Sushio the Idol - SUSHIO. 2019-11-19

The complete collection of today's most talented animator. Sushio is a Japanese animator and illustrator who started his career as an animator at studio Gainax working their world-famous TV animation series Neon Genesis Evangelion (1995). After drawing animation for many renowned anime series and movies such as One Piece, in 2013 he did the character design of the internationally big hit anime series Kill La Kill which took him to the pinnacle of his career. This book is his long-awaited first commercial collection that looks back over his career to date. It features notable works from Kill La Kill, Gurren Lagann, Momoiro Clover Z, along with a panel illustration of Anime Matsuri 2015, his work overseas for an annual anime convention held in Texas, and much more. This book also features Sushio's illustrations of AKIRA: two original illustrations depicting the imaginary post-AKIRA world, which was officially approved by Katsuhiro Otomo himself, and two illustrations taken from Otomo's tribute book. The illustrations from EVANGELION merchandise for the movie will amaze fans as never-before-seen rare works of Sushio. The book showcases not only full color illustrations but also rare rough sketches that provide an illuminating glimpse into Sushio's creative process. Fans will not want to miss this comprehensive account of one of today's most talented and prodigious animators.

Blood Sugar - Sascha Rothchild 2022-04-19

"Terrific. You might come for the mystery, but you will stay for the sheer energy."--New York Times Book Review An utterly delicious debut thriller that tells the story of the most likable murderess you will ever meet, perfect for fans of Riley Sager and Jessica Knoll. "I could just kill you right now!" It's something we've all thought at one time or another. But Ruby has actually acted on it. Three times, to be exact. Though she may be a murderer, Ruby is not a sociopath. She is an animal-loving therapist with a thriving practice. She's felt empathy and sympathy. She's had long-lasting friendships and relationships, and has a husband, Jason, whom she adores. But the homicide detectives at Miami Beach PD are not convinced of her happy marriage. When we meet Ruby, she is in a police interrogation room, being accused of Jason's murder. Which, ironically, is one murder that she did not commit, though a scandal-obsessed public believes differently. As she undergoes questioning, Ruby's mind races back to all the details of her life that led her to this exact moment, and to the three dead bodies in her wake. Because though she may not have killed her husband, Ruby certainly isn't innocent. Alternating between Ruby's memories of her past crimes and her present-day fight to clear her name, Blood Sugar is a twisty, clever debut with an unforgettable protagonist who you can't help but root for—an addicting mixture of sour and sweet.

The Sugar Queen - Sarah Addison Allen 2008

Quiet, awkward Josey Cirrini's peaceful life caring for her elderly mother is turned upside down when Della Lee Baker, a sassy, confident, and bold waitress fleeing an abusive boyfriend, decides to hide out in Josey's home.

Steven Universe: the Tale of Steven - Rebecca Sugar 2019-10-29

The official picture-book adaptation of "Change Your Mind" by series creator Rebecca Sugar! In 2019, Cartoon Network aired a pivotal episode in its Emmy- and Annie-award nominated series Steven Universe: The hour-long special "Change Your Mind" revealed the highly anticipated culmination of Pink Diamond's storyline. A companion book to the series, The Tale of Steven tells the story of "Change Your Mind" in the same style as the New York Times bestselling The Answer. Featuring

an unusual and thought-provoking interactive format, readers will follow the story of Pink Diamond's escape from Homeworld, Rose Quartz's life on Earth, and the creation of Steven Universe, from multiple conflicting perspectives. The Tale of Steven will be an irresistible keepsake for Steven Universe fans of all ages. From the back cover: Once upon a time, a silly, impossible little Gem named Pink Diamond ran away from her Homeworld to the planet Earth. She transformed into Rose Quartz and gave up her existence to create a half-human child, Steven Universe. But so long as Steven has her Gem, can they BOTH exist? Is he her? Is she him? Is she trapped inside his Gem? This is so DISORIENTING! In a story unlike any other-- made up of multiple points of view-- who gets to tell the Tale of Steven?

Rebecca Sugar, the writers, the animators, and the voice actors work in tandem to bring this adventure-packed television series to life.

**Intermittent Fasting** - Jaida Ellison 2020-11-04

Are you tired of trying different diets among those in vogue without seeing results and/or having recurring weight gain relapses? Would you like to lose weight and, at the same time, feel energetic, reduce the risk of serious diseases and promote longevity by stimulating your body's natural processes? Usually, diets are restrictive, require a lot of time and attention, and make us feel hungry, thus becoming difficult to follow. We therefore quit after a short period of time without having achieved our goals. But you don't have to give up improving your physical shape and enjoying a long healthy life! You have certainly heard of intermittent fasting and the benefits it has brought to so many people. You may not know, however, that the secret to the success of intermittent fasting is in the strengthening of Autophagy. Every day, our cells undergo a natural cleansing process called "Autophagy", which means that healthy cells devour old and weak ones, allowing the body to detoxify and renew itself. This is demonstrated by scientific data and is not a trend of recent years, but was already practiced by our ancestors, albeit unconsciously. With this book, I want to provide you with the tested methods by which you can activate autophagy in your body, and this not only to succeed in losing weight, but also to promote healing, slow aging and leave your body free from the chronic diseases that afflict millions of people.

Specifically, I will dig deep into intermittent fasting and the 16/8 method, which is the simplest way to achieve autophagy, and the safest way to fast for those who are planning to do it for the first time. Here are just some of the many concepts you will discover: What is Autophagy, how it works and how to boost it easily and effectively through different methods Why Intermittent Fasting is a lifestyle and is therefore different from usual diets How to permanently lose weight, increase vitality and get a better medical condition by activating your natural self-cleansing process What is the 16/8 method and the guidelines to follow, with proven tips to make the most of it and achieve success Answers to many questions that I am sure you have asked yourself about this topic Delicious fat burning recipes and food choices that will help you enhance autophagy And much, much more! You are probably discouraged because you have tried different diets and supplements to lose weight and improve your health without having significant results or you are interested in intermittent fasting but you do not know which program to follow, when and what to eat and drink, or if this method is for you; but with this comprehensive guide I will provide you with all the information you need to start without worries and in the simplest possible way. Do you want to get the body and health that you desire and deserve? Then scroll to the top of this page, click on "Buy Now" and find out how!

**The Lightning Thief** - Rick Riordan 2010-02-02

Percy Jackson is about to be kicked out of boarding school...again. And that's the least of his troubles. **Sugar in Milk** - Thrity Umrigar 2020-10-06

A timely and timeless picture book about immigration that demonstrates the power of diversity, acceptance, and tolerance from a gifted storyteller. An ALSC Notable Children's Book of 2021 A Kirkus Best Books of 2020 A School Library Journal Best Books of 2020 Winner of the 2021 Ohioana Book Award An Anne Izard Storytellers' Choice Award, 2022 "An engaging, beautiful, and memorable book." --Kirkus Reviews, starred review "Lush illustrations and a strong message of hope and perseverance make this a standout title." --School Library Journal, starred review When I first came to this country, I felt so alone. A young immigrant girl joins her aunt and uncle in a new country that is unfamiliar to her. She struggles with loneliness, with a fierce longing for the culture and familiarity of home, until one day, her aunt takes her on a walk. As the duo strolls through their city park, the girl's aunt begins to tell her an old myth, and a story within the story begins. A long time ago, a group of refugees arrived on a foreign shore. The local king met them, determined to refuse their request for refuge. But there was a language barrier, so the king filled a glass with milk and pointed to it as a way of saying that the land was full and couldn't accommodate the strangers. Then, the leader of the refugees dissolved sugar in the glass of milk. His message was clear: Like sugar in milk, our presence in your country will sweeten your lives. The king embraced the refugee, welcoming him and his people. The folktale depicted in this book was a part of author Thrity Umrigar's Zoroastrian upbringing as a Parsi child in India, but resonates

for children of all backgrounds, especially those coming to a new homeland.

**Fusion for Beginners and Experts** - Rebecca Sugar 2017-12-26

A new book about love and friendship by New York Times bestselling author and creator of *Steven Universe*, Rebecca Sugar. When Gems fuse, their forms combine to create a Gem that is bigger, stronger, and more powerful than they are apart. But more importantly, Fusion is a process built on love, trust, and communication. It's like a dance that is perfectly in sync, or a conversation filled with perfect understanding. Learn all about Fusion with Steven, Garnet, Amethyst, Pearl, and the rest of the Gems on Earth as they share what Fusion—and love—mean to them. A perfect gift for Valentine's Day or any special occasion.

**Sugar and Skulls** - LM Terry 2020-08-17

*Sugar and Skulls* Jesse When I was ten I was a naïve, shy girl. A girl who dreamed of sunsets and roller skates. Until my grandparents died. Then I found myself alone in the world. One bad thing after another seemed to find me but I dealt. I dealt because a man with a black leather jacket and ink from head to toe told me how to survive this world. He told me sometimes you have to get mean. And so, I embraced my mean. I hated it at first but as time went on being mean became second nature. I rule my world, staying ahead, never stopping. You won't find anyone like me. I'm Jesse Miller and I'm one of a kind. I'm fine on my own.

Fine.Perfect.Good.Until, I'm not. Dirk When I found Jesse at ten years old she was cute as a button and sweet as a jar of honey. I gave her a bit of advice to survive this world. I hated to be cynical, but she was in the foster care system. She needed to learn a little mean, otherwise she would be eaten alive. Now, I've found her again and believe me, Jesse Miller isn't a little girl anymore. Seems she took my advice to heart. I may have created a monster. She's a dark-haired vixen with a wicked mind and sharp tongue. Jesse is very, very enticing. She thinks she can do it on her own. She doesn't have to. She has a family. A tribe. Me. She has me. *Sugar and Skulls* is a stand-alone novel. It is a dark romance, but I promise it does have a HEA. There is no cheating in this novel. It does contain dark content, including, but not limited to profanity, sexual abuse, and violence. It could possibly have triggers for some individuals.

Go with the Flow - Karen Schneemann 2020-01-14

High school students embark on a crash course of friendship, female empowerment, and women's health issues in Lily Williams and Karen Schneemann's graphic novel *Go With the Flow*. Good friends help you go with the flow. Best friends help you start a revolution. Sophomores Abby, Brit, Christine, and Sasha are fed up. Hazelton High never has enough tampons. Or pads. Or adults who will listen. Sick of an administration that puts football before female health, the girls confront a world that shrugs—or worse, squirms—at the thought of a menstruation revolution. They band together to make a change. It's no easy task, especially while grappling with everything from crushes to trig to JV track but they have each other's backs. That is, until one of the girls goes rogue, testing the limits of their friendship and pushing the friends to question the power of their own voices. Now they must learn to work together to raise each other up. But how do you stand your ground while raising bloody hell?

Sensational Sugar Fairies - Frances McNaughton 2014-03-24

Renowned sugarcrafter, Frances McNaughton, the author of several best-selling books on sugar fairies, creates a magical world in *sugarcraft* to decorate cakes for fairy lovers everywhere. She begins by revealing the tools and readily available materials she uses and goes on to show techniques such as modelling all the basic shapes required, sculpting with tools, dusting or painting to add colour and texturing with royal icing. There are then ten step by step projects showing how to make beautiful fairies in fairyland scenes. Some are funny or whimsical such as *Buxom Fairy* and *Fairy's Bathtime*, others have a fashionable twist like *Steampunk Fairy* and *Gothic Fairy*; some create a world of folklore such as the *Flower Fairy's Baby* and *My Friend the Bird*, and others are perfect for special occasions: *Be My Wife*, *Christmas Tree Fairy* and again, *Flower Fairy's Baby*. Many, like *Peacock Fairy*, are stunningly beautiful. Frances McNaughton is building on the success of her best-selling *Twenty to Make: Sugar Fairies* with these more developed designs, including scenes for the fairies to star in.

Preventable - Andy Slavitt 2021-06-15

\* NATIONAL BESTSELLER \* "Painfully good. The book could have been called, 'Outrageous.' The story Andy Slavitt tells is not just about Trump's monumental failures but also about the deeper ones that started long before, with our health system, our politics, and more." --Atul Gawande, author of *Being Mortal* The definitive, behind-the-scenes look at the U.S. Coronavirus crisis from one of the most recognizable and influential voices in healthcare From former Biden Senior Advisor Andy Slavitt, *Preventable* is the definitive inside account of the United States' failed response to the Coronavirus pandemic. Slavitt chronicles what he saw and how much could have been prevented -- an unflinching investigation of the cultural, political, and economic drivers that led to unnecessary loss of life. With unparalleled access to the key players throughout the government on both sides of the aisle, the principal public figures, as well as the people working on the frontline involved in fighting the virus, Slavitt brings you into the room as fateful decisions are made and focuses on the people at the center of the political system, health care system, patients, and caregivers. The story that emerges is one of a country in which -- despite the heroics of many -- bad leadership, political and cultural fractures, and an unwillingness to sustain sacrifice light a fuse that is difficult to extinguish. Written in the tradition of *The Big Short*, *Preventable* continues Andy Slavitt's important work of addressing the uncomfortable realities that brought America to this place. And, he puts forth the solutions that will prevent us from being here again, ensuring a better, stronger country for everyone.

Beep and his best friend Bob hatch a plan to save Halloween—and their school—in this third book in the hilarious, action-packed *Beep and Bob* series! It's October in space, and Bob is getting excited for his favorite holiday: Halloween. When Bob tells Beep that soon they'll get to dress up like monsters and get as much free candy as they can carry, Beep thinks he has gone to heaven. But Lani informs them that Halloween isn't celebrated at Astro Elementary. Bob cannot imagine life without Halloween! He appeals to Principal Quark, but with no success. Determined to save Halloween, Bob and Lani organize a secret club: SCARES (Scary Costumes Are the Right of Every Student, or, more truthfully, the Society of Candy Addicts who Rely on Energy from Sugar). As the secret club grows, Halloween fever invades Astro Elementary. Unfortunately, a horde of grotesque aliens, attracted by the treats, also invades the school on the last day of the month. With everyone in

costume, no one can tell who's who. Beep and Bob may have saved the holiday, but can they somehow use their sugar-addled wits to save the school?

*Historical Painting Techniques, Materials, and Studio Practice* - Arie Wallert 1995-08-24

Bridging the fields of conservation, art history, and museum curating, this volume contains the principal papers from an international symposium titled "Historical Painting Techniques, Materials, and Studio Practice" at the University of Leiden in Amsterdam, Netherlands, from June 26 to 29, 1995. The symposium—designed for art historians, conservators, conservation scientists, and museum curators worldwide—was organized by the Department of Art History at the University of Leiden and the Art History Department of the Central Research Laboratory for Objects of Art and Science in Amsterdam. Twenty-five contributors representing museums and conservation institutions throughout the world provide recent research on historical painting techniques, including wall painting and polychrome sculpture. Topics cover the latest art historical research and scientific analyses of original techniques and materials, as well as historical sources, such as medieval treatises and descriptions of painting techniques in historical literature. Chapters include the painting methods of Rembrandt and Vermeer, Dutch 17th-century landscape painting, wall paintings in English churches, Chinese paintings on paper and canvas, and Tibetan thangkas. Color plates and black-and-white photographs illustrate works from the Middle Ages to the 20th century.

**MAKING SUGAR MODELS** - VICKY. TEATHER 2019

**The Vanishing Half** - Brit Bennett 2022-02-01

#1 NEW YORK TIMES BESTSELLER ONE OF BARACK OBAMA'S FAVORITE BOOKS OF THE YEAR NAMED A BEST BOOK OF 2020 BY THE NEW YORK TIMES \* THE WASHINGTON POST \* NPR \* PEOPLE \* TIME MAGAZINE\* VANITY FAIR \* GLAMOUR 2021 WOMEN'S PRIZE FINALIST "Bennett's tone and style recalls James Baldwin and Jacqueline Woodson, but it's especially reminiscent of Toni Morrison's 1970 debut novel, *The Bluest Eye*." —Kiley Reid, *Wall Street Journal* "A story of absolute, universal timelessness ... For any era, it's an accomplished, affecting novel. For this moment, it's piercing, subtly wending its way toward questions about who we are and who we want to be..." - *Entertainment Weekly* From The New York Times bestselling author of *The Mothers*, a stunning new novel about twin sisters, inseparable as children, who ultimately choose to live in two very different worlds, one black and one white. The Vignes twin sisters will always be identical. But after growing up together in a small, southern black community and running away at age sixteen, it's not just the shape of their daily lives that is different as adults, it's everything: their families, their communities, their racial identities. Many years later, one sister lives with her black daughter in the same southern town she once tried to escape. The other secretly passes for white, and her white husband knows nothing of her past. Still, even separated by so many miles and just as many lies, the fates of the twins remain intertwined. What will happen to the next generation, when their own daughters' storylines intersect? Weaving together multiple strands and generations of this family, from the Deep South to California, from the 1950s to the 1990s, Brit Bennett produces a story that is at once a riveting, emotional family story and a brilliant exploration of the American history of passing. Looking well beyond issues of race, *The Vanishing Half* considers the lasting influence of the past as it shapes a person's decisions, desires, and expectations, and explores some of the multiple reasons and realms in which people sometimes feel pulled to live as something other than their origins. As with her New York Times bestselling debut *The Mothers*, Brit Bennett offers an engrossing page-turner about family and relationships that is immersive and provocative, compassionate and wise.

**Entangled Life** - Merlin Sheldrake 2020-05-12

NEW YORK TIMES BESTSELLER • A "brilliant [and] entrancing" (*The Guardian*) journey into the hidden lives of fungi—the great connectors of the living world—and their astonishing and intimate roles in human life, with the power to heal our bodies, expand our minds, and help us address our most urgent environmental problems. "Grand and dizzying in how thoroughly it recalibrates our understanding of the natural world."—Ed Yong, author of *I Contain Multitudes* ONE OF THE BEST BOOKS OF THE YEAR—Time, BBC Science Focus, The Daily Mail, Geographical, The Times, The Telegraph, New Statesman, London Evening Standard, Science Friday When we think of fungi, we likely think of mushrooms. But mushrooms are only fruiting bodies, analogous to apples on a tree. Most fungi live out of sight, yet make up a massively diverse kingdom of organisms that supports and sustains nearly all living systems. Fungi provide a key to understanding the planet on which we live, and the ways we think, feel, and behave. In *Entangled Life*, the brilliant young biologist Merlin Sheldrake shows us the world from a fungal point of view, providing an exhilarating change of perspective. Sheldrake's vivid exploration takes us from yeast to psychedelics, to the fungi that range for miles underground and are the largest organisms on the planet, to those that link plants together in complex networks known as the "Wood Wide Web," to those that infiltrate and manipulate insect bodies with devastating precision. Fungi throw our concepts of individuality and even intelligence into question. They are metabolic

masters, earth makers, and key players in most of life's processes. They can change our minds, heal our bodies, and even help us remediate environmental disaster. By examining fungi on their own terms, Sheldrake reveals how these extraordinary organisms—and our relationships with them—are changing our understanding of how life works. Winner of the Wainwright Prize, the Royal Society Science Book Prize, and the Guild of Food Writers Award • Shortlisted for the British Book Award • Longlisted for the Rathbones Folio Prize

**The Psychosocial Implications of Disney Movies** - Lauren Dundes 2019-07-11

In this volume of 15 articles, contributors from a wide range of disciplines present their analyses of Disney movies and Disney music, which are mainstays of popular culture. The power of the Disney brand

has heightened the need for academics to question whether Disney's films and music function as a tool of the Western elite that shapes the views of those less empowered. Given its global reach, how the Walt Disney Company handles the role of race, gender, and sexuality in social structural inequality merits serious reflection according to a number of the articles in the volume. On the other hand, other authors argue that Disney productions can help individuals cope with difficult situations or embrace progressive thinking. The different approaches to the assessment of Disney films as cultural artifacts also vary according to the theoretical perspectives guiding the interpretation of both overt and latent symbolic meaning in the movies. The authors of the 15 articles encourage readers to engage with the material, showcasing a variety of views about the good, the bad, and the best way forward.
