way that I will get...Revenge.

**Twisted** - Aleatha Romig  
2019-05-21

To the world, I no longer exist. The life I live occurs outside the third dimension—a memory, a ghost, the boogeyman, or perhaps simply a figment of the imagination. When I'm passed on the street, there is no connection. No eye contact. I'm the one whose presence leaves a cold chill of uncertainty, quickly erased by minds who don't want to acknowledge that men like me exist. On the dark web, I'm known as Kader, and for the right price, I will do what others can't or won't. I've learned to exist within the hard shell I've created—until I see her. Laurel Carlson. Her blue eyes see beyond my impenetrable exterior. Her sensual lips long to be kissed and her hidden curves caressed. My mind is obsessed

and my body ignited. Though I exist outside her comfort zone, I must enter her world, take the chance, and learn what it is about this beautiful, intelligent, and marked woman that has me entranced—before her time is up. From New York Times bestselling author Aleatha Romig comes her most dangerous anti-hero yet, set in the dark and dangerous underworld of Chicago. Feral: Obsession (Book #1) - Nora Ash 2018-04-20

I never wanted a mate. Until I was put in chains. Strapped down. And claimed. I always believed I could analyze any situation until I found a solution. Solve any problem if I just applied my brain. I went to university, studied science and told myself my academic cocoon would protect me from the alphas dominating our

society. I was wrong. No textbook prepared me for my meeting with test subject 351. The biggest, scariest alpha on death row, hauled into my lab to uncover how to control the beast of a man. How to make him submit. Mold him into a weapon. But there is no controlling the feral alpha, and no logic strong enough to save my mind once he unleashes his fury on my body. Once he claims me. Obsession is the first book in Nora Ash's second suspense-filled Omegaverse serial, Feral. Please note: This series gets dark, and it gets dirty. If you don't enjoy your romance scorching and your alphas rough & dominant, give this book a pass.

24690 - A. A. Dark 2016-07-15  
Buried deep below the everyday life of our society lives an underground world of

nightmares-of violence and murder no one dares speak about. Contracts and laws weave the web of our culture together. Our Masters walk amongst us. They can be our friends, or the ones to make us disappear forever. Where I once had found peace within my existence, it all ended with the death of my cruel, yet caring owner. My world shattered and I was taken back to the one place I had hoped to never see again-the cells of Whitlock-a subterranean fortress for slaves who await their new placement. Now I have no rights. I have no say. My feelings and wellbeing are meaningless. Escape is impossible, but I have nothing left to lose. To stand any chance of survival, I must give my life as collateral to the highest bidder: Soul for Sale. slave 24690
