Merely said, the La Prepotenza Invisibile Bulli E Cyberbulli Chi Sono Come Difendersi GrandAngolo is universally compatible with any devices to read

La prepotenza invisibile. Bulli e cyberbulli: chi sono, come difendersi - Luciano Garofano 2016

Don't Call Me Ishmael - Michael Bauer 2012-01-01

By the time ninth grade begins, Ishmael Leseur knows it won't be long before Barry Bagsley, the class bully, says, "Ishmael? What kind of wussy-crap name is that?" Ishmael's perfected the art of making himself virtually invisible. But all that changes when James Scobie joins the class. Unlike Ishmael, James has no sense of fear - he claims it was removed during an operation. Now nothing will stop James and Ishmael from taking on bullies, bugs and Moby Dick, in the toughest, weirdest, most embarrassingly awful - and the best - year of their lives.

Trevor - James Lecesne 2012-09-25

Trevor is an exuberant, sociable, and witty thirteen year old. So how come, when he takes that nerve-racking turn toward his locker at school, he feels scared and alone? Shunned by his friends, misunderstood by his parents, and harrassed at school for being different, Trevor goes from wondering what color glitter to choose for his Lady Gaga costume at Halloween, to wondering why some feelings "are so intense it makes you just want to lay down and die rather than go on feeling it," and making an attempt on his life. Trevor mixes humor and realism in an urgent look at what it is like to feel alienated from everything around you. And more importantly, what critical ties can step in at the most unlikely moment, to save you from despair, and give you reason to go on living. Trevor is an update of the film version of the story, directed by Peggy Rajski, which won the Academy Award for Best Live Action Short in 1994. The Trevor Project is the leading national organization providing crisis intervention and suicide prevention services to lesbian, gay, bisexual, transgendered, and questioning youth. As the recent attention to youth suicides has received increased media attention, and Dan Savage's IT GETS BETTER campaign has gone viral around the world, the public is finally beginning to face hard facts. Thirty-three percent of suicides among teenagers involve LGBTQ youth, one-third of all LGBT kids report having attempted suicide, and nine out of ten report overt harassment at school. Trevor is an effort to make those kids feel loved and supported, so they will find the strength to go on living.

DBT? Principles in Action - Charles R. Swenson 2018-04-19

The key to flexible, skillful decision making in dialectical behavior therapy (DBT) lies in understanding the connections between moment-to-moment clinical strategies and core principles. This lucid guide from leading DBT authority Charles R. Swenson offers clinicians a compass for navigating challenging clinical situations and moving therapy forward—even when change seems impossible. Numerous vivid case examples illustrate DBT in action and show how to use skills and strategies that flow directly from the fundamental paradigms of acceptance, change, and dialectics. Clinicians gain knowledge and confidence for meeting the complex needs of each client while implementing DBT with fidelity.

The Present Takers - Aidan Chambers 2013-07-15

Lucy's life is being made hell by Melanie Prosser and her bullying sidekicks - the present takers - who threaten her every day at school for presents and money. Too ashamed to tell her parents, and too scared to tell her teacher, Lucy finds an unexpected ally in Angus Burns. But when push comes to shove, there's only

one thing to do: take on the present takers at their own game, to silence them once and for all.

The Chocolate War - Robert Cormier 2004-09-14

One of the most controversial YA novels of all time, *The Chocolate War* is a modern masterpiece that speaks to fans of S. E. Hinton's *The Outsiders* and John Knowles's *A Separate Peace*. After suffering rejection from seven major publishers, *The Chocolate War* made its debut in 1974, and quickly became a bestselling—and provocative—classic for young adults. This chilling portrait of an all-boys prep school casts an unflinching eye on the pitfalls of conformity and corruption in our most elite cultural institutions. "Masterfully structured and rich in theme; the action is well crafted, well timed, suspenseful."—*The New York Times Book Review* "The characterizations of all the boys are superb."—*School Library Journal*, starred review "Compellingly immediate. . . . Readers will respect the uncompromising ending."—*Kirkus Reviews*, starred review An ALA Best Book for Young Adults A School Library Journal Best Book of the Year A Kirkus Reviews Editor's Choice A New York Times Outstanding Book of the Year

Obsessions and Phobias - Sigmund Freud 2014-11-11

This early work by Sigmund Freud was originally published in 1895 and we are now republishing it with a brand new introductory biography. 'Obsessions and Phobias' is a psychological essay on the distinction between obsessions and phobias and potential reasons for their occurrence. Sigismund Schlomo Freud was born on 6th May 1856, in the Moravian town of Příbor, now part of the Czech Republic. He studied a variety of subjects, including philosophy, physiology, and zoology, graduating with an MD in 1881. Freud made a huge and lasting contribution to the field of psychology with many of his methods still being used in modern psychoanalysis. He inspired much discussion on the wealth of theories he produced and the reactions to his works began a century of great psychological investigation.

La prepotenza invisibile - Luciano Garofano 2018-04-16

Il bullismo in tutte le sue declinazioni è un fenomeno odioso. Il punto di partenza per combatterlo è la sua piena conoscenza. A casa come a scuola. È però un errore collegarlo alla sfera economica delle persone, perché esistono bulli sia poveri che ricchi. Nell'immaginario collettivo il bullo è il figlio di un pregiudicato, di una persona di bassa estrazione sociale o di un immigrato non integrato. E invece no. Anzi, sempre più di frequente il fenomeno è riferito a figli di famiglie agiate. E ormai al bullismo s'è affiancata un'altra forma di sopruso non meno violenta e pericolosa: il cyberbullismo, ovvero vere e proprie forme di sopraffazione via Web. Qui spieghiamo che cosa sono il bullismo, il cyberbullismo, fenomeni come il Blue Whale Challenge e le loro insidie, come nascono e come fare a riconoscerle e a combattere queste piaghe sociali dilaganti, fortemente basate sull'emulazione. Con analisi di casi di cronaca, testimonianze di vittime e di loro parenti e un approfondimento sulla nuova legge sul cyberbullismo. Senza dimenticare che se un figlio è un bullo, i genitori hanno le loro grandi responsabilità. "Lo sport mi ha dato tutto e sarà di aiuto a sconfiggere il bullismo. Un po' più sport e un po' meno social: questa ricetta vi darà tanta forza e tanta serenità in più". (Francesco Totti) "Curiamo di più i nostri figli, non con divieti o permessi, ma attraverso un'osservazione del loro modo di diventare adulti, certamente rispettosa della loro libertà, ma non per questo meno attenta". (Maurizio Costanzo) "Da sportiva e da mamma considero il bullismo e il cyberbullismo due brutte bestie: è importante conoscerle e capirle per aiutare le vittime a difendersi dai bulli reali e virtuali". (Giulia

Quintavalle) Con un intervento inedito di Elena Ferrara, prima firmataria della legge 71/17 contro il cyberbullismo.

Darkness Descending - The Murder of Meredith Kercher - Paul Russell 2010-02-18

It was a brutal murder, and the trial of the decade. On 1 November 2007, 21-year-old British student Meredith Kercher was slaughtered in cold blood in the apartment in Perugia, Italy, that she shared with three other girls. Two bright young people, Amanda Knox and her Italian ex-boyfriend, Raffaele Sollecito, stood accused of the killing in a trial that lasted through 2009. They were found guilty and sentenced to twenty-six and twenty-five years respectively on 4 December. A second man, Ivory Coast-born Rudy Guede, 22, had already been found guilty of the sexual assault and murder of Meredith in a separate trial in 2008 and sentenced to thirty years, but the prosecution always stated that he didn't act alone. Kercher was a model student whilst American Knox acquired a reputation that fuelled speculation about her character. Her bizarre behaviour just after Meredith's body was found, her false accusation of an innocent man, her weak alibi and her DNA on the murder weapon - a kitchen knife found to be scrubbed with bleach - went against her. TV producer Paul Russell and critically acclaimed crime writer Graham Johnson have teamed up with leading Italian forensics expert General Luciano Garofano to reveal the full truth behind this sensational murder and its trial. They unravel all the details and study all the personalities in this case that has stunned the world. Complex, and some say controversial, DNA evidence is explained in simple language and, bit by bit, a story emerges of brutality and jealousy in a university town where all was not what it seemed. Their findings make for gripping, sensational reading.

Psychoanalysis, Identity, and the Internet - Andrea Marzi 2018-06-12

The contributors and the articles presented in the book suggest that the main psychoanalytical theories are the most adequate means to understand the nature of the new subjects that appear in the present world on the Internet and cyberspace era. Not only does psychoanalysis read the multifaceted nature of virtual reality, but cyberspace also affects and influences seminal reflections about psychoanalysis itself and the virtual space of the mind. This timely volume, first published in Italian in 2013, explores the consequences of virtual reality in the analytical field and the peculiar characteristics of the encounter with the particular state of mind of internet-addicted patients; it also shows in detail the path of the therapy, psychotherapeutic or analytic, and the path of the analyst with the net-surfer, a castaway in the realm of virtual reality. Considering all the points of view expressed in the book, cyberspace appears, on the one hand, as a mirror that traps vulnerable people in a pseudo-reality, while on the other hand it appears as a particular dimension which sets creative phantasy free.

Neuroconstructivism: Perspectives and prospects - Denis Mareschal 2007

What are the processes, from conception to adulthood, that enable a single cell to grow into a sentient adult? This work sets out a whole new framework for considering the complex topic of development, integrating data from cognitive studies, computational work, and neuroimaging.

Emotions, Crime and Justice - Susanne Karstedt 2011-04-01

The return of emotions to debates about crime and criminal justice has been a striking development of recent decades across many jurisdictions. This has been registered in the return of shame to justice procedures, a heightened focus on victims and their emotional needs, fear of crime as a major preoccupation of citizens and politicians, and highly emotionalised public discourses on crime and justice. But how can we best make sense of these developments? Do we need to create "emotionally intelligent" justice systems, or are we messing recklessly with the rational foundations of liberal criminal justice? This volume brings together leading criminologists and sociologists from across the world in a much needed conversation about how to re-calibrate reason and emotion in crime and justice today. The contributions range from the micro-analysis of emotions in violent encounters to the paradoxes and tensions that arise from the emotionalisation of criminal justice in the public sphere. They explore the emotional labour of workers in police and penal institutions, the justice experiences of victims and offenders, and the role of vengeance, forgiveness and regret in the aftermath of violence and conflict resolution. The result is a set of original essays which offer a fresh and timely perspective on problems of crime and justice in contemporary liberal democracies.

Allies - Shakirah Bourne 2021-09-14

This book is for everyone. Because we can all be allies. As an ally you use your power-no matter how big or small-to support others. You learn, and try, and mess up, and try harder. In this collection of true stories, 17 critically acclaimed and bestselling YA authors get real about being an ally, needing an ally, and showing up for friends and strangers. From raw stories of racism and invisible disability to powerful moments of passing the mic, these authors share their truths. They invite you to think about your own experiences and choices and how to be a better ally. There are no easy answers, but this book helps you ask better questions. Self-reflection prompts, resources, journaling ideas, and further reading suggestions help you find out what you can do. Because we're all in this together. And we all need allies. A donation of 5% net sales in the US will be donated to We Need Diverse Books

Stalking, atti persecutori, cyberbullismo e diritto all'oblio - Aa.vv. 2017-07-19

L'obiettivo del volume è fornire all'operatore giuridico tutti gli strumenti su come difendersi dagli attacchi sempre più invasivi alla persona, con particolare riferimento a Internet. Si affrontano compiutamente tutte le problematiche connesse allo stalking, agli atti persecutori, alla nuova legge sul cyberbullismo e, più in generale, alla tutela della persona in Internet, con particolare riferimento al diritto all'oblio. Le problematiche vengono sviscerate sia dal punto di vista scientifico che da quello pratico-operativo e si offrono all'operatore tutte le risposte che nascono dal dover adattare le norme al complesso mondo del digitale. Sono infine approfonditi i problemi connessi alle prove, alle tecniche investigative, ai profili processuali, alla richiesta dei danni, alle problematiche extraprocessuali. Completano il testo una serie di schemi, tabelle e moduli di pratico utilizzo.

The Diddakoi - Rumer Godden 2011-08-11

Rumer Godden's *The Diddakoi* won the 1972 Whitbread Children's Book Award. Everyone in Kizzy's town hates her because she's half-gypsy - a diddakoi. But Kizzy doesn't care. All she needs is Gran and her horse, Joe. But when Gran dies and their wagon burns down, Kizzy is all alone. No one wants to look after her and her beloved Joe might get sent to the knacker's yard. Can Kizzy survive in a hostile world - and save Joe?

The Knife That Killed Me - Anthony McGowan 2010-04-13

Paul Vanderman could be at any normal high school where bullies, girls, and annoying teachers are just part of life. But "normal" doesn't apply when it comes to the school's biggest bully, Roth—a twisted and threatening thug with an evil agenda. When Paul ends up delivering a message from Roth to the leader of a gang at a nearby school, it fuels a rivalry with immediate consequences. Paul attempts to distance himself from the feud, but somehow Roth keeps finding reasons for him to stick around. Then one day Roth hands him a knife. And even though Paul is scared, he has never felt so powerful.

Il nostro futuro - Giacomo Musaio 2020-06-30

Il saggio *Il nostro futuro* spazia tra i più diversi temi dell'attualità: i diritti e i doveri dell'uomo, la famiglia, le disuguaglianze sociali, la crisi economica e politica degli anni in cui stiamo vivendo, la religione e la fede. Un'analisi dettagliata e corposa delle criticità e delle potenzialità della società, in cui, oltre a mettere in luce i problemi, si suggeriscono delle soluzioni: prima tra tutte ritrovare un senso di identità collettiva, uscendo dalle logiche dell'egoismo e dell'individualismo. Quando il singolo individuo ha un problema, l'intera comunità deve collaborare per trovare una soluzione, sia che si tratti di una persona, sia che si tratti di un intero Paese che deve affrontare gravi disordini sociali, guerre, carestie. Un testo affascinante, complesso e ricco di spunti di riflessione. Giacomo Musaio, nato a Monopoli (Bari) nel 1927, quale vincitore di concorso pubblico nazionale della Ragioneria Generale dello Stato, si è trasferito nel 1953 a Bergamo dove vive tuttora. Ha svolto presso la locale Ragioneria Provinciale dello Stato e in svariati enti sanitari e locali funzioni di controllo fra codici, leggi e decreti amministrativi e contabili. È autore di varie pubblicazioni in materia di controlli di bilanci pubblici a cura di noti editori nazionali. È stato collaboratore al quotidiano *L'Eco* di Bergamo (1985-1997) e alla *Rivista La Rassegna - Settore amministrativo-sanitario* (1993-2013). Lungo il suo percorso di vita ha improntato la sua attività professionale sull'etica normativa riscoprendo poi la Fede, i bisogni del sociale, i valori dell'uomo, del nostro stato nel suo divenire.

Achievement Poster - Enna 2017-08-29

The poster is available with a thin Plastic Film Coating to protect against dust and grime, fading due to light exposure, and oil from finger marks. We encourage our customers to protect their posters with this product.

Liar Moon - Ben Pastor 2012-02-21

Praise for Ben Pastor's *Lumen*: "Pastor's plot is well crafted, her prose sharp. . . . A disturbing mix of detection and reflection."—Publishers Weekly "Rivets the reader with its twist of historical realities. A historical piece, it faithfully reproduces the grim canvas of war. A character study, it captures the thoughts and actions of real people, not stereotypes."—The Free Lance-Star "And don't miss *Lumen* by Ben Pastor. . . . An interesting, original, and melancholy tale."—Literary Review Italy, September 1943. The Italian government switches sides and declares war on Germany. The north of Italy is controlled by the fascist puppets of Germany; the south liberated by Allied forces fighting their way up the peninsula. Having survived hell on the Russian front, Wehrmacht major and aristocrat Baron Martin von Bora is sent to Verona. He is ordered to investigate the murder of a prominent local fascist: a bizarre death threatening to discredit the regime's public image. The prime suspect is the victim's twenty-eight-year-old widow Clara. Haunted by his record of opposition to SS policies in Russia, Bora must watch his step. Against the backdrop of relentless anti-partisan warfare and the tragedy of the Holocaust, a breathless chase begins. Ben Pastor, born and now back in Italy, lived for thirty years in the United States, working as a university professor in Vermont. The first in the Martin Bora series, *Lumen*, was published by Bitter Lemon Press in May 2011.

Loser - Jerry Spinelli 2009-10-13

From renowned Newbery-winning author Jerry Spinelli comes a powerful story about how not fitting in just might lead to an incredible life. This classic book is perfect for fans of Gordon Korman and Carl Hiaasen. Just like other kids, Zinkoff rides his bike, hopes for snow days, and wants to be like his dad when he grows up. But Zinkoff also raises his hand with all the wrong answers, trips over his own feet, and falls down with laughter over a word like "Jabip." Other kids have their own word to describe him, but Zinkoff is too busy to hear it. He doesn't know he's not like everyone else. And one winter night, Zinkoff's differences show that any name can someday become "hero." With some of his finest writing to date and great wit and humor, Jerry Spinelli creates a story about a boy's individuality surpassing the need to fit in and the genuine importance of failure. As readers follow Zinkoff from first through sixth grade, it becomes impossible not to identify with and root for him through failures and triumphs. The perfect classroom read.

Their Kingdom Come - Logan Fox 2020-04-20

We're ready to die for the sins of our fathers, but is she? Zac, Apollo, Cassius, Reuben They told us we were the cure. That we were special. That we were pure. It was all a lie. We were just like all the others they defiled, abused, neglected. We formed a brotherhood and vowed to have our revenge. Now no one stands in our way. No one, except one girl. Trinity Malone doesn't know about our past. She doesn't have a say in our future. At least, so we thought. Until we realized Trinity's exactly who we were looking for. She's our secret weapon. Soon, she'll be seeking revenge. . . . Just like us. Contains strong language, violence, and sexual situations some may find triggering. This is the first book in a series. Cannot be read as a standalone and ends in a cliffhanger. No cheating. HEA guaranteed. Multiple love interests.

Predators - Anna Salter 2018-07-03

What motivates sexual abusers? Why are so few caught? Drawing on the stories of abusers, Anna C. Salter shows that sexual predators use sophisticated deception techniques and rely on misconceptions surrounding them to evade discovery. Arguing that even the most knowledgeable among us can be fooled, Salter dispels the myths about sexual predators and gives us the tools to protect our families and ourselves.

Little Girls - Elena Gianini Belotti 1975

Translation of *dalla parole delle bambine*.

The Eyes of the Amaryllis - Natalie Babbitt 2010-10-12

When the brig *Amaryllis* was swallowed in a hurricane, the captain and all the crew were swallowed, too. For thirty years the captain's widow, Geneva Reade, has waited, certain that her husband will send her a message from the bottom of the sea. But someone else is waiting, too, and watching her, a man called Seward. Into this haunted situation comes Jenny, the widow's granddaughter. The three of them, Gran, Jenny, and Seward, are drawn into a kind of deadly game with one another and with the sea, a game that only the sea knows how to win. *The Eyes of the Amaryllis* is a 1977 New York Times Book Review Notable Children's Book of the Year.

The Disappearance of Signora Giulia - Piero Chiara 2015-09-15

When the sad, beautiful Signora Giulia goes missing without a trace from her Lake Como villa home, it is her husband who reports her disappearance to the detective Sciancalepre, and so the search begins - one that takes Sciancalepre beneath the tranquil surface of local bourgeois society, a world of snobbery and secrets, while mysterious shadows lurk in the grounds of the family villa . . . As his investigation gathers pace this atmospheric classic detective story becomes a thrilling game of legal cat and mouse. From the Trade Paperback edition.

Diary of Bergen-Belsen - Hanna Lévy-Hass 2009-06-01

A resistance fighter's "remarkable" memoir of her imprisonment at the infamous Nazi concentration camp (The New Yorker). Hanna Lévy-Hass, a Yugoslavian Jew, emerged a defiant survivor of the Holocaust. Her observations shed new light on the lived experience of Nazi internment during World War II, and she stands alone as the only resistance fighter to report on her own experience inside the camps—doing so with unflinching clarity in dealing with the political and social divisions inside Bergen-Belsen. In this volume, her insightful diary is accompanied by an introduction from her daughter, Amira Hass, an Israeli journalist renowned for her reporting from the West Bank and Gaza. "A poignant testimonial . . . Hanna Lévy-Hass was clearly a quite extraordinary woman."—Tony Judt, Pulitzer Prize finalist and author of *Postwar: A History of Europe Since 1945*

Fluent Korean from K-Pop and K-Drama - Eric Bodnar 2017-05-16

How can fun things like K-Pop and K-Drama be used to help students learn Korean? This book attempts to provide an answer to that question as well as the "how to learn Korean" question. Of course, there is much more to South Korea and the Korean language than the entertainment industry, but all Korean movies, TV, videos, and music can become a valuable resource to learn Korean with the right methods. If you are tired of re-reading and re-listening to the same dialogues from your Korean language textbook, why not try something new and different? This book will teach you a method that allows you to learn, practice, and never forget Korean vocabulary, phrases, and grammar points that you encounter from any source of your choice including K-Pop and K-Drama. This system will teach you how to successfully learn Korean the fun and easy way including how to speak Korean both formally and informally. The method of this book also covers smarter ways to practice listening comprehension and reading and writing the Korean language (Hangul). This is not your conventional Korean textbook that lists topics to study accompanied by new vocabulary, grammar points, and Hangul lessons. You can find hundreds of those in bookstores and across the internet. Rather than dissect and explain a large hodgepodge collection of words and lines from random K-Pop and K-Drama that you may not be interested in, this book will show you a system on how to learn from any media from South Korea. You may find this system particularly useful if you have trouble remembering any new Korean language. Use what you love about South Korea to learn Korean!

Girl on Pointe - Chloe Lukasiak 2018-01-23

A full-color memoir that tackles bullying, self-esteem, and finding passion from the star with over 8.6 million social media fans

In Praise of Forgiveness - Massimo Recalcati 2020-05-19

Relationships fall apart, marriages fail, couples break up - it happens to us all. Time corrodes passion and the routines of daily life kill the excitement that surrounds the emotion of the first encounter. The difficulty of uniting sexual pleasure with love, which Freud considered to be the most common neurosis in any love life, has become emblematic of a truth that seems undeniable: desire is destined to die if its object is not constantly renewed, if we do not change partner, if it is closed for too long in the restrictive chamber of the same bond. And yet what happens to these bonds when one of the two partners betrays the other, when the promise fails, when there is another emotional experience cloaked in secrecy and deceit? What happens if the traitor then begs forgiveness? Are they asking to be loved again and, having declared that it is not like it used to be, now want everything to go back to how it was? Should we make fun of lovers in their attempts to make love last? Or should we try to face up to the experience of betrayal, with the offence caused by the person we love most? Should we not perhaps attempt to praise forgiveness in love?

Charlie Chaplin's Last Dance - Fabio Stassi 2014-04-03

'A day without laughter is a day wasted.' It is Christmas Day when Charlie Chaplin receives a visit from

Death. The great actor is 82 years old, but not yet ready to face the final curtain. Desperate to see his teenage son grow up, the actor strikes a deal: if he manages to make Death laugh, he will win an extra year of life. As he awaits his final, fatal encounter, Chaplin composes an impassioned letter to his son, in which he attempts to tell him about his past, from his impoverished childhood in England (with an alcoholic father and a mother who went mad) to the heights of success on the silver screen in America, via stunts in the circus and vaudeville, and odd jobs as a newspaper hawker, printer, boxer and embalmer. As well as being the story of the evolution of a comic genius, this is the story of the evolution of cinema and how a beam of light on a white screen fired the imagination of an entire nation. As in his silent films, Charlie's adventures are simultaneously tragic and comic. The narrative flickers at a frenetic clip from false starts and early failures to eventual triumph in the magical moment when - before the eyes of a stupefied film crew - Charlie became the Tramp: with a little moustache, a shuffling slantwise walk, a cane and a dusty bowler hat, one of the most iconic figures of the golden age of cinema was born.

Changing Attitudes to Punishment - Julian Roberts 2013-01-11

Throughout the western world public opinion has played an important role in shaping criminal justice policy. At the same time opinion polls repeatedly demonstrate that the public knows little about crime and justice, and holds negative views of the criminal justice system. This book, consisting of chapters from leading authorities in the field, is concerned to address this problem, and draws upon research in a number of different countries to address the issues arising from this state of affairs. Its main aims are: to explore the changing and evolving nature of public attitudes to sentencing to examine the factors that influence public opinion and to bring together recent international research which has demonstrated ways in which public attitudes can be changed to propose specific strategies to respond to the crisis in public confidence in criminal justice.

Neurological Disorders Imaging Physics - Ayman El-Baz 2020-07-16

This book focuses on major trends and challenges in the area of dyslexia, epilepsy and Parkinson's, and aims to identify new techniques and their applications in biomedical analysis. This fifth volume on neurological disorders explores topics such as real-time epilepsy prediction applied on EEG pediatric data; delineation of epileptogenic zone; behavioral and biological correlates and treatment of dyslexia; potential biomarkers of Parkinson's disease; Rett Syndrome; and automatic assessment of motor impairments for Parkinson's disease. This is an essential reference for students and researchers in medical imaging, brain imaging, image processing, and neurology. Key Features World class contributors in neurological disorders imaging Presents a comprehensive review of imaging related dyslexia, epilepsy and Parkinson's Introductory section presents the fundamentals of various imaging techniques

A Young Girl's Diary - Sigmund Freud 2021-11-27

Between overseeing his private practice and developing an entirely new field of research and inquiry that would profoundly influence Western culture, Austrian psychiatrist Sigmund Freud somehow came across and helped to publish the diary of an anonymous young girl of the European upper classes. The detailed journal follows the young authoress from the age of 11 to the age of 14 1/2, through high school, schoolyard crushes, and the tumult of adolescence.

Treating Child Sex Offenders and Victims - Anna Salter 1988-06

Assesses the prevalence of child sexual abuse, suggests approaches for treating both victims and offenders, and discusses the identification of child abuse victims.

Mahatma Gandhi, Nelson Mandela - John R. O'Neill 2011

Mahatma Gandhi, forced to live under British rule, was determined to organize his countrymen and work for India's independence. Would he achieve his goal? Nelson Mandela lived most of his life under apartheid—a segregated society. Not even imprisonment could destroy his belief in the equality of all South Africans. What was his struggle like? Read these biographies to find out.

The Wiley-Blackwell Handbook of Group Psychotherapy - Jeffrey L. Kleinberg 2015-06-22

Group Psychotherapy “Finally, we have a book about group therapy that answers the question, ‘Is there one book that covers the waterfront but is deep enough to provide more than just an overview of models, and can actually help me become a better group therapist?’ This is such a book.” International Journal of Group Psychotherapy “This volume reflects the expansion in the field of psychodynamic group psychotherapy that today incorporates a variety of theoretical perspectives. Leading experts from various countries provide the reader with a clear overview of the different approaches. In addition, there are chapters in this volume that deal with special populations and conditions of treatment. While providing a straightforward introduction to the plethora of material in the field, the volume will also serve as a comprehensive resource for any seasoned group psychotherapist.” Howard D. Kibel, Professor of Psychiatry, New York Medical College and past President of the American Group Psychotherapy Association, USA The Handbook of Group Psychotherapy is a user-friendly guide to conducting group psychotherapy in various settings and with different populations. It has been designed as a resource for new professionals, including graduate students in mental health, as well as more seasoned clinicians planning to integrate group psychotherapy into their work. Bringing together pre-eminent group psychotherapists from different theoretical perspectives and countries, the articles in this volume present their approaches to conducting groups with diverse populations in different settings. Written in straightforward, jargon-free language, the articles directly speak to the needs of the mental health professional planning to begin a group or to strengthen an existing group. Whether combined with a formal class in group techniques, human relations, or group dynamics, or in an institute training group practitioners, or read as part of one’s own professional development, this work is likely to advance the reader’s clinical competency and strengthen their self-confidence as a leader. Using a personal style and speaking from years of experience, the contributors provide hands-on suggestions as to how a group leader really works. From determining patient or client needs, developing treatment goals, and constructing a group, to handling emergencies, the contributors address the needs of the new group leader. The articles also address issues of diversity and globalism, as well as trauma and resiliency, making this a truly post-9/11 contribution.

The Method of Shared Concern - Ken Rigby 2011

The Method of Shared Concern describes the multi-stage process in which suspected bullies and their victims are individually interviewed, and eventually brought together in an effort to reach resolution.

Iqbal - Francesco D'Adamo 2010-05-11

When young Iqbal is sold into slavery at a carpet factory, his arrival changes everything for the other overworked and abused children there. It is Iqbal who explains to them that despite their master's promises, he plans on keeping them as his slaves indefinitely. But it is also Iqbal who inspires the other children to look to a future free from toil...and is brave enough to show them how to get there. This moving fictionalized account of the real Iqbal Masih is told through the voice of Fatima, a young Pakistani girl whose life is changed by Iqbal's courage.

The Pavee and the Buffer Girl - Siobhan Dowd 2019-05

A stunning new paperback edition of Dowd's moving story of prejudice and the traveller community, featuring powerful black and white illustrations from Kate Greenaway longlisted Emma Shoard. When Jim's family halt at Dundray, the town is an unfriendly place. He faces bullying, name-calling and a new school to navigate without a word of reading. Then Jim meets Kit, who takes him under her wing and shows him how to survive. But everyday prejudice and mindless violence threaten to uproot all their lives.

Restorative Justice, Self-interest Responsible Citizenship - Lode Walgrave 2013-05-13

Lode Walgrave has made a highly significant contribution to the worldwide development of the restorative justice movement over the last two decades. This book represents the culmination of his vision for restorative justice.
