## Just Do Something - Kevin DeYoung 2014-03-21

OVER 300,000 COPIES SOLD! Why won't God reveal his special will for my life already? Because he doesn't intend to... So says Kevin DeYoung in this punchy book about making decisions the godly way. Many of us are listening for the still small voice to tell us what's next instead of listening

to the clear voice in Scripture telling us what's now. God does have a will for your life, but it is the same as everyone else's: Seek first the kingdom of God. And quit floundering. With pastoral wisdom and tasteful wit, DeYoung debunks unbiblical ways of understanding God's will and constructs a simple but biblical alternative: live like Christ. He exposes the frustrations of our waiting games and unfolds the freedom of finding God's will in Scripture and then simply doing it. This book is a call to put down our Magic 8-Balls and pick up God's Word. It's a call to get wisdom, follow Christ, be holy, and live freely. To just do something.

## **Galatians** - Scot McKnight 2009-05-26

Most Bible commentaries take us on a one-way trip from the twentieth century to the first century. But they leave us there, assuming that we can somehow make the return journey on our own. In other words, they focus on the original meaning of the passage but don't discuss its contemporary application. The information they offer is valuable but the job is only half done! The NIV Application Commentary Series helps us with both halves of the interpretative task. This new and unique series shows readers how to bring an ancient message into modern context. It explains not only what the Bible meant but also how it can speak powerfully today.

## Free at Last - Tony Evans 2009-01-01

This reader says it best: 'Tony Evans explores the problem of Christians

who continue to sin and who do not fully utilize the freedom they have received in Christ. He compares Satan to a plantation owner who knows that legally his slaves have been freed, but who tries to convince them that they'll never make it in this world without him. He says that sometimes we need to make it to rock bottom before we realize that 'Christ IS the Rock at the bottom.' This is a very inspiring and encouraging book, both for those who have not confessed Christ and for those who have been Christians for many years.

**Thinking through Paul** - Todd D. Still 2014-09-09

The study of Paul and his letters can be exciting, challenging, and life-changing, but only if it is done well and only if students achieve more than a basic familiarity with the subject. Longenecker and Still bring decades of study and expertise to *Thinking through Paul*, challenging readers to delve deeply into Paul's writings and wrestle with his richly-layered and dynamic theological discourse. Seeking to situate their study of the Apostle in proper perspective, Longenecker and Still first look at Paul's life before and after his encounter with the risen Christ en route to Damascus, then examine each of Paul's letters individually, and finally synthesize the Pauline writings to highlight the main strands of Paul's theologizing—all the while keeping in mind the particular context of first-century Christianity. Filled with images, maps, charts, and questions for further study and discussion, *Thinking through Paul* is both engaging and easy-to-follow, making it the perfect choice for classrooms and for interested readers.

**The Prison Epistles** - Lawrence R. Farley 2003

From the depths of a Roman prison, words of encouragement and instruction from the great Apostle Paul were sent in a series of letters to communities throughout the Roman Empire. St. Paul may have been

fettered and shackled to a series of Roman guards, but the Word he preached remained unfettered and free. This volume contains commentaries on the epistles that St. Paul wrote while in prison to the Philippians, Ephesians, Colossians and Philemon. About the Orthodox Bible Study Companion Series: This commentary was written for your grandmother. And for your plumber, your banker, and the girl who serves you French Fries at the nearby McDonald's. That is, it was written for the average layperson, for the nonprofessional who feels a bit intimidated by the presence of copious footnotes, long bibliographies, and all those other things which so enrich the lives of academics. It is written for the pious Orthodox layman who is mystified by such things as Source Criticism, but who nonetheless wants to know what the Scriptures mean.

Growing in Christ explains just that—how to grow in Christ. As this book shows, we mature spiritually by carefully learning and thoughtfully living the essentials of the Christian faith that are too often taken for granted or overlooked in our daily lives. These essentials—so beautifully summarized in the Apostle's Creed, the Lord's Prayer, and the Ten Commandments—provide the heart of the book, which Dr. Packer explores and applies to daily life in a clear and refreshing way. Study questions and Bible passages follow each chapter for further individual or group study. Speaking to Christians of all backgrounds and denominations, the newly converted as well as the lifelong believer, Dr. Packer reminds us that Christianity is not instinctive. Ours is a faith that must be learned, and we must never stop striving to mature.

*Unlike Jesus* - Larry Dixon 2019-08-26

Tired of eating only Christian casseroles, listening only to Christian music, and having only Christian companions? Then why not try something radical — like being a friend of sinners like Jesus was? Unlike Jesus makes a convincing and convicting case that we who love Jesus must also love the lost — and must stop cocooning ourselves within our churches. Christians need to get out more. But this doesn't mean we become friends of the world (a decision some disciples make contrary to

God's Word and detrimental to their spiritual health). Some Christians have simply "lost sense of the lostness of the lost" (Francis Schaeffer). Our hearts are not only "perpetual idol factories" (John Calvin), but are experts in excuse-making for not spending significant time with sinners. Unlike Jesus dismantles the top five excuses believers make for not being like the Lord Jesus, "a friend of sinners." Practical advice is given to church leaders for developing a friendship-evangelism mindset in our churches. We've even interviewed some of our unsaved friends on what keeps them from taking the gospel message seriously. This book is clear, practical, and challenging. It will help both educate and energize your church, empowering them to fulfill the gospel commission. Study questions make it suitable for small group and church-wide studies.

#### Did you not know? Have you not heard? - Otinel C, Iancu 2018-01-31

The book contains more than 6,100 questions. Its value is not in the answers, but rather in the way the questions are formulated and in the information they contain. Because the questions are arranged chronologically, the book can be used as a study guide. Although there

are questions that require to memorize certain details, most of them contain enough clues within themselves which give the reader the opportunity to find the correct answer by using comparisons and logic. Since the book was conceived with the purpose of using it in Bible contests, most of the questions require one-word answers. The material contained in this book is useful in bringing out things that many readers omit when they read the Bible. It is also useful for getting ideas for sermon subjects, for Bible contests, for obtaining information, etc. There are a variety of types of questions: 1. Simple and straightforward questions 2. Multiple choice questions 3. True and false questions 4. Tricky questions 5. Questions that require logic 6. Questions that require general knowledge 7. Questions that require to know Bible details 8. Interesting questions 9. Questions focused on unique things in the Bible 10. Questions that deal with controversial issues 11. If you paid attention, the name of the Egyptian king has already been mentioned. Give his name." Question that requires logic: "Alexander the Great, around 250 BC, gathered in Alexandria, Egypt, 70 Hebrew scholars to translate the Scriptures from Hebrew into Greek. This translation is known under the name of Septuagint (LXX). What part of the Bible did they translate? Was it the Old Testament, the New Testament, or the whole Bible?"
