The Baseball Haggadah - Sharon G Forman

2015-02-12

Why is this night different from all other nights of the year; and what does the game of baseball have to do with the Festival of Passover and the seder? Incorporating images and language from

another springtime ritual, this baseball themed Passover Haggadah retells the story of the Israelites' Exodus from slavery in Egypt with faithfulness to the contours of a traditional seder. By holding up the Exodus next to the concept of a beloved national pastime, connections are made that cast light on the Passover story in new and unexpected patterns. This enchanting Haggadah with its vivid illustrations will capture the imagination of seder participants of all ages (from little leaguers to adults). By infusing an old ritual with thought provoking readings and new insights, this Haggadah may stand alone as the sole text at a religious school model seder or can be used as a supplementary Haggadah in traditional or liberal homes. Values taught at the seder, such as love of freedom, kindness to strangers, and concern for others, are celebrated in this user friendly text with particular sensitivity to gender equality and transliteration for non-Hebrew readers. With Moses as the team captain for the

Israelites and Pharaoh heading up the Taskmasters, the lineups struggle for dominance. God throws the ultimate "splitter," making way for the Israelites to cross the Sea of Reeds. Each participant takes a turn up at bat as a reader. There is a 7th Inning Stretch, during which the children can go to the door to search for and welcome the presence of Elijah. Ultimately, there is praise and joy and celebration. Freedom has been won. The Israelites, have made it safely home, and springtime is renewed on a field of green.

**More Than Enough** - April Halprin Wayland  
2016-03-15

A family's Passover celebration is equal parts warmth and charm in this cozy picture book, with the traditional seder song "Dayenu" as the grateful refrain. In this story told in spare, lyrical prose, a Jewish family prepares for their Passover seder, visiting the farmer's market for walnuts, lilacs, and honey (and adopting a kitten along the way!), then chopping apples for the charoset, and getting dressed up before walking to Nana's house. The refrain throughout is

“Dayenu”—a mind-set of thankfulness, a reminder to be aware of the blessings in each moment. At Nana's, there's matzo ball soup, chicken, coconut macaroons, and of course, the hidden afikomen. After opening the door for Elijah and singing the verses of “Chad Gadya,” Nana tucks the children in for a special Passover sleepover. This warm, affectionate story embraces Passover in the spirit of dayenu, and offers a comprehensive glossary—it's a perfect read for the entire family in anticipation and celebration of the holiday.

**What Every Christian Needs to Know About Passover** - Rabbi Evan Moffic 2015-02-03

The Passover was celebrated by Jesus and the

disciples the last time they were together. Now popular speaker and writer Rabbi Evan Moffic brings an understanding to the Last Supper that will forever change how Christians celebrate Communion and prepare for Easter. Beginning with the Hebrew Bible and Jewish history, Rabbi Moffic shows how these inform the roots of Christianity as he weaves together history, theology, Jewish practice and observances. Then he provides the background and resources for Christians seeking to experience an authentic Jewish Passover Seder and integrate it into their own preparation for Easter. Rabbi Moffic brings an informed and ancient perspective, explaining and bringing to life the source of so many of our modern Christian practices. By exploring and explaining the ritual and story surrounding the Jewish Passover, Rabbi Moffic shares with Christians the wisdom and inspiration of the Hebrew Bible—what Christians call the Old Testament—in a way that increases appreciation and understanding of the culture in which Jesus

lived and taught. For contemporary Christians desiring to enrich their understanding of the faith they practice today, this book offers deeper understanding of their spiritual heritage shared with Judaism.

**Channel Surfing the Bible** - Rev. Thomas

O'Donnell 2008-08-12

Two thousand years ago, a simple man walked this planet with a simple message. They called him Jesus. His was a message of radical exclusion in a world he called the Kingdom of God. He spoke in parables grounded in common, everyday experiences, parables about yeast and leavened bread, weeds and mustard seeds, fishing nets and pearls. In the Kingdom of God, everyone was equal and differences made no difference. But the world couldn't handle such an outrageous message. Whoever heard of a world where differences make no difference? Of course, they make a difference. So they dangled him from a cross for all the world to take note. After his death, they honored him with a title, the Christ, and began a whole new religion in his name. But for two thousand years far too many have been dishonoring him by misrepresenting his message. His message of radical inclusion has been twisted and contorted into a message that far too many of his followers use to sanction

that which he came to overcome. Instead of eliminating distinctions between insiders and outsiders, pure and impure, clean and unclean, his message has been used to perpetuate sexism, racism, age-ism, homophobia, imperialism, and all the other -isms that stand in the way of radical inclusion. All this has happened so gradually, literally over centuries if not millennia through crusty old doctrines, dogma, and creeds that very few have even noticed. Christianity has become fat and happy, just like the frog in the Parable of the Boiling Frog. You stick a frog in a vat of boiling water, and it will struggle with all its might to escape an otherwise certain death. But if you stick a frog in a vat of lukewarm water and ever so gradually keep warming it one degree at a time, the frog will grow comfortable in the increasing warmth of its environment until, before he realizes it, he has been boiled. Two thousand years later, it is time to set the record straight; time to return to Jesus simple message through the common, ordinary

experiences of today. In the biblical witness, Moses wandered in the wilderness for forty years; Jesus, for forty days. So, too, shall we wander by channel surfing through forty chapters of scripture. From Adam and Eve to Ricky Nelsons Garden Party at Madison Square Garden; from the Book of Jobs Eliphaz, Bildad, and Zophar to The Three Stooges; from Matthews and Lukes nativity scenes to Larry, Darryl, and Darryl of The Bob Newhart Show; from the temptation stories and Jesus wandering in the wilderness to American Bandstand, the Temptations, and Dion & the Belmonts The Wanderer; from Pilate and Herod cross-examining Jesus to Judge Wapner and Judge Judy; from atonement theology to Lets Make a Deal, it is time to paint our antiquated parables with a more contemporary brush; in so doing, it is time to turn Jesus simple message into a profound reality. Onward, radical inclusion! On to the Kingdom of God. In the immortal words of Bart Simpson, Surfs up, dude.

## **Liberating Your Passover Seder** - Rabbi

Arthur O Waskow 2021-07-23

In 1969, Arthur Waskow created the Freedom Seder to address America's racial issues a year after the assassination of Martin Luther King. It used the ancient Passover Seder ritual to tell a contemporary story of liberation. The Freedom Seder began a revolution in American Judaism, combining the ancient and the timely in a way that lay the path for subsequent repurposing of the Seder for other messages. This volume tells the story of those innovations while laying the groundwork for future religious creativity. *Liberating Your Passover Seder* tells the history of the Freedom Seder and includes material marking the Freedom Seder's 40th anniversary celebration in 2019. It retells the origin of subsequent new haggadahs, including those focusing on Jewish-Palestinian reconciliation, environmental concerns, feminist and LGBT struggles, and the Covid-19 pandemic of 2020. It includes Susannah Heschel's explanation of why

she famously added an orange to the Seder plate. But more than looking back, *Liberating Your Passover Seder* is a challenge to heed Arthur Waskow's renewed call to "Free your seder!"

**Dear Friends** - Christopher L. Webber  
2014-09-02

An Episcopal priest imagines how St. Paul the Apostle might counsel modern American Christians in today's trying times. For almost two thousand years, Christians have asked two essential questions: "What would Jesus do?" and

"What would Paul say?" Saint Paul wrote more of the New Testament than anyone else, and he dealt with the most fundamental problems of his day: What should Christians do about marriage? What should the relationship be between Jews and Christians? What is the Christian responsibility to the state? What about male and female relationships? But Paul did not answer the specific questions many Americans are now asking about marriage, interfaith relationships, illegal immigrants, and the authority of government. Now, following the tradition of Paul's letters to Rome, Corinth, and Galatia, a priest of the Episcopal Church suggests answers to modern questions in the form of new letters from Paul to American cities and states. Encouraging, insightful, and bold, *Dear Friends* is a call for American Christians to think more carefully about the relationship between faith and society, and to seek purposeful, biblical living. "Christopher Webber has hit on a faithful and creative way to bring Paul's theological,

ethical, and spiritual critique right to the heart of American life. As does the Bible itself, so Webber's *Dear Friends* relates our ultimate values to the questions and dilemmas we face every day. I cannot think of a better way for both beginning and lifelong Christians to engage and renew their faith. Eminently readable, accessible, and yet highly sophisticated, these letters will give both individual readers and congregational groups real insight into the life of faith in 21st-century America." —The Very Reverend Gary R. Hall, Dean, Washington National Cathedral

**A Daughter's Kaddish** - Sarah Birnbach 2022-09-27

A woman breaks with Jewish tradition to honor her late father in this moving memoir of faith, grief, and transformation. In A Daughter's Kaddish, Sarah Birnbach recounts her year-long odyssey through bereavement to persevere

through an unfamiliar world of Jewish prayer and chart a course without a road map. A novice worshipper and single working mother, Sarah encountered many obstacles—including vehement gender-based objections to her recitation of the Mourner’s Kaddish, her own daughter’s near-fatal car accident, an incident that tore her synagogue apart, and her mother’s hostility and dismissiveness. To honor her beloved father in the year following his death, Sarah commits to saying Kaddish twice a day in synagogue for eleven months, as is stipulated by her religion. Sarah attempts to incorporate these new religious and spiritual practices into her already hectic twenty-first-century life while struggling with the heavy emotional distress of grief. As she travels the country for work, Sarah must find a synagogue where she can pray in each city and town she visits, a challenge that brings many surprises—and upsets. Throughout her year of devotion, Sarah takes comfort in the loving memories of her childhood while at the

same time grappling with some very painful ones—ultimately discovering how the path of faith and grief can lead to true healing.

**The Freedom Haggadah** - Joseph Rosin 2009

**The Resurrection of the Messiah** -

Christopher Bryan 2011-03-21

In *The Resurrection of the Messiah*, Christopher Bryan combines literary, historical, and theological approaches in a study of the doctrine of the Resurrection. The book is divided into three parts. The first section provides a careful and sympathetic description of first-century Jewish and pagan opinions and beliefs about death and what might follow. This is followed by a presentation of a general account of early Christian claims about the death and resurrection of Jesus of Nazareth. The second part of the book offers a detailed, full-length commentary on and exegesis of the main New Testament texts that speak of Jesus' death and resurrection: 1 Corinthians 15 and the

narratives in the four canonical gospels. As a framework for this commentary, Bryan utilizes the pattern of apostolic preaching presented by Paul and then echoed by each of the four evangelists, namely the formula "Christ died, Christ was buried, Christ has been raised, Christ appeared." The final section of the book is spent discussing and evaluating various proposals that have been made by those attempting to explain the data in ways that differ from the traditional

Christian explanation. Bryan also considers various theological and ethical implications of accepting the claim "Jesus Christ has been raised from the dead." Throughout his study, Bryan exhibits a willingness to face hard questions as well as an appropriate reverence for a faith that for almost two thousand years has enabled millions of people to lead lives of meaning and grace.
