Vampire Husband and the American Justice - Paru Shiva 2014-05-19

This book is about a woman who had come to America from Kashmir India. She had no knowledge about American culture or American Justice System. She was married in India and her husband brought her to America. In America her husband started abusing her. Being culturally abound, she kept taking abuse on daily basis and kept lying about her bruises and cuts to those who were asking her questions about her injuries. Abuse got worst to the extent that one day her husband tried to kill her. She gained her consciousness after couple of hours when her husband decided to dump her body in the park. Somehow in the morning she managed to escape with her two children. She went to a woman's shelter where she lived for six months. In the shelter they insisted that she had to go to the court to get restraining order for her safety. In that process, her children were taken by the court and were given to that abusive man from whom they had a narrow escape. She was forced to pay child support when she had not taken even a one cent from her home or from her husband after she left. Her two children were given to their father because she was going to school. Judge punished her and her two children for trying to establish their life. Her Children suffered the most because of the Justice System. I wrote this book for two reasons One reason is to tell my children especially my son that I am very sorry for taking my case to American

Justice System because his father has kept him in fear. Even my son is adult now but his father is still treating my son like he was treating me and my son is kept in a lot of fear, stress and extreme tension. His father didn't let him complete his education. If he had encouraged my son to complete his education, then he wouldn't be able to control my son's life. That is tearing my heart every day. And second reason is that I want to help a Battered Woman and their children by telling them my story. I was a very private person but that didn't help me. Every battered woman of this country should know that when a man hit his wife is not love. It is a danger sign figure out on time about safety zones for self and for children. My story will guide them to be strong enough to help their children.

Winston County, Alabama Confederate Soldiers - Robin Sterling 2013-07-10

Much has been written about men who joined the Federal Army from the so-called Hill Country in Alabama which included Winston County. Little has been written about the men who enlisted from Winston in the Confederacy. Surprisingly, the number of Winston County Confederates almost matched the number of those who supported the Union. Many important Confederate officers hailed from Winston County. The book begins with an essay describing the Forgotten Winston County Confederates. Following is an alphabetized list of all Confederate soldiers associated with Winston County including those that moved in after the war. Information includes service records, pension applications, birth, marriage, and death information. The book is filled with rare photos and obituaries. Additional information includes articles on Captain White's Mail Guard and the Winston County Rough and Ready Volunteers. Full name index. This book is important to students of Winston County History.

With Consciousness of Guilt - Ernest Dorling 2000-11

The first time Sam Consiglio assaulted a woman, he was 13-years-old. He would grab women by the breasts and run. When caught, he promised the police and his father he would never do that again. It's probably the one promise Sam made to anyone that he actually kept. For over 25 years, Sam preyed upon unsuspecting women from Michigan to Florida to California. Using his wit and charming personality, he gained their confidence and trust before turning violent whenever he needed to satisfy his sexual urges. With almost every arrest, Sam was able to beat the police and the prosecutors as they tried in vain, to have him incarcerated. And with each failure of the courts to keep him behind bars, Sam grew more confident that no one could ever keep him locked up. Now, Sam is on trial in California for two separate sexual assaults on women. Confident he can prove his innocence, Sam manipulates the system, proving to be a formidable adversary for even the most seasoned prosecutor. This is the true story of a sociopath who masterfully made a mockery of the judicial system as he lived among us as a sexual predator.

When a Judge Can't Judge - Part Two (the Conclusion) - Nelson L. Moody 2002-11

In our lifetime we have seen the easier wrong chosen over the harder right and individuals struggle to find their way without a moral compass. Don't Forget the Best is an experienced churchman's observation of the church and her message. While warning in prophetic tones the dangers facing the church, Ron encourages the believer by spreading hope and speaks to those with a longing for God. History is a story of God at work in human affairs. Don't Forget the Best contains many illustrations from Ron's congregations which reveal God's people at their best. The message is broken down into 182 devotions - devotions for half a year. Inspired by God, holy men wrote what God spoke and they gave in short order

truth that would confront false teachings. The holy writers rebut the agnostics, contradict the atheists, and deny pantheism. Holy men introduced God, explained the earth, and interpreted mankind making clear that God is eternal - He always was and will be.

The Letter Killeth - Kevin Gallagher 2006-05-23
In order to bolster the lagging spirits of Orange County Catholics stunned by the largest legal judgment in history against the church, Pope John Paul II's last official act is the installation of a local cardinal. The diocesan headquarters at Marywood is put on the auction block, while parish churches and schools around the county are being auctioned to developers. Alice Hudson, the matriarch of an influential Orange County family, sits in a place of honor at Our Lady of the Oranges Cathedral. She savors the crowning moment of her life's ambition as the pope places the scarlet biretta on her son Michael's bowed head-but her joy is short-lived. Alice's daughter, Sara, is head of the district attorney's sexual assault unit and is bringing charges against Michael and his aides. They had knowledge of the criminal conduct of a sexually predatory priest-and allegedly failed to report him. Author Kevin E. Gallagher has created an eerily accurate account of the Catholic Church's struggle to confront and root out the evil wielded by the sexually predatory priests infecting their ranks. The Letter Killeth is a timely, objective, and most entertaining work that puts a fictional face on the reality of this crisis in the church. Gallagher has taken a very serious subject, coated it with lively writing and humor, and made it an enjoyable, thought provoking, and entertaining experience. -- JACK MILES, PULITZER PRIZE WINNING AUTHOR

Children behind bars - Willow, Carolyne 2015-02-11

Every day children exiled to prison are exposed to abusive and neglectful treatment, yet their plight is hidden. Based on wide-ranging research

and first-person interviews, this passionately argued book presents the shocking truth about the lives and deaths of children in custody. Drawing on human rights legislation and progress in the care and treatment of vulnerable children elsewhere, it outlines the harsh realities of penal child custody including hunger, denial of fresh air, cramped and dirty cells, strip-searching, segregation, the authorised infliction of severe pain, uncivilised conditions for suicidal children and ever-present violence and intimidation. The issues are explored through the lens of protection, not punishment, and the author finds there can be only one conclusion: child prisons must close. Providing a compelling manifesto for urgent and radical change, this book should be read by everyone who cares about child protection and human rights.

Justice Betrayed - Jeffrey David 2016-09-15

A murder trial, a jury deliberating intensely on
the death penalty, venal political corruption, and
a staunch investigation set the stage for this
story of two judges. One is a respected,
seasoned veteran of the bench who has risen
from Magistrate Court Judge to District Court
and then to the Chief Justiceship of the state's
Supreme Court; the other a young
Administrative Law Judge, riveted by his duty,
immovable and undeterred by enticement or
violence, and unwilling to be silenced or swerve
him from his sworn oath to uphold the law. Set
in the cities and courthouses, the mesas,
mountains, and high desert plains of New
Mexico, this book drives forward like a charging
battle tank, and all these events lead to the prize
of a vacant U.S. Senate seat and all the potency
and might that goes with it.

Life and Loss - Linda Goldman 2021-08-05
For decades, Life and Loss has been the book
clinicians have relied on for a full and nuanced
presentation of the many issues with which
grieving children grapple, as well as an honest
exploration of the interrelationship between
unresolved grief, educational success, and
responsible citizenry. This classic edition, which
includes a new preface from the author, brings
this exploration firmly into the twenty-first
century and makes a convincing case that
children's grief is no longer restricted only to
loss-identified children. Children's grief is now
endemic; it is global. Life and Loss is not just the
book mental health professionals need to
understand grief in the twenty-first century—it's
the book they need to work with grief in a
practical and constructive way.
