Defiance - Nechama Tec

**Operation Last Chance** - Efraim Zuroff 2009-11-10

Sixty years after the end of World War II, not all those who were faithful to the Third Reich are dead—some members of the Nazi party and their collaborators are still alive, and increasingly difficult to track down. Time is rapidly running out, but Efraim Zuroff won't give up. Launching Operation Last Chance in 2002, he spearheaded a vast public campaign to locate and bring to justice the worst suspected Nazi criminals before ill health or death spare them from potential punishment. Despite the passage of many years, the reluctance of many governments to cooperate, and even death threats and a price on his head, Zuroff's project yielded the names of over 520 hereto unknown suspects in 24 different countries and led to dozens of murder investigations, as well as several indictments and extradition requests currently pending. Combining the thrill of a detective story with the inherent poignancy of the history of World War II and its aftermath, Operation Last Chance delivers the important and moving story of one man's heroic efforts to honor the victims of the Holocaust.

*Gertruda's Oath* - Ram Oren 2010-08-03

Trapped in the horrors of World War II, a woman and a child embark on a journey of survival in this page-turning true story that recalls the power and the poignancy of Schindler's List. Michael Stolowitzky, the only son of a wealthy Jewish family in Poland, was just three years old when war broke out and the family lost everything. His father, desperate to settle his business affairs, travels to France, leaving Michael in the care of his mother and Gertruda Bablinska, a Catholic nanny devoted to the family. When Michael's mother has a stroke, Gertruda promises the dying woman that she will make her way to Palestine and raise him as her own son. Written with the invaluable assistance of Michael, now seventy-two and living in New York City, GERTRUDA'S OATH re-creates Michael and Gertruda's amazing journey. Gripping vignettes bring to life the people who helped ensure their survival, including SS officer Karl Rink, who made it his mission to save Jews after his own Jewish wife was murdered; Rink's daughter, Helga, who escaped to a kibbutz, where she lived until her recent death; and the Jewish physician Dr. Berman, who aided Michael and Gertruda through the worst of times. GERTRUDA'S OATH is a story of extraordinary courage and moral strength in the face of horrific events. Like Schindler's List, it transcends history and religion to reveal the compassion and hope that miraculously thrives in a world immersed in war without end.

**Essie** - Essie Shor 2009

SUPERANNO Essie's life in the Bielski Partisan camp is full of danger, adventure, and intrigue. Just sixteen when the Nazis invaded her town, Essie escaped at night to become one of the first twenty-five Jews in the encampment featured in the movie Defiance that would eventually save 1,200 Jews. Essie became a teenage partisan, a guerilla fighter in the resistance. Sixty years later, she finally shares her story.

Jewish Resistance During the Holocaust - J. Glass 2004-07-06

It is a common belief that Jews did nothing to resist their own fate in the

Holocaust. However, the realities of disintegrating physical and psychological conditions, and the efforts of ghetto undergrounds to counter collaborationist judenrat policies and the despair, could not but lead to a breakdown in spiritual life.

Defiance - Nechama Tec 1993

The prevailing image of European Jews during the Holocaust years is one of helpless victims under a death sentence, unable to fight consignment to the ghettos, to the camps, and to the gas chambers. In fact, many Jews struggled alone or with others against the terrors of the Third Reich, risking their lives against overwhelming odds for the slimmest chance of survival, or a mere glimpse of freedom. In Defiance, Nechama Tec offers a riveting history of one such group, a forest community in western Belorussia that would number more than 1,200 Jews by 1944--the largest armed rescue operation of Jews by Jews in World War II. Describing the entire partisan movement in the region, Tec shows that while most forest fighters in Belorussia were rifle-carrying young men, the members of this extraordinary community included both men and women, some with weapons but mostly unarmed, ranging from infants to the elderly. She reconstructs for the first time the amazing details of how these partisans and their families--hungry, exposed to the harsh winter weather, always on the lookout for German patrols--managed not only to survive, but to offer protection to all Jewish fugitives who could find their way to them. Driven by courage born out of despair, they dug wells, set up workshops to repair guns, made clothes, and resoled shoes, supplied services to other guerilla units, and even established a makeshift hospital and school in the forest. Arguing that this success would have been unthinkable without the vision of one man, Tec offers penetrating insight into the group's commander, Tuvia Bielski, and his journey from his life as the son of the only Jewish peasant family in an isolated rural village to his emergence as a leader possessing the charisma and courage to command under all but impossible circumstances. Tec brings to light the untold story of Bielski's struggle as a partisan who lost his parents, wife, and two brothers to the Nazis, yet never wavered in his conviction that it was more important to save one Jew than to kill twenty Germans. She shows how, under Bielski's guidance, the partisans smuggled Jews out of heavily guarded ghettos, scouted the roads for fugitives, and led retaliatory raids against Belorussian peasants who collaborated with the Nazis against their former Jewish neighbors. Refusing to turn away the weak or the old for the sake of the survival of the larger group, Bielski would warn new arrivals to the forest, "Life is difficult, we are in danger all the time, but if we perish, if we die, we die like human beings." A scholar, a writer, and herself a Holocaust survivor, author Nechama Tec has devoted the last two decades to studying the fate of European Jewry, recording rare but vital examples of human compassion, resistance, altruism and heroism in the face of overwhelming horror and despair. Drawing on wide-ranging research and never before published interviews with surviving partisans--including Tuvia Bielski himself two weeks before his death in 1987--she reconstructs here the poignant and unforgettable story of those who chose to fight.

Dry Tears - Nechama Tec 1984

**In the Lion's Den** - Nechama Tec 2008-11-26

Few lives shed more light on the complex relationship between Jews and Christians during and after the Holocaust--or provide a more moving portrait of courage--than Oswald Rufeisen's. A Jew passing as a Christian in occupied Poland, Rufeisen worked as translator for the German police--the very people who rounded up and murdered the Jews--and repeatedly risked his life to save hundreds from the Nazis. In this gripping biography, Nechama Tec, a widely acclaimed writer on the Holocaust, recounts Rufeisen's remarkable story. A youth of seventeen when World War II began, Rufeisen joined the exodus of Poles who fled the approaching German army. Tec vividly describes how Rufeisen used his ability to speak fluent German to pass as half German and half Polish in Mir, where he came to serve as translator and personal secretary to the German in charge of the gendarmerie. As he carried out his duties--reading death sentences to prisoners, swearing in new police officers before a portrait of Hitler--he earned the trust and affection of the German commander, yet lived in constant fear of discovery. He used his position to pass secret information to Jews and Christians about impending "aktions" and to sabotage Nazi plans. Most notably, he thwarted the annihilation of the Mir ghetto by arming hundreds of doomed Jews and organizing their escape, and saved an entire Belorussian village from destruction. Denounced, Rufeisen escaped and found shelter in a convent, where he converted to Catholicism. Though a pacifist, he spent the rest of the war fighting in a Russian partisan unit. After the war, Father Daniel (as he is now known) became a priest and a Carmelite monk. Identifying himself as a Christian Jew and an ardent Zionist, he moved to Israel, where he challenged the Law of Return in a case that reached the High Court and attracted international attention. Today he continues to devote himself to bridging the gap between Christians and Jews. In the Lion's Den offers a stirring portrait of a Jewish rescuer during the Holocaust and its aftermath, illuminating the intricate connections between good and evil, cruelty and compassion, and Judaism and Christianity.

**Jewish Resistance Against the Nazis** - Patrick Henry 2014-04-20

This volume puts to rest the myth that the Jews went passively to the slaughter like sheep. Indeed Jews resisted in every Nazi-occupied country - in the forests, the ghettos, and the concentration camps. The essays presented here consider Jewish resistance to be resistance by Jewish persons in specifically Jewish groups, or by Jewish persons working within non-Jewish organizations. Resistance could be armed revolt; flight; the rescue of targeted individuals by concealment in non-Jewish homes, farms, and institutions; or by the smuggling of Jews into countries where Jews were not objects of Nazi persecution. Other forms of resistance include every act that Jewish people carried out to fight against the dehumanizing agenda of the Nazis - acts such as smuggling food, clothing, and medicine into the ghettos, putting on plays, reading poetry, organizing orchestras and art exhibits, forming schools, leaving diaries, and praying. These attempts to remain physically, intellectually, culturally, morally, and theologically alive constituted resistance to Nazi oppression, which was designed to demolish individuals, destroy their soul, and obliterate their desire to live.

**Escaping into the Night** - D. Dina Friedman 2009-09-08

Halina Rudowski is on the run. When the Polish ghetto where she lives is evacuated, she narrowly escapes, but her mother is not as lucky. Along with her friend Batya, Halina makes her way to a secret encampment in the woods where Jews survive by living underground. As the group struggles for food, handles infighting, and attempts to protect themselves from the advancing Germans, Halina must face the reality of life without her mother. Based on historical events, this gripping tale sheds light on a little-known aspect of the Holocaust: the underground forest encampments that saved several thousand Jews from the Nazis. In telling the story of one girl's survival, Escaping into the Night marks the

arrival of a remarkable new voice in fiction.

**American Oligarchs: The Kushners, the Trumps, and the Marriage of Money and Power** - Andrea Bernstein 2020-01-14

An absorbing, novelistic, and powerfully affecting work of history and investigative journalism that tracks the unraveling of American democracy. In American Oligarchs, award-winning investigative journalist Andrea Bernstein tells the story of the Trump and Kushner families like never before. Drawing on hundreds of interviews and more than one hundred thousand pages of documents, American Oligarchs details how the Trump and Kushner dynasties encouraged and profited from a system of corruption, dark money, and influence trading, and reveals the historical turning points and decisions on taxation, regulation, white-collar crime, and campaign finance laws that have brought us to where we are today. A new afterword examines how the two families' transactional politics left America particularly vulnerable to the crises of 2020.

**The Light of Days** - Judy Batalion 2021-04-06

THE INSTANT NEW YORK TIMES BESTSELLER! Also on the USA Today, Washington Post, Boston Globe, Globe and Mail, Publishers Weekly, and Indie bestseller lists. One of the most important stories of World War II, already optioned by Steven Spielberg for a major motion picture: a spectacular, searing history that brings to light the extraordinary accomplishments of brave Jewish women who became resistance fighters—a group of unknown heroes whose exploits have never been chronicled in full, until now. Witnesses to the brutal murder of their families and neighbors and the violent destruction of their communities, a cadre of Jewish women in Poland—some still in their teens—helped transform the Jewish youth groups into resistance cells to fight the Nazis. With courage, guile, and nerves of steel, these “ghetto girls” paid off Gestapo guards, hid revolvers in loaves of bread and jars of marmalade, and helped build systems of underground bunkers. They flirted with German soldiers, bribed them with wine, whiskey, and home

cooking, used their Aryan looks to seduce them, and shot and killed them. They bombed German train lines and blew up a town's water supply. They also nursed the sick, taught children, and hid families. Yet the exploits of these courageous resistance fighters have remained virtually unknown. As propulsive and thrilling as *Hidden Figures*, *In the Garden of Beasts*, and *Band of Brothers*, *The Light of Days* at last tells the true story of these incredible women whose courageous yet little-known feats have been eclipsed by time. *Judy Batalion*—the granddaughter of Polish Holocaust survivors—takes us back to 1939 and introduces us to Renia Kukielka, a weapons smuggler and messenger who risked death traveling across occupied Poland on foot and by train. Joining Renia are other women who served as couriers, armed fighters, intelligence agents, and saboteurs, all who put their lives in mortal danger to carry out their missions. *Batalion* follows these women through the savage destruction of the ghettos, arrest and internment in Gestapo prisons and concentration camps, and for a lucky few—like Renia, who orchestrated her own audacious escape from a brutal Nazi jail—into the late 20th century and beyond. Powerful and inspiring, featuring twenty black-and-white photographs, *The Light of Days* is an unforgettable true tale of war, the fight for freedom, exceptional bravery, female friendship, and survival in the face of staggering odds. NPR's Best Books of 2021 National Jewish Book Award, 2021 Canadian Jewish Literary Award, 2021

**Daring to Resist** - David Engel 2007

Moving first-hand accounts of Jewish resistance during the Holocaust are supported by photographs, ritual objects, and art produced clandestinely by Jews in ghettos and camps. Several entries are from well-known resistance figures such as Abba Kovner, the first to raise a cry for armed Jewish resistance; Rabbi Leo Baeck, who spearheaded attempts to save German Jewry; and Dr. Janusz Korczak, who protected 200 orphans in the Warsaw Ghetto. This anthology of written and visual materials illustrates the tremendous resourcefulness, diverse methods, and daring initiatives of Jewish men and women in occupied countries who risked their lives defying their Nazi oppressors, saving their fellow Jews, and preserving their Jewish traditions.

**Liberty Lady** - Pat DiGeorge 2016-11-01

*LIBERTY LADY* is the true story of a WWII bomber and its crew forced to land in neutral Sweden during the Eighth Air Force's first large-scale daylight bombing raid on Berlin. 1st Lt. Herman Allen was interned and began working for his country's espionage agency, the OSS, with instructions to befriend a businessman suspected of selling secrets to the Germans. Soon Herman fell in love with a beautiful Swedish-American secretary working for the OSS, their courtship unfolding amid the glamour and intrigue of wartime Stockholm. As Swedish newspapers trumpeted one of the biggest spy scandals of the war, two of the main protagonists walked down the aisle in a storybook wedding presided over by the nephew of the King of Sweden.

*No One is Here Except All of Us* - Ramona Ausubel 2012-02-02

From the award-winning author of *Sons and Daughters of Ease and Plenty* and the new story collection, *Awayland*. In 1939, the families in a remote Jewish village in Romania feel the war close in on them. Their tribe has moved and escaped for thousands of years- across oceans, deserts, and mountains-but now, it seems, there is nowhere else to go. Danger is imminent in every direction, yet the territory of imagination and belief is limitless. At the suggestion of an eleven-year-old girl and a mysterious stranger who has washed up on the riverbank, the villagers decide to reinvent the world: deny any relationship with the known and start over from scratch. Destiny is unwritten. Time and history are forgotten. Jobs, husbands, a child, are reassigned. And for years, there is boundless hope. But the real world continues to unfold alongside the imagined one, eventually overtaking it, and soon our narrator-the girl, grown into a young mother-must flee her village, move from one world to the next, to find her husband and save her children, and propel them toward a real and hopeful future. A beguiling, imaginative, inspiring story about the bigness of being alive as an individual, as a member of a tribe, and as a participant in history, *No One Is Here Except All Of Us* explores how we use storytelling to survive and shape our own truths. It marks the arrival of a major new literary talent.

**We Must Not Forget: Holocaust Stories of Survival and Resistance (Scholastic Focus)** - Deborah Hopkinson 2021-02-02

Sibert Honor author Deborah Hopkinson unearths the heroic stories of Jewish survivors from different countries so that we may never forget the past. As World War II raged, millions of young Jewish people were caught up in the horrors of the Nazis' Final Solution. Many readers know of Adolf Hitler and the Nazi state's genocidal campaign against European

Jews and others of so-called "inferior" races. Yet so many of the individual stories remain buried in time. Of those who endured the Holocaust, some were caught by the Nazis and sent to concentration camps, some hid right under Hitler's nose, some were separated from their parents, some chose to fight back. Against all odds, some survived. They all have stories that must be told. They all have stories we must keep safe in our collective memory. In this thoroughly researched and passionately written narrative nonfiction for upper middle-grade readers, critically acclaimed author Deborah Hopkinson allows the voices of Holocaust survivors to live on the page, recalling their persecution, survival, and resistance. Focusing on testimonies from across Germany, the Netherlands, France, and Poland, Hopkinson paints a moving and diverse portrait of the Jewish youth experience in Europe under the shadow of the Third Reich. With archival images and myriad interviews, this compelling and beautifully told addition to Holocaust history not only honors the courage of the victims, but calls young readers to action -- by reminding them that heroism begins with the ordinary, everyday feat of showing compassion toward our fellow citizens.

**Brothers in Arms** - Peter Duffy 2004

It sounds like something from ancient mythology- three brothers living near the edge of a forest witness the coming of an invading army. They arm themselves, take to their horses and seek refuge in the woods they know as well as they know anything. The enemy arrives and systematically starts killing the long-oppressed minority to which the brothers belong. Horrified and angered, they lead guerrilla attacks against the enemy's installations and exact vicious revenge on local collaborators. Prompted by the eldest, who is selected as commander, the brothers and a growing numbers of warriors begin a campaign to save all their people, including the weak, the young, the old, the sick. Slowly the group evolves into a makeshift forest city with a hospital, workshops, a school and even a bathhouse. When the invading army retreats, the brothers emerge from the woods- the saviours of 1,250 people.

*Jack and Rochelle* - Jack Sutin 2015-07-14

The memoir of a man and woman who escaped into the forest, joined the Jewish partisans—and fell in love—as Hitler laid waste to their Polish hometowns. Jack and Rochelle first met at a youth dance in Poland before the war. They shared one dance, and Jack stepped on Rochelle's shoes. She was unimpressed. When the Nazis invaded eastern Poland in 1941, both Jack (in the town of Mir) and Rochelle (in the town of Stolpce) witnessed the horrors of ghettoization, forced labor, and mass killings that decimated their families. Jack and Rochelle managed, in their separate ways, to escape into the forest. They reunited, against all odds, in the winter of 1942-43 and became Jewish partisans who fought back against the Nazis. The couple's careful courtship soon blossomed into an enduring love that sustained them through the raging hatred of the Holocaust and the destruction of the lives they had known. Jack and Rochelle's story, told in their own voices through extensive interviews with their son, Lawrence, has been in print for twenty years and is celebrated as a classic of Holocaust memoir literature. This is the first electronic edition. "A story of heroism and of touching romance in a time of fear and danger." —USA Today

*The Holocaust by Bullets* - Father Patrick Desbois 2008-08-19

The poignant story of how a Catholic priest uncovered the truth behind the murder of one and a half million Ukrainian Jews Father Patrick Desbois documents the daunting task of identifying and examining all the sites where Jews were exterminated by Nazi mobile units in the Ukraine in WWII. Using innovative methodology, interviews, and ballistic evidence, he has determined the location of many mass gravesites with the goal of providing proper burials for the victims of the forgotten

Ukrainian Holocaust. Compiling new archival material and many eye-witness accounts, Desbois has put together the first definitive account of one of World War II's bloodiest chapters. Published with the support of the United States Holocaust Memorial Museum. "[T]his modest Roman Catholic priest from Paris, without using much more than his calm voice and Roman collar, has shattered the silence surrounding a largely untold chapter of the Holocaust." --The Chicago Tribune

**Paula's Window** - Paula Burger 2013-11-01

If we carefully read and learn from her experience, we will dedicate ourselves, each generation, to ensuring the present and future dignity of all people"-- Back cover.

The Polish Underground and the Jews, 1939-1945 - Joshua D. Zimmerman 2015-06-05

The Polish Underground and the Jews, 1939-1945 examines one of the central problems in the history of Polish-Jewish relations: the attitude and the behavior of the Polish Underground - the resistance organization loyal to the Polish government-in-exile - toward the Jews during World War II. Using a variety of archival documents, testimonies, and memoirs, Zimmerman offers a careful, dispassionate narrative, arguing that the reaction of the Polish Underground to the catastrophe that befell European Jewry was immensely varied, ranging from aggressive aid to acts of murder. By analyzing the military, civilian, and political wings of the Polish Underground and offering portraits of the organization's main leaders, this book is the first full-length scholarly monograph in any language to provide a thorough examination of the Polish Underground's attitude and behavior towards the Jews during the entire period of World War II.

**Belonging and Genocide** - Thomas Kühne 2010-10-26

No one has ever posed a satisfactory explanation for the extreme inhumanity of the Holocaust. What was going on in the heads and hearts of the millions of Germans who either participated in or condoned the murder of the Jews? In this provocative book, Thomas Kuhne offers a new answer. A genocidal society was created not only by the hatred of Jews or by coercion, Kuhne contends, but also by the love of Germans for one another, their desire for a united "people's community," the Volksgemeinschaft. During the Third Reich, Germans learned to connect with one another by becoming brother and sisters in mass crime.

*Into the Forest* - Rebecca Frankel 2021-09-07

A 2021 National Jewish Book Award Finalist One of Smithsonian

Magazine's Best History Books of 2021 "An uplifting tale, suffused with a karmic righteousness that is, at times, exhilarating." —Wall Street Journal "A gripping narrative that reads like a page turning thriller novel." —NPR In the summer of 1942, the Rabinowitz family narrowly escaped the Nazi ghetto in their Polish town by fleeing to the forbidding Bialowieza Forest. They miraculously survived two years in the woods—through brutal winters, Typhus outbreaks, and merciless Nazi raids—until they were liberated by the Red Army in 1944. After the war they trekked across the Alps into Italy where they settled as refugees before eventually immigrating to the United States. During the first ghetto massacre, Miriam Rabinowitz rescued a young boy named Philip by pretending he was her son. Nearly a decade later, a chance encounter at a wedding in Brooklyn would lead Philip to find the woman who saved him. And to discover her daughter Ruth was the love of his life. From a little-known chapter of Holocaust history, one family's inspiring true story.

Holocaust, Genocide, and the Law - Michael J. Bazylar 2016

A great deal of contemporary law has a direct connection to the Holocaust. That connection, however, is seldom acknowledged in legal texts and has never been the subject of a full-length scholarly work. This book examines the background of the Holocaust and genocide through the prism of the law; the criminal and civil prosecution of the Nazis and their collaborators for Holocaust-era crimes; and contemporary attempts to criminally prosecute perpetrators for the crime of genocide. It provides the history of the Holocaust as a legal event, and sets out how genocide has become known as the "crime of crimes" under both international law and in popular discourse. It goes on to discuss specific post-Holocaust legal topics, and examines the Holocaust as a catalyst for post-Holocaust international justice. Together, this collection of subjects establishes a new legal discipline, which the author Michael Bazylar labels "Post-Holocaust Law."

**A Gift from the Enemy** - Eric Lamet 2007

March 18, 1938: Five days after Hitler marches into Vienna, Eric Lamet - then age eight - and his family flee Austria for safety in Italy where they will stay for several years. In this compelling memoir, Lamet relives the time of his boyhood in an Italy torn by war and chained by Fascism. This is a recollection of rare emotional sweep. Initially, Lamet tells his story from a child's point of view, passing from boyhood and the face of catastrophe to adolescence in a shadowy foreign land. He describes the fate of foreign Jews and political prisoners in Fascist Italy as well as Jews in Greater Europe. The writer's style is as original as his content, at once candidly recalling a dark time yet imbued with humanity and wit.
