## **Kubla Khan** - Samuel Coleridge 2015-12-15

Though left uncompleted, "Kubla Khan" is one of the most famous examples of Romantic era poetry. In it, Samuel Coleridge provides a stunning and detailed example of the power of the poet's imagination through his whimsical description of Xanadu, the capital city of Kublai Khan's empire. Samuel Coleridge penned "Kubla Khan" after waking up from an opium-induced dream in which he experienced and imagined the realities of the great Mongol ruler's capital city. Coleridge began writing what he remembered of his dream immediately upon waking from it, and intended to write two to three hundred lines. However, Coleridge was interrupted soon after and, his memory of the dream dimming, was ultimately unable to complete the poem. ## **Possession** - A. S. Byatt 2012-04-18

Hailed by *The New York Times Book Review* as "a gifted observer, able to discern the exact details that bring whole worlds into being" and "a storyteller who could keep a sultan on the edge of his throne for a thousand and one nights," A. S. Byatt writes some of the most engaging and skillful novels of our time. *Time* magazine calls her "a novelist of dazzling inventiveness." *Possession*, for which Byatt won England's prestigious Booker Prize, was praised by critics on both sides of the Atlantic when it was first published in 1990. "On academic rivalry and obsession, Byatt is delicious. On the nature of possession—the lover by the beloved, the biographer by his subject—she is profound," said *The Sunday Times* (London). *The New Yorker* dubbed it "more fun to read than *The Name of the Rose* . . . Its prankish verve [and] monstrous richness of detail [make for] a one-woman variety show of literary styles and types." The novel traces a pair of young academics—Roland Michell and Maud Bailey—as they uncover a clandestine love affair between two

long-dead Victorian poets. Interwoven in a mesmerizing pastiche are love letters and fairytales, extracts from biographies and scholarly accounts, creating a sensuous and utterly delightful novel of ideas and passions. With an Introduction by the author that describes the novel's origins and its twenty-year gestation, this Modern Library edition is a handsome keepsake for fans of *Possession*—new and old alike.

*England in 1819* - James Chandler 1999-06-26

1819 was the annus mirabilis for many British Romantic writers, and the annus terribilis for demonstrators protesting the state of parliamentary representation. In 1819 Keats wrote what many consider his greatest poetry. This was the year of Shelley's *Prometheus Unbound*, *The Cenci*, and *Ode to the West Wind*. Wordsworth published his most widely reviewed work, *Peter Bell*, and the craze for Walter Scott's historical novels reached its zenith. Many of these writings explicitly engaged with the politics of representation in 1819, especially the great movement for reform that was fueled by threats of mass emigration to America and came to a head that August with an unprovoked attack on unarmed men, women, and children in St. Peter's Field, Manchester, a massacre that journalists dubbed "Peterloo." But the year of Peterloo in British history is notable for more than just the volume, value, and topicality of its literature. Much of the writing from 1819, argues James Chandler, was acutely aware not only of its place in history, but also of its place as history - a realization of a literary "spirit of the age" that resonates strongly with the current "return to history" in literary studies. Chandler explores the ties between Romantic and contemporary historicism, such as the shared tendency to seize a single dated event as both important on its own and as a "case" testing general principles. To animate these issues, Chandler offers a series of cases of his own built around key texts from 1819.

**Robert E. Lee and Me** - Ty Seidule 2022-01-11

"Ty Seidule scorches us with the truth and rivets us with his fierce sense of moral urgency." --Ron Chernow In a forceful but humane narrative, former soldier and head of the West Point history department Ty Seidule's *Robert E. Lee and Me* challenges the myths and lies of the Confederate legacy—and explores why some of this country's oldest wounds have never healed. Ty Seidule grew up revering Robert E. Lee. From his southern childhood to his service in the U.S. Army, every part of his life reinforced the Lost Cause myth: that Lee was the greatest man who ever lived, and that the Confederates were underdogs who lost the Civil War with honor. Now, as a retired brigadier general and Professor Emeritus of History at West Point, his view has radically changed. From a soldier, a scholar, and a southerner, Ty Seidule believes that American history demands a reckoning. In a unique blend of history and reflection, Seidule deconstructs the truth about the Confederacy—that its undisputed primary goal was the subjugation and enslavement of Black Americans—and directly challenges the idea of honoring those who labored to preserve that system and committed treason in their failed attempt to achieve it. Through the arc of Seidule's own life, as well as the culture that formed him, he seeks a path to understanding why the facts of the Civil War have remained buried beneath layers of myth and even outright lies—and how they embody a cultural gulf that separates millions of Americans to this day. Part history lecture, part meditation on the Civil War and its fallout, and part memoir, *Robert E. Lee and Me* challenges the deeply-held legends and myths of the Confederacy—and provides a surprising interpretation of essential truths that our country still has a difficult time articulating and accepting.

*Thirsty Dragon* - Suzanne Mustacich 2015-11-10

An inside view of China's quest to become a global wine power and Bordeaux's attempt to master the thirsty dragon it helped create. The wine merchants of Bordeaux and the rising entrepreneurs of China would seem to have little in common—Old Europe versus New China, tradition versus disruption, loyalty versus efficiency. And yet these two communities have found their destinies intertwined in the conquest of new markets, as Suzanne Mustacich shows in this provocative account of how China is reshaping the French wine business and how Bordeaux is making its mark on China. *Thirsty Dragon* lays bare the untold story of how an influx of Chinese money rescued France's most venerable wine region from economic collapse, and how the result was a series of misunderstandings and crises that threatened the delicate infrastructure of Bordeaux's insular wine trade. The Bordelais and the Chinese do business according to different and often incompatible sets of rules, and Mustacich uncovers the competing agendas and little-known actors who are transforming the economics and culture of Bordeaux, even as its wines are finding new markets—and ever higher prices—in Shanghai, Beijing, and Hong Kong, with Hong Kong and London traders playing a pivotal role. At once a tale of business skulduggery and fierce cultural clashes, adventure, and ambition, *Thirsty Dragon* offers a behind-the-scenes look at the challenges facing the world's most famous and prestigious wines.
