That's just what Dion is counting on... Discover USA Today bestselling author Rebecca Rivard's award-winning world of dark shifters and dangerous fae. "A powerfully written paranormal romance with an alpha male who takes no

prisoners..." THE FADA. Shapeshifters created during Dionysus's infamous bacchanals from a mix of fae, human and animal genes. They're ruthless, untamed—but when they love, it's forever. Seducing the Sun Fae is a steamy paranormal romance with an HEA. If you crave dark shifters, glittering fae and intense, emotional storylines, this book is for you. Keep reading for an excerpt: Cleia sighed and suddenly Dion understood what was wrong. She didn't want harmless. She wanted danger. The lady was bored with men who danced to her tune. Ah. He'd be happy to provide the queen with a little...excitement. He crouched on his haunches in front of her and put out his hand. "Give me your foot." She hesitated and he waited, unmoving. In this dance, she would learn that he was the leader, she the follower. She slanted him a look from under her lashes and then, setting her wine on the floor, placed a slender foot in his palm. It was clad in a jewel-encrusted sandal: rubies, emeralds, diamonds.

The fae loved bright, glittering things. It was yet another weakness, something he could use against the shallow, party-girl queen. Right now she wasn't thinking about jewels, though. Her gaze was all for him. Her hands clenched on her lap, but she held herself still, waiting to see what he'd do next. Keeping his eyes on hers, he undid the sandal strap and slid his finger under her arch, tracing a slow path down the sensitive skin. Her breath hitched. He removed the sandal and pressed a kiss to her instep, then placed her foot on the chair seat so that her knee was bent, opening her to him. "Keep it there." Her throat worked but she obeyed. He removed the other sandal and kissed that instep as well. Her breath released in an audible whoosh. His lips curved against her soft skin. "You like that." Their eyes met and he inhaled sharply. Deus, her irises were beautiful: a tawny, sun-touched brown. "Mm," she murmured. "More." Their gazes locked, but when he simply stared at her unmoving, she added, "Please." Triumph

streaked through him. He'd won. She just didn't know it yet. "As you wish, querida," he said, and sucked her big toe into his mouth. \*2016 EPIC Awards Finalist, Best Fantasy/Paranormal Romance\* Keywords: shifter, alpha male, fae queen, fated mates, mate bond, happily ever after, alpha male romance book, alpha male romance ebook, alpha shapeshifter romance, alpha shifter fated mates, rebecca rivard mates, fated mates paranormal romance, shifter fae romance book, shifter fae romance series, strangers to lovers, instant attraction, heat level, fated mates novel, soul mates, destined mates, shifter romance ebook, paranormal fiction series, strong heroine, fae romance novel, fae queen romance novel, shifter mates, fated mates, enemies to lovers romance, enemies to lovers paranormal romance book, sexy shifter book, sexy paranormal romance book, steamy paranormal romance novel, steamy shifter mates, shapeshifter clan romance series, urban fantasy, sexy urban fantasy, fantasy romance,

*Her Deviant Dragon: A hot dragon shifter romance* - Christa Wick 2021-10-15

The man I've been having nightly dreams about isn't exactly the man of my dreams. Okay, so maybe he's dangerously handsome in a dark, intense way. And given that I'm hardly the beauty to his beast, I guess I shouldn't be judging. I mean that literally, by the way. The beast part. At least I think dragons are considered beasts. Seeing as how I never knew dragons actually existed, let alone shifted into human form, I'm definitely not an expert. Even despite been psychically connected to him for months now. The only thing I really know about him is that his wealth gives a whole new meaning to old money. He's amassed an unimaginable fortune over the course of a millennium, all while searching for the one unattainable thing he wants most of all—a mate.

It's hard enough for me to wrap my brain around a mortal as a dragon's mate. And it's even crazier still to think the hot new all-the-rage one-stop-shop online for bedroom fun times is run by said gruff and stoic dragon. But the idea of me—the plump, quiet girl with the messed-up past, minimal control of her psychic visions, and zero foreseeable future for her music—being what the determined dragon has been looking for all this time? Seriously? I'm going to need some major convincing. ...And he's more than up for that challenge. Previously published as *Curve Dreams* (c) 2015 with edits and minor revisions throughout.
