Mike Mulligan and His Steam Shovel - Virginia Lee Burton 2010-06-28

A modern classic that no child should miss. Since it was first published in 1939, Mike Mulligan and His Steam Shovel has delighted generations of children. Mike and his trusty steam shovel, Mary Anne, dig deep canals for boats to travel through, cut mountain passes for trains, and hollow out cellars for city skyscrapers -- the very symbol of industrial America. But with progress come new machines, and soon the inseparable duo are out of work. Mike believes that Mary Anne can dig as much in a day as one hundred men can dig in a week, and the two have one last chance to prove it and save Mary Anne from the scrap heap. What happens next in the small town of Popperville is a testament to their friendship, and to old-fashioned hard work and ingenuity.

Velma Gratch and the Way Cool Butterfly - Alan Madison 2010-09-01

This School Library Journal Best Book of the Year celebrates everything butterfly, from migration to metamorphosis! Kids will love reading about Velma's own transformation from a timid first grader into a confident scientist. It's hard to be Velma entering first grade. That's because everyone has marvelous memories of her two older sisters, who were practically perfect first graders, and no one even notices Velma. But all

that changes on a class trip to the butterfly conservatory, a place neither of her sisters has been. When a monarch roosts on Velma's finger and won't budge for days—no one will ever forget it . . . or her! Here's the perfect addition to any science curriculum.

Goodbye Brings Hello - Dianne White 2018-06-26

Like Bernie Waber's COURAGE and Davis' KINDERGARTEN ROCKS!, this inspiring, vibrantly illustrated gift book is perfect for celebrating life's milestones, both great and small—especially that first day of kindergarten. There are many ways of letting go. With each goodbye, a new hello. From being pushed on a swing to learning how to pump your legs yourself, from riding a beloved trike to mastering your first bike ride, from leaving the comforts of home behind to venturing forth on that first day of school, milestones are exciting but hard. They mean having to say goodbye to one moment in order to welcome the next. Honest and uplifting, this cheerfully illustrated ode to change gently empowers readers to brave life's milestones, both large and small.

The What Does Series - What Does A Caterpillar Do? - David McArthur 2020-06-19

A message from the author: What Does A Caterpillar Do? was written in memory of Chloe and Aubrey Berry and all profits are being donated to the Victoria Child Abuse Prevention and Counselling Centre. Every child counts. It is the responsibility of every adult to cherish and protect them. Nothing. Else. Matters. Please check out my website to find out more www.akidsauthor.com The world around us is full of millions and millions of unappreciated, but amazingly fantastic bugs. From the smallest ant to the largest snail, each has it's own characteristic which makes it

uniquely suited to thrive in its own environment. 'What Does a Caterpillar Do?' allows children to, through the eyes of the cheeky caterpillar, meet some of these bugs and to learn a little bit about what makes them so different. Featuring beautiful and humorous illustrations by the fantastic Lucy Rogers, What Does A Caterpillar Do? captures a child's imagination before the book is even open. Inside, the child is taken on a wonderful journey through nature where they meet Bees, Snails, Ladybugs and Spiders. Each insect radiates personality as they watch, with amusement, our caterpillar's attempt to mirror their unique characteristic. The simple narrative uses trusted teaching techniques, such as repetition and humor, to guide younger children through the story with and without their parent's guidance. The narrative concludes by providing the child with the answer to the book's core question (she turns into a butterfly of course!). What Does A Caterpillar Do? Presents a truly interactive learning experience for all pre-k to grade 2 children and will be a firm favorite on the bookshelf of any child!

This Book Is Gray - Lindsay Ward 2019-10-15

Gray just wants to be included. But the other colors are always leaving him out. So he decides to create his own project: an all-gray book. Once upon a time, there lived a wolf, a kitten, and a hippo... Gray just knows it's going to be perfect. But as he adds page after page, the Primary and Secondary colors show up...and they aren't quite so complimentary. A book within a book, this colorful tale explores the ideas of fitting in, appreciating others, and looking at things from another perspective and also uses personality and wit to introduce basic color concepts.

Charming Monster - Hanny Morag 2020-08-27

Charming Monster INTRODUCTION The world may appear as if it detests us. Sometimes we think we are giving our best, but the best seems like nothing, and we feel like giving up on life and our dream since acceptance seems too far from our reach. How about we try something different? How about having a different view of ourselves? There is a lot attached to the energy we carry around. How we think and the things we say about ourselves make much difference in our lives. Sometimes, the world will never see the beauty in you not because you are not beautiful,

but because you have taught them to see ugliness through your actions. So how about we learn how negative and positive self-image can influence our acceptance in the community from the story of this Charming Monster.

Miss Paul and the President - Dean Robbins 2016-09-06

"Robbins makes clear for a quite young audience through both main narration and endnote that there were very specific obstacles that had to be overcome to extend the vote to women, and winning the endorsement of the president was a vital first step." --The Bulletin of the Center for Children's Books "A perfect introduction to a notable woman and her fight for a woman's right to vote." --School Library Journal Cast your vote for Alice Paul! The story of a tireless suffragette and the president she convinced to change everything. When Alice Paul was a child, she saw her father go off to vote while her mother had to stay home. But why should that be? So Alice studied the Constitution and knew that the laws needed to change. But who would change them? She would! In her signature purple hat, Alice organized parades and wrote letters and protested outside the White House. She even met with President Woodrow Wilson, who told her there were more important issues to worry about than women voting. But nothing was more important to Alice. So she kept at it, and soon President Wilson was persuaded. Dean Robbins and illustrator Nancy Zhang bring the unsung hero to vivid life and show young voters-to-be how important it is to never back down

from a cause you believe in!
