Three brothers, three unforgettable love stories. Contains *The Billionaire's Trust*, *The Youngest Billionaire*, *The Secret Billionaire* THE BILLIONAIRE'S TRUST He answered the door in just a bathrobe. When I told him why I was there, he dropped it to the floor...Bill:I keep things simple with the women I meet. Charm her, enjoy her, discard her, and repeat. Once she hears my family name her focus is on the size of my wallet and she can't be trusted. Until Lauren shows up at my doorstep one night and I am suddenly in charge of the family company. I need to save the family legacy and ten thousand jobs. I can't do it without her. She's beautiful, sassy, brilliant, and brutally honest. She can't stand me. I need her. In my bed, in my life, as my wife. Everything's going according to plan . . . Until, she disappears. Lauren:I fell for him as soon as I saw him last week, all of him, the full package. Until, he sent me back to his condo to get rid of the girl--the naked one in his bed. He didn't even know her name. Today he's the new CEO, and he's screwing up. Royally. I told him what I thought of him. Again. Now, he won't take no for an answer. When he makes a fairy tale proposal in front of hundreds, I can't say no. Together we have a plan to save the company. But he's keeping secrets, and I uncover the worst one. THE YOUNGEST BILLIONAIRE Lawyers ruined her life once before. Now, his law firm is blocking justice for her family. Will love bridge the gap or will rules destroy them both? Steven is determined to fulfill his promise to his father and become a rarity, an honest lawyer. Tired of taking orders from his older brothers, he has avoided joining the family business to make a career of helping the little guy. Just out of law school, his family's money can't buy him the one thing he needs now, a recommendation to the Bar from his witch of a boss. Finding her family's stolen painting has been Emma's years-long mission. Working at the local museum, art is her whole world. Her quest to find the missing painting is nearly complete when she runs into a final legal barrier. Lawyers destroyed her life once before, and they are the problem again. She agrees with Shakespeare: first, we kill all the lawyers. When Steven rescues Emma from her worst blind date yet, avoiding him becomes impossible. Resisting him becomes futile. Then, she learns he works for the law firm preventing her from recovering the priceless painting. When his boss discovers their connection, will she seal both their fates? He doesn't suspect that pursuing her could ruin his career. She doesn't realize what trusting him could cost her. THE SECRET BILLIONAIRE He whispered in my ear. Three simple words halted all rational thought...Patrick: Women naturally circle the flame of wealth and power, and mine is brighter than most. Does she love me, does she not? There's no way to know. They're all faking something. When I stopped to help her, Liz mistook me for a carpenter. Maybe this time I'll know. She resisted me, but it was pointless. I was determined to make her mine. Everything was perfect. Until the day she left. Elizabeth: He helped me rescue the dog. Simple right? But, nothing about Pat was simple. It was just a fake kiss. At least that's how it started. The burger wasn't really a date, was it? When my car wouldn't start, he offered me a ride but said it would cost me a real date. I had no idea where that ride would take me.

*Love Notes* - Lexy Timms 2022-12-02

We're not here to take part, we're here to take over... I stood in the elevator, all my things in a cardboard box. Surrounding me, nearly every other employee clutched their own belongings, all of us let go on the same day. The nerve of that man! After taking over as CEO, Brad Miller kicked us all out. I would never forgive him for that. Just three months later, there was a job posting for his assistant, and I seized the chance to win my way back into the company. I was going to make him sorry he ever bought the tech design firm. Behind the scenes, I would do whatever it took to right his horrific wrong and welcome all my friends back to their old jobs. However, I wasn't counting on his alarming good looks, or the way he made me feel whenever he walked by. When he had me book a luxury business trip to Paris, I nearly forgot all about sabotaging him. That is until he made it very clear that he was looking for more than just an assistant. *Covington Billionaires* - Erin Swann 2018-12-04

Three more steamy unforgettable love stories in one paperback. Contains: *The Billionaire's Hope*, *Picked by the Billionaire*, *Saved by the Billionaire* *The Billionaire's Hope*: I hadn't seen her since the day I broke her brother's nose. We came from different worlds. She was trouble wrapped in temptation, and it would be smart to keep my distance. The last time I'd dared to touch Katie, her brother foolishly took a swing at me. Her family taught me a painful lesson that day about money and power. I gave him a bloody nose. They destroyed my life. Today she desperately needed a ride back to LA. Six hours of her warm body wrapped around mine on the back of my bike was the price she'd have to pay. With her life in flames, the danger was more real than she knew. When she ran from her brother and into my arms, the kiss was meant to scare her off. It didn't work. She's sexual napalm, and I'm the match. Now we're both toast. I'm not giving her up until I have to. Even if it destroys me. *Katie*: I hadn't seen Nick since high school, the day he broke my brother's nose. I bumped into him while trapped in Las Vegas with no way to get home. Maybe

this was my second chance. I didn't accept the ride to LA on the back of his bike just because he'd been the hottest and baddest boy in school. I swear I didn't. My life was all planned out. I left my sensible house every day in my sensible clothes and went to my sensible job. Until, some crazy targeted me, and it all went up in smoke. Now, I'm done being sensible. I know what I want, and he's pure trouble. Nick's all wrong for me, but only he can keep me safe. I'm falling for him. It can't work. It doesn't make sense. I'm walking straight into a broken heart, and I can't stop. Picked by the Billionaire A night I wouldn't forget. An offer I couldn't refuse. Liam:I had dared to love once and lost. The memory haunted me every day. Now, I have rules, three simple rules: I don't do dinner, they never come to my place, and I never stay the night. Until I met the tantalizing Amy and she turned everything upside down. It was just one night. Tomorrow I could get back to normal I told myself. When she turned up at my next meeting, normal was no longer on the horizon. Now, she is essential to defeating my nemesis. One way or another she may be my undoing. Amy:I couldn't get past my failed marriage - I couldn't take the terrifying leap. When the question became his place or mine, I ran back to my computer to pick another. My sister convinced me to try shock therapy - a one-night stand to get over my phobia. One night without inhibitions and never see him again, that was the plan. Simple enough, right? The next day, he walked into my meeting. Suddenly things weren't simple anymore. He held the key to my company's survival; there was just one catch. I had to pretend to be his girlfriend. How hard could that be? Saved by the Billionaire The FBI and the cartel are after her for the same thing: information she doesn't have. Natalie had gone from the Belle of Boston to Witch of the West End. Everybody in town hated her for her ex-husband's crimes. Then the FBI showed up to seize everything she owned. Without a penny to her name, she only survived by taking a job working for the most disagreeable man in town. Billionaire inventor Ryan Westerly had never allowed thoughts of any woman to intrude upon his work. But, from the first day his company hired the beautiful Natalie, he could no longer concentrate. The medicines he was developing were too important to allow her to distract him. For the sake of the children, she had to go. When the cartel comes after Natalie, she trusts him with her safety, but can she trust him with her heart?

**Loving the Secret Billionaire** - Adriana Anders 2018-04-19

Mystery man, recluse, finance guru... Virgin. I was a shut-in for a reason. With too many secrets, too much to hide, and way too much at stake, I spent years in my mansion in the woods, never trusting a soul. So,

when a stranger showed up at my door, with her plans to save the world, I should have sent her away, like I'd always done. From the second she arrived, I couldn't resist Veronica Cruz. She was everything I'd been missing—passionate, generous, and so damned sexy. I let her into my life, gave her everything—including my heart. Now, the one thing she wants is the truth. The question is, will she still love me when she knows my secret? Loving the Secret Billionaire is a sexy standalone novella in the Love at Last series, featuring a virgin hero and a slightly older woman. Originally published in the Rogue Desire anthology, this edition has been expanded with new material.

Megan Harrison has already been burned once by billionaire Max Pierce. Burned badly. He was her first true love, and she'd given him everything she had to offer. She'd thought he loved her too - that is, until he ended their relationship by leaving her a casual note "wishing her well." Now, after three years of licking her wounds, Megan finds herself unavoidably thrown into daily contact with Max when he enters into her professional life. But this time, things are different. No longer a naïve university student who believes in true love, Megan is in the driver's seat. Despite Max's protestations that leaving her was a mistake and that he is a changed man, Megan knows better. Max might seem to have everything else - power, success, looks - but he can't have her. No matter how much he says he loves her, no matter how much he is there for her, she can't let history repeat itself. Or can she?

**Bad Boy Billionaire Romance Series** - Michelle Love 2021-02-26

This is a Bad Boy Billionaire Romance Collection that includes three-length novels. All stories have a happy ending and no cliffhangers. If you like alpha males, you will LOVE each one of these books. Get the series readers are raving about. The Dom's Hostess: A Billionaire Secret Baby Romance (Island of Love Series Book 1) I'm a man of order. Control. I like things the way I like them, and with the amount of money and power I have, that's never an issue. Until I met Nova Blankenship, the tempting hostess at the tropical resort I'm staying at. It's been a while since my urges to dominate have been awakened, and Nova is exactly the kind of woman that could use a man's strong hand to soothe out her rough edges. Work hard, play harder. Tragic Secrets: A Holiday Romance (Island of Love Book Book 2) It was supposed to be a time of mourning, reflection, and endings. Instead, I found love, happiness, and new beginnings... She'd caught my eye right from the start. That little filly was as wild as they come, though. Friends. That was her favorite word. I wanted more, and I always get what I want. But with her, love had to come first. The Billionaire's Maid: A Billionaire Romance (Island of Love Book 3) Young, poor, and fairly innocent, she took me by storm... Why did her beauty have to captivate me so? Auburn curls hung down to her narrow waist, emerald eyes peered out at me from under thick, long lashes. Her British accent just made her that much more appealing to me. But she wanted love, and I knew I couldn't give her that.

I work hard, focus on my goals, and I never let things distract me, specifically men and relationships. Until one rainy Seattle night when a gorgeous hunk walks into the spa where I work. guaranteed happy ever after! Dirty Little Virgin - A Submissives' Secrets 1 School is in session, and the lessons are rock hard! She wants to write about the domme and my world. And I'm supposed to teach her, not take her. But her feisty manner begs to be tamed. Her innocence begs to be taken. I know my whip can bring her into submission. Her young body begs for my harsh and experienced touch. Doctor's Demands - A Submissives' Secrets 2 The Doctor's arrived...And his treatment is sizzling! She's a young college student, set on a scrupulous career as a school teacher. I'm a doctor with a checkered past.Binge drinking on weekends, sleeping with women I care nothing for, and seeking summers with women I rent, has been my life. Until I saw her face on the club's website.The Dungeon of Decorum may have found her, but I'd take her as my own. Fighting men who wanted to use her in ways I found distasteful, I finally won her. Savage SEAL's Virgin - A Submissives' Secrets 3 Dangerous missions, death-defying escapes, and mortal combats are child's play compared to taking a virgin ... Dark nights, strange forest creatures, ropes, cuffs, paddles, and a whip should've been more than enough to tame one little virgin. Blyss wasn't your typical virgin! I'd won her in a bidding war. She was pure as the driven snow. Every Dom wanted her. It was me who was supposed to rule her, but she stole my heart before I knew what was happening. Every part of her was virgin territory, yearning to be explored. She was primal, and I took her that way. Filthy Commitments - A Submissives' Secrets 4 It was never supposed to be real. Like they say, never say never... The last thing I wanted was to get serious, hence the need for a sub I could also use as my fake wife. From the moment I laid eyes on her, the attraction was instantaneous. I should've known that could only mean trouble. Her body succumbed to mine so easily. The rapture of taking her to heights she'd never known, exhilarating. Vengeful Seduction - A Submissives' Secrets 5 She stole what was rightfully mine, now I'm going to get it back... Kaye seems innocent, sweet, kind, nurturing. But she has to be hiding a dark side. A side of her that took my grandfather's affection had him leaving her all of his money. That money belongs to me. Curating a Billionaire - Jenna Payne 2020-04-04

Amos and Nick have been rival businessmen in foreign trade for years, stopping at no costs to attempt to thwart the other's success. Recently the market has been pushing art around the world, and when both fall for the same small-town curator, it is obvious that their feud has come to a head. Carly has no idea what she's getting into when two of the richest men in the country stop by in the same week to place offers on the same piece of priceless art. Having just come out of a serious and mildly abusive relationship, Carly sees the opportunity to toy with these rich men and at first takes no shame in her beyond-flirtatious behavior with them. However, when both men return claiming to want more than the art, she realizes that she signed up for more than she bargained. ---- KEYWORDS: Billionaire, Billionaire Romance, Love Scenes, Young Adult Romance, Romantic Suspense, Bad Boy Romance, Contemporary Romance, Bad Boy Billionaire, Billionaire Romance, Second Chance, True Event Romance, Billionaire Romance Books, Office Romance, Alpha Male Romance, Dominant Possessive Book, Contemporary Love Sex, Forbidden Romance, Boss Romance Novels, New Adult Romance Ebooks
