**Chasing After Knight** - Heather Buchta  
2022-05-10

From Beyond the Break author Heather Buchta comes a funny, romantic novel about a girl trying to make amends with a former best friend. The thing is: healing someone else's broken heart has its complications, especially when he's now an A-list movie star. High school senior Alexa Brooks had it all figured out. Study hard, nail the extracurriculars, stay focused, and life would follow the carefully crafted plan. The problem is this plan was designed for one thing: making her forget all about her once-best-friend, former-potential-boyfriend, Carson Knight. Four years ago, he was the boy who always made her laugh, the boy she loved, and the boy she mistakenly and very publicly betrayed. Oh, and he was also the boy who grew up to become a heartthrob A-list actor, named Cayden McKnight. An innocent-enough school assignment suddenly brings Cayden to the forefront of Alexa's mind, and her celebrity-crazed best friend Lindsey discovers the old connection. Convinced that his Hollywood bad boy image is the direct result of Alexa and Carson's fallout, Lindsey convinces Alexa to find Carson and reconcile, but reaching an A-list movie star is not as easy as it used to be when he was the kid Alexa called every night before bed. Unable to apologize in person but determined to somehow right her wrongs, Alexa

goes on a quest to remake Cayden's image, doing good deeds in his name. But nothing is as it seems in Hollywood, and even when she's able to finally face Cayden McKnight in person, Alexa can't break through to the Carson she once knew. Is it really too late to make amends?

**Crazy** - H. R. Stokes, III 2012-07-26

*CRAZY A MEMOIR* is a humorous, adventuresome romp about weed smuggling in the seventies and eighties. The author chronicles his early life in San Antonio and the influence of the growing drug culture during his teen years.

He then comically depicts his required military service as a "tie-dyed hippie in army greens" and his determined attempts to stay out of Viet Nam. Lost and unsure about life following the drug related deaths of most of his friends, he later hitchhikes around Mexico and ends up attending college in Cholula where he begins his career in weed smuggling. His entrepreneurial efforts in this area are humorously described in great detail. The book captures a slice of time, tying in political and cultural events with the author's concomitant psychological development during the hippie movement as well as his evolving career as a drug smuggler for the Cause.

Librarians (MASL) Readers Award California Library Association's Beatty Award, Eureka List [Where the Crawdads Sing \(Movie Tie-In\)](#) - Delia Owens 2022-06-28

NOW A MAJOR MOTION PICTURE The #1 New York Times bestselling worldwide sensation with more than 15 million copies sold, "a painfully beautiful first novel that is at once a murder mystery, a coming-of-age narrative and a celebration of nature" (The New York Times Book Review). For years, rumors of the "Marsh Girl" have haunted Barkley Cove, a quiet town on the North Carolina coast. So in late 1969, when handsome Chase Andrews is found dead, the locals immediately suspect Kya Clark, the so-called Marsh Girl. But Kya is not what they say. Sensitive and intelligent, she has survived for years alone in the marsh that she calls home, finding friends in the gulls and lessons in the sand. Then the time comes when she yearns to be touched and loved. When two young men from town become intrigued by her wild beauty, Kya opens herself to a new life—until the unthinkable happens. *Where the Crawdads Sing* is at once an exquisite ode to the natural world, a heartbreaking coming-of-age story, and a surprising tale of possible murder. Delia Owens reminds us that we are forever shaped by the children we once were, and that we are all subject to the beautiful and violent secrets that nature keeps.

*Before We Were Strangers* - Renée Carlino  
2015-08-18

From the USA TODAY bestselling author of *Sweet Thing* and *Nowhere But Here* comes a love story about a Craigslist "missed connection" post that gives two people a second chance at love fifteen years after they were separated in New York City. To the Green-eyed Lovebird: We met fifteen years ago, almost to the day, when I moved my stuff into the NYU dorm room next to yours at Senior House. You called us fast friends. I like to think it was more. We lived on nothing but the excitement of finding ourselves through music (you were obsessed with Jeff Buckley), photography (I couldn't stop taking pictures of you), hanging out in Washington Square Park, and all the weird things we did to make money. I learned more about myself that year than any other. Yet, somehow, it all fell apart. We lost touch the summer after graduation when I went

to South America to work for National Geographic. When I came back, you were gone. A part of me still wonders if I pushed you too hard after the wedding... I didn't see you again until a month ago. It was a Wednesday. You were rocking back on your heels, balancing on that thick yellow line that runs along the subway platform, waiting for the F train. I didn't know it was you until it was too late, and then you were gone. Again. You said my name; I saw it on your lips. I tried to will the train to stop, just so I could say hello. After seeing you, all of the youthful feelings and memories came flooding back to me, and now I've spent the better part of a month wondering what your life is like. I might be totally out of my mind, but would you like to get a drink with me and catch up on the last decade and a half? M

Chasing Clouds - Kathryn Andrews 2018-07-19

Once I'm there, I realize our Bronx upbringing has left me unprepared for the world of old Southern money. Over twenty-four hours, I see scandal, threats, and lies. It's a life I don't relate to, a place I never want to belong. Even so, when the minister asks if anyone objects, I shock not only myself but also the beautiful bride when I stand up and say, "I do." I don't know her, she doesn't know me-but deep down, I knew I had to make that move. Camille Whitley As a political socialite in the South, nothing about my life is simple. So, when an opportunity suddenly presents itself in the form of a stranger with captivating green eyes, I find myself asking what's best for me: the plan or the unknown? **Shoe Dog** - Phil Knight 2016-04-26

In this instant and tenacious New York Times bestseller, Nike founder and board chairman Phil Knight "offers a rare and revealing look at the notoriously media-shy man behind the swoosh" (Booklist, starred review), illuminating his company's early days as an intrepid start-up and its evolution into one of the world's most iconic, game-changing, and profitable brands. Bill Gates named *Shoe Dog* one of his five favorite books of 2016 and called it "an amazing tale, a refreshingly honest reminder of what the path to business success really looks like. It's a messy, perilous, and chaotic journey, riddled with mistakes, endless struggles, and sacrifice. Phil Knight opens up in ways few CEOs are willing to do." Fresh out of business school, Phil Knight borrowed fifty dollars from his father and launched a company with one simple mission: import high-quality, low-cost running shoes from Japan. Selling the shoes from the trunk of his car in 1963, Knight grossed eight thousand dollars that first year. Today, Nike's annual sales top \$30 billion. In this age of start-ups, Knight's Nike is the gold standard, and its swoosh is one of the few icons instantly recognized in every

corner of the world. But Knight, the man behind the swoosh, has always been a mystery. In *Shoe Dog*, he tells his story at last. At twenty-four, Knight decides that rather than work for a big corporation, he will create something all his own, new, dynamic, different. He details the many risks he encountered, the crushing setbacks, the ruthless competitors and hostile bankers—as well as his many thrilling triumphs. Above all, he recalls the relationships that formed the heart and soul of Nike, with his former track coach, the irascible and charismatic Bill Bowerman, and with his first employees, a ragtag group of misfits and savants who quickly became a band of swoosh-crazed brothers. Together, harnessing the electrifying power of a bold vision and a shared belief in the transformative power of sports, they created a brand—and a culture—that changed everything. *Lyrical* - Bree Dahlia 2017-03-15

*The Chase* - Elle Kennedy 2018-08-06

Chasing History - Carl Bernstein 2022-01-11  
A New York Times bestseller In this triumphant memoir, Carl Bernstein, the Pulitzer Prize-winning coauthor of *All the President's Men* and pioneer of investigative journalism, recalls his beginnings as an audacious teenage newspaper reporter in the nation's capital—a winning tale of scrapes, gumshoeing, and American bedlam. In 1960, Bernstein was just a sixteen-year-old at considerable risk of failing to graduate high school. Inquisitive, self-taught—and, yes, truant—Bernstein landed a job as a copyboy at the *Evening Star*, the afternoon paper in Washington. By nineteen, he was a reporter there. In *Chasing History: A Kid in the Newsroom*, Bernstein recalls the origins of his storied journalistic career as he chronicles the Kennedy era, the swelling civil rights movement, and a slew of grisly crimes. He spins a buoyant, frenetic account of educating himself in what Bob Woodward describes as “the genius of perpetual engagement.” Funny and exhilarating, poignant and frank, *Chasing History* is an extraordinary memoir of life on the cusp of adulthood for a determined young man with a dogged commitment to the truth.

My boots aren't made for walkin' they're made to run . . . Most like to call me emotionally absent. I'd like to think I'm just smart. Heartache is something I won't have twice. Burn me once, shame on you, but burn me twice, shame on me. Love destroys a person. I decided early on emotional attachments were something I needed to steer clear of. Hookin' up-that's something I can do. I was raised by the toughest, the emotionally shut off. I was raised by cowboys. Ranch hands and Daddy taught me everything I know. Since I was old enough to walk I've been one of the boys. I can rope and ride with the best of 'em. I know how to work by the sweat of my brow. I've been drinking grown men under the table since I was sixteen. I can flirt my way into a man's bed with ease. And I push away like a pro. But let him look at me the way he does and nothing makes sense. Fisher Austin-the college quarterback I met at a Halloween frat party. He tried to kiss me. Football players are off limits. My own personal rule. But every turn he's there. Mutual friends make staying away difficult. He makes me question things. And that's something I hate. Finals week-home free. Three weeks. Daddy's ranch. A summer that would change everything.

Praise for Chasing Life "Cancer and death have a unique way of getting our attention. As a hospice physician, many of my patients used to tell me they became 'alive' only after facing cancer and death ... and some regretted all of the years and decades they spent 'sleep-

walking.' Desiree and Rob in this book share what it means to be live fully aware, awake, and alive. If you want to live an abundant life - one that is fully woke - this book will grab, surprise, inspire, break, and renew you because everything you heard before is probably wrong. The abundant life is not about fame, money, and personal success." - James A. Avery, MD, Visiting Assistant Professor of Medicine, University of Virginia "Love, we learn is not always about a fairy tale with happy endings. It's a tale of two people who in sharing their deepest vulnerabilities, discover each other and themselves wholeheartedly. In this vivid retelling of his 11 years caring for his wife, Robert challenges the reader to ask themselves essential life questions about how adversity calls on us to rise-up and embrace our fuller humanity. This is a story of love in its most transformative expression." - Mark Stollow, CEO, Huddol Journeys "Chasing Life is a heartbreaking and heartwarming story about two amazing individuals, Desiree and Rob, who shared the passion for life through transformative love and angelic compassion in the face of horrendous circumstances. Undaunted in her dedication to care for the suffering, while going through 11 years of her own recurring and worsening cancer, Desiree gave the full energy of her heart and soul to helping people with advanced illness. As a physician, she was an early champion of palliative care, and was able to help so many people through the most difficult times of their lives. All the while, Rob's inspirational, relentless support and devotion were a testament to the meaning of genuine love." - Csaba Mera, MD - built the nation's first healthplan-based palliative care program. "Chasing Life tells the story of two extraordinary people who, together, faced one of life's greatest challenges with grace. Robert Pardi shares his journey with his wife Dr. Desiree Pardi during which he was her warrior while she battled cancer. The lessons that Desiree learned from being both cancer patient and palliative care physician, and the many examples of Robert's path to resilience, are invaluable and should be shared with everyone. As if that isn't enough, this story is about much more; it is about great love. Robert and Desiree lived that love to the end, and by doing so set

not only the example but also the bar for all us."

It is the summer of 1958, and life in the small Texas community of Graham Camp should be simple and carefree. But not for twelve-year-old Sammie Tucker. Sammie has plenty of questions about her mother's "nerve" problems. About shock treatments. About whether her mother loves her. When her mother commits suicide and a not-so-favorite aunt arrives, Sammie has to choose who to trust with her deepest fears: Her best friend who has an opinion about everything, the mysterious kid from California whose own troubles plague him, or her round-faced neighbor with gentle advice and strong shoulders to cry on. Then there's the elderly widower who seems nice but has his own dark past. Trusting is one thing, but accepting the truth may be the hardest thing Sammie has ever done.
