Encyclopedia of Percussion - John H. Beck
2013-11-26

The Encyclopedia of Percussion is an extensive guide to percussion instruments, organized for research as well as general knowledge.

Focusing on idiophones and membranophones, it covers in detail both Western and non-Western percussive instruments. These include not only instruments whose usual sound is produced percussively

(like snare drums and triangles), but those whose usual sound is produced concussively (like castanets and claves) or by friction (like the cuíca and the lion's roar). The expertise of contributors have been used to produce a wide-ranging list of percussion topics. The volume includes: (1) an alphabetical listing of percussion instruments and terms from around the world; (2) an extensive section of illustrations of percussion instruments; (3) thirty-five articles covering topics from Basel drumming to the xylophone; (4) a list of percussion symbols; (5) a table of percussion instruments and terms in English, French, German, and Italian; and (6) an updated section of published writings on methods for percussion.

NAGAMUCHI - Manohar Bhatia 2021-05-11

Manohar Bhatia's

{“NAGAMUCHI”} is his second work of fiction after his earlier successful spy novel:: {The Man With The Magic Spectacles} published by www.sagabooks.net in Alberta (Canada) on 11th October, 2007. He has now come out with a story that spans across country, peoples, places and cultures. Truly engrossing and innocently delightful, it is a simple story that begins a birth of rejoicing, moves on to despair, hope and finally triumphs. Suryavanshi finding a unique cure for treating deafness by music seems to be a unique idea that brings hope and reward. It is a story that can further bridge Indo-Japan relations. The story is as inspiring as the story of Helen Keller. Poignant and full of hope as the Indian story 'Black' enacted by Amitabh Bachchan on celluloid. It has the potential to draw the crowds to the theatre if told on the silver screen. Right from the first page, a better chapter awaits the reader on the other side. So read on.....

Zakir Hussain - Nasreen Munni Kabir 2018-01-09

Tabla virtuoso, composer and percussionist Zakir Hussain is an international music phenomenon. The eldest son of the legendary Ustad Allarakha, Zakir gave his first public concert at the age of seven and was immediately hailed a child prodigy. In later years, his masterful dexterity and creative genius led to his becoming one of the most sought-after accompanists to the very best of Hindustani

classical musicians and dancers. Zakir Hussain is equally recognized as one of the foremost contemporary jazz and world music percussionists; he has performed at innumerable concerts both as a solo artist and with renowned jazz musicians on the grand stages of the world, from the Royal Albert Hall to Madison Square Garden. With John McLaughlin, L. Shankar and T.H.

Vinayakram, Zakir Hussain created music history with the band Shakti. He has acted in James Ivory's Heat and Dust and Sai Paranjpye's Saaz, and scored music for directors such as Bernardo Bertolucci (Little Buddha), Aparna Sen (Mr. & Mrs. Iyer) and Ismail Merchant (In Custody, The Mystic Masseur); he has also played the tabla for countless 1960s Hindi film soundtracks. In an in-depth conversation with Zakir Hussain, Nasreen Munni Kabir takes the readers through the story of his life: how he was deemed an 'unlucky' child; the early years of growing up in Mahim; his

Breaking Out - Padma Desai 2013-09-13

The brave and moving memoir of a woman's journey of transformation: from a sheltered Indian upbringing to success and academic eminence in America. Padma Desai grew up in the 1930s in the provincial world of Surat, India, where she had a sheltered and strict upbringing in a traditional Gujarati Anavil Brahmin family. Her academic brilliance won her a scholarship to Bombay University, where the first heady taste of freedom in the big city led to tragic consequences—seduction by a fellow student whom she was

then compelled to marry. In a failed attempt to end this disastrous first marriage, she converted to Christianity. A scholarship to America in 1955 launched her on her long journey to liberation from the burdens and constraints of her life in India. With a growing self-awareness and transformation at many levels, she made a new life for herself, met and married the celebrated economist Jagdish Bhagwati, became a mother, and rose to academic eminence at Harvard and Columbia. How did she navigate the tumultuous road to assimilation in American society and culture? And what did she retain of her Indian upbringing in the process? This brave and moving memoir—written with a novelist's skill at evoking personalities, places, and atmosphere, and a scholar's insights into culture and society, community, and family—tells a compelling and thought-provoking human story that will resonate with readers everywhere.

The Oxford Handbook of Music and World

Christianities - Suzel Ana Reily 2016

The Oxford Handbook of Music and World Christianities investigates music's role in everyday practice and social history across the diversity of Christian religions and practices around the globe. The volume explores Christian

communities in the Americas, Europe, Africa, Asia, and Australia as sites of transmission, transformation, and creation of deeply diverse musical traditions. The book's contributors, while mostly rooted in ethnomusicology, examine Christianities and their musics in methodologically diverse ways, engaging with musical sound and structure, musical and social history, and ethnography of music and musical performance. These broad materials explore five themes: music and missions, music and religious utopias (and other oppositional religious communities), music and conflict, music and transnational flows, and music and everyday life. The volume as a whole, then, approaches Christian groups and their musics as diverse and powerful windows into the way in which music, religious ideas, capital, and power circulate (and change) between places, now and historically. It also tries to take account of the religious self-understandings of these

groups, presenting Christian musical practice and exchange as encompassing and negotiating deeply felt and deeply rooted moral and cultural values. Given that the centerpiece of the volume is Christian religious musical practice, the volume reveals the active role music plays in maintaining and changing religious, moral, and cultural values in a long history of intercultural and transnational encounters.

Igmns: International Graphic Music Notation System - Emmanuel Pereira 2017-03-17
At a glance, iGMNS gives information such as which hand or foot is playing, types of notes, and timing. With iGMNS, one can text music compositions through cell phone and computer keyboards. Although iGMNS can be used with regular music staff lines, iGMNS has its own sheet music, which incorporates the DL (drum line) between the music staff lines.

iGMNS can be used for drum sets and for drums such as cajon, cowbell, cymbal, doumbek, conga, tabla, shekere, and udu. Because iGMNS is not dependent on any particular language, it is culturally neutral and international.

Ethno-Musicology - Jaap Kunst
2012-12-06

This booklet hardly needs a preface; the contents, I think, speak for themselves. It contains a short and carefully brought up to date resume of all that I, as a private University Lecturer in Amsterdam, have tried to teach my pupils. It is intended as a general introduction to ethnomusicology, before going on to the study of the forms of separate music-cultures. I sincerely hope that those, who wish to teach themselves and to qualify in this branch of knowledge, will find a satisfactory basis for self tuition in the matter here

brought together. Regarding the possibility of a new edition, any critical remarks or information as to possible desiderata would be very gratefully received. J.K.
PREFACE TO THE SECOND EDITION My request for critical remarks and desiderata has not been ignored. My sincere thanks to all who took the trouble to let me know what they missed in my booklet. Through their collaboration the contents have undergone a considerable improvement and enlargement as compared to the original edition issued in 1950 by the Royal Tropical Institute, Amsterdam, under the title 'Musicologica'. I have taken care to add many particulars from non-European sources, with the result that now the book is no longer so Europe-centric as it was.

presents a comprehensive compendium on the subject in the light of well-researched historical facts and sound analysis. It throws new light on the origin and development of Tabla, drawing significantly from the author's original research on the topic. Besides, a detailed study of the genealogical and technical aspects of the six acknowledged schools or gharanas, the author has painstakingly collected the names of the younger generation of practitioners, the torchbearers of their respective traditions. The book contains a rich repertoire of compositions from various schools of Tabla. Beginners as well as fairly advanced students, practitioners, academics and even researchers will find many interesting facts and useful material throughout the book. It also pays tribute to many legendary Tabla maestros, whose lives and struggles are truly inspirational.
