Comprehending as without difficulty as contract even more than further will have enough money each success. adjacent to, the proclamation as without difficulty as sharpness of this Vodka can be taken as capably as picked to act.

Viva Vodka - W. Park Kerr 2013-07-30

From the author of *Viva Margarita* come 50 recipes for elegant vodka-based cocktails, down-and-dirty shooters, refreshing patio coolers, frozen and creamy indulgences, and an array of dazzling new flavor combinations. Sure, the recipe for a classic martini is in here, but that's just the beginning. Get a Caipirovska, the Russian equivalent of Brazil's famous Caipirinha (just trade out the cachaa for cold, refreshing vodka, sit back, and enjoy). Or try the Arrivederci Capri, a sunny little drink with citrusy lemoncello. And for the truly hardcore, the In-a-Vodka-Da-Vida section is filled with knockout recipes for shooters and shots. Viva Vodka there's a whole lotta shakin' goin' on.

Are You There, Vodka? It's Me, Chelsea - Chelsea Handler 2009-12-29

The comedienne star of the Chelsea Handler Show describes her experiences with misbegotten boyfriends, her eccentric mixed-religion parents and the working world, a lifetime marked by numerous inebriated misadventures. Reprint. A #1 best-seller.

The Vodka Bible - Paul Knorr 2010

"Vodka is your enemy, so pound it in the gullet!" - traditional Polish toast  
What is the secret to the perfect vodka martini? Is there really a difference between Russian and Polish vodkas? What does triple distillation mean? The *Vodka Bible* is the place to come for answers to these and all other vodka-related questions. Written by Paul Knorr, a popular author whose books have sold more than 100,000 copies, this delicious compendium contains over 2,000 recipes, both classic and current, and with some tasty surprises, too. The chapters are organized by drink type: martinis, shots and shooters, layered shots, classic drinks, "bomber" drinks, tall and short drinks, and even X-rated drinks—with names that will shock and tantalize even the most jaded reader! Paul concludes with a resource list of the world's famous vodkas, their locations, unique qualities, and websites, and finally with a detailed index arranged by drink names and ingredients.

Vodka - Boris Starling 2006-02-07

December 1991. Beautiful American banker Alice Liddell has arrived in Moscow as it reels under the collapse of the Soviet Union and suffers a brutal war between mafia gangs for control of the violently changing city. Hired to oversee the privatization of Russia's legendary vodka distillery—the Red October—Alice soon finds her ideals compromised by its director Lev, a gangland member as dangerously seductive as he is ruthless. When a shadowy enemy vows revenge on Lev, and a series of bizarre serial murders erupts in the darkest corners of the city, Alice finds herself being drawn into the dangerously violent underground world of Moscow. "[A] dense, captivating novel of modern-day Russia . . . so fascinating that delighted readers will gulp it down like the novel's free-flowing, ubiquitous vodka."—Publishers Weekly "A potent crime thriller cocktail."—Library Journal

**100 millones de Hair Ties y un Vodka Tonic (versión**

**Latinoamérica y Estados Unidos)** - Sophie Trelles-Tvede 2021-11-12  
Cuando Sophie Trelles-Tvede era una estudiante universitaria, inventó la primera goma de pelo en forma de espiral del mundo con solo 18 años y la llamó invisibobble (renunciando a muchos vodka tonics e invirtiendo todo el dinero ahorrado en su invento). Ahora, con 28 años, ha vendido más de 100 millones de este accesorio para el cabello, a través de 100 000 puntos de venta en más de 70 países, y su negocio factura decenas de millones de dólares al año. 100 millones de Hair Ties y un Vodka Tonic es una mirada entre bastidores a lo que realmente supone emprender y poner en marcha un negocio. Con una gran dosis de humor, Sophie relata su experiencia con las trabas legales, las negociaciones con los distribuidores o con el proceso de fabricación, pero también cuenta los errores que ha cometido y los retos y desafíos, a veces totalmente imprevisibles, a los que se ha tenido que enfrentar: cuando un barco con 10 000 invisibobbles se quemó, cuando Amazon retiró toda su gama de productos justo antes de Navidad o cuando un tifón destruyó su fábrica en China pero nadie se lo contó durante semanas. Los secretos del éxito de invisibobble son, en gran medida, las historias de cómo esta

emprededora logró superar todos estos desafíos y ahora Sophie las revela todas en esta fantástica lectura.

Vodka Politics - Mark Schrad 2014-03

Alcohol and alcoholism have long been prominent features in Russian life and culture. But as Mark Schrad vividly shows in *Vodka Politics*, it has also been central to Russian politics. Not simply a chronicle of drinking in Russia, this book shows how alcohol has been a key shaping force in Russian political history.

**How to Be a Vodka Snob** - Brittany Jacques 2021-04

Do you know your Moscow Mule from your White Russian? Your Stoli from your Belvedere? Micron filtering from charcoal filtering? No matter how you take your vodka, it is time to embrace your inner vodka snob. *How to Be a Vodka Snob* is the perfect read for drinking novices as well as connoisseurs, beginning with vodka's humble history as a medicinal liquor and accompanying it on its rise to stardom with high-end vodka appreciators and mixologists. Pairing fascinating stories, tidbits, and recipes with a step-by-step guide to becoming a vodka snob, Brittany Jacques offers a beginner's guide to proper glassware, equipment needed for the home bar, and the all-important vodka lingo. Ever wanted to order a filthy martini, stirred, extra wet? *How to Be a Vodka Snob* is the perfect book for you. *How to Be a Vodka Snob* features more than 50 recipes with everything from James Bond's favorite Martini to Dwight's Beets Over Rocks from *The Office*, as well as accompanying nibbles and side dishes. With Brittany Jacques as your guide, your journey to becoming a vodka snob starts here.

A Backpack, a Bear, and Eight Crates of Vodka - Lev Golinkin 2015-10-13

A compelling memoir—"hilarious and heartbreaking" (*The New York Times*)—of two intertwined journeys: a Jewish refugee family in Ukraine fleeing persecution and a young man seeking to reclaim a shattered past. In the twilight of the Cold War (the late 1980s), nine-year old Lev Golinkin and his family cross the Soviet border, leaving Ukraine with only ten suitcases, \$600, and the vague promise of help awaiting in Vienna. Years later, Lev, now an American adult, sets out to retrace his family's long trek, locate the strangers who fought for his freedom, and in the process, gain a future by understanding his past. This is the vivid, darkly comic, and poignant story of Lev Golinkin in the confusing and often chilling final decade of the Soviet Union, and "of a Jewish family's escape from oppression ... whose drama, hope and heartache Mr. Golinkin captures brilliantly" (*The New York Times*). It's also the story of Lev Golinkin as an American man who finally confronts his buried past by returning to Austria and Eastern Europe to track down the strangers who made his escape possible ... and say thank you. Written with biting, acerbic wit and emotional honesty in the vein of Gary Shteyngart, Jonathan Safran Foer, and David Bezmozgis, Golinkin's search for personal identity set against the relentless currents of history is more than a memoir—it's a portrait of a lost era. This is a thrilling tale of escape and survival, a deeply personal look at the life of a Jewish child caught in the last gasp of the Soviet Union, and a provocative investigation into the power of hatred and the search for belonging. Lev Golinkin achieves an amazing feat—and it marks the debut of a fiercely intelligent, defiant, and unforgettable new voice.

Vodka - Ian Wisniewski 2003

As the world's most popular and versatile liquor, vodka is at the heart of any bar, served neat to sip and savor, or as an essential ingredient in the coolest cocktails. Ian Wisniewski reveals all you need to know about vodka. He explores vodka's traditional homelands and leading distilleries, explaining the differences between vodkas distilled using barley, wheat, corn, rye, and potatoes. From classic Polish and Russian vodkas such as Wyborowa and Stolichnaya to flavoured vodkas—fruity Ketel One Citroen and herbaceous Zubrowka—there has never been such a wide range of vodka available. Ian provides practical tips on how best to enjoy vodka, with recipes for classic vodka-based cocktails, and ideas for some great dishes to try with it, including Scandinavian-style crayfish and Russian blinis with sour cream and caviar. Whether you prefer to sip

or shoot, with Vodka at hand you'll soon become a connoisseur of this fascinating liquor.

*Gin Vodka Tequila* - Brian Lucas 2013-11-26

With more than 150 stylish recipes plus a fact-packed introduction to the ingredients and equipment you need to set up and stock your own home bar, *Gin Vodka Tequila* is the ultimate home cocktail recipe book. GVT is divided into chapters on the three key base spirits and offers a range of traditional favorites alongside the most contemporary mixes around.

There's at least one cocktail guaranteed to suit your every possible mood. If you're heading out for a night on the town, look no further than the Vodka Martini. If you simply want to kick back with some friends, treat yourself to a sophisticated Mad Men-inspired Gimlet. Interspersed throughout the book are 10 "Cocktail Classics" - from the Bramble to the Bloody Mary; the Tom Collins to the Tequila Sunrise. Whatever the occasion, GVT offers a simple, no-nonsense approach to rustling up something special. A bonus section provides essential tips on matching every recipe with the appropriate glass.

**Vodka Classified** - Stuart Walton 2009-11-02

Made from grains, molasses, potatoes, and even grapes, vodka is the traditional beverage in eastern Europe and Scandinavia, but has recently become ultra-fashionable elsewhere in the world. This extensive guide highlights vodkas both from the traditional producing countries?Russia, Poland, Finland, Sweden, and the Baltic States?as well as newer distilleries worldwide, from Kazakstan to New Zealand. Tasting notes on the different styles and flavors are included along with information on the origins, history, and regions of vodka production. Dozens of classic and refreshing new recipes round out this comprehensive guide to one of the world's most popular liquors.

[A History of Vodka](#) - Vil'i[a]m Vasil'evich Pokhlebkin 1992-12-17

With formidable scholarship and considerable dry wit, William Pokhlebkin, one of Russia's best-known historians sets out on the detective trail. His aim: to reveal the strange truth about his country's most famous tippie. The result is a triumph of historical deduction.

*Vodka Made Me Do It* - Colleen Graham 2022-07-12

The world's most iconic spirit is getting a face lift with 60 delightfully rowdy refreshments to turn any cocktail enthusiast into a vodka bon vivant. As one of the most versatile liquors on the market, vodka presents endless opportunities for crowd-pleasing punches, fruity shots, and refreshing cocktails. This seventh addition to the stunning *Made Me Do It* series, *Vodka Made Me Do It* is jam-packed with 60 innovative cocktail recipes and brimming with infusions, syrups, and gorgeous illustrations from beloved cocktail illustrator Ruby Taylor. Recipes include classics like the Espresso Martini and Moscow Mule, as well as unique creations like a Jalapeño Vodkarita and a Kiwi Martini. Whether you prefer sipping White Russians in a bowling alley, instructing shaken but not stirred, or rocking Carrie Bradshaw's stilettos and an iconic Cosmo, vodka is, and will forever be, the quintessential party starter.

**Absolut Book** - Richard W. Lewis 1996

A New York Times bestseller, *Absolut Book* is the behind-the-scenes account of the birth and growth of this award-winning campaign and provides a definitive illustrated history of one of the most successful ad campaigns ever. It is a collector's delight with nearly five hundred ads.

**'Living Water' : Vodka and Russian Society on the Eve of Emancipation** - David Christian 1990-07-26

This is a study of the social, economic, and political role of Vodka in nineteenth-century Russia. Since the 'Green Serpent' first appeared in sixteenth-century Muscovy, it has played a vital part in Russian life. Vodka became an essential part of Russian working-class celebrations: personal, religious, and commercial. Trade in Vodka redistributed wealth upwards through Russian society over several centuries. Indeed, Russia's status as a great power was underpinned by it: by the nineteenth century, it generated one-third of government revenue - enough to cover most of the costs of the vast army. The dependence on Vodka of both people and state has endured into the Gorbachev era. But despite Vodka's key role in Russian history, and the complex network of corruption associated with it, the subject has been ignored by most historians until now. This study concentrates on an important transitional era in the history of Vodka: the early nineteenth century. During this period, Vodka taxes played the role that salt taxes had played in the ancien r-eacute--;gime in France. The abolition of the tax farm in 1863 should be seen as one of the most important of the 'Great Reforms' of the 1860s, an era which, in many ways, parallels the glasnost of the 1980s.

**Vodka Politics** - Mark Lawrence Schrad 2016-04-01

Russia is famous for its vodka, and its culture of extreme intoxication.

But just as vodka is central to the lives of many Russians, it is also central to understanding Russian history and politics. In *Vodka Politics*, Mark Lawrence Schrad argues that debilitating societal alcoholism is not hard-wired into Russians' genetic code, but rather their autocratic political system, which has long wielded vodka as a tool of statecraft. Through a series of historical investigations stretching from Ivan the Terrible through Vladimir Putin, *Vodka Politics* presents the secret history of the Russian state itself—a history that is drenched in liquor. Scrutinizing (rather than dismissing) the role of alcohol in Russian politics yields a more nuanced understanding of Russian history itself: from palace intrigues under the tsars to the drunken antics of Soviet and post-Soviet leadership, vodka is there in abundance. Beyond vivid anecdotes, Schrad scours original documents and archival evidence to answer provocative historical questions. How have Russia's rulers used alcohol to solidify their autocratic rule? What role did alcohol play in tsarist coups? Was Nicholas II's ill-fated prohibition a catalyst for the Bolshevik Revolution? Could the Soviet Union have become a world power without liquor? How did vodka politics contribute to the collapse of both communism and public health in the 1990s? How can the Kremlin overcome vodka's hurdles to produce greater social well-being, prosperity, and democracy into the future? Viewing Russian history through the bottom of the vodka bottle helps us to understand why the "liquor question" remains important to Russian high politics even today—almost a century after the issue had been put to bed in most every other modern state. Indeed, recognizing and confronting vodka's devastating political legacies may be the greatest political challenge for this generation of Russia's leadership, as well as the next.

*Black Vodka* - Deborah Levy 2017-05-09

Now in paperback, a "tantalizingly poetic" (NYTBR) collection in which Levy "conquer[s] the genre which demands she fashion perfect jewels" (The Independent). The stories in *Black Vodka*, by acclaimed author Deborah Levy, are perfectly formed worlds unto themselves, written in elegant yet economical prose. She is a master of the short story, exploring loneliness and belonging; violence and tenderness; the ephemeral and the solid; the grotesque and the beautiful; love and infidelity; and fluid identities national, cultural, and personal. In "Shining a Light," a woman's lost luggage is juxtaposed with far more serious losses. An icy woman seduces a broken man in "Vienna," and a man's empathy threatens to destroy him in "Stardust Nation." "Cave Girl" features a girl who wants to be a different kind of woman—she succeeds in a shocking way. A deformed man seeks beauty amid his angst in the title story. These are twenty-first century lives dissected with razor-sharp humor and curiosity. Levy's stories will send you tumbling into a rabbit hole, and you won't be able to scramble out until long after you've turned the last page.

[Vodka](#) - Patricia Herlihy 2012-05-15

Vodka is the most versatile of spirits. While people in Eastern Europe and the Baltic often drink it neat, swallowing it in one gulp, others use it in cocktails and mixed drinks—bloody marys, screwdrivers, white russians, and Jell-O shots—or mix it with tonic water or ginger beer to create a refreshing drink. Vodka manufacturers even infuse it with flavors ranging from lemon and strawberry to chocolate, bubble gum, and bacon. Created by distilling fermented grains, potatoes, beets, or other vegetables, this colorless, tasteless, and odorless liquor has been enjoyed by both the rich and the poor throughout its existence, but it has also endured many obstacles along its way to global popularity. In this book, Patricia Herlihy takes us for a ride through vodka's history, from its mysterious origins in a Slavic country in the fourteenth century to its current transatlantic reign over Europe and North America. She reveals how it continued to flourish despite hurdles like American Prohibition and being banned in Russia on the eve of World War I. On its way to global domination, vodka became ingrained in Eastern European culture, especially in Russia, where standards in vodka production were first set. Illustrated with photographs, paintings, and graphic art, *Vodka* will catch the eye of any reader intrigued by how "potato juice" became an international industry.

*Love & Vodka* - Christina Strigas 2016-12-02

*Love & Vodka* is Christina Strigas' third poetry book. This book is written for all the hearts that shatter, that are transparent, that crack, rebuild and see truth. This is for the souls that connect through words. The poems in this book will make you breathless from their honesty. This poetry collection is full of poems that will make you contemplate the magic of connections disconnections, rejection, love, drinking, pain, marriage, loneliness, honor and the perils of living so many lifetimes in one. Delve into poetry head first and read passages over again to

connect. This book has a modern feel with an ancient way of writing. Inspired by Anne Sexton, Sylvia Plath and modern poets such as Mary Oliver and Billy Collins to name a few, Christina Strigas uses stream of consciousness to devour themes and words and spurt them forth into a poem. A contemporary poetry book that will not disappoint you and that will restore your faith into the power of poetry again.

**Vodka 1000** - Ray Foley 2007

Ray Foley, publisher of Bartender magazine, presents 1,000 cocktails, food recipes, fascinating facts, and resources about the spirit that inspired such marvelous inventions as the Martini, the Cosmopolitan, and Vodka Lemon-Meringue Layer Cake. From the #1 name in bartending, The Vodka 1000 is a must-have for bartenders, cooks, and vodka enthusiasts.

**Mini Bar: Vodka** - Mittie Hellmich 2010-07-01

The Mini Bar series maybe small in size, but each tiny tome is filled with classic and original recipes that pack quite a wallop! Vodka enthusiasts will find delightful concoctions covering everything from the sophisticated Martini to the festive Fig Leaf Fizz. Each volume in this new series tells the history of its particular alcohol, as well as its distinct traits and characteristics. A glossary of essential bar tools and cocktail terminology will ensure readers not only walk the walk of an expert mixologist, but also talk the talk. With more than 50 delicious recipes, this little cocktail book makes a spirited stocking stuffer or great gift.

**Vodka: Shake, Muddle, Stir** - Dan Jones 2019-10-15

When it comes to boozy beverages, vodka is the undisputed king. From the Bloody Mary to the Moscow Mule, vodka is the alcoholic chameleon that is the base of the many of the world's most beloved cocktails. In *Vodka: Shake, Muddle, Stir*, Dan Jones introduces readers to some fun and classy ways to consume this cherished tippie. Starting with the basic kit for your home bar, and following with the best vodka-makers on the planet, you'll be shopping for your bartending tools like a pro. With more Martini and Cosmopolitan recipes than you can shake a cocktail shaker at, as well as a glut of amazing cocktails you have never even heard of, this is a collection that will enhance your drink repertoire forever.

**Vodka** - Victorino Matus 2014-07-01

Vodka began as rotgut medicine in Medieval Russia, but this neutral grain alcohol has become our uncontested king of spirits, with over 1,000 brands fighting for market share. But it wasn't always thus. For two centuries, America drank the brown stuff: rum and whiskey. So how did Russia's "little water" unseat our favorite hooch? Vic Matus takes us on an incredible visual journey from vodka's humble American origins in a Depression-era Connecticut factory—using the family recipe of a poor Russian exile named Vladimir Smirnov—through its glamorous rise to fame at the hands of James Bond and Sex and the City to today's craft distillery movement. You'll see in clear, intoxicating detail how hippie culture, women's lib, and an absolutely ingenious Swedish company all played their part, transforming the booze into a status symbol. By 1975, the war had ended: Vodka officially became our favorite spirit. Today, a third of all cocktails contain it, and last year 140 million gallons of the stuff racked up \$20 billion in sales. Here is the crisply distilled, bracing story of how entrepreneurs defied the odds and turned medieval medicine into a multibillion-dollar industry.

**Vodka Made Me Do It** - Colleen Graham 2022-09-15

60 Vibrant Vodka Cocktails

**Vodka Cocktails** - Stuart Walton 2013-12-01

How to make all the fabulous vodka drinks, from the Screwdriver, Harvey Wallbanger and Sea Breeze to more exotic concoctions such as the Chilli Vodkatini, Après-Ski and French Horn.

**Absolut Book** - Richard W. Lewis 1996-10-15

Highlighting the award-winning marketing and advertising campaign of Absolut Vodka, this art and design book features over 250 pages of magnificent bottle art and iconic ads. The absolute vodka advertising campaign has been running nonstop for fifteen years, which, in advertising, is practically forever. Industry insiders hail it as one of the most successful campaigns in the history of advertising, and the star of the ads is always the beautiful, artful, chameleon-like bottle from Sweden. The Absolut ads are celebrated as much for their ingenuity as their longevity. They are full of wit, artistry, and imagination as they deftly communicate the brand's values, often containing little challenges to the reader to interpret just what's happening inside the ad. Flip

through the over 250 pages of magnificent bottle art featured in this beautiful graphic design book. This advertising book features 15 chapters each chronicling the long life of this world-famous glass art. In *Absolut Book* author, Richard Lewis of TBWA Chiat/Day, Absolut's advertising agency from the beginning, shares an intriguing, behind-the-scenes account of the birth and growth of this heralded campaign, its personalities and creators, and the paths they've taken to keep it perpetually fresh.

**Milk Eggs Vodka** - Bill Keaggy 2007-04-24

Cabich, bird fude, nodiles, buttermilk, dog yogurt, bannes, hare sope, cream of salary soup. What do these things have in common? They're all items from real grocery lists. Whose lists? Who knows. The lists were found discarded in shopping carts, dropped on supermarket floors and parking lots, even tucked in returned library books. But the fact that they were discarded is not what's interesting about them. It's that they were found - found and/or collected by Bill Keaggy, proprietor of Grocerylists.org and the author of the world's first compilation of lost grocery lists. This book. If we are what we eat, then this book reveals deep and strange truths about the average food shopper (not to mention more mundane facts like a lot of people love vodka, banana is actually very difficult to spell and that butter used to be dyed yellow using marigolds). Separated into chapters - funny lists, sad lists, unhealthy lists, organized lists - the book also includes humorous commentary by the author and some delicious recipes created from found grocery lists. Quirky sidebars and odd food facts round out the menu. \*Translation: Cabbage, bird food, noodles, buttermilk, dog yogurt (duh), bananas, shampoo, cream of celery soup.

Vodka - Frederic Du Bois 2018-09-14

- A clear overview of the origins, taste and aroma of Vodka- The next book in the best-selling series that includes *Gin & Tonic* ISBN 9789401425605 and *Tequila & Mezcal* ISBN 9789401434645. Also forthcoming in the series is *Rum* ISBN 9789401450072- With a unique taste classification systemFor a long time vodka has been more than just Russia and Poland's national drink. From Asia and Great-Britain to the United States: this fire water has conquered the world and is now the most sold spirit internationally. The term 'fire water' refers to its most distinguishable quality: a neutral spirit, without smell and with a pure taste. It turned vodka also into a bar-tender's best friend and the basis of every Cosmopolitan, Moscow Mule or Bloody Mary. *Vodka - The Complete Guide* tells the whole story, from the origin and production method to an overview of the numerous vodka brands and the most delicious cocktails. The book also teaches you the best way to enjoy it to the fullest.

Vodka Distilled - Tony Abou-Ganim 2013-01-21

Over the course of the past two decades, Tony Abou-Ganim has earned his reputation as one of the leaders of the craft cocktail movement. Through his work with food and hospitality legends like Mario Batali, Steve Wynn, and Harry Denton, Abou-Ganim has earned his reputation as "the Modern Mixologist," someone bringing the traditional art of mixology into the 21st century for the benefit of new generations. On the heels of the success of *The Modern Mixologist: Contemporary Classic Cocktails*, Tony Abou-Ganim has written *Vodka Distilled* as a companion piece focusing entirely on this clear spirit. It is a comprehensive look at the vodka marketplace, geared toward those working in the profession as well as the giant audience of vodka drinkers. This one-of-a-kind resource establishes a new standard in defining and understanding the world's most consumed spirit. *Vodka Distilled* appeal to both enthusiasts and aficionados by explaining how traditional-style vodkas—those produced in Eastern Europe—differ in character from those made in the West, and how different raw materials and distillation and filtration methods

contribute to these variations in character. By breaking down the characteristics of each highlighted vodka, Abou-Ganim helps readers better understand, appreciate, and enjoy this noble spirit.

**Vodka** - Victorino Matus 2014-07-01

It began as poisonous rotgut in Medieval Russia—Ivan the Terrible liked it, Peter the Great loved it—but this grain alcohol "without distinctive character, aroma, taste, or color" has become our uncontested king of spirits. Over a th

The King of Vodka - Linda Himelstein 2010-11-30

Born in a Russian village in 1831, Pyotr Smirnov relied on vodka to turn a life of scarcity and anonymity into one of immense wealth and international recognition. Starting from the back rooms and side streets of nineteenth-century Moscow, Smirnov exploited brilliant grassroots marketing strategies to popularize his products and ensconce his brand in the thirsts and imaginations of drinkers around the world. His vodka would be gulped in the taverns of Russia and Europe, be praised with accolades at world fairs, and become a staple on the tables of tsars. But his improbable ascent would be halted by the chaos of the Bolshevik Revolution, and only a bizarre set of coincidences—including an incredible prison escape by one of Smirnov's sons in 1919—would prevent Smirnov's legacy from fading into obscurity. Set against a backdrop of political and ideological currents that would determine the course of global events, *The King of Vodka* is much more than a biography of a humble serf who rose to create one of the most celebrated business empires the world has ever known. It is a work of sweeping narrative history on an epic scale.

**Vodka** - Robert Von Goeben 1999

Featuring recipes for vodka-based drinks and dishes, this guide also includes a complete, cross-cultural history of vodka, with information on production, brands, and popularity throughout the world. Color photos.
