Major League Presidents is a children's book about a baseball team of US Presidents that ties in America's pastime with presidential trivia. It is written in a rhyming style and is ideal for teaching kids about the US Presidents. A Perfect Day For Baseball The Grass is Green and the Air is Dry A Sport Fit For US Presidents It's American As Apple Pie

The Plot Against the President - Lee Smith 2019-10-29

Investigative journalist Lee Smith uses his unprecedented access to Congressman Devin Nunes, former head of the House Intelligence Committee, to expose the deep state operation against the president -- and the American people. Investigative journalist Lee Smith's The Plot Against the President tells the story of how

Congressman Devin Nunes uncovered the operation to bring down the commander-in-chief. While popular opinion holds that Russia subverted democratic processes during the 2016 elections, the real damage was done not by Moscow or any other foreign actor. Rather, this was a slow-moving coup engineered by a coterie of the American elite, the "deep state," targeting not only the president, but also the rest of the country. The plot officially began July 31, 2016 with the counterintelligence investigation that the FBI opened to probe Russian infiltration of Donald Trump's presidential campaign. But the bureau never followed any Russians. In fact, it was an operation to sabotage Trump, the candidate, then president-elect, and finally the presidency. The conspirators included political operatives, law enforcement and intelligence officials, and the press. The plot was uncovered by Nunes, chairman of the House Intelligence Committee, and his investigative team. They understood that the target of the operation wasn't just Trump, but rather the institutions that sustain our republic. A country where operatives use the intelligence and security services to protect their privileges by spying on Americans, coordinating with the press, and using extra-constitutional means to undermine an election then undo a presidency is more like the third world than the republic envisioned by the founding fathers. Without Nunes and his team, the plot against the president -- and against the country -- never would have been revealed. Told from the perspective of Nunes and his crack investigators -- men and women who banded together to do the right thing at a crucial moment for our democracy -- the story of the biggest political scandal in a generation reads like a great detective novel, feels like a classic cowboy movie. The congressman from the cattle capital of California really did fight corruption in Washington. Devin Nunes took on the "deep state."

Four Wars, Five Presidents - Terence Smith
2021-10-15

Terence Smith's memoir recounts his extraordinary journalistic career with The New York Times, CBS News and PBS, covering everything from the inner workings of the White House to four wars and stories drawn from the daily lives of people in 44 countries. He also

provides a first-hand account of the evolution of journalism from print to digital.

[The Global 2000 Report to the President--entering the Twenty-first Century: The technical report](#) - Global 2000 Study (U.S.) 1980

[Presidents of War](#) - Michael Beschloss
2019-10-22

NEW YORK TIMES BESTSELLER • From a preeminent presidential historian comes a "superb and important" (The New York Times Book Review) saga of America's wartime chief executives "Fascinating and heartbreaking . . . timely . . . Beschloss's broad scope lets you draw important crosscutting lessons about presidential leadership." —Bill Gates Widely acclaimed and ten years in the making, Michael Beschloss's *Presidents of War* is an intimate and irresistibly readable chronicle of the Chief Executives who took the United States into conflict and mobilized it for victory. From the War of 1812 to Vietnam, we see these leaders considering the difficult decision to send hundreds of thousands of Americans to their deaths; struggling with Congress, the courts, the press, and antiwar protesters; seeking comfort from their spouses and friends; and dropping to their knees in prayer. Through Beschloss's interviews with surviving participants and findings in original letters and once-classified national security documents, we come to understand how these Presidents were able to withstand the pressures of war—or were broken by them. *Presidents of War* combines this sense of immediacy with the overarching context of two centuries of American history, traveling from the time of our Founders, who tried to constrain presidential power, to our modern day, when a single leader has the potential to launch nuclear weapons that can destroy much of the human race. Praise for *Presidents of War* "A marvelous narrative. . . . As Beschloss explains, the greatest wartime presidents successfully leaven military action with moral concerns. . . . Beschloss's writing is clean and concise, and he admirably draws upon new documents. Some of the more titillating tidbits in the book are in the footnotes. . . . There are fascinating nuggets on virtually every page of *Presidents of War*. It is a superb and important book, superbly rendered." —Jay Winik, The New York Times

Book Review "Sparkle and bite. . . . Valuable and engrossing study of how our chief executives have discharged the most significant of all their duties. . . . Excellent. . . . A fluent narrative that covers two centuries of national conflict."

—Richard Snow, *The Wall Street Journal*

The Next President - Kate Messner 2020-03-24

An inspiring and informative book for kids about the past and future of America's presidents. Who will be the NEXT president? Could it be you?

When George Washington became the first president of the United States, there were nine future presidents already alive in America, doing things like practicing law or studying medicine.

When JFK became the thirty-fifth president, there were 10 future presidents already alive in America, doing things like hosting TV shows and learning the saxophone. And right

now—today!—there are at least 10 future presidents alive in America. They could be playing basketball, like Barack Obama, or helping in the garden, like Dwight D.

Eisenhower. They could be solving math problems or reading books. They could be making art—or already making change. • A breezy, kid-friendly survey of American history and American presidents • Great for teachers, librarians, and other educators • Kate Messner's nonfiction picture books have been lauded by critics and received a variety of awards. For young readers and students who loved *The New Big Book of Presidents*, *Lincoln and Kennedy: A Pair to Compare*, and *Kid Presidents: True Tales of Childhood from America's Presidents*. A helpful addition to curriculums of 5th- to 8th-

grade students studying U.S. History and civics and the federal government. • For readers ages 8-12 • S. history for kids • Students, librarians, teachers • 5th-8th-grade kids From award-winning author Kate Messner and New York Times bestselling artist Adam Rex comes a timely and compelling compendium about the U.S. presidents—before they were presidents. Kate Messner is an award-winning author whose many books for kids have been selected as Best Books by the New York Times, Junior Library Guild, IndieBound, and Bank Street College of Education. She lives on Lake Champlain with her family. Adam Rex is the author and illustrator of many beloved picture books and novels, including *Nothing Rhymes with Orange* and the

New York Times bestseller *Frankenstein Makes a Sandwich*. He has worked with the likes of Jon Scieszka, Mac Barnett, Jeff Kinney, and Neil Gaiman. He lives in Tucson, Arizona.

Big Agenda - David Horowitz 2016-12-27

NEW YORK TIMES BESTSELLER Donald

Trump's victory in the 2016 election was more than a historic upset. It was the beginning of a major political, economic, and social revolution that will change America — and the world. One of the nation's foremost conservative commentators, New York Times bestselling author, and a mentor to many of Donald Trump's key advisers, David Horowitz presents a White House battle plan to halt the Democrats' march to extinguish the values America holds dear. *Big Agenda* details President Trump's likely moves, including his: • First wave of executive orders — restoring Guantanamo, Keystone XL, nixing amnesty • Surprising judicial appointments — Supreme Court and the federal judiciary • Radical changes to federal rules & regulations — Obamacare, EPA overreach, and a New Deal for black America With the White House and Senate in GOP hands, and a Supreme Court soon to follow, President Trump will have a greater opportunity than even Ronald Reagan had to reshape the American political landscape while securing the nation's vital security interests abroad. "No president since FDR and his famed '100 Days' has the chance Donald Trump has," Horowitz argues. But he writes that the GOP and Trump must recognize they are not fighting policy ideas, but an ideology — a progressive one with a radical agenda to stop Trump in an effort to reduce America's power and greatness. *Big Agenda* is a rallying cry and indispensable guide for how to claim ultimate victory for the conservative cause. Horowitz writes, "One battle is over, but there are many more to come. This book is a guide to fighting the opponents of the conservative restoration. It identifies who the adversaries are — their methods and their motivations. It describes their agenda — not merely the particular issues with which they advance their goal, but the destructive goal itself. And it lays out a strategy that can defeat them."

Have Fun with the Presidents - David C. King 2007-04-20

It's important to learn about the U.S. presidents,

but it's even better to have fun while doing it. *Have Fun with the Presidents* is filled with activities, recipes, games, puzzles, profiles, quotes, and fascinating facts, about all 42 American presidents, from George Washington to George W. Bush. You will learn all kinds of interesting things about the presidents, their families, and the times in which they lived, but this is much more than just a book of facts. The games and activities in *Have Fun with the Presidents* will give you a better understanding of each president's important contributions, interesting hobbies, and unique personality. In *Have Fun with the Presidents* you will learn that Herbert Hoover and his wife spoke Chinese in the White House as a way of maintaining their privacy Dwight Eisenhower was an enthusiastic cook who loved grilling on the roof of the White House Two of Theodore Roosevelt's sons managed to sneak a pony into a White House elevator so they could take it to their sick brother's bedroom George H.W. Bush hated broccoli so much he had it banned from the White House kitchen And much more!

The Presidents Did What? - Wag Harrison
2021-12-07

Step right up for a spooky tour of the White House! A long-dead, but still charismatic, Millard Fillmore will serve as your ghostly guide as you make your way through the Executive Mansion. Learn about the history of each room you visit from ghosts of presidents past -- arguably the worst presidents in US history. Discover how they ended up there, cursed for all eternity to haunt the rooms of the White House, and find out why it's so important for us to learn from their mistakes.

What Does the President Do? - Kathleen Connors
2017-07-15

The US president is the face of the United States to the rest of the world. However, he or she doesn't have unlimited power within the country. The president has certain powers given by the Constitution, including the ability to make treaties, appoint some important government officials, and veto laws. Readers learn the many duties of the president in simple, clear language appropriate for both younger readers and older readers looking for a succinct review of the topic. Fact boxes supplement the main content

with important details about checks and balances, amendments, and more that affect the presidency today.

The Hardest Job in the World - John Dickerson
2021-03-23

NEW YORK TIMES BESTSELLER • From the veteran political journalist and 60 Minutes correspondent, a deep dive into the history, evolution, and current state of the American presidency, and how we can make the job less impossible and more productive—featuring a new post-2020-election epilogue “This is a great gift to our sense of the actual presidency, a primer on leadership.”—Ken Burns Imagine you have just been elected president. You are now commander-in-chief, chief executive, chief diplomat, chief legislator, chief of party, chief voice of the people, first responder, chief priest, and world leader. You're expected to fulfill your campaign promises, but you're also expected to solve the urgent crises of the day. What's on your to-do list? Where would you even start? What shocks aren't you thinking about? The American presidency is in trouble. It has become overburdened, misunderstood, almost impossible to do. “The problems in the job unfolded before Donald Trump was elected, and the challenges of governing today will confront his successors,” writes John Dickerson. After all, the founders never intended for our system of checks and balances to have one superior Chief Magistrate, with Congress demoted to “the little brother who can't keep up.” In this eye-opening book, John Dickerson writes about presidents in history such as Washington, Lincoln, FDR, and Eisenhower, and in contemporary times, from LBJ and Reagan and Bush, Obama, and Trump, to show how a complex job has been done, and why we need to reevaluate how we view the presidency, how we choose our presidents, and what we expect from them once they are in office. Think of the presidential campaign as a job interview. Are we asking the right questions? Are we looking for good campaigners, or good presidents? Once a candidate gets the job, what can they do to thrive? Drawing on research and interviews with current and former White House staffers, Dickerson defines what the job of president actually entails, identifies the things that only the president can do, and analyzes how

presidents in history have managed the burden. What qualities make for a good president? Who did it well? Why did Bill Clinton call the White House “the crown jewel in the American penal system”? The presidency is a job of surprises with high stakes, requiring vision, management skill, and an even temperament. Ultimately, in order to evaluate candidates properly for the job, we need to adjust our expectations, and be more realistic about the goals, the requirements, and the limitations of the office. As Dickerson writes, “Americans need their president to succeed, but the presidency is set up for failure. It doesn’t have to be.”

Hottest Heads of State - J. D. Dobson
2018-01-30

TigerBeat for U.S. presidents—a tour of our nation’s history through its irresistible commanders-in-chief Is there anything hotter than former U.S. presidents? Obviously, there is not. And yet, until now, there was no way to learn about these handsome and mysterious men that is funny, educational, and includes thoughtful analysis of which ones would make good boyfriends. Thankfully, *Hottest Heads of State* fills this void. Get to know each president intimately with an individual profile outlining his particular charms (or, in some cases, “charms”). Plus, inside you’ll find: · GAMES including “Match the Mistress to her POTUS” · QUIZZES like “Which President has a Secret Crush on You?” and “Can You Cover Up Watergate?” · that POSTER of Rutherford B. Hayes you’ve always secretly wanted! J. D. and Kate Dobson’s wickedly smart and refreshingly bipartisan debut is a spot-on parody of a teen magazine featuring such unlikely heartthrobs as Richard Nixon and William H. Taft. In the end, you’ll learn centuries’ worth of cocktail party-worthy trivia, and you’ll be slightly more prepared to take the AP U.S. History exam. You’ll also start tingling whenever you hear the name Herbert Hoover.

The Post-presidency from Washington to Clinton - Burton Ira Kaufman 2012

Traces the evolving roles of former presidents from George Washington to Bill Clinton and examines the lives of the thirty-one who lived for at least two years after leaving office. Offers a unique history of the “office” of the post-presidency.

White House Winners - L. J. Tracosas 2017
Provides facts and trivia about the United States presidents, including George Washington's false teeth, James Madison's love of ice cream, Franklin D. Roosevelt's stamp collection, and Lyndon B. Johnson's amphibious car.

American Presidents Coloring Book - Peter F. Copeland 2001-01-01

Ready-to-color portraits of all 43 U.S. Presidents — from George Washington to George W. Bush — deftly portrayed against backdrops of significant events that occurred during their administrations: James Madison before a burning White House during the War of 1812, George H. Bush and a background scene from the Gulf War, and more.

Your children will love getting to know America's Commander in Chiefs, from George Washington to Abraham Lincoln, from Benjamin Franklin to Franklin D. Roosevelt, all the way up to the present day. For kids age 8 and up. We wish you happy puzzling!

Author in Chief - Craig Fehrman 2020-02-11
“One of the best books on the American presidency to appear in recent years.” —Thomas Mallon, *The Wall Street Journal* “Fun and fascinating...It’s witty, charming, and fantastically learned. I loved it.” —Rick Perlstein

Based on a decade of research and reporting, *Author in Chief* tells the story of America's presidents as authors—and offers a delightful new window into the public and private lives of our highest leaders. Most Americans are familiar with Abraham Lincoln's famous words in the Gettysburg Address and the Emancipation Proclamation. Yet few can name the work that helped him win the presidency: his published collection of speeches entitled *Political Debates between Hon. Abraham Lincoln and Hon. Stephen A. Douglas*. Lincoln labored in secret to get his book ready for the 1860 election, tracking down newspaper transcripts, editing them carefully for fairness, and hunting for a printer who would meet his specifications. *Political Debates* sold fifty thousand copies—the rough equivalent of half a million books in today's market—and it reveals something about Lincoln's presidential ambitions. But it also reveals something about his heart and mind. When voters asked about his beliefs, Lincoln liked to point them to his book. In Craig Fehrman's groundbreaking work of history, *Author in Chief*, the story of America's presidents and their books opens a rich new window into presidential biography. From volumes lost to history—Calvin Coolidge's *Autobiography*, which was one of the most widely discussed titles of 1929—to ones we know and love—Barack Obama's *Dreams from My Father*, which was very nearly never published—Fehrman unearths countless insights about the presidents through their literary works. Presidential books have made an enormous impact on American history, catapulting their authors to the national stage and even turning key elections. Beginning with Thomas Jefferson's *Notes on the State of Virginia*, the first presidential book to influence a campaign, and John Adams's *Autobiography*, the first score-settling presidential memoir, *Author in Chief* draws on newly uncovered information—including never-before-published letters from Andrew Jackson, John F. Kennedy, and Ronald Reagan—to cast fresh light on the private drives and self-doubts that fueled our nation's leaders. We see Teddy Roosevelt as a vulnerable first-time author, struggling to write the book that would become a classic of American history. We see Reagan painstakingly

revising *Where's the Rest of Me?*, a forgotten memoir in which he sharpened his sunny political image. We see Donald Trump negotiating the deal for *The Art of the Deal*, the volume that made him synonymous with business savvy. Alongside each of these authors, we also glimpse the everyday Americans who read them. Combining the narrative felicity of a journalist with the rigorous scholarship of a historian, Fehrman delivers a feast for history lovers, book lovers, and everybody curious about a behind-the-scenes look at our presidents.

Big Man on Campus - Stephen Joel Trachtenberg 2009-04-07

An eye-opening and at times controversial insider's look at the current state of higher education in America, from one of the nation's most distinguished and down-to-earth university presidents. At a time when daily news headlines scream of competitive college enrollments, skyrocketing tuition, campus violence, alcohol and drug abuse, and other campus scandals, the former president of The George Washington University tells it like it really is. Educated at Columbia, Yale, and Harvard universities, with a membership in Phi Beta Kappa, more than fifteen honorary doctorates, four books, and numerous published articles, Stephen Joel Trachtenberg is one of the leading voices in American higher education. Here he brings his thirty years of experience, wisdom, and wit to reveal what goes on behind the scenes in the difficult and rewarding challenge of running a university. Using wonderful anecdotes from his own life, Trachtenberg explains with compassion and his trademark humor the insight he has gained from the halls of learning. For parents who will write big checks to send their sons and daughters to college, for businesspeople of all kinds looking for leadership lessons, and for anyone invested in America's system of higher education, this book is a major work about the importance of sustaining our nation's natural brain trust.

President of the Whole Fifth Grade - Sherri Winston 2010-10-05

Start counting your votes . . . and your friends. When Brianna Justice's hero, the famous celebrity chef Miss Delicious, speaks at her school and traces her own success back to being president of her fifth grade class, Brianna

determines she must do the same. She just knows that becoming president of her class is the first step toward her own cupcake-baking empire! But when new student Jasmine Moon announces she is also running for president, Brianna learns that she may have more competition than she expected. Will Brianna be able to stick to her plan of working with her friends to win the election fairly? Or will she jump at the opportunity to steal votes from Jasmine by revealing an embarrassing secret? This hilarious, heartfelt novel will appeal to any reader with big dreams, and the determination to achieve them.

President Taft is Stuck in the Bath - Mac Barnett 2014

When taking his morning bath, President Taft accidentally gets stuck in the bathtub, and needs the First Lady and members of the cabinet to help him get out.

The New Big Book of U.S. Presidents - Todd Davis 2013-02-12

Discusses the lives, achievements, and times of each president from George Washington to Barack Obama.

Laptop from Hell - Miranda Devine 2021-11-30

As seen on Tucker Carlson Tonight! USA Today and Wall Street Journal Bestseller! The inside story of the laptop that exposed the president's dirtiest secret. When a drug-addled Hunter Biden abandoned his waterlogged computer at a Mac repair shop in Delaware in the spring of

2019, just six days before his father announced his candidacy for the United States presidency, it became the ticking time bomb in the shadows of Joe Biden's campaign. The dirty secrets contained in Hunter's laptop almost derailed his father's presidential campaign and ignited one of the greatest media coverups in American history. This is the unvarnished story of what's really inside the laptop and what China knows about the Bidens, by the New York Post journalist who brought it into the open. It exposes the coordinated censorship operation by Big Tech, the media establishment, and former intelligence operatives to stifle the New York Post's coverage, in a chilling exercise of raw political power three weeks before the 2020 election. A treasure trove of corporate documents, emails, text messages, photographs, and voice recordings, spanning a decade, the laptop provided the first evidence that President Joe Biden was involved in his son's ventures in China, Ukraine, and beyond, despite his repeated denials. This intimate insight into Hunter's dissolute lifestyle shows he was incapable of holding down a job, let alone being paid tens of millions of dollars in high-powered international business deals by foreign interests, unless he had something else of value to sell—which of course he did. He was the son of the vice president who would go on to become the leader of the free world.

Presidents Fact Book Revised and Updated! - Roger Matuz 2017-01-03

The Presidents Fact Book is a compendium of all things presidential and a sweeping survey of American history through the biography of every president from George Washington to Donald Trump. Organized chronologically by president, each entry covers the major accomplishments and events of the presidential term; cabinet members, election results, groundbreaking legislation, and Supreme Court appointments; personality and personal habits; career before the presidency; a behind-the-scenes look at the wives, families, friends, and foes; and much more, including hobbies, odd behaviors, and outlandish penchants. Major primary documents from each administration -- from the Bill of Rights to Barack Obama's speech on race in America -- provide a glimpse into the crucial moments of America's storied past in the words

of those who led the nation. Perfect for students, history buffs, and political junkies, The President's Fact Book is at once an expansive collage of our nation's 45 individual presidents and a comprehensive view of American history. *President Encyclopedia 1829-1849* - Kelli Hicks 2008-12-01

An In-Depth Look At The American Presidents, Jackson, Van Buren, Harrison, Tyler, And Polk. *Accidental Presidents* - Jared Cohen 2020-01-28 This New York Times bestselling “deep dive into the terms of eight former presidents is chock-full of political hijinks—and déjà vu” (Vanity Fair) and provides a fascinating look at the men who came to the office without being elected to it, showing how each affected the nation and world. The strength and prestige of the American presidency has waxed and waned since George Washington. Eight men have succeeded to the presidency when the incumbent died in office. In one way or another they vastly changed our history. Only Theodore Roosevelt would have been elected in his own right. Only TR, Truman, Coolidge, and LBJ were re-elected. John Tyler succeeded William Henry Harrison who died 30 days into his term. He was kicked out of his party and became the first president threatened with impeachment. Millard Fillmore succeeded esteemed General Zachary Taylor. He immediately sacked the entire cabinet and delayed an inevitable Civil War by standing with Henry Clay's compromise of 1850. Andrew Johnson, who succeeded our greatest president, sided with remnants of the Confederacy in Reconstruction. Chester Arthur, the embodiment of the spoils system, was so reviled as James Garfield's successor that he had to defend himself against plotting Garfield's assassination; but he reformed the civil service. Theodore Roosevelt broke up the trusts. Calvin Coolidge silently cooled down the Harding scandals and preserved the White House for the Republican Herbert Hoover and the Great Depression. Harry Truman surprised everybody when he succeeded the great FDR and proved an able and accomplished president. Lyndon B. Johnson was named to deliver Texas electorally. He led the nation forward on Civil Rights but failed on Vietnam. *Accidental Presidents* shows that “history unfolds in death as well as in life” (The Wall Street Journal) and adds immeasurably to

our understanding of the power and limits of the American presidency in critical times.

How to Fight Presidents - Daniel O'Brien 2014-03-18

Make no mistake: Our founding fathers were more bandanas-and-muscles than powdered-wigs-and-tea. As a prisoner of war, Andrew Jackson walked several miles barefoot across state lines while suffering from smallpox and a serious head wound received when he refused to polish the boots of the soldiers who had taken him captive. He was thirteen years old. A few decades later, he became the first popularly elected president and served the nation, pausing briefly only to beat a would-be assassin with a cane to within an inch of his life. Theodore Roosevelt had asthma, was blind in one eye, survived multiple gunshot wounds, had only one regret (that there were no wars to fight under his presidency), and was the first U.S. president to win the Medal of Honor, which he did after he died. Faced with the choice, George Washington actually preferred the sound of bullets whizzing by his head in battle over the sound of silence. And now these men—these hallowed leaders of the free world—want to kick your ass. Plenty of historians can tell you which president had the most effective economic strategies, and which president helped shape our current political parties, but can any of them tell you what to do if you encounter Chester A. Arthur in a bare-knuckled boxing fight? This book will teach you how to be better, stronger, faster, and more deadly than the most powerful (and craziest) men in history. You're welcome.

Grover Cleveland: The 22nd and 24th President - K. C. Kelley 2020

Grover Cleveland is the only president to serve two nonconsecutive terms, but what else do you know about our 22nd and 24th president? In this fascinating introduction, young readers will learn about Cleveland's early life, his achievements as president, and the ways he is remembered today. Each 24-page book in this series features controlled text with age-appropriate vocabulary and simple sentence construction. The lively text, colorful design, and rich photos and illustrations are sure to capture the interest of emergent readers.

The Great Book of Crazy President Trivia - Bill O'Neill 2017-10

Do you love American history? Do you enjoy learning about the US Presidents? If so, then this President Trivia book is for you. The Great Book of Crazy President Trivia is filled with many lesser-known facts about the American Presidents. It is filled with great stories of the US Presidents that you will not find in any US history books. This President Trivia book is going to let you see the Presidents of the past in a whole new light. Learn about their personal lives, the challenges they faced, and their great accomplishments. When you read this trivia book, you are going to learn not only about the Presidents of the US but about the history of the US as well. When we learn about the Presidents, most often we learn about a few of their accomplishments that they had while in office, however, this book is going to show you the good, the bad, and the ugly when it comes to the lives of these men. At the end of each chapter you will find trivia questions and answers that are going to allow you to learn even more about the men that have been in charge of The United States of America. You are going to learn how war not only challenged these men but how it affected who they were. You will see how great decisions were made as well as some that were not so great. In the end, you are going to find that these men were in fact just men who took on a huge responsibility. Some of them were successful some of them failed miserably but each of them with their own hands, molded the US into what it is today.

The Complete Book of US Presidents, Fourth Edition - Bill Yenne 2021-03-02

Discover the history and personal stories of 46 US Presidents in this beautifully illustrated volume. From the first president, George Washington, to the forty-sixth, Joe Biden, the United States has seen a host of extraordinary men take office.
