His life is about to undergo a massive shift. A violent and merciless otherworldly enemy unleashes slaughter in the streets, calling out in a language only he understands. And it is seeking its challenger. In order to defeat the threat, Jonathan must become a temporal weapon... while remaining completely anonymous. Unfortunately, harnessing off-world powers has its own special challenges... The Never Hero is the first installment in The Chronicles of Jonathan Tibbs -- a mind-bending, genre crossing, action-adventure trilogy. "Thought provoking, action packed, psychological and smart." Amazon Reviewer, Sam G - See full review below. "I have a feeling I will be mulling over the philosophical ideas presented in this book for a very long time. Interesting, thought provoking, inspiring. Write faster, we need more books that pull on heart strings and keep the reader totally involved." Amazon Reviewer, Laura Lee "The Never Hero is a book I wish I hadn't read -- so I could read it for the first time. Hodges has crafted a superb story about a hero who isn't. But he is. Even though he isn't. He has created a literary landscape equal to the task; a story that comes upon you slowly, then grabs you by the throat and refuses to let go. I can highly recommend both this title and author. If you enjoy scifi, this will thrill you. If you enjoy being surprised, this will catch you completely off guard. I was upset it was over. I want more!" Amazon Reviewer, Joe "Say Joss Whedon's Buffy The Vampire Slayer got together with Christopher Nolan's Inception and made a baby. Then, M. Night Shyamalan's Unbreakable got together with Orson Scott

Card's Ender's Game and made a baby. Then those two babies grew up, eloped and had a love child, who they put up for adoption, and was raised by the surrogate parent's of Sylvester Stallone's Rocky and the Wachowski Brother's Matrix, but had a crazy Uncle they all called The Karate Kid... Then you might get something as awesome as The Never Hero." Amazon Reviewer, Scott Baker "I think it's only a matter of time before 'The Never Hero' becomes a sci-fi bestseller and a blockbusting movie. The story is more than gripping, it's throat clutching." *She Memes Well* - Quinta Brunson 2021

From comedian Quinta Brunson comes a deeply personal and funny collection of essays featuring anecdotes about trying to make it when you're broke, overcoming self-doubt and depression, and how she's used humor to navigate her career in unusual directions. Quinta Brunson is a master of viral Internet content: without any traditional background in media, her humorous videos were the first to break through on Instagram's platform, receiving millions of views. From there, Brunson's wryly observant POV attracted the attention of BuzzFeed's motion picture development department, leading her to produce viral videos there about topics like interracial dating, millennial malaise, and seeing your ex in public. Now, Brunson is bringing her comedic chops to the page in *She Memes Well*, an earnest, laugh-out-loud collection about her weird road to Internet notoriety. In her debut essay collection, Quinta applies her trademark humor and heart to discuss what it was like to go from student loan debt-broke to "halfway recognizable--'don't I know you somewhere?'" level-of-fame. With anecdotes that range from the funny and zany--like her experience trying to find her signature hairstyle--to more grounded material about living with depression, Brunson's voice is entirely authentic and eminently readable. Perfect for fans of Phoebe Robinson's *You Can't Touch My Hair*, Samantha Irby's *We Are Never Meeting in Real Life*, and Issa Rae's *The Misadventures of Awkward Black Girl*, *She Memes Well* will charm and entertain a growing, engaged audience.
