Contributions of Muslims to Indian Subcontinents - Abul

Hasan Ali Nadwi 2017-06-03
In 1951, on my return from an extensive tour of the Middle East, I was invited by the All India Radio to broadcast a series of talks in Arabic on Indian Muslims. These talks, luckily, were received favorably by some of the Indian missions lodged in that part of

the world, and they suggested their publication in the form of a booklet. The All India Radio also broadcast them subsequently in some other languages and an international Arabic Journal, Muslims, of Damascus was good enough to bring them out in its columns in a number of installments. In the present compilation five new essays have, in all, been

included which were not broadcast over the radio. These are: -Influence of Muslims on Indian Civilization -Role of Muslims in the Struggle for Freedom -Indo-Islamic Culture -Sufi-Saints of India and their Impact on Society -Current Difficulties and Problems It is hoped that the book, with these additions, will be read with interest among the educated circles of the various communities that go to make our people and prove of some value in reducing the ignorance and the attitude of indifference which exist in the sister-communities towards the Muslims. It may, further, be helpful in promoting the growth of a broad, realistic, national perspective in the country it so badly needs today. It will also, perhaps, not be too much to expect that, apart from non-Muslim friends, many educated Muslims, too, will find in these pages something which will be new to them and will add to their knowledge about themselves and go some way, however little, towards ridding

them of the inferiority complex they have developed lately, but for which there can be no justification. The Muslim are not only citizens of an equal status with anybody in India; they are also among its chief builders and architects, and hold position second to none among the peoples of the world for selfless service to the motherland. They gave to India and to the Indian civilization a new jibe and a new dimension and awakened its people to a new set of moral and spiritual values. Every patch of its land and every particle of its soil bears the imprint of their greatness and is a monument to their industry, earnestness and creative genius. In every aspect of Indian life and civilizations can be seen evidences of their noble aestheticism and cultural richness.

Islamic Law of Business Organization Partnerships - Imran Ahsan Khan Nyazee 2002

The author attempts to spell out the Islamic principles on which business enterprise should be based specially in the area of partnership. He displays a strikingly acute

awareness of Islamic laws on the subject, matched by an equally striking awareness of the forms of business organization in vogue in the contemporary world. The work represents a serious scholarly effort to sort out complicated questions such as those mentioned above, to enunciate Islamic principles relative to business enterprise, and to apply them in the changed context of present-day business.

Arabic Grammar - W. Wright 2005-01-01

Anyone studying literary or classical Arabic beyond the elementary or tourist level will need this book. No other English-language grammar of the Arabic language is as thorough as this classic reference. The work was originally published in German in 1844-45 by Karl Paul Caspari, a theologian and orientalist. In 1859 English scholar W. Wright published this masterly translation of Caspari's work, with numerous additions and corrections.

Unlike many more recent

grammars, this work contains few inaccuracies or errors. Moreover, although it is a reference grammar, it cites many examples of sentences, phrases, and figures of speech found in classical Arabic prose and poetry. Originally published in two volumes, it has been republished here in one volume; however, the original arrangement has been retained. Thus, Volume One covers orthography and orthoëpy, and parts of speech (including extensive coverage of verbs and nouns, numerals and the particles). Volume Two deals with syntax, including the component parts of a sentence, the sentence in general, and different kinds of sentences. A final section discusses prosody. Three indexes assist students in finding words, constructions, and grammatical categories. This third edition incorporates a number of helpful revisions, additions and corrections made to the second edition by W. Robertson Smith and M. J. de Goeje. The result is an unmatched resource for English-speaking students

wishing to master the intricacies of Arabic.

Lughat-UL-Quran 2 - Ghulam Ahmad Parwez 2015-01-18

In order to understand the true message and spirit of the Holy Quran, it is essential to know the language it has been revealed in. The first step is to understand the meaning of individual words. One needs to understand how words were used by the ancient Arabs by the time of Quranic revelation, and not depend on anyone's explanation or understanding as to what they mean today. Along with proper understanding of Arabic grammar, the true meanings of Quranic words, and their use with respect to the context in which they have been revealed in, one student of Quran may get closer to the Truth. The task of creating a Quranic dictionary or encyclopedia that would explain the classical meanings of Quranic words and their use along with significance was undertaken by Allama Ghulam Ahmed Parwez in 1960, where he compiled Lughat-ul-Quran in Urdu

Living as a Muslim - Maulana Ashraf Ali Thanawi

Allah (swt) has declared in the Qur'ān: □O you who believe, obey Allah and obey the Messenger...□ (4:59).

Accordingly, Islamic religious life is based on the instructions

of the Qur'ān and the authentic Sunna. This treatise brings together around 90 verses of the Qur'ān and 340 hadiths—under the headings of 25 'principles'—which focus on the very essentials of Islam, including the meaning of Islam and faith; exhortations of a spiritual nature, such as trusting in the Divine, remembrance of Him, loving Allah and His Messenger, abstaining from sin, gratitude, and patience; and commandments of a legal nature, relating to prayer, recitation of the Qur'ān, fasting, hajj, zakat, marriage, childrearing and good social conduct. Ashraf 'Alī Thānawī (1863-1943) was a leading Islamic scholar and Sufi from India, whose popularity continues. After graduating from the famous seminary Dār al-'Ulūm Deoband, he spent his life engaged in the scholarly life of the madrasah and as a spiritual guide. As a scholar and Sufi, he wrote books on a wide variety of subjects, both legal and spiritual, from beginners' level to advanced,

Al- Hidayah (The Guidance)
Vol 1 - Burhan Al Din Al
Farghani Al Marghinani
2017-06-03

The Hidayah has dominated the field of Islamic jurisprudence since the day it was written over 800 years ago. It has been the primary text used by Muslims jurist to issue authentic and reliable rulings on Islamic law according to the school of Imam Abu Hanifa (d 150H/767CE). The Hidayah commands such an authoritative position amongst the doctors of law that the knowledge of a scholar who has not read it is not considered reliable. It has been a standard text in the curricula of Islamic law schools since the 12th century. It was first translated into English by Charles Hamilton in 1791. Around 70 huge commentaries, some

spread over more than a dozen volumes have been written on it. The number of explanatory glosses is in thousands. Comprehensive in content and conveniently organized, with the publication of this all previous works that discussed Islamic jurisprudence according to the Hanafi law become outmoded and soon fell into disuse. If revealed books are not taken into account, never has a book received so much attention as the Hidayah. This landmark publication of the Hidayah not only has been translated in its entirety for the first time but has been done so from Arabic, the language in which it was written.

Mukhtasar Minhaj Al Qasidin (Towards the Hereafter) - Ibn Qudamah Al Maqdisi 2020-09-23

This translation of Mukhtasar Minhaj Al-Qasidin is an abridged version of ibn Al-Jawzi's summary of Imam Abu Hamid Al-Ghazali's well known book, Ihya Ulum Ad-Din. In Imam Al-Ghazali's Ihya Ulum Ad-Din (The Revitalization of Sciences of Religion) apparently has some defects that only scholars can realize, such as the narrations which

have been traced back to the prophet while they are fabricated or inauthentic. Therefore, Imam Ibn Al-Jawziyy compiled this book free of those defects, while retaining the benefits on the original book. In this book the author relied only on authentic and famous narrations, and removed from or added to the original book what he seemed necessary. This book is divided into four chapters: Chapter One: Acts of Worship Chapter Two: Customs Chapter Three: Destructive Flaws Chapter Four: Means of Salvation Each one of these four chapters consists of numerous titles and sub-titles.

Learning to Love Yourself - Gay Hendricks 2011-03-18

An Invitation From Gay

Hendricks I am thrilled and delighted to offer to you the new edition of Learning To Love Yourself. Revisiting and rewriting the book has been a pleasure from beginning to end. With its new elements, the book comes alive in a whole new way. Looking back over more than three decades to the moment of its conception, I can now see how writing this book changed my life in every way. I first wrote it as an act of love, to share an experience that feels as if it's still transforming me in my very cells. It was my hope that telling about the experience could inspire the same profound life-changes in others. The many thousands of letters, emails and spoken appreciations I've received since then let me know that my hope came true. The experience described in the book revealed the living mystery of love to me, allowing me to feel its sweet power for the first time. Because I

suddenly knew what real love felt like, I was able to break free of my pattern of painful relationships with women. Ultimately it helped me find my way to Kathlyn, the love of my life and my wife for the past quarter-century. The new edition is ideal for giving to loved ones (including yourself!) who are on the journey to forgiving, accepting and loving themselves. It tells you how I came to an acceptance and unconditional love of even the most difficult-to-love parts of myself. My fondest wish is that you use it for exactly the same purpose, with exactly the same result.
