Rules - Cynthia Lord 2008

The Game Narrative Toolbox - Tobias Heussner 2015-06-05

Learn how to create compelling game storylines. Four experienced narrative designers from different genres of game development have banded together to create this all-inclusive guide on what it's like to work as a writer and narrative designer in the videogame industry. From concept to final testing, The Game Narrative Toolbox walks readers through what role a narrative designer plays on a development team and what the requirements are at every stage of development. Drawing on real experiences, authors Tobias Heussner, Toiya Finley, Ann Lemay, and Jennifer Hepler provide invaluable advice for writing compelling player-centered stories and effective dialogue trees in order to help readers make the switch from prose- or screen- writing to interactive. Accompanying every chapter are exercises that allow the reader to develop their own documentation, outlines, and game-dialogue samples for use in applying for industry jobs or developing independent projects. This first installment of Focal Press's Game Design Workshops series is a must-have for individuals looking to create captivating storylines for games.

The Marriage Plot - Jeffrey Eugenides 2011-10-11

A New York Times Notable Book of 2011 A Publisher's Weekly Top 10 Book of 2011 A Kirkus Reviews Top 25 Best Fiction of 2011 Title One of Library Journal's Best Books of 2011 A Salon Best Fiction of 2011 title One of The Telegraph's Best Fiction Books of the Year 2011 It's the early 1980s—the country is in a deep recession, and life after college is harder than ever. In the cafés on College Hill, the wisecracking kids are inhaling Derrida and listening to Talking Heads. But Madeleine Hanna, dutiful English major, is writing her senior thesis on Jane Austen and George Eliot, purveyors of the marriage plot that lies at the heart of the greatest English novels. As Madeleine tries to understand why "it became laughable to read writers like Cheever and Updike, who wrote about the suburbia Madeleine and most of her friends had grown up in, in favor of reading the Marquis de Sade, who wrote about deflowering virgins in eighteenth-century France," real life, in the form of two very different guys, intervenes. Leonard Bankhead—charismatic loner, college Darwinist, and lost Portland boy—suddenly turns up in a semiotics seminar, and soon Madeleine finds herself in a highly charged erotic and intellectual relationship with him. At the same time, her old "friend" Mitchell Grammaticus—who's been reading Christian mysticism and generally acting strange—resurfaces, obsessed with the idea that Madeleine is destined to be his mate. Over the next year, as the members

of the triangle in this amazing, spellbinding novel graduate from college and enter the real world, events force them to reevaluate everything they learned in school. Leonard and Madeleine move to a biology Laboratory on Cape Cod, but can't escape the secret responsible for Leonard's seemingly inexhaustible energy and plunging moods. And Mitchell, traveling around the world to get Madeleine out of his mind, finds himself face-to-face with ultimate questions about the meaning of life, the existence of God, and the true nature of love. Are the great love stories of the nineteenth century dead? Or can there be a new story, written for today and alive to the realities of feminism, sexual freedom, prenups, and divorce? With devastating wit and an abiding understanding of and affection for his characters, Jeffrey Eugenides revives the motivating energies of the Novel, while creating a story so contemporary and fresh that it reads like the intimate journal of our own lives.

Little, Big - John Crowley 2012-05-22

John Crowley's masterful *Little, Big* is the epic story of Smoky Barnable, an anonymous young man who travels by foot from the City to a place called Edgewood—not found on any map—to marry Daily Alice Drinkawater, as was prophesied. It is the story of four generations of a singular family, living in a house that is many houses on the magical border of an otherworld. It is a story of fantastic love and heartrending loss; of impossible things and unshakable destinies; and of the great Tale that envelops us all. It is a wonder.

The Jasper Love Trilogy - Onyx Cantor 2020-03-02

This is the story of one man's triumph over Cult Religion. As a preacher's son, Jasper Love struggled to comply with the dogma and bigotry of the unpredictably changeable Doctrine of Good Enough dictated by Cult Religion. He and four sisters labored to comply with cult demands consistent with their mother's mantra: "People expect preacher's kids to be perfect." The Voice of Truth (bestowed on Jasper as a child in a genuine salvation encounter with Jesus Christ) conflicts with voices of deception from pulpits and pews, triggering crippling anxiety, depression, and suicidal ideation. Further compounding his confusion is

a terrifying awareness of the cult's distortion of scripture concerning his innate identity. When a Connecticut preacher detects his private struggle, the Bible scholar promises: "If you marry a good Pentecostal girl, this thing will just fade away." Jasper foolishly accepts the challenge, believing that the pastor's counsel is based on Truth. A 32-year battle ensues, during which a Pentecostal preacher's daughter who, aware of his struggle and trained in Exploitation of Advantage, manipulates and controls the miserable husband who strives to suppress and conceal an innate identity which "simply won't leave me alone." Cultists despise his genuine relationship with God when the Holy Spirit weakens the tenacious grasp of the antiChrist's claim on his soul, rescuing him from abominable doctrines through Spiritual Enlightenment to Truth Absolute. Spiritual Warfare ensues, during which he is molested by authority figures, betrayed by cult dishonesty, falls into sin, is attacked by demons, and is delivered by the Holy Ghost through visions of spiritual combat between the demons of Cult Religion and the Angels of Truth. In the end, his foolish attempt to conform with the Doctrine of Good Enough predictably results in the destruction of everything he wasted a lifetime building: marriage, family, home, career, material wealth, and reputation. Yet, in losing all, he is delivered from the Darkness of cult idolatry, whereupon he is finally free to immerse himself in genuine Truth, Light, and Love, breaking the tyrannical chains of Cult Religion. Released by the Holy Spirit from cult bondage, he is at last unleashed to fulfill his destiny: To teach the Truth about Jasper Love (that boundless, unconditional love known only to those who genuinely experience Spiritual Enlightenment) to a people deceived by the hateful harlots of idolatry who are nothing more than power-crazed, authoritarian, self-aggrandizing, despotic antiChrist heretics who worship only one god - CONTROL.

Geek Love - Katherine Dunn 2011-05-25

National Book Award finalist Here is the unforgettable story of the Binewskis, a circus-geek family whose matriarch and patriarch have bred their own exhibit of human oddities (with the help of amphetamine, arsenic, and radioisotopes). Their offspring include Arturo the Aquaboy,

who has flippers for limbs and a megalomaniac ambition worthy of Genghis Khan . . . Iphy and Elly, the lissome Siamese twins . . . albino hunchback Oly, and the outwardly normal Chick, whose mysterious gifts make him the family's most precious—and dangerous—asset. As the Binewskis take their act across the backwaters of the U.S., inspiring fanatical devotion and murderous revulsion; as its members conduct their own Machiavellian version of sibling rivalry, *Geek Love* throws its sulfurous light on our notions of the freakish and the normal, the beautiful and the ugly, the holy and the obscene. Family values will never be the same.

Book of Good Love - Juan Ruiz 1972-06-30

A masterpiece in the tradition of the Decameron and the Canterbury Tales, Juan Ruiz's fourteenth-century Spanish narrative poem combines the comic and the serious, the bawdy and the practical, the satiric and the tender, the devout and the blasphemous. In a first prose translation, Professors Mignani and Di Cesare succeed in conveying the vitality and sly humor of the original. The poem consists of a loosely unified series of fourteen amorous adventures of the Archpriest of Hita, interlaced with debates, fabliaux, fables, and exempla. Ruiz suggests that while man ought to seek *buen amor* (true love, or love of God), he is prone to *loco amor*, or worldly love. The Book proposes to show human folly so that men may be forewarned of the bad and choose the good. The episodes related in the stanzas and in songs in various lyrical styles parody such conventions as courtly love, epic battle, or church ritual. Ruiz was clearly fascinated by the concrete, as well as the allegorical, for his episodes have dates and actual settings, and popular speech is incorporated into his verses. In their introduction, the translators survey the major scholarly studies of the poem and offer their own critical reading of it. Their annotated bibliography and notes to the translation will be useful to students as well as scholars.

The 5 Love Languages of Children - Gary Chapman 2016-04-15

More than 1 million sold! You know you love your child. But how can you make sure your child knows it? The #1 New York Times bestselling *The 5 Love Languages®* has helped millions of couples learn the secret to

Love You Forever - Robert N. Munsch 1986

As her son grows up from little boy to adult man, a mother secretly rocks him each night as he sleeps.

[What Are the 5 Love Languages?](#) - Gary Chapman 2015-06-10

Simple ideas, lasting love—all in a short read In this abridged version of the New York Times bestseller *The 5 Love Languages®*, relationships expert Dr. Gary Chapman offers a trimmed-down explanation of his transformational approach to love. People express and receive love in 5 different ways, called love languages: quality time, words of affirmation, gifts, acts of service, and physical touch. The sooner you discover your language and that of your loved one, the sooner you can take your relationship to new heights. And with this summary version of the award-winning book, you don't have to read long to find out. With disarming wit, clear explanations, and inspiring storytelling, Dr. Chapman only needs a moment of your time to transform your love life.

[Revelation](#) - 1999-01-01

The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self.

[Self-Made Man](#) - Norah Vincent 2006-01-19

A journalist's provocative and spellbinding account of her eighteen months spent disguised as a man. Norah Vincent became an instant

media sensation with the publication of *Self-Made Man*, her take on just how hard it is to be a man, even in a man's world. Following in the tradition of John Howard Griffin (*Black Like Me*), Vincent spent a year and a half disguised as her male alter ego, Ned, exploring what men are like when women aren't around. As Ned, she joined a bowling team, took a high-octane sales job, went on dates with women (and men), visited strip clubs, and even managed to infiltrate a monastery and a men's therapy group. At once thought-provoking and pure fun to read, *Self-Made Man* is a sympathetic and thrilling tour de force of immersion journalism.

The Lost Language of Cranes - David Leavitt 2014-06-03

Presents the story of Philip Benjamin, a young man haunted by images of his staid, middle-class parents and frightened by the thought of revealing his homosexual identity to them.

The Four Loves - C. S. Lewis 2017-02-14

A repackaged edition of the revered author's classic work that examines the four types of human love: affection, friendship, erotic love, and the love of God—part of the C. S. Lewis Signature Classics series. C.S. Lewis—the great British writer, scholar, lay theologian, broadcaster, Christian apologist, and bestselling author of *Mere Christianity*, *The Screwtape Letters*, *The Great Divorce*, *The Chronicles of Narnia*, and many other beloved classics—contemplates the essence of love and how it works in our daily lives in one of his most famous works of nonfiction. Lewis examines four varieties of human love: affection, the most basic form; friendship, the rarest and perhaps most insightful; Eros, passionate love; charity, the greatest and least selfish. Throughout this compassionate and reasoned study, he encourages readers to open themselves to all forms of love—the key to understanding that brings us closer to God.

The Forty Rules of Love - Elif Shafak 2010-02-18

In this lyrical, exuberant tale, acclaimed Turkish author Elif Shafak, author of *The Island of Missing Trees* (a Reese's Book Club Pick), incarnates Rumi's timeless message of love. *The Forty Rules of Love* unfolds two tantalizing parallel narratives—one contemporary and the

other set in the thirteenth century, when Rumi encountered his spiritual mentor, the whirling dervish known as Shams of Tabriz—that together explore the enduring power of Rumi's work. Ella Rubenstein is forty years old and unhappily married when she takes a job as a reader for a literary agent. Her first assignment is to read and report on *Sweet Blasphemy*, a novel written by a man named Aziz Zahara. Ella is mesmerized by his tale of Shams's search for Rumi and the dervish's role in transforming the successful but unhappy cleric into a committed mystic, passionate poet, and advocate of love. She is also taken with Shams's lessons, or rules, that offer insight into an ancient philosophy based on the unity of all people and religions, and the presence of love in each and every one of us. As she reads on, she realizes that Rumi's story mirrors her own and that Zahara—like Shams—has come to set her free. *How To Win Friends and Influence People* - Dale Carnegie 2010-08-24 Updated for today's readers, Dale Carnegie's timeless bestseller *How to Win Friends and Influence People* is a classic that has improved and transformed the professional and personal lives of millions. One of the best-known motivational guides in history, Dale Carnegie's groundbreaking book has sold tens of millions of copies, been translated into almost every known language, and has helped countless people succeed. Originally published during the depths of the Great Depression—and equally valuable during booming economies or hard times—Carnegie's rock-solid, time-tested advice has carried countless people up the ladder of success in their professional and personal lives. *How to Win Friends and Influence People* teaches you: -How to communicate effectively -How to make people like you -How to increase your ability to get things done -How to get others to see your side -How to become a more effective leader -How to successfully navigate almost any social situation -And so much more! Achieve your maximum potential with this updated version of a classic—a must-read for the 21st century. *House of Leaves* - Mark Z. Danielewski 2000-03-07

"A novelistic mosaic that simultaneously reads like a thriller and like a strange, dreamlike excursion into the subconscious." —The New York Times Years ago, when *House of Leaves* was first being passed around, it

was nothing more than a badly bundled heap of paper, parts of which would occasionally surface on the Internet. No one could have anticipated the small but devoted following this terrifying story would soon command. Starting with an odd assortment of marginalized youth -- musicians, tattoo artists, programmers, strippers, environmentalists, and adrenaline junkies -- the book eventually made its way into the hands of older generations, who not only found themselves in those strangely arranged pages but also discovered a way back into the lives of their estranged children. Now this astonishing novel is made available in book form, complete with the original colored words, vertical footnotes, and second and third appendices. The story remains unchanged, focusing on a young family that moves into a small home on Ash Tree Lane where they discover something is terribly wrong: their house is bigger on the inside than it is on the outside. Of course, neither Pulitzer Prize-winning photojournalist Will Navidson nor his companion Karen Green was prepared to face the consequences of that impossibility, until the day their two little children wandered off and their voices eerily began to return another story -- of creature darkness, of an ever-growing abyss behind a closet door, and of that unholy growl which soon enough would tear through their walls and consume all their dreams.

The Five People You Meet in Heaven - Mitch Albom 2007-04-01

Eddie is a wounded war veteran, an old man who has lived, in his mind, an uninspired life. His job is fixing rides at a seaside amusement park. On his 83rd birthday, a tragic accident kills him, as he tries to save a little girl from a falling cart. He awakes in the afterlife, where he learns that heaven is not a destination. It's a place where your life is explained to you by five people, some of whom you knew, others who may have been strangers. One by one, from childhood to soldier to old age, Eddie's five people revisit their connections to him on earth, illuminating the mysteries of his "meaningless" life, and revealing the haunting secret behind the eternal question: "Why was I here?"

The Road - Cormac McCarthy 2007-03-20

NATIONAL BESTSELLER • WINNER OF THE PULITZER PRIZE • A searing, post-apocalyptic novel about a father and son's fight to survive,

this "tale of survival and the miracle of goodness only adds to McCarthy's stature as a living master. It's gripping, frightening and, ultimately, beautiful" (San Francisco Chronicle). A father and his son walk alone through burned America. Nothing moves in the ravaged landscape save the ash on the wind. It is cold enough to crack stones, and when the snow falls it is gray. The sky is dark. Their destination is the coast, although they don't know what, if anything, awaits them there. They have nothing; just a pistol to defend themselves against the lawless bands that stalk the road, the clothes they are wearing, a cart of scavenged food—and each other. *The Road* is the profoundly moving story of a journey. It boldly imagines a future in which no hope remains, but in which the father and his son, "each the other's world entire," are sustained by love. Awesome in the totality of its vision, it is an unflinching meditation on the worst and the best that we are capable of: ultimate destructiveness, desperate tenacity, and the tenderness that keeps two people alive in the face of total devastation. Look for Cormac McCarthy's new novel, *The Passenger*.

Spread Some Love - John A. Andrews 2008-04-01

Andrews turns up the heat by presenting dynamic, magnetic, integrated, and cohesive principles for keeping love alive in relationships.

The Five Love Languages - Gary Chapman 2016-06-30

In *The 5 Love Languages*, you will discover the secret that has transformed millions of relationships worldwide. Whether your relationship is flourishing or failing, Dr. Gary Chapman's proven approach to showing and receiving love will help you experience deeper and richer levels of intimacy with your partner starting today.

Redeeming Love - Francine Rivers 2020-10-13

NATIONAL BESTSELLER • SOON TO BE A MAJOR MOTION PICTURE • A favorite Christian romance classic—a tragically wounded soul, the man called to marry her, and the only love that heals all—now available in a beautiful keepsake, linen-bound edition! "A literary masterpiece, reminding us that God's love is unconditional."—Debbie Macomber California's gold country, 1850. A time when men sold their souls for a bag of gold and women sold their bodies for a place to sleep. Angel

expects nothing from men but betrayal. Sold into prostitution as a child, she survives by keeping her hatred alive. And what she hates most are the men who use her, leaving her empty and dead inside. Then she meets Michael Hosea, a man who seeks his Father's heart in everything. Michael obeys God's call to marry Angel and to love her unconditionally. Slowly, day by day, he defies Angel's every bitter expectation, until despite her resistance, her frozen heart begins to thaw. But with her unexpected softening comes overwhelming feelings of unworthiness and fear. And so Angel runs. Back to the darkness, away from her husband's pursuing love, terrified of the truth she no longer can deny: her final healing must come from the One who loves her even more than Michael does . . . the One who will never let her go. A powerful retelling of the story of Gomer and Hosea, Redeeming Love is a life-changing story of God's unconditional, redemptive, all-consuming love.

True Love - Jennifer Lopez 2014-11-04

In Jennifer Lopez's first ever book, True Love, she explores one of her life's most defining periods—the transformative two-year journey of how, as an artist and a mother, she confronted her greatest challenges, identified her biggest fears, and ultimately emerged a stronger person than she's ever been. Guided by both intimate and electrifying photographs, True Love an honest and revealing personal diary with hard-won lessons and heartfelt recollections and an empowering story of self-reflection, rediscovery, and resilience. Completely full-color, with photos throughout and lavishly designed, True Love is a stunning and timeless book that features more than 200 never-before-seen images from Lopez's personal archives, showing candid moments with her family and friends and providing a rare behind-the-scenes look at the life of a pop music icon travelling, rehearsing, and performing around the world.

Framing the Net - Rikke Frank Jrgensen 2013-08-01

Rikke Frank Jrgensen has given us a thoughtful and competent contribution to a debate of increasing global importance. Her theoretical analysis and practical case-study stimulate critical reflection on how we should connect the primary moral domain of our time human rights with the primary infrastructure for global communication, the Internet. This

book is a must read for all who engage with the search for meaningful and practical normative directions for communications in the 21st century. Cees J. Hamelink, University of Amsterdam, The Netherlands Understanding the Internet is key to protecting human rights in the future. In Framing the Net, Rikke Frank Jrgensen shows how this can be done. Deconstructing four key metaphors the Internet as infrastructure, public sphere, medium and culture she shows where the challenges to human rights protection online lie and how to confront them.

Importantly, she develops clear policy proposals for national and international Internet policy-makers, all based on human rights. Her book is essential reading for anyone interested in the future of human rights on the Internet: and that should be everyone. Wolfgang Benedek, University of Graz, Austria Jrgensen's examination of whether Internet governance can be better aligned with the rights and freedoms enshrined in human rights law and standards of compliance should be read by everyone in the academic, policy and legal practitioner communities.

From womens use of ICTs in Uganda to Wikipedia in Germany, information society developments make it imperative that scholars and practitioners understand why it matters how the issues are framed. This book successfully analyses a decade or more of debate in this field in an engaging and very illuminating way. Robin Mansell, London School of Economics and Political Science, UK This important book examines how human rights are being applied in the digital era. The focus on internet freedoms and internet rights has risen considerably in recent years, and in July 2012 the first resolution on the promotion, protection and enjoyment of human rights on the internet was adopted by the U.N. Human Rights Council. This timely book suggests four framings to examine human rights challenges in an internet era: the Internet as Infrastructure, the Internet as Public Sphere, the Internet as Medium and the Internet as Culture. These propositions, and the questions that arise from them, are considered in the broad context of the way human rights are translated and applied in the information society, both in academic research and the international community's policy discourse. The author points to the role of private actors vis-[^]-vis human rights as

one of the most crucial and cross-cutting themes that needs to be addressed in order to advance human rights protection on the internet. Combining research themes that are often dealt with separately, this book will appeal to civil society organizations, journalists, and policy makers in the field of internet and communication policy making. The books overview of internet-related academic discourse combined with human rights-based policy analysis will be useful for scholars, students, and practitioners working within these fields.

A Productive Spirit - James Teng 2020-03-06

A Productive Spirit introduces readers to a practical approach to personal development. Through this approach, the readers are able to accomplish three objectives. First is recognizing themes in life that impact them the most. Second is understanding the nature and implications of those themes. Third is formulating strategies based on the knowledge of those themes. Ultimately, the readers have greater confidence in their ability to deal with unfamiliar situations and make sound decisions.

A General Theory of Love - Thomas Lewis 2007-12-18

This original and lucid account of the complexities of love and its essential role in human well-being draws on the latest scientific research. Three eminent psychiatrists tackle the difficult task of reconciling what artists and thinkers have known for thousands of years about the human heart with what has only recently been learned about the primitive functions of the human brain. *A General Theory of Love* demonstrates that our nervous systems are not self-contained: from earliest childhood, our brains actually link with those of the people close to us, in a silent rhythm that alters the very structure of our brains, establishes life-long emotional patterns, and makes us, in large part, who we are. Explaining how relationships function, how parents shape their child's developing self, how psychotherapy really works, and how our society dangerously flouts essential emotional laws, this is a work of rare passion and eloquence that will forever change the way you think about human intimacy.

The Passion Principles - Shannon Ethridge 2014-01-14

Move beyond the mechanics of sex to a rich and rewarding connection! God's desire is for couples to enjoy vibrant sexual relationships without inhibition, awkwardness, fear, resentment, guilt, or shame. With honesty and frankness, life coach and best-selling author Shannon Ethridge opens the minds of both husbands and wives to embrace a lifestyle of passion and pleasure. Divided into four sections, *The Passion Principles* helps couples celebrate the spiritual, mental, emotional, and physical dimensions of sexuality. Questions include: What was God thinking when He created sex? Why do humans think about sex so much? Will there be sex in heaven? How did we get such different ideas about sex and love? How can I get past his or her sexual past? How can I help my spouse heal from the sexual abuses he or she suffered? What if my heart is telling me I married the wrong person? How can we balance mismatched sex drives? Some chapters end with questions for personal contemplation or for couples to use as conversation starters, and other chapters end with prayers that foster a deeper spiritual and emotional connection, making this book a perfect guide to a more passionate love life.

The 5 Love Languages Military Edition - Gary Chapman 2017-01-03

every branch of service, tips for expressing love when apart, and an updated FAQs section.

Mindstorms - Seymour A. Papert 2020-10-06

In this revolutionary book, a renowned computer scientist explains the importance of teaching children the basics of computing and how it can prepare them to succeed in the ever-evolving tech world. Computers have completely changed the way we teach children. We have Mindstorms to thank for that. In this book, pioneering computer scientist Seymour Papert uses the invention of LOGO, the first child-friendly programming language, to make the case for the value of teaching children with computers. Papert argues that children are more than capable of mastering computers, and that teaching computational processes like de-bugging in the classroom can change the way we learn everything else. He also shows that schools saturated with technology can actually improve socialization and interaction among students and between students and teachers. Technology changes every day, but the basic ways that computers can help us learn remain. For thousands of teachers and parents who have sought creative ways to help children learn with computers, Mindstorms is their bible.

[The Book of Five Rings \(Annotated\)](#) - Musashi Miyamoto 2021-05-03

The Book of Five Rings is a text on kenjutsu and the martial arts in general, written by the Japanese swordsman Miyamoto Musashi around 1643. Written over three centuries ago by a Samurai warrior, the book has been hailed as a limitless source of psychological insight for businessmen-or anyone who relies on strategy and tactics for outwitting the competition.

The 5 Languages of Appreciation in the Workplace - Gary Chapman 2019-01-01

Based on the #1 New York Times bestseller *The 5 Love Languages*® (over 12 million copies sold), Dramatically improve workplace relationships simply by learning your coworkers' language of appreciation. This book will give you the tools to improve staff morale, create a more positive workplace, and increase employee engagement. How? By teaching you to effectively communicate authentic appreciation

and encouragement to employees, co-workers, and leaders. Most relational problems in organizations flow from this question: do people feel appreciated? This book will help you answer "Yes!" A bestseller—having sold over 300,000 copies and translated into 16 languages—this book has proven to be effective and valuable in diverse settings. Its principles about human behavior have helped businesses, non-profits, hospitals, schools, government agencies, and organizations with remote workers. PLUS! Each book contains a free access code for taking the online Motivating By Appreciation (MBA) Inventory (does not apply to purchases of used books). The assessment identifies a person's preferred languages of appreciation to help you apply the book. When supervisors and colleagues understand their coworkers' primary and secondary languages, as well as the specific actions they desire, they can effectively communicate authentic appreciation, thus creating healthy work relationships and raising the level of performance across an entire team or organization. Take your team to the next level by applying *The 5 Languages of Appreciation in the Workplace*.

Do As I Say, Not Who I Did - Ali Drucker 2022-04-12

Consent is essential—that's Sex 101. And if you ask Ali Drucker, young women also deserve more—like time to explore what turns them on, space to voice their needs, self-compassion after a hookup goes sideways, and yes (obviously): pleasure! It's hard to overstate how much we put pressure on early sexual encounters—and how little real advice is out there. How do I deal when I keep running into my one-night stand? How can I tell if I'm too drunk to have sex? How do I say stop when I'm not really into it? Why do I keep getting all these UTIs? And most of all: Why is so much of sex ed focused on what could go wrong instead of what actually feels good? In this unflinchingly honest guide to hookups and relationships in the twenty-first century, Ali Drucker answers these questions and more—with "been there, done that" confessional advice, plus input from experts on sexuality and from students in college today. If you missed out on shame-free, affirmative sex education . . . if you're nervous about having sex . . . if you're just discovering what you want (and how to ask for it)—this book is for you.

Love Story - Erich Segal 1988

Depicts the love and marriage of a wealthy Harvard hockey player and a brilliant Radcliffe music student

Harold and the Purple Crayon - Crockett Johnson 2015-09-29

From beloved children's book creator Crockett Johnson comes the timeless classic Harold and the Purple Crayon! This imagination-sparking picture book belongs on every child's digital bookshelf. One evening Harold decides to go for a walk in the moonlight. Armed only with an oversize purple crayon, young Harold draws himself a landscape full of wonder and excitement. Harold and his trusty crayon travel through woods and across seas and past dragons before returning to bed, safe and sound. Full of funny twists and surprises, this charming story shows just how far your imagination can take you. "A satisfying artistic

triumph." —Chris Van Allsburg, author-illustrator of The Polar Express
Share this classic as a birthday, baby shower, or graduation gift!

Heidi - Johanna Spyri 1915

A Swiss orphan is heartbroken when she must leave her beloved grandfather and their happy home in the mountains to go to school and to care for an invalid girl in the city.

The History of Love: A Novel - Nicole Krauss 2006-05-17

ONE OF THE MOST LOVED NOVELS OF THE DECADE. A long-lost book reappears, mysteriously connecting an old man searching for his son and a girl seeking a cure for her widowed mother's loneliness. Leo Gursky taps his radiator each evening to let his upstairs neighbor know he's still alive. But it wasn't always like this: in the Polish village of his youth, he fell in love and wrote a book...Sixty years later and half a world away, fourteen-year-old Alma, who was named after a character in that book, undertakes an adventure to find her namesake and save her family. With virtuosic skill and soaring imaginative power, Nicole Krauss gradually draws these stories together toward a climax of "extraordinary depth and beauty" (Newsday).

The Giving Tree - Shel Silverstein 2014-02-18

As The Giving Tree turns fifty, this timeless classic is available for the first time ever in ebook format. This digital edition allows young readers and lifelong fans to continue the legacy and love of a classic that will now reach an even wider audience. "Once there was a tree...and she loved a little boy." So begins a story of unforgettable perception, beautifully written and illustrated by the gifted and versatile Shel Silverstein. This moving parable for all ages offers a touching interpretation of the gift of giving and a serene acceptance of another's capacity to love in return. Every day the boy would come to the tree to eat her apples, swing from her branches, or slide down her trunk...and the tree was happy. But as the boy grew older he began to want more from the tree, and the tree gave and gave and gave. This is a tender story, touched with sadness, aglow with consolation. Shel Silverstein's incomparable career as a bestselling children's book author and illustrator began with Lafcadio, the Lion Who Shot Back. He is also the creator of picture books including

A Giraffe and a Half, Who Wants a Cheap Rhinoceros?, The Missing Piece, The Missing Piece Meets the Big O, and the perennial favorite The Giving Tree, and of classic poetry collections such as Where the Sidewalk Ends, A Light in the Attic, Falling Up, Every Thing On It, Don't Bump the Glump!, and Runny Babbit. And don't miss the other Shel Silverstein ebooks, Where the Sidewalk Ends and A Light in the Attic!
