Training the Best Dog Ever - Larry Kay 2012-09-25

Training the Best Dog Ever, originally published in hardcover as *The Love That Dog Training Program*, is a book based on love and kindness. It features a program of positive reinforcement and no-fail techniques that author Dawn Sylvia-Stasiewicz used to train the White House dog, Bo Obama, and each of Senator Ted Kennedy's dogs, among countless others. *Training the Best Dog Ever* relies on trust and treats, not choke collars; on bonding, not leash-yanking or reprimanding. The five-week training program takes only 10 to 20 minutes of practice a day and works both for puppies and for adult dogs that need to be trained out of bad habits. Illustrated with step-by-step photographs, the book covers hand-feeding; crate and potty training; and basic cues—sit, stay, come here—as well as more complex goals, such as bite inhibition and water safety. It shows how to avoid or correct typical behavior problems, including jumping, barking, and leash-pulling. Plus: how to make your dog comfortable in the world—a dog that knows how to behave in a vet's office, is at ease around strangers, and more. In other words, the best dog ever.

Healing/Heeling - Sassafras Lowrey 2019-04-24

In these experimental lyric essays, Lowrey explores queerness, PTSD, anxiety, and created family. A framing of Rally Obedience and Dog Agility course maps create a textured story on the page, a hybrid form in which Lowrey recounts a spiritual-like relationship to dogs beginning in childhood, a passion for dog shows fractured in adolescence with a period of homelessness, a service dog, anxiety, and a return to dog sports. This collection transcends Lowrey's personal relationship with dogs to tell a larger story about healing, loss, trauma, survival, and of course the love (and salvation) of many good dogs. I-I ()))))))))(((((((I-I ()))))))))(((((((I-I ()))))))))(((((((I-I Advanced Praise for Healing/Heeling "Healing/Heeling is a poetic fever-dream of a small book about training, handling and living with dogs: how they make us and save us and can even almost break us. Sassafras Lowrey's book is an essay, a harsh poem, an autobiography, a fractured narrative-and an apology and ode to the dogs of hir life: the spooky, the injured, the vulnerable, the brave. But the book's heartbreak is beautifully balanced by its close companion: the transcendent joy that comes from working in close partnership with a dog. Serpentine and leap, heel and heal." Cat Warren, NYT bestselling author of What the Dog Knows: Scent, Science, and the Amazing Ways Dogs Perceive the World. "Merging the mechanics of dog handling courses with the intensely personal story of how relationships with dogs have shaped hir life, Sassafras Lowrey has created a new kind of memoir, both deeply engaging and emotionally devastating. Combining poetry and prose, ze explores the themes of queerness, family, and the deep bond between humans and dogs with raw honesty and grace." Michael Thomas Ford, 5-time Lambda Literary Award Winner "Using narrative mixed with the visuals of dog agility course maps, Sassafras guides us through a journey of obstacles, sudden turns, long tunnels, leaps of bravery, and now, eventually, so many "clean runs." So often, after inordinate trauma, it is necessary to not only leave what damaged us behind but also everything associated with it. Sassafras Lowrey shows us that it is possible to not only re-invent ourselves, but also to gather up and claim the lost pieces of what has always sustained us.-Sandra Gail Lambert, author of A Certain Loneliness" This small book has a big impact if you love dogs. It is a deep and dreamlike meditation on how hir love of dogs intertwined with and redeemed hir brutalized childhood and how dog sports like agility,

obedience and scent work nurtured a damaged sense of self worth and agency." -Esther Newton, author of My Butch Career: A Memoir *Upside-Down Dogs* - Serena Hodson 2017-10-17

Celebrated pet photographer Serena Hodson's silly, drooly, whimsical, and fun Upside-Down Dogs is sure to bring a smile to every dog lover's face. Farlaine the Goblin - 2014

Big Kibble - Shawn Buckley 2020-12-01

A big, inside look at the shocking lack of regulation within the pet food industry, and how readers can dramatically improve the quality of their dogs' lives through diet. What's really going into commercial dog food? The answer is horrifying. Big Kibble is big business: \$75 billion globally. A handful of multi-national corporations dominate the industry and together own as many as 80% of all brands. This comes as a surprise to most people, but what's even more shocking is how lax the regulations and guidelines are around these products. The guidelines—or lack thereof—for pet food allow producers to include ever-cheaper ingredients, and create ever-larger earnings. For example, "legal" ingredients in kibble include poultry feces, saw dust, expired food, and diseased meat, among other horrors. Many vets still don't know that kibble is not the best food for dogs because Big Kibble funds the nutrition research. So far, these corporations have been able to cut corners and still market and promote feed-grade food as if it were healthful and beneficial—until now. Just as you are what you eat, so is your dog. Once you stop feeding your dog the junk that's in kibble or cans, you have taken the first steps to improving your dog's health, behavior and happiness. You know the unsavory side of Big Tobacco and Big Pharma. Now Shawn Buckley, Dr. Oscar Chavez, and Wendy Paris explain all you need to know about unsavory Big Kibble—and offer a brighter path forward for you and your pet.

[Pit Bull Flower Power](#) - Sophie Gamand 2018

For decades, pit bulls have been demonized by society and portrayed as hellhounds. They've become the most feared, hated, and abused of all companion animals. Some cities and even entire countries ban them, while the media persist in associating them with viciousness. This unjust reputation has sealed the fate of millions of dogs, who face prejudice around the world and languish in shelters, where they are the most euthanized. In America alone, hundreds of thousands of pit bulls are put to sleep every year. Since 2014, French photographer Sophie Gamand has been composing portraits of adoptable pit bulls from more than thirty shelters and rescues throughout the United States. Many had been waiting for years for a home. Adorning her models with handmade flower-crowns, Gamand tells each dog's story and celebrates their inherent personality, vulnerability, and individuality. Posted and shared widely on social media, the portraits--at once charming, candid, and deeply affecting--have not only led to hundreds of dogs finding loving, forever homes, but have also spurred efforts to destigmatize an animal whose reputation for violence says more about us than it does the character of the dogs themselves. Full of moving, honest, and inspiring stories of individual dogs and their lives (and deaths), *Pit Bull Flower Power* presents a vivid, beautifully composed cross-section of Gamand's extraordinary work. The book also serves as a testament to the caring people who work in animal rescue, the passion and dedication of those who provide homes for these animals, and the dignity, forbearance, and love of these dogs, who are at the mercy of humans.

Meet the Shih Tzu - American Kennel Club 2011-10-25

The American Kennel Club's Meet the Shih Tzu is the AKC's first official publication on this popular companion breed, published in conjunction with the American Shih Tzu and I-5 Press. Meet the Shih Tzu presents accurate, authoritative information on all aspects of purchasing and owning this elegant Toy breed. All titles in the American Kennel Club's Meet the Breed series are heavily illustrated with color images of well-bred puppies and beautiful adults, making the books as attractive as they are reliable. Meet the Shih Tzu contains eleven detailed chapters devoted to the breed's history, characteristics, and the special requirements for owning this active and fully coated Toy. A chapter devoted to the purchase and selection of the Shih Tzu puppy gives the reader specific guidance on how to locate a qualified breeder and to recognize a healthy, sound puppy. Individual chapters on house-training and basic obedience serve as a crash course in positive-training techniques, the AKC's only recommended way of training dogs. Chapters on exercise, grooming, feeding, and healthcare present indispensable information for new dog owners. As an official publication of the AKC, Meet the Shih Tzu also explains the many vital programs offered by the country's leading canine organization to all pet dog owners, including the S.T.A.R. Puppy and the Canine Good Citizen programs, as well as descriptions of various dog sports such as conformation showing, agility, herding, obedience and more. A detailed resources section offers recommendations for websites, books, periodicals, and club affiliate programs, all of great interest to responsible new dog owners.

Yoga Dogs - Dan Borris 2011-03-01

Learn how to sit, stay, and roll over with this fully illustrated, "delightful" guide to yoga starring man's best friend (Shutterbug magazine). Inspired by a friend's mastiff who would imitate his master's morning yoga routine, photographer Dan Borris created Yoga Dogs, a full-color collection of forty-five different dogs and puppies doing human yoga poses. Don't worry: No animals were harmed during the making of these images; their extreme flexibility is the result of clever digital trickery. The curious, humorous, and distinctly original pictures are paired with useful information about the poses, as well as some funny canine meditations. "A fresh and highly entertaining visual treat," Yoga Dogs is perfect for any yogi of the two or four-legged variety (Shutterbug magazine).
