Kipper's Little Friends - Mick Inkpen 2019-03-07

A classic Kipper story about baby animals. Now in a chunky board book, perfect for little hands to hold. Kipper and Arthur are talking about baby animals. A baby owl must be an owlet, so a baby frog is a froglet and a baby hedgehog can only be a hoglet... But what is a baby dog called? Do you know? Little ones will love joining in with this charming tale about animals and growing up. Kipper has been a much-loved picture book character for over 25 years. 'The charmingly comical Inkpen, as always, hits the spot.' Guardian 'You simply cannot fail to win smiles with a new book about Kipper.' Daily Mail

One Hundred Bones - Yuval Zommer 2016

Do You Want to Be My Friend? - Eric Carle 1987-03-01

"Do you want to be my friend?" asks the lonely little mouse. He follows a tail, but all he finds at its end is a rather unfriendly horse. The little mouse just wants someone to play with-but he'll have to follow a lot of tails before he can find just the right companion.

The Children's Buyer's Guide - 2003

Janey the Vet - Janey Lowes 2020-03-19

'Janey is like a whirlwind of selflessness. A beautiful spirit in a beautiful country doing a beautiful thing. I encourage my children to be more 'Janey'. With more positive spirits like Janey, the world would be a better place.' - Ben Fogle In 2014 and in her mid-twenties, Janey Lowes had been a vet for just two years when she left her home in County Durham and went travelling. Visiting Sri Lanka, she was horrified to see the state of so many of the island's dogs, in particular the three million strays. Over 5,000 miles from home, Janey decided there and then that she was going to move to the island indefinitely and do everything within her power to help them. She raised £10,000 to get started, setting up a charity called WECare Worldwide, and began work. Frightened, determined and excited all at the same time, she found a local who was willing to work with her and began scouring the streets for dogs in need. Some she patched up as best she could at the roadside, others she brought back and treated in a make-shift surgery she had cobbled together in her new home. With very little equipment, she and her small team came up with new and ingenious ways to treat the animals. In this highly inspiring and heartfelt book full of challenges and adventure, Janey introduces us to her world and the tireless work she carries out. As she says, 'I feel as though all these dogs are my dogs and I have a responsibility to them.' In it, we meet many of the colourful characters who have come to offer help, along with innumerable street dogs who have suffered all sorts of trauma and injury, only to be scooped up by Janey and her team and saved.

The Sheep Who Hatched an Egg - Gemma Merino 2017-03-23

Lola the sheep has the most extraordinary wool. It's soft and silky and is her pride and joy! But down on the farm, when the sun comes out, the wool comes off! Poor Lola is so upset by her haircut that she runs away to the far side of the farm where she sits all alone, waiting for it to grow

back. And when it does, it's no longer silky, it's completely wild! But with it comes a wonderful surprise . . . Thanks to a tiny chick, this self-obsessed sheep learns an important life lesson; that great friendships are more important than simply having great hair. The Sheep Who Hatched an Egg is another funny, thoughtful and unique picture book from award-winning, Gemma Merino, author of the best-selling *The Crocodile Who Didn't Like Water* and *The Cow who Climbed a Tree*.

Charles and Emma - Deborah Heiligman 2009-01-06

Charles Darwin published *The Origin of Species*, his revolutionary tract on evolution and the fundamental ideas involved, in 1859. Nearly 150 years later, the theory of evolution continues to create tension between the scientific and religious communities. Challenges about teaching the

theory of evolution in schools occur annually all over the country. This same debate raged within Darwin himself, and played an important part in his marriage: his wife, Emma, was quite religious, and her faith gave Charles a lot to think about as he worked on a theory that continues to spark intense debates. Deborah Heiligman's new biography of Charles Darwin is a thought-provoking account of the man behind evolutionary theory: how his personal life affected his work and vice versa. The end result is an engaging exploration of history, science, and religion for young readers. Charles and Emma is a 2009 National Book Award Finalist for Young People's Literature.

The Marzipan Pig - Russell Hoban 2016-10-04

Who but Russell Hoban could weave a tale of life's pleasures and pain around a candy pig? And who but Quentin Blake could make the most poignant of stories so lighthearted and delightful? In this episodic picture book by an inimitable author-illustrator duo, a fantastic chain of events is triggered by the unacknowledged fall of a marzipan pig behind the sofa. We meet in quick succession a heartsick mouse, a lonely grandfather clock, an owl in love with a taxi meter, a worker bee, a fading hibiscus flower, a mouse who greets the dawn dancing, and finally a boy who guesses at the true relations between things. Appealing to the unsentimental yet sensitive nature of children, *The Marzipan Pig* is exquisitely attuned to the bittersweet wonder of life and to the sentience of all beings.

The Constitution of the State of Florida (As Revised in 1968 and Subsequently Amended November 2016) - Florida Department of State 2021-09-25

In preparation for statehood, fifty-six delegates from Florida's twenty counties assembled in the Panhandle town of Saint Joseph (near Port St. Joe) to frame the 1838 Constitution (cover). The delegates were mainly planters and lawyers from thirteen of the nation's twenty-six states and four foreign countries; only three were native Floridians. Three delegates would later become U.S. Senators; two, governors; and five, members of the state supreme court. The convention was called to order on December 3, 1838 and elected Robert Raymond Reid of St. Augustine as president. The constitution divided the government into the traditional three branches - an executive headed by the governor elected to a single four year term, a bicameral legislature that met annually, and a judiciary headed by a supreme court. It banned bank officers, clergymen, and duelists from election to the legislature and governorship; and declared free men equal while at the same time preserving slavery. The constitution was approved by popular vote in 1839 and served as Florida's constitution from statehood in 1845 until Florida seceded from the Union in 1861. The original 1838 Constitution, signed by forty-one delegates on January 11, 1839, has disappeared. The only surviving handwritten copy is a clerk's copy signed by Reid and Joshua Knowles, convention secretary, found by the William N. "Bill" Galphin family in Fernandina Beach in 1982. The family inherited the copy from Galphin's grandfather William Thompson. Thompson married the niece of Judge John C. McGehee, a delegate to the 1838 convention and president of the Secession Convention of 1861. The 1838 Constitution is one of many historical documents that may be found at the Florida State Archives.

Located in the R.A. Gray Building in Tallahassee, the Archives is mandated by law to collect and preserve documentation of Florida's past; including photographs, state records, and private papers of individuals and organizations.

Results That Last - Quint Studer 2010-12-09

Praise for *Results That Last* "Quint Studer is a superb communicator with a deep belief in the power of relationships. His informal tone, sense of humor, and real-world stories bring his business principles to life. *Results That Last* has a vital, optimistic quality that will keep readers re-reading long after other leadership books have been relegated to a dark corner of the shelf." --Nido Qubein, author of *How to Get Anything You Want*; President, High Point University; Chairman, Great Harvest Bread Company; and founder, National Speakers Association Foundation "Results That Last is long overdue and fills a big gap in effective business management. There are legions of books that show us the way to achieve successful results in business, but very few that teach us how to institutionalize success. In reality, achieving success is the easy part. The real challenge is to achieve results that last. Quint Studer not only proves it is possible to hardwire a culture for lasting results, but lays out a simple, logical, and effective way to do so. Anyone who wants to make success a habit needs to read this book." --Bob MacDonald, former CEO, Allianz Life of North America and author of *Beat the System: 11 Secrets to Building an Entrepreneurial Culture in a Bureaucratic World* "I have always been fascinated by how the various parts of an organization work together to achieve strategic objectives. In *Results That Last*, Quint Studer explores the complex subject of performance improvement in a fresh, readable, and easy-to-grasp way. By standardizing certain business practices and leader behaviors, any company in any field can create an environment that allows it to achieve and sustain long-term results." --David F. Giannetto, coauthor of *The Performance Power Grid: The Proven Method to Create and Sustain Superior Organizational Performance*

With Love - Jane Goodall 2021-01-26

"Chimpanzees, more like us than any other living animal, form a living link between two worlds, human and non-human beings. When David Greybeard reached out to touch my hand I needed no words to understand his message of reassurance: and I loved him." In this enchanting book, world-renowned scientist and conservationist Jane Goodall brings together stories gleaned from nearly 40 years of studying chimpanzees in the forests of Tanzania. As the stories recounted here demonstrate, chimpanzees are capable of great compassion, altruism, and love.

The Lost Soul - Olga Tokarczuk 2021-07-20

The only book in English for readers of all ages by Nobel Prize-winning novelist Olga Tokarczuk is a beautifully illustrated meditation on the fullness of life. "Olga Tokarczuk's *The Lost Soul*, an experimental fable illustrated by Joanna Concejo and translated by Antonia Lloyd-Jones, resonates with our current moment. . . . What a striking, and lovely, material object it is." —New York Times "The *Lost Soul*, by Olga Tokarczuk and illustrator Joanna Concejo, is a quiet meditation on happiness, following a busy man who loses his soul. . . It pours a childlike sense of wonder into a once-upon-a-time tale that is already resonating with adults around the world." —Guardian *The Lost Soul* is a deeply moving reflection on our capacity to live in peace with ourselves, to

remain patient, attentive to the world. It is a story that beautifully weaves together the voice of the Nobel Prize-winning Polish novelist Olga Tokarczuk and the finely detailed pen-and-ink drawings of illustrator Joanna Concejo, who together create a parallel narrative universe full of secrets, evocative of another time. Here a man has forgotten what makes his heart feel full. He moves to a house away from all that is familiar to him to wait for his soul to return. "Once upon a time there was a man who worked very hard and very quickly, and who had left his soul far behind him long ago. In fact his life was all right without his soul—he slept, ate, worked, drove a car and even played tennis. But sometimes he felt as if the world around him were flat, as if he were moving across a smooth page in a math book that was covered in evenly spaced squares... " —from *The Lost Soul* *The Lost Soul* is a sublime album, a rare delicacy that will delight readers young and old. "You must find a place of your own, sit there quietly and wait for your soul." Winner of the Bologna Ragazzi Award, Special Mention 2018, Prix de l'Union Internationale pour les Livres de Jeunesse (IBBY), The White Raven (IJB Munich), and the Łódź Design Festival Award.
