*KHOJALY* - Rabbi Israel Barouk 2016-09-20

This book is published By Berkeley Press. The

Khojaly Massacre is a scar on the map of modern history, a wound that remains open to this day, over 24 years later. It is a profound lesson from recent history, yet many are unaware that it ever took place. Rabbi Israel Barouk shines a light on the facts of those brutal days in February of

1992; the invasion, entrapment, and indiscriminate murder against unarmed civilians in the Nagorno-Karabakh region of Azerbaijan. From the snowy evening of February 25 through the frosty night of February 26, 1992, over 600 unarmed Azerbaijani civilians and residents of Khojaly were murdered by Armenian armed forces. Over 300 of those killed were children, women and the elderly. Considered by many as an example of modern day genocide, the Khojaly Massacre challenges what we thought could never happen. In 1994, the international organization Human Rights Watch condemned it as "the largest massacre in the conflict" between Armenia and Azerbaijan. The Khojaly Massacre has proven that a nation can remain practically alone in the wait for justice and reconciliation, over decades of enduring invasion and ethnic cleansing. Rabbi Barouk draws parallels between Khojaly and other human travesties and prompts the reader to take this recent and unforgettable cruel tragedy personally. Rabbi

Israel Barouk completed his Rabbinical degree and Dayanas, as a Judge of the Jewish Court, at Yeshivat Or Elchonon. Originally from Jerusalem, New York City and Paris and currently based in Los Angeles, Rabbi Barouk works with leaders and communities across the globe to study, understand and engage with how "positive multiculturalism" serves as a powerful mechanism toward peace. Through extensive study and engagement with survivors, experts, faith, government and community leaders throughout Azerbaijan and beyond, Rabbi Barouk understands the Khojaly Massacre as a touchstone for broad and deep messages about accountability, and the power and impact of unification for the cause of recovery and justice.

*The Charismatic Century* - Jack W. Hayford

2009-06-27

The most profound event in modern church history took place not in a cathedral but in a clapboard church in Los Angeles. A small congregation of mostly African American worshipers embraced the concept that New Testament signs and wonders were still available in the early twentieth century. Their dramatic spiritual revival, which became known as the Azusa Street Revival, attracted believers worldwide and launched the modern Pentecostal and Charismatic movements. This event forever changed Christian worship, music, and expression. In commemoration of Azusa Street's 100th anniversary, Jack Hayford tells the story, revealing how Christians are still experiencing its impact.

*The Doctrines and Discipline of the Azusa Street Apostolic Faith Mission of Los Angeles, California* - William J. Seymour 2000

William J. Seymour, the son of former slaves, was the founder and pastor of the famed Azusa Street Mission in Los Angeles, California from 1906 until his death in 1922. Seymour was baptized in the Roman Catholic Church, converted in Methodism, sanctified in the Church of God Reformation movement, and then introduced to the Apostolic Faith or Pentecostal message in 1905. He took that message to Los Angeles in 1906. In addition to founding the mission at 312 Azusa Street, Seymour traveled and helped to establish and organize other missions across the country. The Doctrine and Discipline was intended to be a policy and polity guide for all the Apostolic Faith Missions under Seymour's guidance. It contains sections on doctrine, the Christian family, the church, the ministry, and other subjects. Also included are forms that Seymour used for weddings, funerals, the installation of church officers, and more. This is the only book ever written by Seymour. Published in 1915, the original book is extremely

rare. This reprint makes the book available to the public for the first time in 85 years. Although Seymour's original thought is included, much of the book is a compilation from other church disciplines in the Wesleyan tradition. - Publisher.

**William J. Seymour and His Azusa Street Sermons** - Douglas Harrolf 2016-05-24

Are you searching for a greater outpouring of the Holy Spirit? Are you looking to experience a baptism in fire like the one the apostles did in the Book of Acts? William J. Seymour, father of the 1906 Azusa Street Revival, knows a little bit about that. This book, William J Seymour & His Azusa Street Sermons, contains the 18 sermons preached by Bro. Seymour at 312 Azusa Street as recorded in the Apostolic Faith from 1906 onwards. About the Azusa Street Revival: The Azusa Street revival began in 1906 when a group of Christians led by William Seymour began praying for an outpouring of the Holy Spirit. Within days of the revival beginning, the group would outgrow their premises, moving to

the Azusa Street Mission centre at 312 Azusa Street. From this humble premises God would light a spark that would fuel one of the biggest and most powerful revivals of the last two millennia. Through William J Seymour, thousands would be baptized in the Holy Spirit with many receiving the gift of tongues as well as divine healing and freedom from demonic possession. "No instruments of music are used. None are needed. No choir- the angels have been heard by some in the spirit. No collections are taken. No bills have been posted to advertise the meetings. No church organization is back of it. All who are in touch with God realize as soon as they enter the meetings that the Holy Ghost is the leader." - Observer at the Azusa Street Church "Proud, well-dressed preachers came to 'investigate'. Soon their high looks were replaced with wonder, then conviction comes, and very often you will find them in a short time wallowing on the dirty floor, asking God to forgive them and make them as little children" -

Apostolic Faith, Issue #1 The following sermons (all of which are contained within this book) are recorded as having been preached by William Seymour: - The Precious Atonement - The Way into the Holiest - River of Living Water - In Money Matters - Counterfeits - Behold the Bridegroom Cometh - Receive Ye the Holy Ghost - Gifts of the Spirit - Rebecca; Type of the Bride of Christ - The Baptism with the Holy Ghost - The Holy Spirit Bishop of the Church - The Marriage Tie - Letter to one seeking the Holy Ghost - Christ's Messages to the Church - "To the Married" - Sanctified by the Cross - The Baptism of the Holy Ghost - The Holy Ghost and the Bride

*The Azusa Street Revival* - Eddie L. Hyatt 2006 Pentecostal congregations are among the fastest-growing churches in the world, but modern-day Pentecostalism had an inconspicuous start. It began in a church on Azusa Street in Los Angeles in 1906, spawning the Pentecostal Movement. The first section is a

The women whose stories are told herein: Anna Hall, Mable Smith, Neely Terry, Julia Hutchins, Lucy Farrow, Clara Lum, Florence Crawford, Lucy Featherman, Ophelia Wiley, Lillian Garr, Susie Valdez, Rosa de Lopez, Ardella Meade, May Evans, Daisy Batman, Jennie Moore Seymour, Emma Cotton, and Rachel Sizelove.

**5 Minutes in Church History** - Stephen J. Nichols 2019

The history of the church is filled with stories. Stories of triumph, stories of defeat, stories of joy, and stories of sorrow. These stories are a legacy of God's faithfulness to His people. In this book, Dr. Stephen J. Nichols provides postcards from the church through the centuries. These

snapshots capture the richness of Christian history with glimpses of fascinating saints, curious places, precious artifacts, and surprising turns of events. In exploring them, Dr. Nichols takes the reader on a lively and informative journey through the record of God's providence to encourage, challenge, and enjoy. This is our story--our family history. "THE CENTURIES OF CHURCH HISTORY GIVE US A LITANY OF GOD'S DELIVERANCES. GOD HAS DONE IT BEFORE, MANY TIMES AND IN MANY WAYS, AND HE CAN DO IT AGAIN. HE WILL DO IT AGAIN. experienced as a news cameraman Mitch is trapped in his house where every day becomes the same. He spends his days living through the lives of others, his sister, his doctor, and the friends who call to see him, until one day a stranger rings his bell. Afterwards, it seems he can't avoid being sucked in to the events surrounding the murder until he makes a disturbing discovery.

*William J. Seymour and the Origins of Global Pentecostalism* - Gastón Espinosa 2014-08-11  
In 1906, William J. Seymour (1870-1922) preached Pentecostal revival at the Azusa Street mission in Los Angeles. From these and other humble origins the movement has blossomed to 631 million people around the world. Gastón Espinosa provides new insight into the life and ministry of Seymour, the Azusa Street revival, and Seymour's influence on global Pentecostal origins. After defining key terms and concepts, he surveys the changing interpretations of Seymour over the past 100 years, critically

engages them in a biography, and then provides an unparalleled collection of primary sources, all in a single volume. He pays particular attention to race relations, Seymour's paradigmatic global influence from 1906 to 1912, and the break between Seymour and Charles Parham, another founder of Pentecostalism. Espinosa's fragmentation thesis argues that the Pentecostal propensity to invoke direct unmediated experiences with the Holy Spirit empowers ordinary people to break the bottle of denominationalism and to rapidly indigenize and spread their message. The 104 primary sources include all of Seymour's extant writings in full and without alteration and some of Parham's theological, social, and racial writings, which help explain why the two parted company. To capture the revival's diversity and global influence, this book includes Black, Latino, Swedish, and Irish testimonies, along with those of missionaries and leaders who spread Seymour's vision of Pentecostalism globally.

Fire From Heaven - Harvey Cox 2009-03-25  
It was born a scant ninety-five years ago in a rundown warehouse on Azusa Street in Los Angeles. For days the religious-revival service there went on and on-and within a week the Los Angeles Times was reporting on a "weird babble" coming from the building. Believers were "speaking in tongues," the way they did at the first Pentecost recorded in the Bible?and a pentecostal movement was created that would, by the start of the twenty-first century, attract over 400 million followers worldwide. Harvey Cox has traveled the globe to visit and worship

with pentecostal congregations on four continents, and he has written a dynamic, provocative history of this explosion of spirituality? a movement that represents no less than a tidal change in what religion is and what it means to people.

The Rejected Blessing - Jim Kerwin 2012-09

Why is it that the Pentecostal movement today lacks the power of its Azusa Street roots? What teaching served as the foundation of the 1906 Azusa Street Revival, and how is it that most Pentecostals repudiated that foundation less than six years after the revival began? In this all-too-true tale, you'll discover larger-than-life -- and flawed -- men of God, scandalous animosity among Christian brothers, and a contentious prayer challenge in what could be described as a game of spiritual "Russian roulette." The book relates the roles of William J. Seymour, Charles F. Parham, and William H. Durham in the seismic shift which occurred in early Pentecostalism. This groundbreaking look at the

nexus of the Holiness and Pentecostal movements explains how one of God's special works of grace became "The Rejected Blessing." *William J. Seymour* - Vinson Synan 2012-01-01 This book is more than the life story of William J. Seymour. It provides us with his original sermons, analyses of his teachings, and the complete and original version of Seymour's final book, *Doctrines and Disciplines of the Apostolic Faith Mission of Los Angeles*, originally published in 1915. The pioneer and messenger of Azusa Street continues to speak to our hearts today with messages that are as timely now as when he first uttered them. His confident and steady voice calls us to holiness, repentance, faith, and racial reconciliation. "The Pentecostal power, when you sum it all up, is just more of God's love. If it does not bring more love, it is simply a counterfeit." -William J. Seymour

Not only will these papers give you a first-hand look at early Pentecostalism, they will encourage your faith and inspire you to believe God for revival today! *The Azusa Street Mission and Revival* - Cecil M. Robeck 2017-07-25

In *The Azusa Street Mission and Revival*, Cecil M. Robeck, Jr. brings to bear expertise from decades of focused study in church history to reveal the captivating story of the Apostolic Faith Mission in Los Angeles, which became

known as the Azusa Street Mission. Sometimes the largest blaze begins with the tiniest spark. At the dawn of the twentieth century, William J. Seymour, the son of Louisiana slaves, began meeting with a tiny congregation in a two-story wooden building in downtown Los Angeles. What began as a spontaneous gathering of believers quickly grew into a passionate revival and renewal of the work of the Holy Spirit. The movement spread at breathtaking speed. With little more than a printing press, a trolley stop, and a powerful message, the spiritual fire emanating from the Apostolic Faith Mission on Azusa Street rapidly crossed strict cultural and national borders—into Mexico, Canada, Britain, Scandinavia, Africa, India, and China. Led by William J. Seymour, the revival became the catalyst for the modern Pentecostal movement. Today, the more than 500 million Christians who identify as Pentecostal or Charismatic can trace the roots of their faith to this humble beginning at Azusa Street. The Azusa Street Mission and

Revival tells the full story of how this uniquely diverse and inclusive group grew into a powerful movement that forever changed the landscape of Christianity.

### **The Life and Ministry of William J. Seymour**

- Larry E. Martin 1999-01-01

The Life and Ministry of William J. Seymour is the first fully researched, major biography of the pastor of the Apostolic Faith Mission at 312 Azusa Street in Los Angeles, CA. Beginning in 1906, Seymour hosted a revival that spread the Pentecostal message around the world. In 1999 religious newswriters voted the Azusa Street revival as one of the ten most important religious events of the millennium. Seymour has been called the most influential black religious leader in American history. Born in 1870 in Centerville, Louisiana, Seymour's parents were both former slaves. His father was a union soldier in the Civil War. Seymour was reared in

the poverty and oppression of the reconstruction south. Seymour left the south and lived in Missouri, Indiana, Illinois and Ohio, usually working as a hotel waiter. He was baptized as a Roman Catholic, converted in a Methodist Church, and then joined the Church of God Reformation movement. In 1905, he encountered Charles F. Parham in Houston, Texas and embraced the Pentecostal doctrine. Arriving in Los Angeles in February 1906, Seymour was locked out of the church that had called him to the city to preach. In April, a Pentecostal outpouring led to the establishment of the mission on Azusa Street. Seymour spent his later years at the church in Los Angeles and traveling to spread the message. He died in 1922. This work looks at every area of Seymour's life and gives considerable attention to the revival that made him famous. The book has over 100 illustrations, including never before published photos of the mission. - Publisher.

*The Great Azusa Street Revival* - William

Seymour 2020-12-15

Serving as the “catalyst” of the Pentecostal movement in the twentieth century, William J. Seymour turned a tiny former horse stable in Los Angeles into an international center of revival. Baptism of the Holy Spirit, with the evidence of speaking in tongues, was a major part of the meetings held there, and Seymour led the first organized movement that promoted this experience. At Azusa, blacks, whites, Hispanics, and Europeans all met and worshiped together, crossing formerly impossible cultural lines. “There is no Jew or Gentile, bond or free, in the Azusa Mission,” Seymour said. “No instrument that God can use is rejected on account of color or dress or lack of education. This is why God has built up the work.” Compiled by Roberts Liardon, author of the bestselling God’s Generals series, *The Great Azusa Street Revival* features historic accounts, eyewitness testimonies to the power of God, and photos capturing the multicultural, worldwide

appeal of Seymour and his ministry. Included are many of Seymour’s stirring sermons and writings, which are still relevant to believers today. Although the revival was short-lived, it produced and exploded the Pentecostal movement around the world. Today, many denominations attribute their founding to the participants of the Azusa Street church, and countless others are linked to this revival. *William Seymour* - William Seymour 2017-09-04 The Azusa Street papers were published to herald the miraculous events that took place in Los Angeles. This great revival was led by a one eyed black man by the name of William Seymour who had a passion to see the bible come alive. People of all races worshipped together in the Spirit of unity. The Holy Spirit was poured out and many were saved, spoke in tongues, prophesied, healed, and sent out to the nations of the earth to spread this full gospel. This modern day pentecost would shake not only the church of the early 20th century but has touched

generations of believers. GET MORE BOOKS AT REVIVALPRESS.NET

**William J. Seymour** - Vinson Synan 2012-04-17  
He is the meekest man I ever met. He walks and talks with God. His power is in his weakness. He seems to maintain a helpless dependence on God and is simple-hearted as a little child, and at the same time is so filled with God that you feel the love and power every time you get near him. Here are just some of the descriptions from Azusa Street Revival participant William Durham of William J. Seymour who proved to be an effective leader, writer, teacher, and revivalist. His impact continues to be felt around the world today.

The Azusa Street Revival and Its Legacy - Harold D. Hunter 2009-11-01

In 1906 at 312 Azusa Street in Los Angeles a revival began that set in motion a global movement that has affected half a billion people. In The Azusa Street Revival and Its Legacy, twenty writers, representing the international

scholarship of the Pentecostal, Charismatic, and Renewal communities, reflect on the significance of the movement now and for the future.

Afro-Pentecostalism - Amos Yong 2011-05-16  
In 2006, the contemporary American Pentecostal movement celebrated its 100th birthday. Over that time, its African American sector has been markedly influential, not only vis-à-vis other branches of Pentecostalism but also throughout the Christian church. Black Christians have been integrally involved in every aspect of the Pentecostal movement since its inception and have made significant contributions to its founding as well as the evolution of Pentecostal/charismatic styles of worship, preaching, music, engagement of social issues, and theology. Yet despite its being one of the fastest growing segments of the Black Church, Afro-Pentecostalism has not received the kind of critical attention it deserves. Afro-Pentecostalism brings together fourteen interdisciplinary scholars to examine different

facets of the movement, including its early history, issues of gender, relations with other black denominations, intersections with popular culture, and missionary activities, as well as the movement's distinctive theology. Bolstered by editorial introductions to each section, the chapters reflect on the state of the movement, chart its trajectories, discuss pertinent issues, and anticipate future developments.
