The Raiser's Edge - Bertrand Grospellier 2011

In the highly fluid and fast-changing tournament-pokeruniverse, the dominant trend is toward looser and moreaggressive (LAG) play, in which players move chips aroundat dizzying speeds. The

Raiser's Edge shows you how toadapt to the current state of all stages of tournamentplay, analysing how and why the LAG and hyper-LAG styleswork,

Harrington on Modern Tournament Poker - Dan Harrington 2014-05-08

Over the last ten years, the enormous growth of interest in poker and poker tournaments has led to an intense focus on the theory of tournament poker. The result was a re-examination of old ideas and the introduction of many new ones. The fundamentals of no-limit hold em did not change, but the game was revealed to have more depth than many older players could have anticipated. As a result, no-limit hold em tournament play has evolved into a newer, tougher, faster game, and good players have had to evolve to keep up. In *Harrington on Modern Tournament Poker*, Dan Harrington takes a fresh look at the world of no-limit hold em tournaments. He explains how the game is currently played, and what you'll have to do to be a successful tournament player in 2013 and beyond. The topics examined include how to play different hand types preflop, when to 3-bet and 4-bet, how to analyze the flop, turn, and river, and how to size your bets. Dan also explains how to adjust your

strategy as your stack size grows and shrinks, and how to handle the new breed of super-aggressive players that you'll meet at the table (and, if you want, how to play that way yourself). Dan Harrington won the Gold Bracelet and the World Champion Title at the Main Event of the 1995 World Series of Poker. And he was the only player in recent history to make the final table in back-to-back years 2003 and 2004 considered by cognoscenti to be the greatest accomplishment in WSOP history.

[Jonathan Little on Live No-Limit Cash Games](#) - Jonathan Little 2014-07-15

What do you think about when you sit down to play live no-limit cash games? If it's only your hand and how you should play it, then you need to think again! There is much, much more to being a good live cash player than simply playing your hand "correctly". You need to develop a host of other skills. Jonathan Little, a top-ranking professional poker player, will teach you these skills. Jonathan

has justifiably gained a reputation as one of the best instructors the game has ever seen. He has an almost unique ability to explain difficult poker concepts in simple terms.

Jonathan thoroughly examines the difficult topic of how to modify your play on all post-flop streets based on:

- The pre-flop action: limped, raised and re-raised pots have different dynamics
- Being in position or out of position
- Whether you are the aggressor
- Whether you have a strong made hand, a drawing hand or a bluff

Jonathan analyzes the numerous different player types and explains how to adjust your game to play well against each of them. In Live No-Limit Cash Games Jonathan also discusses key “non-poker” concepts including:

- Bankroll management
- Game selection
- Spotting and concealing tells
- Emotional control

Zen and the Art of Poker - Larry Phillips 1999-11-01
Inside the intriguing world of poker lies a fascinating exercise in strategy and extreme concentration--many

of the same principles that underpin the one-thousand-year-old philosophy of Zen spirituality. Zen and the Art of Poker is the first book to apply Zen theories to America's most popular card game, presenting tips that readers can use to enhance their game. Among the more than one hundred rules that comprise this book, readers will learn to:

- * Make peace with folding
- * Use inaction as a weapon
- * Make patience a central pillar of their strategy
- * Pick their times of confrontation

Using a concise and spare style, in the tradition of Zen practices and rituals, Zen and the Art of Poker traces a parallel track connecting the two disciplines by giving comments and inspirational examples from the ancient Zen masters to the poker masters of today.

Positive Poker - Dr. Patricia Cardner with Jonathan Little
Why are the best poker players actually the best? Every serious poker player wants to be successful and many of them have the right technical skills. However, the truth is that

there are key mental factors that separate the big winners from everyone else. Patricia Cardner is a psychology professor, licensed professional counselor and dedicated poker player. She interviewed a select group of professional poker players who share two key characteristics: ALL of them have been successful over many years and ALL of them have lifetime winnings of more than \$1,000,000. Patricia analyzed the results to determine exactly what psychological skills, techniques, and strategies they use. This book is the result of her studies. Positive Poker outlines the mental skills that you need to develop if you want raise your game. Positive Poker will help you to: Optimize your brain for efficient learning Increase motivation and stay positive Use psychological skills to increase your win rate Increase self-control and reduce tilt Patricia is aided in her investigations by the highly successful poker pro Jonathan Little, author of the critically acclaimed series, Secrets of

Professional Tournament Poker.

Harrington on Cash Games - Dan Harrington 2008

The first years of the poker boom were fueled by the interest in no-limit hold em tournaments. Recently, however, players have been gravitating to another, even more complex form of hold em no-limit cash games. In Harrington on Cash Games: Volume I, Dan Harrington teaches you the key concepts that drive deep-stack cash game play. You ll learn how to tailor your selection of starting hands to your stack size, how to recognize the increasing deception value of supposedly weaker hands as the stack sizes increase, and how to use the concept of pot commitment to your advantage as the size of the pot grows. After laying out the general concepts behind deep-stack cash game play, Harrington shows you a complete strategy for post-flop play, and then teaches you the difference between post-flop play against a single opponent and post-flop play against

multiple opponents. If you play no-limit hold em cash games, you need to read this book. Harrington on Cash Games: Volume II continues where Volume I left off. In sections on turn and river play, Harrington explains why these are the most important streets in no-limit hold em, and shows how to decide when to bet or check, when to call or fold, and when to commit all your chips. In later sections, Harrington shows how to play a looser and more aggressive style, how to make the transition from online to live games, and how to extract the maximum profit from very low-stakes games. Volume II concludes with an interview with Bobby Hoff, considered by many the best no-limit cash game player of all times, who shares some of his secrets and insights. Dan Harrington won the gold bracelet and the World Champion title at the \$10,000 buy-in No-Limit Hold em Championship at the 1995 World Series of Poker. And he was the only player to make the final table in 2003 (field of

839) and 2004 (field of 2,576) considered by cognoscenti to be the greatest accomplishment in WSOP history. In Harrington on Cash Games, Harrington and two-time World Backgammon Champion Bill Robertie have written the definitive books on no-limit cash games. These books will teach you what you need to know to be a winner in the cash game world.

Winning Poker Tournaments One Hand at a Time - Jon Turner 2012

Three top tournament winners walk readers through the key hands of actual tournaments, explaining what is required to win, how to play the final table, and how to dominate weak players and outthink strong players to maximize your advantage.

Secrets of Professional Pot-Limit Omaha - Rolf Slotboom 2016-03-23

Pot-Limit Omaha is a fascinating game which is rapidly increasing in popularity on the back of the current poker boom. However, there is a dearth of quality

material giving advice on how to handle all elements of this complex form of poker. Until now... Secrets of Pot-Limit Omaha is one of the first books to analyze medium and high-stakes PLO in great depth. The author, long-time successful PLO cash game player Rolf Slotboom, reveals key information that has never appeared in print before. The following are just some of the topics that are discussed in this ground-breaking book: A revolutionary short-stack approach Adjustments for big-stack play A study on the proper bet size Correct seating position Blocker play The bare ace bluff Exploiting your opponents' specific weaknesses Finally, the practice hands and the chapter on hand match-ups offer tremendous theoretical and practical advice. This book is a must-read for anyone who wishes to play PLO successfully.

Poker - Phil Gordon
2012-12-11

Like a secret society, poker has its own language and customs - its own governing logic and

rules of etiquette that the uninitiated may find intimidating. It's a game of skill, and playing well depends on more than just a good hand or the ability to hide emotion. The first step toward developing a style of play worthy of the greats is learning to think like a poker player. In a game where there are no absolutes, mastering the basics is only the beginning -- being able to pull off the strategy and theatrics is the difference between legendary wins and epic failure.

Doyle Brunson's Super System

- Doyle Brunson 2018-05-09

This classic book is considered by the pros to be the best book ever written on poker! Jam-packed with advanced strategies, theories, tactics and money-making techniques no serious poker player can afford to be without this hard-hitting information. Includes fifty pages of the most precise poker statistics ever published. Features chapters written by poker's biggest superstars, such as Dave Sklansky, Mike Caro, Chip Reese, Bobby Baldwin,

and Doyle two world champions and three master theorists. Essential strategies, advanced play, and no-nonsense winning advice on making money at 7-card stud (razz, high-low split, cards speak, and declare), draw poker, lowball, and hold'em (limit and no-limit). This is a must-read. 605 pages

Doyle Brunson's Super System 2 - Doyle Brunson

Super System 2 gathers together the greatest players, theorists, and world champions. This new edition expands upon the original with more games, new authors, and most importantly, more professional secrets from the best in the business! Learn From Poker's Greatest Players

This superstar lineup is led by the greatest poker player of all time, the legendary Doyle Brunson, two-time main event champion, and 10-time WSOP bracelet winner. Doyle's hand-picked roster of expert collaborators includes: Phil Hellmuth Jr., 11-time WSOP gold bracelet winner and 1989 World Series of Poker

Champion; Daniel Negreanu, winner of more than \$10 million in tournament earnings and 2004 Poker Player of the Year; Johnny Chan, two-time Main Event Champion and 10-time WSOP gold bracelet winner; Lyle Berman, three-time WSOP gold bracelet winner, World Poker Tour founder and super-high stakes player; Bobby Baldwin, 1978 World Poker Champion; Crandell Addington, a no-limit hold'em legend and Hall of Famer; Jennifer Harman, the best female poker player in history; Todd Brunson, superstar cash-game player; and Mike Caro, poker's greatest researcher, theorist, and instructor. 704 pages

Sit 'n Go Strategy - Collin Moshman 2007-07

Kill Everyone - Lee Nelson
2009-07-15

One of the most highly regarded poker books to come out in the last decade is now even better than before. The expanded and revised second edition of Kill Everyone, by Aussie Millions champ Lee

Nelson (with Steve Heston and Tyson Streib), now includes hand illustrations throughout the book—and even more enticing for poker players—commentary throughout the book by internet-poker and European playing sensation Bertrand "Elky" Gropellier, World Poker Tour's 2009 Poker Player of the Year. Kill Everyone begins where Kill Phil left off. Its perfect blend of real-time experience, poker math, and computational horsepower combine to create new concepts and advanced strategies never before seen in print for multi-table tournaments, Sit-n-Gos, and satellites. It also explains how to choose the right strategy for the right game, provides the proper tactics, and introduces new weapons into a tournament-poker-player's arsenal. This book is for anyone serious about playing tournament poker, both live and online. And for cash-game players, a bonus chapter, penned by online cash-game ace and 2007 WSOP bracelet

winner Mark Vos, helps you develop your short-handed no-limit hold 'em cash game. *Swayne's Advanced Degree in Hold'em* - Charley Swayne 2009

Much of what has been presented in this book has never been published before. More of a university textbook than a traditional poker book, this is a handbook for serious poker players and for those who want to up their game to world class level. Texas Hold'Em is the most popular poker game across Europe and North America and is experiencing a continued surge of interest due to its exposure online and on TV. Here, Swayne taps into the eagerness of people's desire to learn about the game in a very sophisticated approach to poker.

The Theory of Poker - David Sklansky 1999

"Now, for the millions of poker

players who know the basics, but do not fully understand the logic and principles of skillful play, here is a serious, comprehensive guide that shows how to think like a professional poker player"-- Page 4 of cover.

Workplace Poker - Dan Rust
2016-03-15

A career advisor explains why many talented, hard-working people often miss out on their full career potential, revealing the tells, blind spots, secrets, and unspoken rules you need to know in order to play the game to win. While many careers have been impacted by economic downturns, failed projects, downsizing and restructuring, or just bad bosses or bad timing, we all know of colleagues who continue to rise through every tough situation. Most assume that they have an advantage that protects them—degrees from the right schools, great mentors, influential friends and family, or just better luck. But these hyper-successful professionals have faced setbacks, too. Instead of

allowing challenges to derail their rise, they've learned how to manage them better. In *Workplace Poker*, Dan Rust gives you the strategies you need to accelerate your career, and prevent setbacks from stalling your progress or spiraling it downward. The trick, he reveals, is to "play the game under the game," to think more deeply and act more strategically. If you are talented, ambitious, and hardworking, but feel your career just isn't accelerating as rapidly as it should, or as fast as you would like it to, this book is for you. If you have been frustrated to see others (less talented, who don't work as hard as you do) achieve rapid professional progress while your career stalls out, this book is for you. If you've been annoyed by those who are successful primarily because of where they went to school, or family connections, or financial resources, this book is for you. Rust gives you the insight and skills you need to transform yourself and adapt and survive any hurdle—to turn every

adversity into advantage, and every struggle into strength, including:

- Recognition of your own "blind spots" and what to do about them
- Mastering strategic and authentic self-promotion
- Enhancing your personal charm and likeability
- Achieving the high energy, both mental and physical, necessary to drive an exceptional career trajectory
- Developing an interest in "corporate anthropology" and the complex human dimensions of business
- Neutralizing the career-stalling impact of difficult or dysfunctional colleagues
- Deeply "owning" and learning from career missteps and failures

In his smart, funny, relatable voice, Rust shares stories of individuals who have applied these capabilities in real world situations, and provides short, focused exercises to help you think about yourself and your own career. With *Workplace Poker*, you'll learn how to get out of your own way, and find the success you deserve.

Real Grinders - Ashton

Cartwright 2014-12-23

Six different countries. Twenty eight professional poker players. All of them Real Grinders. If you've ever wanted to know if you have what it takes to be a professional poker player, now is your chance to find out. We've brought together some of the best pro players from around the world to talk about what it's like playing poker for a living; the good parts, the bad parts, the successes, and the challenges. Everything that separates the winners from the losers in a game where fortunes can be won or lost on the turn of a card, and a level head and a quick wit control the table. Professional poker doesn't get more real than this.

Secrets of Professional Tournament Poker, Volume 2 -

Jonathan Little

Jonathan Little is a highly successful poker professional who has won over \$4 million in tournament play. His first book, Secrets of Professional Tournament Poker, Volume 1, dealt with the fundamentals of play. In this second book he

builds on this base by examining the highly complex issue of how to handle the different stages of a tournament. As well as outlining a technically accurate style of play, Jonathan also discusses a number of other topics that are crucial to success at poker. These include: How to spot tells (and avoid giving them) Correct etiquette Practical tips for tournament play Managing life as a professional poker player throws up a number of issues in itself and Jonathan calls upon his many years as a pro to address these. They include: Developing your poker skills Mental & physical approaches required for successful play. As well as being one of the world's best players, Jonathan has been a highly respected coach for many years. In the final section of the book he draws on his experience here to answer the most common FAQ's asked by students and also offers an in-depth analysis of 30 hands from tournament play which outline many of the concepts discussed in the book. In his

professional career he has won the WPT twice. In 2010 he cashed 5 times in the WSOP, including a third place finish.

Exploitative Play in Live Poker

- Alexander Fitzgerald

2018-11-19

Many poker players can make good decisions at the table with a reasonable frequency.

Nevertheless, there are numerous situations where even very experienced players behave in predictable ways.

These deeply-ingrained habits lead them to make mistakes.

The problem is that these situations won't often arise at the table by chance - you have to make them happen.

Exploitative Play in Live Poker is a ground-breaking work that teaches you how to create the circumstances where your opponents will be likely to blunder and how to exploit them when they do. To achieve this you will need to put to one side starting hand charts, balance and GTO (Game Theory Optimal) play. Instead you will incorporate new concepts that may well place you outside your comfort zone.

However, your style will now be forcing the other players at the table outside of their comfort zone and, unlike you, they won't know how to adapt.

Learn how to: Counter the auto-continuation-

bettorDevelop a powerful donk-betting strategyUse the

overbet, the check-raise and the three-barrel effectively As

well as being a highly successful player, Alex

Fitzgerald runs a poker

consultancy that serves more than 1,000 professional poker

players in 60 countries. As part of this work, he has very likely

trawled through more hand history databases than anyone

else. This gives him a unique insight into how players really

play, especially when placed under pressure and forced into unfamiliar situations.

The Full Tilt Poker Strategy Guide - Andy Bloch 2007-06-01

An insider's guide to all the best tips and tricks for a foolproof poker strategy from the professions of Full Tilt Poker. The professionals of Full Tilt Poker include the best and most famous poker players in

the world. Their accomplishments are unparalleled, with countless World Series of Poker and World Poker Tour championships to their names and well in excess of \$100 million in winnings in private games. Now, this group of poker legends has banded together to create THE FULL TILT POKER STRATEGY GUIDE, which will stand as an instant classic of the genre and is sure to become the industry standard.

Mastering Small Stakes No-Limit Hold'em - Jonathan Little
2017-08-01

The Myth of Poker Talent - Alexander Fitzgerald
2016-10-05

The Myth of Poker Talent is a unique book and is the culmination of renowned poker trainer Alex Fitzgerald's work with over 1000 students over a 10 year period. Alex has discovered what makes a winning poker player and here's the good news... It has nothing to do with poker talent. If you want to excel at the

game you'll need to buy this book, study Alex's method and work hard - but you don't need talent. Alex's method focuses on understanding generic poker situations and not specific hands. As a highly experienced teacher, he expresses his ideas in simple, easy-to-understand language. The Myth of Poker Talent will teach you: A "model of poker" built from scratch An understanding of every poker tool Why much of what experienced players think they know is actually wrong. ... and much, much more.

The Main Event With Jonathan Little - Jonathan Little
2014-07-22

Have you ever wondered what a poker champion is thinking when he is facing a huge bet that puts his tournament life at risk? Jonathan Little, a two-time World Poker Tour Champion with over \$6,000,000 in career tournament winnings opens up his playbook for everyone to see. He will not only show you how he cashed in the 2014 World Series of Poker Main

Event for \$22,678, but he will also teach you why he made every crucial move in 54 detailed hands. This book is set up in a quiz format, forcing you to reevaluate your default poker strategy and alter it drastically based on your opponents' tendencies. By questioning your decisions, you will be able to progress as a poker player and increase your profits at the table.

The Fourth Political Theory -

Alexander Dugin 2012

Modern political systems have been the products of liberal democracy, Marxism, or fascism. Dugin asserts a fourth ideology is needed to sift through the debris of the first three to look for elements that might be useful, but that remains innovative and unique in itself.

Secrets Of Professional Tournament Poker - Jonathan Little 2021-07-21

This new, expanded, fully updated and revised, edition of 'Secrets of Professional Tournament Poker' is a landmark in poker publishing. Originally published in two

volumes in 2011 and 2012 this was both a critical and commercial success. Over the last decade, the understanding of poker has changed dramatically and this new edition fully reflects current thinking on the game. This book will give readers a thorough understanding of everything they need to know about playing tournaments and Jonathan Little is undoubtedly the person best qualified to impart this information. The book is split into seven sections: 1) How Tournaments Work -This explains why tournaments are a highly profitable form of poker and examines the basic concepts that need to be mastered. 2) Playing Deep Stacked -This deals with situations where (most) players have stacks of 50 big blinds or more. All situations are dealt with including pre-flop and all three post-flop streets. There is further information on general topics at this stack depth. 3) Playing Mid Stacked -This deals with situations where the basic stack depth is between

27 and 50 big blinds. These situations are tricky because with the shorter stack, players are often going all-in. This means that very clear adjustments are required compared to the deeper stack strategies.

4) **Playing Short Stacked** -This section focuses on play below 27 big blinds. Now play is almost exclusively focused on the possibility of players going all-in. Knowing the correct ranges and plays here is vital to maximise your chances for tournament survival.

5) **The Late Stages** -As the prospect of serious prize money looms, huge adjustments need to be made. How to play on the bubble and concepts such as risk premium and the Independent Chip Model are fundamental to maximising your chance of landing a major prize and they are all thoroughly explained.

6) **Hand Examples** -This will test your understanding of everything you have learnt so far.

7) **Other Considerations** -You can improve your tournament results by also working on your general

attitude and approach. This section encompasses all the non-technical aspects of playing, including learning, the mental approach, tells and practical tips. Jonathan Little has dedicated himself to educating players who are keen to improve their poker strategy, and in 2020, he was awarded the prestigious title of Global Poker Index "Poker Personality of the Year" - voted for by the poker-playing public. As well as being an immensely successful professional player with over \$7,000,000 in live tournament cashes, Jonathan runs the highly respected coaching site pokercoaching.com. By interacting regularly with his students, he has developed a clear understanding of how to explain important concepts in a language that can be easily understood by players of all skill levels. The result is **Secrets of Professional Tournament Poker** - the definitive guide to modern tournament play.

Decide to Play Great Poker -
Annie Duke 2011-07-01

Poker is a game of table position, flop texture, players in a hand, personalities, and so much more. This book teaches you how to identify and analyze those variables, become a great strategist, and have confidence in any poker situation. Decide to Play Great Poker is written by Annie Duke, the world's most renowned woman poker player, with John Vorhaus, himself a winning poker player and prolific author.

Jonathan Little's Excelling at No-Limit Hold'em -

Jonathan Little 2015-07-07

Excelling at No-Limit Hold'em

is a sensation in poker publishing. Renowned poker professional and author Jonathan Little brings together 17 of the greatest no-limit experts in the world to discuss all aspects of the game. These experts include superstars such as Phil Hellmuth, Chris Moneymaker, Mike Sexton and Jared Tendler. In Part 1 strategies are analysed for topics such as understanding the fundamentals, satellite play, lower-buy in events,

analysing tells and moving up in stakes Part 2 sees a thorough technical breakdown of the game including sections on range analysis, game theory optimal play, short stack strategies, value betting and final table play. As any serious poker will confirm, the technical side is only half the battle and so Part 3 deals with mental toughness, psychology and understanding tilt. Excelling at No-Limit Hold'em provides all the tools that an aspiring player needs to understand no-limit hold'em. It is a must buy for anyone who is serious about wanting to improve their poker.

The Mental Game of Poker -

Jared Tendler 2011-05-04

Secrets of Professional Tournament Poker - Jonathan Little 2012-04

Tournament poker is a tough game to play but the rewards

for success can be huge. Even regular online tournaments offer substantial prizes running to hundreds of thousands of dollars. Jonathan Little, a highly successful poker professional who has won over \$4 million in tournament play in just four years, explains exactly how to succeed in this highly competitive field. Playing technically sound poker is crucial but this is far from the only skill necessary. "Secrets of Professional Tournament Poker, Volume 1" dealt with the fundamentals of play. Volume 2 builds on this base and examines the highly complex issue of how to handle the different stages of a tournament. At times the best strategy is to play loose, create problems for your opponent and thus keep accumulating chips. At other times an ultra-tight strategy will be the most profitable. Understanding when to "change gears" is a highly developed skill that requires a great deal of study and experience. Jonathan Little has that experience. Managing life as a professional poker

player throws up a number of issues in itself and Jonathan calls upon his many years as a pro to address these.

Power Hold'em Strategy -

Daniel Negreanu 2008-06-17
Super Stars of Hold'em does for hold'em what Doyle Brunson's Super System 2 did for poker. Negreanu gathers together the greatest young players, theorists, and world champions of hold'em, to present insider professional secrets and winning strategies for the only poker game that counts nowadays-hold'em. Ten powerful chapters cover every aspect of the major hold'em games-limit, no-limit, and pot-limit for cash games and tournaments -- with in-depth coverage on all aspects of play. This weighty volume will be an instant classic-poker players cannot ignore the professional advice from the greatest stars of the game.

American Casino Guide -

Steve Bourie 2005-11
Listing more than 700 casinos in 36 states, this bestselling guide is jam-packed with detailed information and

includes 150 coupons providing more than \$1,000 in savings. Consumable.

Caro's Book of Poker Tells - Mike Caro

One of the ten greatest books written on poker, this must-have book should be in every player's library. If you're serious about winning, you'll realize that most of the profit comes from being able to read your opponents. Caro reveals the the secrets of interpreting tells-physical reactions that reveal information about a player's cards-such as shrugs, sighs, shaky hands, eye contact, and many more. Learn when opponents are bluffing, when they aren't and why-based solely on their mannerisms. Over 170 photos of players in action and play-by-play examples show the actual tells. These powerful ideas will give you the decisive edge.

Strategies for Beating Small Stakes Poker Tournaments - Jonathan Little 2015-02-24

While most poker players dream of winning \$10,000,000 on poker's biggest stage, most

find it impossible to win at even the smallest stakes. They usually blame bad luck for their failures whereas in reality, they are simply not skilled enough at poker. The secret to mastering poker is not in memorizing hand ranking charts or following a predetermined system. You must learn to think for yourself while at the table in order to adjust your strategy based on your specific opponents.

Strategies for Beating Small Stakes Poker Tournaments will explain how. In this guide, two-time World Poker Tour champion Jonathan Little explains numerous strategies he uses that will allow you to crush your opponents, giving you the opportunity to progress to the middle and high stakes.

FossilMan's Winning Tournament Strategies - Greg Raymer 2019-06-30

FossilMan's Winning Tournament Strategies is the ultimate guide to practical tournament play. Greg "FossilMan" Raymer, winner of the WSOP Main Event in 2004, explains everything you need

to know to become a successful tournament player. Raymer is not only a big winner at the tables, he also has a unique ability to explain difficult concepts in clear and simple language. Raymer simplifies the learning process by breaking down the complex subject of tournament strategy into the key areas. Chapters on strategy include: the Independent Chip Model (ICM), game theory, poker maths and pot odds, correct

bet-sizing, playing the big stack and playing the short stack. However, Raymer does not focus merely on the correct technical aspects of standard NL tournament play. He also discusses many other important tournament formats that often confuse players. These include: * how strategy changes in satellite and rebuy tournaments- * how to play heads-up events and other uncommon formats and the one everyone wants to know about - * how to play the Main Event.
