**Canapes for the Kitties** - Marian Babson 1999-05-15  
The cat's out of the bag: dead bodies are piling up in Brimful Coffers, a picturesque English village. Among the deceased is Boswell, a pet white rat. His killers were caught: Had-I and But-Known, two mischievous felines belonging to Lorinda Lucas, mystery writer. Unfortunately, the other victims were all too human-and their killer remains at large... The danger in Brimful Coffers was unforeseen when several authors created an informal writers' colony in this lovely town outside of London. In act, the location was heaven until the undesirables-critics and scholars-began to show up. Soon Lorinda and her friends feel as if they're living in a

*Canapés for the Kitties* -  
Marian Babson 2019-09-03  
Agatha Award-Winning Author:

When a book critic dies in an English village, a mystery-writing sleuth smells a rat. A number of mystery authors, including Lorinda Lucas, call the village of Brimful Coffers home. Occasionally, there is a violent death . . . for example, the demise of a hapless rat, done in by Lorinda's two kitties. But when the victims are book critic Plantagenet Sutton and a visiting writer, Lorinda finds the case much more difficult to solve—in “another humorous charmer” by the award-winning author (*Library Journal*). “[A] charming morsel of a mystery.” —Publishers Weekly Praise for Marian Babson “What can a reviewer say about Marian Babson? If you haven't read at least one of her books, you have definitely missed the boat. She is consistently witty.”

**Clubs, Drugs & Canapes** -

Nick Valentine 2013-10-17

Armed with a bottle of Milk Thistle and unshakeable optimism, Nick Valentine has spent most of his adult life in fifth gear, betting on a Royal Flush while covertly holding a pair of deuces. This is his story, the odyssey of a suburban bloke who has blagged, lucked and laughed his way into just about every party, club, stage and hot-tub imaginable.

Following his first brush with celebrity at an impressionable age, and spending his teens and twenties as, amongst other things, a journalist, publicist, club promoter, musician and DJ, Nick eventually banked in the shallows of party central. He spent 15 years as a social editor on London's celebrity canapé circuit, while co-founding the Entertainment

News press agency. An enterprising period acting as a social PR to the super-rich led to him co-founding three London nightclubs in quick succession, including the much lauded Cuckoo Club. With the West End as his nocturnal playground, he then bid sleep a final fond farewell. Nick professes to have attended well over 5,000 parties in his time, drunk enough champagne to test the Thames barrier and occasionally made it home in time for Countdown. 'I'm a night person,' he says. 'The trouble is I'm a morning and afternoon person as well.' This account is a surprisingly touching, light-hearted look at the daily mechanics of enjoying life to the max and then some.

Smart Casual Canapés - The Sorted Crew 2013-07-15

Smart-Casual Canapés is the third chapter from The Sorted Crew's new cookbook, Food with Friends. Things seem so much more sophisticated when translated into French, but while the word canapé sounds pretty classy, these bite-sized appetisers are actually just finger food. The real trick is to make them look as posh as they sound, so each canapé in this chapter is stupidly simple to make, but when you put four or five together they look really impressive. Recipes include: Jerk Chicken Potato Wedges, Mango, Coriander and Crayfish Sticks, Micro Jackets with Guacamole and Tequila Salmon Gravadlax. Food with Friends is the second cookbook from The Sorted Crew, with recipes by Ben Ebbrell. It's the

ultimate guide for entertaining friends in a fun and fuss-free way, from romantic suppers and family barbecues to curry nights for hungry hordes. Whether you're cooking for two or twenty, Food with Friends by The Sorted Crew is THE book for easy entertaining. The Sorted Crew came together in their university holidays, sharing their cooking highs and lows with each other in the pub. Headed up by Ben Ebbrell and Barry Taylor, this original group of 8 mates with an interest in food has now grown into a highly engaged online community of hundreds of thousands, that works together to get food challenges sorted. The SortedFood video recipes on YouTube now get millions of views every month.
