Atlantic Families - Sarah Pearsall 2008-11-27

The Atlantic represented a world of opportunity in the eighteenth century, but it represented division also, separating families across its coasts. Whether due to economic shifts, changing political landscapes, imperial ambitions, or even simply personal tragedy, many families found themselves fractured and disoriented by the growth and later fissure of a larger Atlantic world. Such dislocation posed considerable challenges to all individuals who viewed orderly family relations as both a general and a personal ideal. The more fortunate individuals who thus found themselves 'all at sea' were able to use family letters, with attendant emphases on familiarity, sensibility,

and credit, in order to remain connected in times and places of considerable disconnection. Portraying the family as a unified, affectionate, and happy entity in such letters provided a means of surmounting concerns about societies fractured by physical distance, global wars, and increasing social stratification. It could also provide social and economic leverage to individual men and women in certain circumstances. Sarah Pearsall explores the lives and letters of these families, revealing the sometimes shocking stories of those divided by sea. Ranging across the Anglophone Atlantic, including mainland American colonies and states, Britain, and the British Caribbean, Pearsall argues that it was this expanding Atlantic world, much more than the American Revolution, that reshaped contemporary ideals about families, as much as families themselves reshaped the transatlantic world.

Cheatingland - Anonymous 2022-03-22

Reminiscent of *Three Women and The State of Affairs*—and based on years of research and in-depth interviews with more than sixty men—this eye-opening and explosive study explores why men cheat, how they do it, and the repercussions that infidelity has on every aspect of life. It is estimated that one in four married men cheat on their wives. Of those, roughly half claim that they are “very happy” in their marriages. So why risk ruining it all? Is it the sex? The affirmation? The danger? Yes, it’s all of that. But it’s also so much more. The author of this book has conducted a series of in-depth interviews with men and women of all ages and backgrounds who have cheated in the past or are currently cheating on their spouses. They talked openly and intimately about details of their affairs, and

the emotions that they experience before, during, and after. The book breaks down the five major categories of cheaters, defines the typical cheater personality, and looks at how husbands can cheat while also loving their wives. It reveals the tips and tricks spouses use to get away with secret affairs and examines everything from the influence of cheating parents on their children to the possible outcomes once an affair is discovered. This unfiltered window into the hearts and minds of men explores the psychological roots of cheating and proposes a new vision of masculinity that is more emotionally aware and could significantly change relationships for the better.

Darryl - Jackie Ess 2021-05-18

Darryl Cook is a man who seems to have everything: a quiet home in Western Oregon, a beautiful wife, and a lot of friends to fuck her while he watches. But as he explores the cuckolding lifestyle, he finds himself tugging at threads that threaten to unravel his marriage, his town, and himself. With empathy and humor, debut author Jackie Ess crafts a kaleidoscopic meditation on marriage, manhood, dreams, basketball, sobriety, and the secret lives of Oregonians. "Underneath the sharp satire and hilarious sexual irreverence this is a deadly serious book: a brilliant novel of a seeker, like *The Pilgrim's Progress* refracted by queer internet culture." -Torrey Peters, author of *Detransition, Baby*

Sex at Dawn - Christopher Ryan 2010-06-29

Since Darwin's day, we've been told that sexual monogamy comes naturally to our species. Mainstream science—as well as religious and cultural institutions—has maintained that men and women evolved in families in which a man's possessions and protection were exchanged for a woman's fertility and fidelity. But this narrative is collapsing. Fewer and fewer couples are getting married, and divorce rates keep climbing as adultery and flagging libido drag down even seemingly solid marriages. How can reality be reconciled with the accepted narrative? It can't be, according to renegade thinkers Christopher Ryan and Cacilda Jethá. While debunking almost everything we "know" about sex, they offer a bold alternative explanation in this provocative and brilliant book. Ryan and Jethá's central contention is that human beings evolved in

egalitarian groups that shared food, child care, and, often, sexual partners. Weaving together convergent, frequently overlooked evidence from anthropology, archaeology, primatology, anatomy, and psychosexuality, the authors show how far from human nature monogamy really is. Human beings everywhere and in every era have confronted the same familiar, intimate situations in surprisingly different ways. The authors expose the ancient roots of human sexuality while pointing toward a more optimistic future illuminated by our innate capacities for love, cooperation, and generosity. With intelligence, humor, and wonder, Ryan and Jethå show how our promiscuous past haunts our struggles over monogamy, sexual orientation, and family dynamics. They explore why long-term fidelity can be so difficult for so many; why sexual passion tends to fade even as love deepens; why many middle-aged men risk everything for transient affairs with younger women; why homosexuality persists in the face of standard evolutionary logic; and what the human body reveals about the prehistoric origins of modern sexuality. In the tradition of the best historical and scientific writing, *Sex at Dawn* unapologetically upends unwarranted assumptions and unfounded conclusions while offering a revolutionary understanding of why we live and love as we do.

The Deceived Husband - Alison Sinclair 1993 Drawing on psychoanalysis, and primarily the work of Melanie Klein, Dr Sinclair argues that the differing representations of the deceived husband evidence anxieties within patriarchal society about gender and power, about emotional experience, and our ultimate fate of death. Detailed discussions of a wide range of texts including *The Canterbury Tales*, *The Decameron*, *Othello*, *Madame Bovary*, *Effi Briest*, *Anna Karenina*, *La Regenta*, and *Flaubert's Parrot* reveal that fundamental anxieties about masculinity are repeatedly articulated in two main characterizations of the deceived husband: the cuckold and the man of

honour.

DNA of a Cuckold - Wife Edition: The Key To An Amazing Marriage - Allora Sinclair 2021-02

Allora takes the discussion of cuckolding one step further, helping wives understand why their man may be drawn to cuckolding and why it should be something for them to consider seriously. It makes no false claims about convincing your wife to be a hotwife and refutes that anyone can do so. A well-balanced, open dialogue between women exploring the possibilities of power, control, and ecstasy in all aspects of their life. From best-selling author Allora Sinclair, this is the third book in a series to help vanilla couples make the transition into a cuckold lifestyle. A must-have for those still in the discovery stages. *The Subtle Art of Not Giving a F*ck* - Mark Manson 2016-09-13

#1 New York Times Bestseller Over 10 million copies sold In this generation-defining self-help guide, a superstar blogger cuts through the crap to show us how to stop trying to be "positive" all the time so that we can truly become better, happier people. For decades, we've been told that positive thinking is the key to a happy, rich life. "F**k positivity," Mark Manson says. "Let's be honest, shit is f**ked and we have to live with it." In his wildly popular Internet blog, Manson

doesn't sugarcoat or equivocate. He tells it like it is—a dose of raw, refreshing, honest truth that is sorely lacking today. The Subtle Art of Not Giving a F**k is his antidote to the coddling, let's-all-feel-good mindset that has infected American society and spoiled a generation, rewarding them with gold medals just for showing up. Manson makes the argument, backed both by academic research and well-timed poop jokes, that improving our lives hinges not on our ability to turn lemons into lemonade, but on learning to stomach lemons better. Human beings are flawed and limited—"not everybody can be extraordinary, there are winners and losers in society, and some of it is not fair or your fault." Manson advises us to get to know our limitations and accept them. Once we embrace our fears, faults, and uncertainties, once we stop running and avoiding and start confronting painful truths, we can begin to find the courage, perseverance, honesty, responsibility, curiosity, and forgiveness we seek. There are only so many things we can give a f**k about so we need to figure out which ones really matter, Manson makes clear. While money is nice, caring about what you do with your life is better, because true wealth is about experience. A much-needed grab-you-by-the-shoulders-and-look-you-in-the-eye moment of real-talk, filled with entertaining stories and profane, ruthless humor, The Subtle Art of Not Giving a F**k is a refreshing slap for a generation to help them lead contented, grounded lives.

Female Infidelity and Paternal Uncertainty - Steven M. Platek 2006-08-03

Although commonly believed that males are more promiscuous than females, new research has revealed that female infidelity is a common occurrence throughout the animal kingdom. *Female Infidelity and Paternal Uncertainty* is the first book to address how males deal with the consequences of female infidelity and the strategies they have evolved to try to avoid the possibility of raising an offspring they unknowingly did not sire. Each chapter deals with a specific evolved strategy developed to aid males in either limiting opportunities for their mate to be unfaithful or to 'correct' the by-products of infidelity should it occur. With sections including mate guarding, intra-vaginal tactics and paternity assessment, this book will appeal to researchers and graduate students in behavioral biology, evolutionary psychology, human sexuality, anthropology, sociology, reproductive health and medicine.

Insatiable Wives - David J. Ley 2012-01-16

This enlightening work investigates the history, incidence, and causes of a unique sexual lifestyle pursued by increasing numbers of couples. It is called by many names, and lived in a variety of ways by different couples. The most common terms used to describe it are 'hotwife' or 'cuckold lifestyle.' This sexual practice, a form of sexual nonmonogamy, is distinguished from swinging and polyamory in that the husband rarely seeks sexual contact outside the marriage except for participation in group sex with his wife and other men, while the wife is permitted and often encouraged to pursue unrestrained sexual encounters with other men. The author includes interviews and comments from couples living the lifestyle throughout the U.S., and presents the stories in an attempt to determine the history of this sexual practice and its role in society and in relationships. He explores the psychological, social, biological, and evolutionary underpinnings of this uncommon and socially taboo behavior in an effort to make it more comprehensible to those engaged in the lifestyle and those who are just curious.

Scared Selfless - Michelle Stevens, PhD

2018-03-27

"A riveting memoir that takes readers on a roller coaster ride from the depths of hell to triumphant success."—Dave Pelzer, author of *A Child Called "It"* Michelle Stevens has a photo of the exact moment her childhood was stolen from her: She's only eight years old, posing for her mother's boyfriend, Gary Lundquist—an elementary school teacher, neighborhood stalwart, and brutal pedophile. Later that night, Gary locks Michelle in a cage, tortures her repeatedly, and uses her to quench his voracious and deviant sexual whims. Little does she know that this will become her new reality for the next six years. Michelle can also pinpoint the moment she reconstituted the splintered pieces of her life: She's in cap and gown, receiving her PhD in psychology—and the university's award for best dissertation. The distance between these two points is the improbable journey from torture, loss, and mental illness to healing, recovery, and triumph that is Michelle's powerful memoir, *Scared Selfless*. Michelle suffered from post-traumatic stress disorder, anxiety, and depression, and made multiple suicide attempts. She also developed multiple personalities. There was "Chelsey," the rebellious teenager; "Viscous," a tween with homicidal rage; and "Sarah," a sweet little girl who brought her teddy bear on a first date. In this harrowing tale, Michelle, who was inspired to help others heal by becoming a psychotherapist, sheds light on the all-too-real threat of child sexual abuse, its subsequent psychological effects, and the best methods for victims to overcome their ordeals and, ultimately, thrive. *Scared Selfless* is both an examination of the extraordinary feats of the mind that are possible in the face of horrific trauma as well as Michelle's courageous testament to their power.

Secrets of a Phone Sex Operator - Stacey

Weiss 2011-01-14

I have been a phone sex operator, adult entertainer, phone actress, phone whore (as my husband jokingly calls me) or whatever you want to call it for the better part of a decade. The idea for this book formed a few years ago. At first, I

wanted to categorize all the weird and unusual calls I've taken over the years and then it grew into telling the truth behind what happens in the phone sex industry. You hold in your hands the nitty-gritty, down-and-dirty truth behind the calls, the callers, and even the phone sex operators themselves. I wanted it to be a no-holds-barred account. You're going to read about how I started, strange fetishes you might not have heard of, and stories of actual calls. Be prepared for a ride into the abnormal, the freaky, and the f*d up.

ASS WORSHIP 101! - Mike Watson 2022-04-01

INTRODUCTION And why I wrote this book ...

Dear Reader, When I wrote *Sissy Central* and then *Sissy-gasm Central* a couple of years back (well, one in 2020, one in 2021) - I had no idea how popular they were going to turn out to be, especially the former. *Sissy Central* is truly a bestseller in the true sense of the word; so many people have read it, loved it, and lots have even bought paperbacks. That is when you know someone is SERIOUS about books and the content in them. Think about it. It's one thing to have fiction sitting on your mantelpiece for all and sundry to see, but *Sissy Central*, or any of my other courses? That is what you call COMING OUT PROUDLY - as I do and have all my life, being unapologetic about it, and it makes me so happy more and more people are living out their dreams and fantasies in a SSC (safe, sane and consensual manner!). Anyway, despite books on worshipping other parts of the body galore, I haven't written books on two of the most popular body parts out there! Knowing me, you might find it strange, but I haven't written manuals on how to worship FEET as yet! Hehe. Although, anyone that reads any of my stories will know how to do it very well. Talk to her soles, boy, not her! (or his). And despite having written manuals on ball busting, cock worship, nipplegasm, sissygasm, cuckolding, sissy-dom - and more - for some reason, I hadn't "touched" upon ass worship as yet. We're rectifying that here today! Today, as Madam Megan turns me into her dream sissy (which I would be anyway, hehe, but she has taken the makeup to a different level altogether, as my Twitter followers can see!) ... I feel compelled to write one of the books that I've been putting off for a while, but as I thought of the smell of rank,

sweaty (or even washed) ass that never goes away from tongue no matter what you do or how much you floss, as I thought about BEGGING to do Megan's husband's laundry ... as I thought about all the dick sucking I've been doing as of late (hence, Cock Worship for Sissies and Faggots) - I figured I'd finally put this one out. And with right cause ; ass worship is a very popular theme for a lot of you! Now, you might ask why I need to put out another book on it especially after the roaring and resounding success that Sissygasm Central is. Good question, but it's easy to answer this one. Sissygasms can ultimately only be gotten by biological men - whether submissive or not, or in the middle - NOT by females. Females simply don't have a P Spot, simple. Ass worship though is equally pleasurable for females, since both men and women have so many nerve endings back there (though yes, sissygasms make it FAR more pleasurable for men as they literally give men repeated female orgasms without stopping - - and FAR more - the mental aspect of it is the real kicker, as is the continued feeling of lust you feel, just like a woman!). So sissygasms are more BDSM oriented than anything else, though you can use them in regular sex etc as well and mostly for men (the pleasure). But this book will work for BOTH men and women. More importantly in Sissygasm Central, I did NOT focus on the prelimins of the actual ASS worship part. The buttocks, the lovely smelly ass CRACK ... the way his balls look from down there, the way her PUBES flicker from there ... the way the asshole opens up, so INVITING ... the way it looks so PINK down there .. the SMELL, the way you SMOOCH it ... OH MY!!! I realized that in the book above, I gave a lot of importance to the P spot, and way too less to the overall "ass" but that's fine. That is what the book was about! THIS book focuses on the ass, period. THIS book is the "101" to Sissygasm Central, if I might say that. THIS book is for you ass lovers out there. THIS book is really what you SEE when you first see ass, and want to KISS it, worship every INCH of those regal BUTTCHEEKS! THIS book will work for preferences and tastes "across the spectrum". You do not need to be into BDSM to enjoy the benefits of rimming - or the sheer pleasure that comes from it - or alternatively if you're into

that, from doing it! Ladies and men can use -and apply - and enjoy these tips equally! And that is why I wrote this book - another gem to add to our rapidly growing collection. I remember an old editor of mine once saying "Jesus, Mike. At this rate, we'll have to create another library just for you!" He's a great guy, as is his partner. They were who gave me my first start, although I'd have done all this without them ultimately, there is nothing that beats the confidence an editor gives you when you write your FIRST book (which in terms of femdom for me was Serving an Indian Goddess) by saying "this would make a FINE collection to our femdom store" - and the little tips etc I picked up. Thank you again, Phil and Steve! And, without further ado, the SMELL that prompted me this morning! The acid smell of RANK, sweaty (or even washed) ass! It's different, isn't it? In the book "The White Tiger" - later actually made into a movie by the gorgeous Priyanka Chopra (well, she acted in it) - and some of the scenes, you cucks and sissies would LOVE the way the servant is humiliated (sad, but true, happens in real life) ... the writer made a statement to the effect of "Once the smell of another man's feet gets on your hands, you never really wash it off". Or something like that (this was after giving his employer foot massages for hours, washing his feet repeatedly while he relaxed, drank whiskey) - sort of the same thing I used to do so much for "Priyanka" in Serving an Indian Goddess! He's right to a degree. I'd take it to another level and say "once the smell of RANK ass - ass cracks - and assholes - gets your breath - and tongue - there is no washing it off!" Often times, after lengthy ass worship sessions I'll thoroughly brush my teeth, floss, etc - some girls have giggled about it, but hygiene first! I do it without any "saran wrap" etc - I prefer to put tongue direct for max feeling for HIM - and HER! It's so NICE! And worshipping that lovely rump, there's so many ways to do it, especially if it's Madam Megan's husband! "Ma'am, can I wash his dirty laundry", I keep asking her in a beseeching tone, which she laughs uproariously! "You gay!" But his ass crack is especially hairy ... YUM! So many ways to worship ass, but it all starts with kissing the lovely, luscious butt cheeks like they were God (or Goddess). Kissing every INCH of them, thanking them ... Inhaling the BREATH

from them (penis breath? I'd say ass breath too! Hehe). Having her - or him - literally "sit on your face!" And of course, my favorite ... putting my tongue deep, deep in - literally tongue fucking her - or his - asshole, and if its a his, pretend to reach his lovely P spot! (you wont be able to do that, but the further in it goes, the more you work - the more he enjoys!). Licking the perennial region for men comes naturally with it ... So many different ways to worship ass - I just told you three! What remains same? That rank, sweaty smell! Even if it's a freshly washed ass - or asshole - that smell of buttcheeks sticking together - always there! And that is what I was thinking of this morning. Oh my! If you're into ass worship - the Pooja Memsahib and Indian Goddess series (the sequel really gets into it) will DO it (though a lot of my Chinese femdom books are heavy on ass worship too). It's just so nice for her - and him! They just lie there, enjoy ... and if its a man, you get to worship his cock and balls too from down there! Or she does, while you service his ass. Its humiliating to an extreme - it gives them extreme pleasure - and sissies and cucks explode at the very thought of it. What more could one want?! And that, my friend is "enough said", isnt it? Lick his ass first, BOY! Before ANYTHING ELSE, boy! BEG first, beg for the sheet and utter HONOR! A few moons ago, I was with Madam Su ... you remember her, don't you? If you can't satisfy me in bed, I'll have other men ... but you can't have other girls! The one lady that I'll always remember no matter what - and it isn't so much the lovely long legs - or the various hues, shapes and sizes of cocks she preferred - sometimes multiple cocks at one time, all night long - but her thinking! If you recall correctly, that was the first thing (or one of the first things) she said to me upon chatting with me online - and if that in itself isn't a testament to how VIBES are what it's really about, then I don't know what is! So there I was in front of her and her lover, his juicy cock dangling in front of me, so far yet so near, his manhood starting to rise, his tumescence starting to swell in that ever so sexy manner, and the head, that lovely smooth black cock head right in front of me, with Su staring STRAIGHT at me in that lovely, dominant and most erotic manner! Go ahead, boy! You know

you want to kiss it before sucking it! Truer words were never thought (at that point, at least!) - albeit not said, but words aren't necessary at the best of times, as I've often said in my writings. And as I leant forward to start worshipping that lovely cock of his, she stopped me, as he laughed. "Not so quickly, boy! Show him you deserve it!", she cackled, patting my head as you might a pet dog. I was so infused with lust at the time that I didn't know what to say, except gaze at that wondrous juicy schlong in front of me - and this of course turned her on even more! "Lick his ass first, boy!" Now this wasn't the first time I had licked another man's ass - but it was certainly the first time I had done so when commanded by a Dominant lady ... and as I stuck my tongue deep, deep inside his crevice, probing and searching, flicking and teasing, he moaned in pleasure, and I instinctively took my tongue and slid it across his perennial region, lapping his balls as I did so ... This, by the way is one of the most erotic things you can do to a male. Many years ago, and I believe I wrote about this in Sin City Diaries - Volume #1 - I had this done to me, and I still remember the look on relief on the lady's face when it was obvious I was going to kiss her feet after she rimmed, and not have sex with her! Those experiences were all "once in a lifetime" experiences, and a must read - and if you haven't already - grab the book - but for now ... remember that the test of a true cuckold isn't necessarily how well he sucks dick or his love (or hate) for it - but how well he SERVES! It's all about serving her - and her love for cock. And it's all about serving HIM - and making sure he's as turned on as ever ... but not necessarily because he likes it. It's because that cock can then service her multiple times as she deserves, and that's what it's really all about. And to me, if it involves licking his ass and balls - I'd love to do it, and I enjoyed doing it the first time Su made me do it - though I must admit, that massive cock plunging in and out of her as she screamed in sheer bliss was what I loved the most - and this was of course one of the bedrocks on which that particular relationship was built! It's all always about serving her - and her lovers - and that's what true servitude - and being a true cuckold - is all about! And if you haven't already, make sure to pick up your copy

of Cuck Central after you're done grabbing THIS book! Benefits of ass worship for the sub/sissy/faggot/plain ole "rimmer"! Extreme humiliation bar none. You're literally worshipping their sewers, and in some cases what comes out of it in very creative, inventive manners! A humiliation rush that comes like with NO others, believe me, while you're simply staring at ass, not even being allowed to worship it before groveling first, before your lips touch SKIN ... OH MY! You'll feel like less than nothing, boy! (which is the entire point). Satisfy your Master and Mistress like never before. Ass worship done right is one of the most pleasurable things for both men and women sexually, they rest, relax, while you do all the work, and it feels great! Even if you aren't into BDSM, rimming can and should play a part in your regular sex life, and this book (and the tips) show you how to do it. You might hear her call you a sissy, faggot, Bozo, and the rest, but you, sissy, will NEVER hear her say "he doesn't please me" again! Trust me, when you're licking his - or her rosebud for hours on end, so much so that you're breathing in their anal air, their farts, your talking to their assholes ... neither a stud nor Madam will complain you don't please them. (They might keep shoving your head in, but that's the point, ain't it?) ... Get to know their assholes better than them, boy! Talk to their assholes, be humiliated like never before! Their assholes are better than YOU! They DESERVE more respect and pleasure than you, subbie, will EVER EVER GET! Femdom, or maledom, and serving is all about respect. And the more you worship ass, the more naturally respectful you'll get of women - or male studs in general. You'll remember its all about them, and NOTHING ELSE, which is as it should be! For male asses, you'll have the added benefit of being allowed to go to that holy grail of worship - COCK worship, but only after their butts have been done! Subs love to watch sex, but not HAVE sex, and here with ass worship, you'll be nose deep in her and his ass while they're doing it, this is a cuckold rush like NO other. Trust me on this, this ONE part of it is worth the entire prices of admission, you'll literally explode like a geyser while doing it, no touching sissy cock required either! Your neck and tongue will become much stronger - though you might not

think that's a benefit, that tongue and mouth will get more practice for licking her, and sucking his cock - just due to the positions involved! And much much more. Truly a TURN on for subs is ass worship, but you know that already. Hehe. Benefits of ass worship for the studs or ladies getting it done! And I've been there too, so I know! Experience the sheer pleasure and bliss that comes from having your anal passage thoroughly tongued - the feeling is INDESCRIBABLE, and when done without saran wrap as you relax? OH MY! For you guys out there, if you're getting your cock sucked, or balls - or nipples played with - or progressing up to a sissygasm, its HEAVEN. For you ladies, equally so. There have been so many times I've licked my S.O.'s ass for hours while fingering hours, alternately licking her down there too ... (no, it's not dangerous in terms of germs if you are clean otherwise) ... You'll feel like SUPERMAN - or SUPERWOMAN and in total, utter control. Believe me, the very feeling of yelling out "lick my ass, boy" or "lick his ass first, boy!" gives you TOTAL AND UTTER mental control over your sub - that is a rush only those "in the know" will know! You'll find it easy to move your sub's limits to the next level possible once you get him or her comfortable with ass worship. You'll also find it very easy to incorporate ass worship along with other forms of body worship as you'll learn about below. Perhaps most importantly, the mental dominance will be forever SEARED into your mind. Believe me, even normal couples - once ass licking is involved, the partner getting it more will naturally expect it more and be MORE Dominating! Get your sub to perform debasing tasks like cleaning your ass after you go. Lets face it, that is a rush unto itself! You might literally cum from the rush of watching your sub literally worship you while performing the lowliest of tasks and thanking you for it! (literally saying thank you) Some of you folks have issues about "body shape", body shaming etc - well, believe me on this one - whether your slim or fat, whether you're in shape or not, the CONFIDENCE Boost you get from having your ass and asshole worshipped on a regular basis - nothing comes close, no other activity. You're a Goddess, or God, it doesn't get any better than this, does it! And much, much more. If I could sum it up for Doms and Dominans in one word, it

would be this - total and utter CONTROL, both mental and physical, but it starts from the mental! Well, my friend ; that truly is "enough said" on this one. Like with all our other books and manuals, this one will make a FINE, FINE addition to your collection. Get it NOW.

The young and entitled Jayne is unapologetic in her persistent demonstration of how she is the one in charge of the relationship.---A newly engaged young couple, Carl and Jayne thought they were embarking on the beginning of their lives together. They were, but just not in the way that either of them could have ever possibly foreseen. After being turned down for admissions from her preferred dance academy, she needed a break. Jayne moved away from the

city and into the suburbs with her fiancé, Carl for a chance of scenery and pace. Carl had a hard time keeping up with Marlon and soon, Jayne was forced to make a choice. What kind of man did she really want in her life? Will she decide to keep her weak and pathetic spineless fiancé, who's more than willing to work for her every need and sacrifice his own dignity just for her comfort? Or will it be the superior and masculine African American god of a man, who's well endowed beyond her wildest expectation? Eventually, Jayne realizes that she can have her cake and eat it too.
