Minecraft in Real Life - Jake Turner 2015-12-08

Introducing an unofficial Minecraft-fan

adventure inspired by the bestselling game!

What if Minecraft came into real life? What if the Minecraft characters that you know and love popped into your house?! "This is the story of how I accidentally broke Minecraft (it wasn't really my fault) and the Minecraft characters came into the world, our world, ma-freakin' planet Earth! You heard me right. Minecraft came into real life! Let me put that another way:

Minecraft came into MY ROOM! When Minecraft first decided to appear in my room, things were horrible. You'd expect things to be good, but if you think about it, how do you explain to your parents your new pet pig and your new best friend, Steve? How do you explain to your parents that the reason your room is half-missing is because Steve needed to chop it down block by block so he could make a crafting table. How do you explain these things???" "Minecraft In Real Life" is an action-packed, charming novel featuring a nine-year-old girl and her friend Henry as they embark on real life adventures with Steve, from the Minecraft game. It's a fantastic story with a strong theme of overcoming bullying and being yourself no matter what anyone else thinks. Great for kids ages 7-13.
