Australian Superannuation Legislation, 2012, 16th ed - 2013
"Consolidated to 1 January 2013, this title contains a summary of 2012 amending Acts and Regulations to superannuation, tax and related laws, and is the essential legislation book for practitioners. The publication includes the complete superannuation industry supervision (SIS) legislation, superannuation guarantee Act, unclaimed superannuation money Act, and government co-contributions Act. It also includes relevant extracts from the income tax and taxation administration Acts, and other laws impacting on superannuation operation."--Publisher's website.

Maritime Work Law Fundamentals: Responsible Shipowners, Reliable Seafarers - Iliana Christodoulou-Varotsi 2007-10-31
The importance of international maritime labour law - both as a component of - ternational maritime law, and in socio-political and economic terms - has been recognised by the IMO International Maritime Law Institute for a number of years. Indeed, the Institute has annually organised a course on maritime labour law with the participation of inter alia the International Maritime Organization, the - ternational Labour Organization, the International Transport Workers' Federation, and the German Shipowners' Association. It was therefore a great pleasure when

the authors invited me to introduce their forthcoming monograph on Maritime Work Law Fundamentals: Responsible S- powners Reliable Seafarers. As the title suggests, a fundamental challenge of this branch of international maritime law is to achieve a balance between the interests of the two main stakeholders. Institutionally, the effort to achieve this balance dates back a number of decades with its genesis mainly found in the work of the International Labour Organization. It has to be said that whilst this effort achieved great progress, it has led to a haphazard, plethora of legal instruments.
Martindale-Hubbell Law Digest - Martindale-Hubbell 2003-04
