Keep Safe! - Donna Koren Wells 2000

This potentially lifesaving guide explains how to avoid crimes and dangerous situations through forethought and planning. The authors offer easy-to-implement suggestions from public safety experts, law enforcement officers, and security specialists for protecting family, home, car, and office.

God Keeps You Safe Peekaboo - Michelle Medlock Adams 2013-03-01

A lift-the-flap book that introduces little ones to the concept of God's care and protection. God's care and protection are plainly promised to us in the Bible, but the concept can be difficult for a young child to understand. In Peek-a-Boo Promises: God Keeps You Safe, cheerful artwork and simple text combine to help relate the biblical promise of God's protection to everyday events in the lives of children. Little ones will love lifting the flaps to uncover the rhymed conclusion of each promise. And they'll begin to learn about the Bible as they do so. Ages 2-5.

The Peter May Collection - Peter May 2020-04-23

#1 BESTSELLING AUTHOR OF THE BLACKHOUSE 'A TERRIFIC WRITER' MARK BILLINGHAM **PETER

MAY: OVER 4.5 MILLION COPIES SOLD WORLDWIDE* A collection of Peter May's bestselling standalone titles, this omnibus edition includes Entry Island, Coffin Road and I'll Keep You Safe. ----- ENTRY ISLAND A detective is haunted by the feeling he knows his murder suspect - despite the fact they have never met. IF YOU FLEE FATE... When Detective Sime Mackenzie is sent from Montreal to investigate a murder on the remote Entry Island, 850 miles from the Canadian mainland, he leaves behind him a life of sleeplessness and regret. FATE WILL FIND YOU... But what had initially seemed an open-and-shut case takes on a disturbing dimension when he meets the prime suspect, the victim's wife, and is convinced that he knows her - even though they have never met. And when his insomnia becomes punctuated by dreams of a distant Scottish past in another century, this murder in the Gulf of St. Lawrence leads him down a path he could never have foreseen, forcing him to face a conflict between his professional duty and his personal destiny. ----- COFFIN ROAD A man stands bewildered on a deserted beach on the Hebridean Isle of Harris. He cannot remember who he is. The only clue to his identity is a folded map of a path named the Coffin Road. He does not know where this search will take him. A detective from Lewis sits aboard a boat, filled with doubt. DS George Gunn knows that a bludgeoned corpse has been discovered on a remote rock twenty miles offshore. He does not know if he has what it takes to uncover how and why. A teenage girl lies in her Edinburgh bedroom, desperate to discover the truth about her scientist father's suicide. Two years on, Karen Fleming still cannot accept that he would wilfully abandon her. She does not yet know his secret. Coffin Road follows three perilous journeys towards one shocking truth - and the realisation that ignorance can kill us. ----- I'LL KEEP YOU SAFE A stunning standalone thriller from Peter May, alternating between the glamorous fashion world of Paris and the rugged beauty of the Isle of Harris. WHATEVER HAPPENS Niamh and Ruairidh Macfarlane co-own the Hebridean company Ranish Tweed. On a business trip to Paris to promote their luxury brand, Niamh learns of Ruairidh's affair, and then looks on as he and his lover are killed by a car bomb. She returns home to Lewis, bereft. I'LL ALWAYS BE THERE FOR YOU Niamh begins to look back on her life with Ruairidh, desperate to identify anyone who may have held a grudge against him. The French police, meanwhile, have ruled out terrorism, and ruled in murder - and sent Detective Sylvie Braque to shadow their prime suspect: Niamh. I'LL KEEP YOU SAFE, NO MATTER WHAT As one woman works back through her memories, and the other moves forward with her investigation, the two draw ever closer to a deadly enemy with their own, murderous, designs.

Keeping You Safe - Ann Owen 2004

Describes some of the things that police officers do to help keep people safe.

I'll Keep You Safe - Peter May 2018-01-21

Friends since childhood, and lovers and business partners as adults, Niamh and Ruairidh are owners of a small Hebridean company, Ranish Tweed, that weaves its own very special version of Harris Tweed. Although it's a small company, their fabrics have become internationally sought-after as a niche brand in the world of fashion and haute couture. But the threads of their relationship are beginning to fray. As they prepare for an important showing at the Première Vision fabric fair, held in Paris every year, Niamh accuses Ruairidh of having an affair with Irina, a Russian fashion designer they work with--a fight that ends with Ruairidh storming off and getting into Irina's car. Moments later, Niamh watches in horror as the car containing her life partner explodes in a ball of flame.

Keep You Safe - Rona Halsall 2018-08-17

Keep You Safe - Melissa Hill 2017-08-22

Single mother Kate O'Hara's daughter, Rosie, is one of a small percentage of children with a disorder that prevents them from being immunized. All Kate can do is hope that herd immunity keeps disease at bay and her little girl safe. Madeleine Cooper and her husband declined measles shots for their daughter Clara; vaccinations were a leap of faith she wasn't prepared to take. Then both girls wind up in the same elementary school class, and both girls get sick. Will Kate pay for Madeline's choice?

To Keep You Safe - Kate Bradley 2020-03-05

You know she's in danger. What do you do? When teacher Jenni Wales sees 15-year-old Destiny's black eye, she's immediately worried. Destiny isn't your average student: she's smart, genius IQ smart, and she's in care. But concern turns to fear when Jenni witnesses an attempt to abduct Jenni from school

The Lord Keeps You Safe - Canadian Bible Society

There are days when our world feels increasingly dangerous – and small! Even those who have not witnessed acts of terrorism or violence first hand, or who have not lived through a dramatic natural disaster and its consequences, are made aware of the tragic cost and painful aftermath through the ever present media. These experiences have a profound effect on each one of us, often bringing feelings of fear, anxiety, helplessness or abandonment. Trained caregivers tell us that these emotions, accompanied by some very physical symptoms – recurring nightmares, panic attacks, difficulty in concentrating, nervousness at sudden noises, difficulty in establishing relationships and hypervigilance (a heightened sense of awareness) – can be indications of post traumatic stress disorder. If this is what you are living, you should take comfort in the fact that these are very normal reactions and that your struggles are real. Taking the brave step of seeking support from a trained counsellor, and perhaps a few close friends, will in turn help you to be a solace to loved ones who may also be suffering with you. In the midst of your fears, you also need to know that God is with you – comforting and strengthening you, and assuring you with words that are repeated frequently throughout the Bible: “Don't be afraid!” This Scripture booklet contains a selection of some of the best loved words of comfort and assurance from the Bible that we pray will remind you about the love of a God who promises never to let go or abandon you.

How to Keep My Body Healthy and Safe - Ysabel Lindo 2021-06-23

"How to keep my body healthy and safe" edition 2, is a children's book for ages 3 and up. For every book purchased, a gender-based violence (GBV) victim is supported for reintegration into society such as educational, career and professional advancements About the Book Written by Ms. Kyra Luthi and co-written and illustrated by Ms. Ysabel Lindo, this book is A MUST for parents and teachers as it aims to normalize the awareness of private body parts, personal boundaries and consent as being an important part of the household and classroom daily routine. It also contains an interactive journal to empower children in maintaining body ownership and responsibility. This book celebrates diversity as it is available in different ethnicities, genders, and languages. This book is an initiative of the Breaking Silence Movement, a private, non-profit organization based in Manila, Philippines with project operations in France, Switzerland and the USA. Its main advocacy is to fight domestic and sexual assault through creating awareness, preventive, empowerment and educational strategies. Its mission is to pursue a world free from violence and empower GBV survivors by providing opportunities for reintegration into society such as career and professional advancements. For more information, you may visit: www.breakingsilencemvmt.org About the Author KYRA LUTHI is an entrepreneur, author, and humanitarian based in Paris, France. She graduated with a Bachelor's Degree in Communication and Media studies in San Beda College, Alabang in the Philippines. She later on attended an entrepreneurship course in Harvard Business School, USA in 2017, and is currently taking the Executive International MBA Program of the Sorbonne Business School, Sorbonne University in Paris, France. She has a business background in the digital, media, entertainment, art and luxury industry. She is a private personal advisor on wealth and asset management particularly in Europe, Asia Pacific and the USA. Her writing background mainly focuses on wealth, business and psychosociological theoretical articles, and her first children's book, "How to keep my body healthy and safe", inclining towards her humanitarian work and personal life commitment in fighting domestic and sexual violence as a survivor, and founder of the Breaking Silence Movement. About the Co-author and Illustrator YSABEL LINDO is an educator, author, and artist based in Manila, Philippines. She graduated with a Bachelor's

Degree in Elementary Education - Major in Early Childhood Education from De La Salle University-Manila. And has attended Introduction to Psychology course from Yale University. She has been an educator for nine years and has written five books for a leveled preschool reading program. She started as a teacher for preschool students and kids with special needs. Later on, she became a Trainer for preschool teachers in a very reputable and recognized international school in the Asia Pacific. She is currently working as a Curriculum Consultant. She believes that through teaching, she found her "Ikigai" - a Japanese concept meaning "a reason for being" or "doing what you're good at, doing what the world needs, doing what you love, and doing what you can be paid for". In her spare time, she likes to tap into her creativity through graphic designing, sketching, and painting murals; and seek fulfilling work such as volunteering for charity. Important note: This book is self-published through Amazon KDP (Kindle Direct Publishing), a print on-demand basis for environmental sustainability. Amazon KDP is solely responsible for printing. David brings insight, experience, and a passion for empowering people and organizations utilizing the training programs and protective services that he offers here in the United States and in other countries. He is considered by many to be the most dynamic and motivational speaker and trainer in the security and personal safety industr

Keeping Patients Safe - Institute of Medicine 2004-03-27

Building on the revolutionary Institute of Medicine reports To Err is Human and Crossing the Quality Chasm, Keeping Patients Safe lays out guidelines for improving patient safety by changing nurses' working conditions and demands. Licensed nurses and unlicensed nursing assistants are critical participants in our national effort to protect patients from health care errors. The nature of the activities nurses typically perform – monitoring patients, educating home caretakers, performing treatments, and rescuing patients who are in crisis – provides an indispensable resource in detecting and remedying error-producing defects in the U.S. health care system. During the past two decades, substantial changes have been made in the organization and delivery of health care – and consequently in the job description and work environment of nurses. As patients are increasingly cared for as outpatients, nurses in hospitals and nursing homes deal with greater severity of illness. Problems in management practices, employee deployment, work and workspace design, and the basic safety culture of health care organizations place patients at further risk. This newest edition in the groundbreaking Institute of Medicine Quality Chasm series discusses the key aspects of the work environment for nurses and reviews the potential improvements in working conditions that are likely to have an impact on patient safety.

Protect Your Family from Lead in Your Home - 1995

Motorcycle Safety Apparel and Accessories: Information to Keep You Safe and Stylish - Michael Cimicata 2014-03-14

Wearing a motorcycle jacket, gloves, and boots are almost as important as wearing a motorcycle helmet. However, the majority of motorcycle riders don't truly believe in the importance of these additional pieces of motorcycle apparel. This ebook outlines a TON of info on motorcycle safety apparel. It will help you with everything from finding the best pair of motorcycle gloves to wear in the summer to knowing which type of motorcycle jacket to look for. It is an absolute must-read for all motorcycle enthusiasts. I would HIGHLY recommend it to anyone that has a motorcycle or is planning on getting one in the future.

How to Keep Your Children Safe - Yvonne Marie Vissing 2006

An invaluable new guide to child safety

Keep You Safe - Melissa Hill 2017-09-01

Every mother faces impossible choices. Vaccination is one of the hardest. For single mom Kate O'Hara, there was no decision to make. Her daughter, Rosie, is one of a small percentage of children who can't be vaccinated against measles. All Kate can do is hope that her little girl is safe. For mommy blogger Madeleine Cooper, vaccination was a leap of faith she wasn't prepared to take. She and her husband declined controversial measles shots for their daughter Clara. All she can do is pray that it's the right decision. But when classmates Clara and Rosie both become sick will Kate pay for Madeleine's choice? A stunning, addictive and powerful new book club read that explores every mother's worst fear and hardest decision from beloved Irish bestselling author Melissa Hill.

Keep Her Safe - Sophie Hannah 2017-09-19

LIANE MORIARTY says that "No one writes twisted, suspenseful novels quite like Sophie Hannah." Packed with twists and clues, simmering with tension, this electrifying new thriller shows why. She's the most famous murder victim in America. What if she's not dead? Pushed to the breaking point, Cara Burrows flees her home and family and escapes to a five-star spa resort she can't afford. Late at night, exhausted and desperate, she lets herself into her hotel room and is shocked to find it already occupied — by a man and a teenage girl. A simple mistake at the front desk... but soon Cara realizes that the girl she saw alive and well in the hotel room is someone she can't possibly have seen: the most famous murder victim in the country, Melody Chapa, whose parents are serving natural life sentences for her murder. Cara doesn't know what to trust — everything she's read and heard about the case, or the evidence of her own eyes. Did she really see Melody? And is she prepared to ask herself that question and answer it honestly if it means risking her own life?

I'll Keep You Safe - Peter May 2018-03-06

"RICHLI WRITTEN." --KIRKUS REVIEWS "VIBRANT DETAILS." --PUBLISHERS WEEKLY "NO ONE CAN CREATE A MORE ELOQUENTLY WRITTEN SUSPENSE NOVEL THAN PETER MAY." --NEW YORK JOURNAL OF BOOKS A stunning standalone thriller from Peter May that alternates between the glamorous fashion world of Paris and the rugged beauty of the Isle of Harris. When a killer strikes a pair of fabric entrepreneurs, is the motive money or something far more personal? Friends since childhood, and lovers and business partners as adults, Niamh and Ruairidh are owners of a small company that weaves its own very special version of Harris Tweed—a niche brand in the world of fashion and haute couture. But the threads of their relationship are beginning to fray. When Niamh accuses Ruairidh of having an affair with Irina, a Russian fashion designer they work with, Ruairidh storms off and gets into Irina's car. Moments later, Niamh watches in horror as the car explodes in a ball of flame. With Niamh a prime suspect in the murder, she begins to suspect that things are not what they seem; and when there is an attempt on her life, she becomes convinced that what looked like a terrorist attack on her lover might be something more personal by far . . .

Keeping Your Church Safe - Ron Aguiar 2008-08-01

When church leaders fail to provide for the well-being and protection of everyone involved in congregational programs, they are derelict in their duty to shepherd and protect the flock. A conscientious and well run safety program gives a sense of security and comfort to those who attend and helps provide an atmosphere where worship, fellowship, edification and service can take place without incident. Keeping Your Church Safe is a practical blueprint for churches covering all aspects of church security and safety for

staff, premises and members. It's a well-outlined, easy-to-follow guide in establishing an effective security program for congregations of all sizes. "Given the uncertain times in which we live and increasing threats to our churches, Ron has written a practical, thorough, easy-to-read book that should be a textbook for any church. More importantly, he loves the Lord and His church and has dedicated his life to making sure Christ is exalted in the best and safest way possible." Bob Russell (retired) Senior Minister Southeast Christian Church Louisville, Kentucky "Addressing topics rarely discussed but realistic, this book is an excellent guide for church administrators, security managers, board chairpersons, volunteers or anyone serious about protecting our places of worship. It has been written as a result of years invested in "front line" experience. It contains the insight of a safety manager, site security chief, dignitary protection administrator and a special event commander, all in one." Major Bill Weedman (retired) Commander of Special Operations and Event Management Louisville Metro Police Department Ron Aguiar has been at Southeast Christian Church for 10 years as Director of Safety & Security, with an additional 10 years spent in public law enforcement and private security. Ron is a sought-after speaker, consultant to churches, para-church organizations and public law enforcement agencies. Contact Information: churchsafetyandsecurity@gmail.com

Use Glenn's many years of experience, and his desire to help people live in a more comfortable, healthier, safer home by reading this book and putting the ideas you gain into action. Your family and your castle will be glad you did.

I Just Need You - J. Nathan 2020-10-25

Kresley Studying abroad was my chance to gain independence away from my privileged life in California. But, when there's a kidnapping attempt on my life, I'm forced to return home to finish college. I just never expected to get stuck with a pompous, know-it-all bodyguard who watches my every move with nothing but disdain. One whose good looks don't soften the cold, impenetrable wall he wears like armor. Tristan I pride myself on being a professional and taking my job as a bodyguard seriously. But, nothing could prepare me for the high maintenance, rich girl I'm hired to protect. She's got a smart mouth, is hell-bent on pushing my buttons, and doesn't take the threats against her seriously. And despite the nightmares that plague her dreams, or the fact that I'm the only one who knows about them, I'm not there to befriend her. I'm there to protect her...no matter how much she intrigues me. Jabs will be exchanged, glares will become the norm, jealousy will rear its ugly head, and sparks...well those damn things will inevitably fly. But will it all come with a dangerous price?

I'll Be Home for Christmas - Iris Morland 2017-12-20

It's Christmas time, and the entire Thornton clan is spending the holidays in a cabin deep in the Washington woods. What could go wrong with twelve adults, four kids, and a dog all staying together in one big cabin? Only the most chaotic—and memorable—Christmas ever! Expect kisses under the mistletoe, lots of (spiked) eggnog, and even a surprise wedding as the Thornton clan celebrates the most romantic holiday of all. Author's Note: I'll Be Home for Christmas is set six months after the last book, Till There Was You, ends. It's recommended that you read the other books first, as this novella is an epilogue to the entire series. Merry Christmas and happy reading!

Keeping Kids Safe - Pnina Tobin 2002

With 80 percent revised material, Keeping Kids Safe arms children with safety skills and helps adults teach kids prevention strategies. This trusted resource for teachers, parents, and counselors includes age-appropriate curricula and word-for-word scripts.

Keep Me Safe - Maya Banks 2014-10-07

A sizzling story of a woman who risks her life and her heart to find a wealthy man's missing sister—the first novel in a sexy new romantic suspense series from #1 New York Times bestselling author Maya Banks. When Caleb Devereaux's younger sister is kidnapped, this scion of a powerful and wealthy family turns to an unlikely source for help: a beautiful and sensitive woman with a gift for finding answers others cannot. While Ramie can connect to victims and locate them by feeling their pain, her ability comes with a price. Every time she uses it, it costs her a piece of herself. Helping the infuriatingly attractive and impatient Caleb successfully find his sister nearly destroys her. Even though his sexual intensity draws her like a magnet, she needs to get as far away from him as she can. Deeply remorseful for the pain he's caused, Caleb is determined to make things right. But just when he thinks Ramie's vanished forever, she reappears. She's in trouble and she needs his help. Now, Caleb will do risk everything to protect her—including his heart. . . .

365 Ways to Keep Kids Safe - Don C. Keenan 2006-04-01

Written by a nationally recognized child advocate attorney, Don C. Keenan reveals 365 Ways to Keep Kids Safe. Included in the book are user-friendly outlines and checklists to prevent injuries caused by everyday hazards. Parents and childcare providers who use this book will certainly provide a safer world in which children can play.

Who Helps Keep Us Safe? - Erica Donner 2017

Who Helps Keep Us Safe? teaches emergent readers about the role of some important community helpers while providing them with a supportive first nonfiction reading experience. Carefully crafted text uses high-frequency words, repetitive sentence patterns, and strong visual references to support emergent readers, ensuring reading success by making sure they aren't facing too many challenges at once.

Spy Secrets That Can Save Your Life - Jason Hanson 2015-09-22

The New York Times bestseller that reveals the safety, security, and survival techniques that 99% of Americans don't know—but should. When Jason Hanson joined the CIA in 2003, he never imagined that the same tactics he used as a CIA officer for counter intelligence, surveillance, and protecting agency personnel would prove to be essential in every day civilian life. In addition to escaping handcuffs, picking locks, and spotting when someone is telling a lie, he can improvise a self-defense weapon, pack a perfect emergency kit, and disappear off the grid if necessary. He has also honed his "positive awareness"—a heightened sense of his surroundings that allows him to spot suspicious and potentially dangerous behavior—on the street, in a taxi, at the airport, when dining out, or in any other situation. In his engaging and empowering book *Spy Secrets That Can Save Your Life*, Jason shares this know-how with readers, revealing how to:

- prevent home invasions, carjackings, muggings, and other violent crimes
- run counter-surveillance and avoid becoming a soft target
- recognize common scams at home and abroad
- become a human lie detector in any setting, including business negotiations
- gain peace of mind by being prepared for anything instead of uninformed or afraid

With the skill of a trained operative and the relatability of a suburban dad, Jason Hanson brings his top-level training to everyday Americans in this must-have guide to staying safe in an increasingly dangerous world.

The Patient's Checklist - Elizabeth Bailey 2020-09

"I've been pushing for people to understand how checklists work and can be made to empower them. Bailey has done precisely this for patients--that is, for all of us."--Atul Gawande. Whether you're addressing the rising chaos of a pandemic or preparing for a scheduled surgery, having checklists prepared to guide you through a hospital visit can often mean the difference between comfort and pain, personal and distant care--and even life or death. In today's hospital system, many Americans face a series of perplexing obstacles to satisfactory care. Healthcare providers are often so busy with the wide range of patients that they cannot hope to provide the personalized care each patient deserves. Communication issues between staff can result in misdiagnosis or the wrong medicine. Patients and families rely on their medical staff to know and keep track of everything, without realizing that errors can be--and often are--made. In *The Patient's Checklist*, Elizabeth Bailey addresses this problem, providing readers with a series of easy-to-use checklists to better manage, monitor, and participate in their own healthcare, including: Before You Go, What to Bring, Master Medication List, Discharge Plan, and more. It is more important than ever to have a protocol, including a detailed plan for hygiene and communications while hospitalized. You can trust the medical staff, but you also need to trust yourself or a loved one to be your own best advocate. Newly revised and completely up-to-date, *The Patient's Checklist* shows you how.

more important than ever to have a protocol, including more tips on hygiene in the hospital. You can trust the medical staff, but you also need to trust yourself or a loved one to be your own best advocate. Whether you're advocating for yourself or a loved one, *The Patient's Checklist* empowers you to take charge of your medical care--and your life.

I Will Keep You Safe and Sound - Lori Haskins Houran 2013

A variety of animals find special places for safety and shelter.

The Secrets To Finding Hidden Cameras - Evan Lafler 2021-05-22

Is someone spying on me? There are countless different ways in which someone can secretly spy or eavesdrop on you. Fortunately, there are also many signs of surveillance that can uncover hidden cameras or microphones in your home, office, computer, car, or cell phone. It is not paranoid to take precautions. A lot of spy gear is detectable if you know what to look for. Look for anything in your surroundings that appears disturbed, out of place or odd. Surveillance can be done by more than clunky nanny cams. It can be conducted with wireless microdevices - some as small as a postage stamp - that can be stashed in hard-to-spot places such as inside clocks, light fixtures, and air vents. Be wary of anything with an inexplicable hole in it, such as a hole drilled into a hair dryer mount in a hotel bathroom. And scrutinize any wires trailing out of something that's not obviously electronic, such as a desk, a bookcase or a plant.

The Patient's Checklist - Elizabeth Bailey 2020-06-29

"A godsend for concerned friends and relatives trying to rein in the chaos."-The New York Times. Whether you're addressing the rising chaos of a pandemic or preparing for a scheduled surgery, having checklists prepared to guide you through a hospital visit can often mean the difference between comfort and pain, personal and distant care--and even life or death. In today's hospital system, you can face a series of perplexing obstacles to satisfactory care, from overworked healthcare providers to understaffed facilities--which are heightened in times of crisis. You need to know how to take charge of your own healthcare; Elizabeth Bailey shows you how to do just that with a series of essential, easy-to-use checklists to better manage, monitor, and participate in your own healthcare, including: Before You Go, What to Bring, Master Medication List, Discharge Plan, and more. It is more important than ever to have a protocol, including a detailed plan for hygiene and communications while hospitalized. You can trust the medical staff, but you also need to trust yourself or a loved one to be your own best advocate. Newly revised and completely up-to-date, *The Patient's Checklist* shows you how.

The perfect blend of riveting characters, chilling details, and gasping twists in this standout thriller will keep you frantically reading until the explosive end." - Lisa Gardner, New York Times bestselling author of *Right Behind You*. This is the story of three best friends: one who was murdered, one who went to prison, and one who's been searching for the truth all these years. . . . When she was sixteen years old, Angela Wong—one of the most popular girls in school—disappeared without a trace. Nobody ever suspected that her best friend, Georgina Shaw, now an executive and rising star at her Seattle pharmaceutical company, was involved in any way. Certainly not Kaiser Brody, who was close with both girls back in high school. But fourteen years later, Angela Wong's remains are discovered in the woods near Geo's childhood home. And Kaiser—now a detective with Seattle PD—finally learns the truth: Angela was a victim of Calvin James. The same Calvin James who murdered at least three other women. To the authorities, Calvin is a serial killer. But to Geo, he's something else entirely. Back in high school, Calvin was Geo's first love. Turbulent and often volatile, their relationship bordered on obsession from the moment they met right up until the night Angela was killed. For fourteen years, Geo knew what happened to Angela and told no one. For fourteen years, she carried the secret of Angela's death until Geo was arrested and

sent to prison. While everyone thinks they finally know the truth, there are dark secrets buried deep. And what happened that fateful night is more complex and more chilling than anyone really knows. Now the obsessive past catches up with the deadly present when new bodies begin to turn up, killed in the exact same manner as Angela Wong. How far will someone go to bury her secrets and hide her grief? How long can you get away with a lie? How long can you live with it? Find out in Jennifer Hillier's Jar of Hearts.

Defund Fear - Zach Norris 2021-02-02

A groundbreaking new vision for public safety that overturns more than 200 years of fear-based discrimination, othering, and punishment As the effects of aggressive policing and mass incarceration harm historically marginalized communities and tear families apart, how do we define safety? In a time when the most powerful institutions in the United States are embracing the repressive and racist systems that keep many communities struggling and in fear, we need to reimagine what safety means. Community leader and lawyer Zach Norris lays out a radical way to shift the conversation about public safety away from fear and punishment and toward growth and support systems for our families and communities. In order to truly be safe, we are going to have to dismantle our mentality of Us vs. Them. By bridging the divides and building relationships with one another, we can dedicate ourselves to strategic, smart investments—meaning resources directed toward our stability and well-being, like healthcare and housing, education and living-wage jobs. This is where real safety begins. Originally published in hardcover as *We Keep Us Safe: Building Secure, Just, and Inclusive Communities*, *Defund Fear* is a blueprint of how to hold people accountable while still holding them in community. The result reinstates full humanity and agency for everyone who has been dehumanized and traumatized, so they can participate fully in life, in society, and in the fabric of our democracy.

Let the Angels Keep You Safe - Matthew Illaszewicz 2011-07-12

Let the Angels Keep You Safe is based on a true World War II story about a brave and determined young Polish woman who chose her own life path, defying her parents and then evading the German and Italian armies. Cecylia Illaszewicz risked her life to be reunited with her husband who left Warsaw with secret documents on the day of the first bombings in September 1939. Cecylia or Cesia, as she was more commonly known, traveled through four war zones, survived hunger, an Italian prison and was just able to escape several bombings. She had a spirit that was unstoppable. She triumphed in the harshest conditions while overcoming great adversity, and this is her story.

To Keep Him Safe - Gayle Parish 2021-10-15

To Keep Him Safe is a moving narrative about overcoming adversity and finding a place of healing for Lillian Hawke, the loving mother of a son who develops mental illness. Her husband, Mitchell, a contractor by trade, wrestles with self-doubt when he sees behaviors in his son that remind him of his troubled brother and lead him to fear the worst outcome. Their son, Danny, is a carefree child until about the age of three or four, when he begins to become more and more socially awkward, withdrawn, and antisocial, although high functioning. Sarah, their youngest child, is a light in the family dynamics, in part because of her close bond with Danny and her calming influence in his life. Gayle Parish, the author and a professional counselor by training, conveys the doubts, frustrations, chaos, self-discovery, and fear that come with a severe mental health diagnosis and the havoc it wrecks in a young family's life over many decades. The main character, Lillian, grapples with her doubts and emotional pain as she and her family learn to cope with a special needs child. Danny's diagnosis leads her to a career in counseling, which enables her to help others, and perhaps most importantly, to find her way through a myriad of personal and family challenges. Though life is not easy for Lillian's family, their deep love for each other supports them through situations that would tear many families apart. The family's journey includes not only dark days but also days filled with light, as when Danny, an artistic savant, communicates in the best way he can - through his art. The author quietly conveys the heartbreaking desperation of a family coping with mental illness. She shows how every character is affected in a different and unique way. Lillian walks a tightrope in her journey of personal growth, where she maintains a sense of normalcy for her younger daughter, her husband, and her job, while diligently working to keep her son safe. A beautifully and touchingly told story.

Keep Her Safe - Jen Faulkner 2022-07-22

"I couldn't put this down . . . Loved this! This is a really gripping story . . . I was addicted from the start." —Amazon reviewer, five stars A mother is gripped by fear as her daughter approaches adulthood, in this novel of attachments, anxieties, and buried secrets . . . How far would you go to protect your daughter? Catherine's daughter is about to leave for university. Although she knows worrying about this is normal, she's becoming increasingly anxious about Anya's safety. And that anxiety is starting to take over her life . . . She's fallen back into a habit of going into Anya's bedroom when she sleeps to watch her breathe, and is secretly tracking her daughter's movements on an app. Anya, struggling with her mum's suffocating behaviour, hides her own anxieties about leaving home for fear of panicking her mother further. But with Anya preparing to move out, who will check on her and keep her safe? Do other people pose a threat or is her own mother the one she should be afraid of?
