In order to use this activity book at its best we recommend using it as a 3 in 1 activity book. Let your kid do one dot page a day Use safe scissors and guide your toddler by holding their hand and doing a scissor activity to cut off a page Remove any sharp object like scissor and let

your little one have their fun with dot markers on cute drawings Store this paper, as the art created by your little one will improve with time, once you keep handing them over the same drawing they have worked on Congratulate the little one on completing a dot activity Once they have gone through the whole book, it's time to hand-over the same semi dot marker colored illustrations you stored and have them color it again. You can try changing the tool they use for coloring this time, may be this time they use a thinner marker, or use a crayon to color the missing bits.
