PMI-PBA® Exam Practice Test and Study Guide - Brian Williamson 2017-11-07

The PMI-PBA® Exam Practice Test and Study Guide attempts to address all your questions and concerns by providing two of the most sought-after study aids: memory maps and practice questions. The systematic use of memory maps helps aid in the efficient recall of information and can boost confidence during the exam. Well-crafted practice questions are fantastic study aids that can be used to track your progress as you learn new concepts, introduce you to the complex sentence structure that is likely to appear on the exam, and concentrate your studies by domain, essentially preparing you to pass the very challenging PMI-PBA® Exam in the allotted four hours. In addition to study hints and exam topics, this book provides references

to tools and techniques that should be incorporated into your work immediately. For each of the five domains outlined in the PMI Professional in Business Analysis (PMI-PBA)® Examination Content Outline 2013 (the ECO), twenty practice questions test your knowledge. Also included is a challenging 200-question practice exam, which is representative of the actual exam. To enhance your studies, a timed, online simulated exam is also provided. At the end of the simulated exam, you can see your score per the number of questions you answered correctly. These exam questions are crafted to foster learning and reinforce content; they are not obscure or overly complicated, but rather are representative of the actual exam. Knowing what to do must be translated into doing what you know. This book helps you prepare for the PMI-PBA® exam by instilling knowledge and encouraging critical thinking. As a result, the skills attained can lead to improved project success and outcomes, and you'll have a much

stronger understanding of the material, along with the tools and techniques of business analysis. PMI-PBA® is a registered trademark of the Project Management Institute.

Quick Quizzes for Project Managers - Barbee

Davis, PhD 2010-09-01

Quick Quizzes for Project Managers allows you to test your project management knowledge and expand your skills through story questions about interesting and mind-opening situations faced every day by project managers in the field. You choose what you think is the correct answer, and then check your choice. Each answer is followed by a short, specific explanation that gives you background detail on the topic and a problem solving approach you could try in your own organization. Many of the questions come from working project managers around the world, concerned with issues they face in real projects. This is a fun, quick approach to expand your practical project management knowledge.
