Le onde del cuore - Sawyer Bennett 2022-01-29
Hunter Markham ha lasciato casa sua per viaggiare nel mondo in cerca di fama e gloria, trovandole come surfista professionale di alto livello. Ora è tornato a casa alla sabbia e alla brezza salmastra dell'Outer Banks del North Carolina per poter aprire L'Ultima Chiamata, un bar sulla spiaggia annidato tra le dune dell'Atlantico. Cinque anni fa, Gabby Ward si è gettata ubriaca tra le braccia del fratello del suo

migliore amico, solo per ritrovarsi con il giovane cuore spezzato. Hunter è tornato, ma Gabby è contenta di stare ben lontana da lui e dai suoi modi pericolosamente affascinanti. Il piano ben delineato di Gabby di ignorare Hunter si riduce in cenere quando lui le presenta un'offerta che proprio non può rifiutare. Lavorare assieme giorno dopo giorno si dimostra problematico per due motivi: Gabby si rende conto che i suoi sentimenti per Hunter sono ancora molto vivi, mentre Hunter fatica a far breccia nel cuore di ghiaccio di Gabby. Quello che inizia come un accordo lavorativo, ben presto si tramuta in una passione che nessuno dei due può negare. Ma quando il pro tour dei surfisti bussava alla porta e Hunter ha una chance di reclamare la sua passata gloria, entrambi si trovano davanti a delle scelte difficili. Scelte che potrebbero distruggere quello che hanno costruito, o portarli più lontano di quanto avrebbero mai osato sperare nella loro seconda possibilità di una storia romantica. Translator: Carmelo

Che cosa resta - Christa Wolf

2012-12-01T00:00:00+01:00

Questo racconto della giornata di una donna sorvegliata dalla polizia segreta, tormentata da dubbi sulla fedeltà anche degli amici più cari, pressata dagli avvenimenti a prendere tremende decisioni, questo racconto di una donna sola di fronte alla propria coscienza somiglia in modo straordinario a Cassandra, altra storia di donna concepita e scritta negli stessi anni in cui andava prendendo forma questo *Che cosa resta*. In ambedue i testi - fa notare Anita Raja nell'introduzione - il tema centrale è quello di una persona che non riconosce più la propria città, il proprio mondo, le cose e la gente in cui ha creduto, divenute ormai estranee. La grandezza tragica di Cassandra, infatti, sta proprio nel fatto che il suo distacco da Troia e da Priamo, il suo apprendistato al no, è tanto più intenso e sofferto, quanto più essa ha amato la città e il padre, tanto più ha creduto nella loro

diversità. Ora, questa tragedia ritorna in Che cosa resta, senza più il velo del mito: adesso Troia è Berlino, è il socialismo, è tutto ciò che Christa Wolf ha amato e in cui ha creduto. *New Moon* - Stephenie Meyer 2007-08-08 From evil vampires to a mysterious pack of wolves, new threats of danger and vengeance test Bella and Edward's romance in the second book of the irresistible Twilight saga. For Bella Swan, there is one thing more important than life itself: Edward Cullen. But being in love with a vampire is even more dangerous than Bella could ever have imagined. Edward has already rescued Bella from the clutches of one evil vampire, but now, as their daring relationship threatens all that is near and dear to them, they realize their troubles may be just beginning. Bella and Edward face a devastating separation, the mysterious appearance of dangerous wolves roaming the forest in Forks, a terrifying threat of revenge from a female vampire and a deliciously sinister encounter with Italy's reigning royal

family of vampires, the Volturi. Passionate, riveting, and full of surprising twists and turns, this vampire love saga is well on its way to literary immortality. It's here! #1 bestselling author Stephenie Meyer makes a triumphant return to the world of Twilight with the highly anticipated companion, *Midnight Sun*: the iconic love story of Bella and Edward told from the vampire's point of view. A questi si affiancano autori che hanno voluto cimentarsi in quest'avventura per la prima volta e che aspettano solo d'essere scoperti. Un volume di piacevole lettura per un nuovo viaggio sulle ali dell'Aquila d'Argento.

The Wall of the Earth - Giorgio Caproni 1992

"The work of Giorgio Caproni has been translated into French, German, and Chinese, among others, but this collection is his first book-length English publication. His works are finely tuned to modern man's preoccupations with existence in a world deprived of certainties (for example, the existence or inexistence of

God). Most are touched by experiences such as the Second World War and its atrocities, the Resistance Movement, or the death of loved ones, events that represent the conviction of a subject that will do its best to survive all adversity, uncompromised" -- from the Introduction by Pasquale Verdicchio

The Leopard - Giuseppe Di Lampedusa
2007-11-06

Set in the 1860s, *The Leopard* tells the spellbinding story of a decadent, dying Sicilian aristocracy threatened by the approaching forces of democracy and revolution. The dramatic sweep and richness of observation, the seamless intertwining of public and private worlds, and the grasp of human frailty imbue *The Leopard* with its particular melancholy beauty and power, and place it among the greatest historical novels of our time. Although

Giuseppe di Lampedusa had long had the book in mind, he began writing it only in his late fifties; he died at age sixty, soon after the manuscript was rejected as unpublishable. In his introduction, Gioacchino Lanza Tomasi, Lampedusa's nephew, gives us a detailed history of the initial publication and the various editions that followed. And he includes passages Lampedusa wrote for the book that were omitted by the original Italian editors. Here, finally, is the definitive edition of this brilliant and timeless novel. (Translated from the Italian by Archibald Colquhoun.)

Twilight - Stephenie Meyer 2007-07-18

Fall in love with the addictive, suspenseful love story between a teenage girl and a vampire with the book that sparked a "literary phenomenon" and redefined romance for a generation (New York Times). Isabella Swan's move to Forks, a small, perpetually rainy town in Washington, could have been the most boring move she ever made. But once she meets the mysterious and

alluring Edward Cullen, Isabella's life takes a thrilling and terrifying turn. Up until now, Edward has managed to keep his vampire identity a secret in the small community he lives in, but now nobody is safe, especially Isabella, the person Edward holds most dear. The lovers find themselves balanced precariously on the point of a knife -- between desire and danger. Deeply romantic and extraordinarily suspenseful, Twilight captures the struggle between defying our instincts and satisfying our desires. This is a love story with bite. It's here! #1 bestselling author Stephenie Meyer makes a triumphant return to the world of Twilight with the highly anticipated companion, Midnight Sun: the iconic love story of Bella and Edward told from the vampire's point of view. La notte in cui Carletto non cantò - Umberto Folena 2022-06-13

Ogni notte, immancabilmente, il gallo Carletto cantava. Ma quella notte, e le notti seguenti, non cantò; e all'alba seguente apparivano su muri e serrande di Tretronchi misteriose lettere scarlatte...Il parroco don Ulisse con la sorella Elvezia, il sindaco Achille con la figlia Alice, il barbiere Tarcisio, il vecchio Bortolo e le suore Leopoldine, e i potenti del paese, Bragadin e il Cavaliere... Sono dozzine gli abitanti di Tretronchi, borgo immaginario del Veneto pedemontano, che affollano il primo romanzo di Umberto Folena. Si incontrano, si scontrano e affrontano piccole grandi imprese, raccontate con affetto e umorismo.

A volte nulla è come sembra - Cristiana Iannotta 2014-02-20

Diversi personaggi, con differenti caratteri ed esperienze, vivono le loro avventure intercalate da una "voce fuori campo". Ognuno diviene protagonista di una storia parallela che li

accomuna, legandoli con una sottile linea, più complessa e articolata delle loro differenti realtà. Nell'alternarsi del bene e del male, parti di una stessa medaglia in cui nulla è come sembra, la curiosità fa sì che non ci si soffermi al mero aspetto esteriore delle cose, ma si cerchi qualcosa di più profondo, più vero, forse solo diverso. La concatenazione che li unisce compare nella seconda parte del romanzo: la sensibilità è un dono di pochi, al pari della sensibilità che, paradossalmente, possiede chi non si sarebbe immaginato.

ZeroZeroZero - Roberto Saviano 2016-08-30
An electrifying, internationally bestselling investigation of the global cocaine trade now a series on Prime Video starring Andrea Riseborough, Dane DeHaan, and Gabriel Byrne, from the author of the #1 international bestseller Gomorrah "Zero zero zero" flour is the finest, whitest available. It is also the nickname

among narcotraffickers for the purest cocaine on the market. And it is the title of Roberto Saviano's unforgettable exploration of the inner workings of the global cocaine trade—its rules and armies, and the true depth of its reach into the world economy. Saviano's Gomorrah, his explosive account of the Neapolitan mob, the Camorra, was a worldwide sensation. It struck such a nerve with the Camorra that Saviano has lived with twenty-four-hour police protection for more than eight years. During this time he has come to know law enforcement agencies and officials around the world. With their cooperation, Saviano has broadened his perspective to take in the entire global "corporate" entity that is the drug trade and the complex money-laundering operations that allow it to function, often with the help of the world's biggest banks. The result is a harrowing and groundbreaking synthesis of literary narrative and geopolitical analysis exploring one of the most powerful dark forces in our economy.

Saviano tracks the shift in the cocaine trade's axis of power, from Colombia to Mexico, and relates how the Latin American cartels and gangs have forged alliances with crime syndicates across the globe. He charts the increasing sophistication of these criminal entities as they diversify into other products and markets. He also reveals the astonishing increase in the severity of violence as they have fought to protect and extend their power. Saviano is a writer and journalist of rare courage and a thinker of impressive intellectual depth, able to see connections between far-flung phenomena and bind them into a single epic story. Most drug-war narratives feel safely removed from our own lives; Saviano offers no such comfort. Both heart-racing and eye-opening, ZeroZeroZero is an investigative story like none other. Praise for ZerZeroZero: "[Saviano] has developed a literary style that switches from vivid descriptions of human depravity to a philosophical consideration of the

meaning of violence in the modern world. . . .
Most important of all is the hope Saviano gives to countless victims of criminal violence by standing up to its perpetrators.” —Financial Times

The Book of Disquiet - Fernando Pessoa
2010-12-09

Sitting at his desk, Bernardo Soares imagined himself free forever of Rua dos Douradores, of his boss Vasques, of Moreira the book-keeper, of all the other employees, the errand boy, the post boy, even the cat. But if he left them all tomorrow and discarded the suit of clothes he wears, what else would he do? Because he would have to do something. And what suit would he wear? Because he would have to wear another suit. A self-deprecating reflection on the sheer distance between the loftiness of his feelings and the humdrum reality of his life, *The Book of Disquiet* is a classic of existentialist literature.
