Big Shots - Harvey Kubernik

The sixties was a time of newfound creative freedom, from which emerged icons who continue to inspire us to this day. Los Angeles was a polestar for the music and entertainment that gave expression to this remarkable time, and Guy Webster, Nikon in hand, bore witness to it all. With his controversial cover shot on the Mamas and the Papas' first album, Webster firmly established his reputation as a photographer

capable not only of capturing the emotional nuance of the era, but also of helping to define it.

My best friend is married.

Everyone I know is married. It doesn't bother me. I like my life the way it is. Since I'm single though, when my best friend and her husband decide to finally go on their dream honeymoon, she asks me to watch their three-year-old son. Of course I say yes. What my best friend neglects to tell me is that I won't be babysitting alone. Feeling Max might be too much for me to handle, her

husband asks his only single friend to help. Nick Carrington and I have met a couple of dozen times. I've never really given him a second thought- other than to say he's kind of a jerk. Out loud. So he can hear. Sure, he's tall, dark, and handsome. And yes, he has the best ass I've ever seen, and I mean ever seen quite literally. You see he mooned me at last year's Fourth of July barbecue because, like I said, he's a jerk. He always has to be the life of the party. He's also arrogant. Imposing. Rich. And a playboy. I'd even go as far as to say he's a manwhore. Yet somehow before I know it, this manwhore and I are co-parenting. Living under the same roof. Eating meals together and yes, talking. Don't look at me like that-it's not like I had a choice. Even though I knew every minute would be hell, I had to say yes. But after two weeks what I didn't expect is that I'd been wrong about him. That under his smartass exterior, he's actually quite charming. That his arrogance is actually confidence. And that

the sight of his naked body would do really bad things to me. So yes, I've misjudged him. And yes, I like him. Really like him. Although there are times I still think he's a jerk...I now think he's a sexy jerk. And I want more of him. The question is-does he want more of me?

British Big Shot - Jh Croix

Next level opposites attract. If there's a contest for two people who don't belong together, Jasper and I would definitely win. Jasper's tall, dark, and waaaay too handsome to be on my farm. He's an uptight British big-shot, and my goat got mud all over him only minutes after he showed up. It's safe to say we didn't get off to the best start. To make matters complicated, Jasper owns half of my farm. I'm broke, he's dripping with money, and I hate him on sight. Inconveniently, hating him only seems to make me want him more. Even worse, he's staying here. On the farm. With me. Because of some ridiculous clause in his grandfather's will. Life didn't prepare me to resist a man as devastatingly charming as Jasper. We're next level opposites, and my hormones aren't getting the memo that we do not belong together. Except, maybe we do. Maybe Jasper is about to prove me wrong.

Introducing MR. BIG SHOT, a sexy new standalone romance from USA Today Bestselling Author S. E. Lund: It all started so innocently, but sometimes the biggest moments in your life start with the smallest events... The email dropped into my mailbox about nine thirty on Tuesday night. I opened it, surprised to see that the email had been sent to a mailbox and email address I hadn't used for ages. To: Lexi911@yahoo.com Reply-To: mrbigshot69@gmail.com Re: Emergency Hey, is this Sexy Lexi? I got your email from John. I have a 9-1-1, and need your services. Big family dinner on Saturday at the ballroom, Cipriani Wall Street, and will be surrounded by family and business associates. John said you were really high class and brainy. In other words, not your usual escort. If you're available, wear something amazing but conservative. John showed me the menu. I'll take a standard date with no add-ons. The usual conditions apply. Cheers, MBS "Oh, my God..." "What?" Candace, my BFF, my

partner in crime and the one person who could talk me into almost anything, glanced over my shoulder and read the email on the screen. "He thinks you're an escort and wants you to attend a family dinner? What kind of jerk invites an escort to a family dinner?" "A big one." I chewed a nail and considered. "Should I write him back?" She smiled, an evil gleam in her eyes. How many times had the girl got me in trouble? Luckily, I emerged from my teenage years alive, relatively unscathed, and without a criminal record, but only just barely. So, I should have known to trust my own gut. But I didn't... Now, I have to give the performance of my life and play an escort to one of Manhattan's hottest young billionaires so I can tell the story to my girlfriends at brunch on Sunday. When the performance starts to feel too real, will I get out with my heart intact? Will I want to? *Big Shots!* - 2019-03-26 A unique record of hip-hop history from the late 1990s through to the present,

captured through informal Polaroid portraiture. Just as Andy Warhol: Red Books defined a generation of artists, Big Shots offers a collection of photos that captures the energy of the world of hip-hop and the greater worlds of music and fashion alike. Started as snaps of friends and visitors, this unprecedented volume shot by Phillip Leeds, former tour manager of Kelis and N.E.R.D., is a compilation of previously unpublished work documenting some of the biggest names in hip-hop and fashion. His collection of Polaroid portraits has effectively grown to capture an important moment in music and fashion. With more than 250 Polaroids of artists and figures including Mos Def, Jay Z, Tyler the Creator, Questlove, and Rita Ora, Big Shots gives readers a unique and oftentimes impromptu look into an era of music and fashion shared through the ever-nostalgic format of the Polaroid.

Tall, dark, and brooding, there was just something about him that drew you in and made your pulse race from the moment you laid eyes on him. It might have been that slow, sexy smile or his filthy, dirty mouth. It could have been the way he had about him that made you feel like you were the only thing that mattered. Or just simply that when he looked at you, you instantly became weak in the knees. Even after ten long years of not seeing him, I couldn't deny that he still made my heart pound. Then again, to me he would always be that hot guy sitting on the counter at a frat party that I knew I wanted to marry before I even said my first hello. From what I could tell though, to him I wasn't the same girl I once had been. To him I was now the one he'd let slip away. Just someone he used to know. **Big Girl: A Novel** - Mecca Jamilah Sullivan 2022-07-12  
Exquisitely compassionate and witty, *Big Girl* traces the intergenerational hungers and desires of Black womanhood, as told through the unforgettable voice of Malaya Clondon. In her highly anticipated debut novel, Mecca Jamilah Sullivan explores the perils—and undeniable beauty—of insatiable longing. Growing up in a rapidly changing Harlem, eight-year-old Malaya hates when her mother drags her to Weight Watchers meetings; she'd rather paint alone in her bedroom or enjoy forbidden street foods with her father. For Malaya, the pressures of her predominantly white Upper East Side prep school are relentless, as are the expectations passed down from her painfully proper mother and sharp-tongued grandmother. As she comes of

age in the 1990s, she finds solace in the music of Biggie Smalls and Aaliyah, but her weight continues to climb—until a family tragedy forces her to face the source of her hunger, ultimately shattering her inherited stigmas surrounding women's bodies, and embracing her own desire. Written with vibrant lyricism shot through with tenderness, *Big Girl* announces Sullivan as an urgent and vital voice in contemporary fiction.

2000-03-07

"A novelistic mosaic that simultaneously reads like a thriller and like a strange, dreamlike excursion into the subconscious." —The New York Times

the Internet. No one could have anticipated the small but devoted following this terrifying story would soon command. Starting with an odd assortment of marginalized youth -- musicians, tattoo artists, programmers, strippers, environmentalists, and adrenaline junkies -- the book eventually made its way into the hands of older generations, who not only found themselves in those strangely arranged pages but also discovered a way back into the lives of their estranged children. wandered off and their voices

closet door, and of that unholy  
growl which soon enough  
would tear through their walls  
and consume all their dreams.
