Surrender to Night - Georg Trakl 2019-09-17

A new translation by acclaimed poet Will Stone of the visionary Austrian poet Georg Trakl In Georg Trakl's brief, tragic life he produced a body of work of intense visual power. Dense, imagistic and full of unnerving symbolism, his poems occupy a critical place in German Expressionism. Until his death on the Eastern Front in 1914, Trakl honed a singular poetic voice to express the horror he saw in the world around him, culminating in the starkly powerful war poems for which he is best known. This edition includes all of Trakl's major poems alongside a judicious selection of the best of his uncollected work, all rendered in vividly clear English by translator and poet Will Stone. With a biography, a critical introduction and a chronology of Trakl's life, this collection promises to reinvigorate interest in this under-appreciated poet.

Piecing together clues from the victim's past, they discover an unsettling connection between the girl--Kuyeya--and a powerful Zambian family who will stop at nothing to bury the truth.
