Violence Against Women in Families and Relationships - EVAN STARK 2009-06-08

The fight to end domestic violence consists of community-based services for battered women, laws and policies to combat the problem, a broad spectrum of frequently-innovative programs to protect or otherwise support abused women and children, a dramatic shift in media portrayals of violence against women, and a growing public critique of unacceptable forms of power and control in relationships. These four volumes take stock of all of the ways in which legislation, programs and services, and even public attitudes have impacted victims, offenders, and communities over the last few decades. The books pay special attention to how race, class, and cultural differences affect the experience of abuse. They explore the efficacy of interventions, and provide compelling real-life examples to illustrate issues and challenges; they uncover the realities of domestic violence and the toll it takes on families, individuals, communities, and society at large.

Nice Girls Don't Get Rich - Lois P. Frankel 2009-10-31

With the same frank advice and empowering information that made *Nice Girls Don't Get the Comer Office* a New York Times bestseller, Lois Frankel tackles the 75 financial mistakes that keep women from having the wealth they deserve. If you have outstanding balances on your credit cards...don't have assets in your own name...are saving instead of investing, then chances are you're not rich and not living the life

you want. Without your awareness, behaviors learned as a girl are preventing you from becoming a woman who is financially independent and free to follow her dreams. Lois Frankel isolates the messages about money given to little girls that little boys never hear. Then she helps you discover the financial thinking that is keeping you stuck in old patterns, dependent relationships, and jobs where you earn less than you deserve. Once you get to the root of the problem, Frankel helps you solve it-with fabulous results. Her coaching tips help you take control of your finances and make more money than you ever thought possible. Do you make these "nice girl" mistakes? Mistake #4: Not playing to win. Being polite, quiet, and fair to a fault is playing the financial game "like a girl." Mistake #10: Choosing to remain financially illiterate. Knowledge is power. Learn to manage your major purchases, investments, and banking. Mistake #20: Spending as an emotional crutch. Understand your emotions; don't make purchases just to lift your spirits. Mistake #45: Saving instead of investing. Fear can keep your funds in low-interest accounts. Get educated about investing. Get wealthy. Frankel gives you the financial savvy to change negative behaviors, make smart money choices, and embrace the life you want sooner than you think.

Patterns and Themes - Judy R. Rogers 2000-03

Women & Money (Revised and Updated) - Suze Orman 2018-09-11

Achieve financial peace of mind with the million-copy #1 New York Times bestseller, now revised and updated, featuring an entirely new Financial Empowerment Plan and a bonus chapter on investing. The time has never been more right for women to take control of their finances. The lessons, revelations, and shocks of the past few years have made it clear that standing in our truth is the only way to care for ourselves, our families, and our finances. With her signature mix of insight, compassion, and practical advice, Suze equips women with the financial knowledge and emotional awareness to overcome the blocks that have kept them from acting in the best interest of their money—and themselves. Whether you are single or in a committed relationship, a successful professional, a worker struggling to make ends meet, a stay-at-home parent, or a creative soul, Suze offers the possibility of living a life of true wealth, a life in which you own the power to control your destiny. At the center of this fully revised and updated edition, Suze presents an all-new Financial Empowerment Plan, designed to get you to a place of emotional and financial security as quickly as possible—because the most precious commodity women have is time. Divided into four essential components, the plan will teach you how to • Protect yourself • Spend smart • Build your future • Give to others Also included is a bonus chapter on investing—for those who are living by Suze’s unbreakable financial ground rules and ready to learn how to invest with confidence. *Women & Money* speaks to every mother, daughter, grandmother, sister, and wife. It gives readers the opportunity to tap into Suze’s unique spirit, people-first wisdom, and unparalleled appreciation that for women, money itself is not the end goal. It’s the means to living a full and meaningful life.

Handbook of Diversity in Feminist

Psychology - Hope Landrine, PhD 2009-12-17

"With the publication of the *Handbook of Diversity in Feminist Psychology*, the field of feminist psychology has achieved a new depth; the volume is a sophisticated and cutting-edge compendium that not only describes the state of the field, but also pushes its boundaries in important ways."----*Sex Roles: A Journal of Research* "Critical for all those who are in the field of psychology to own, refer to, and use. No

longer are diversity and gender issues considered to be on the periphery as they once were....one would be remiss in not considering these factors in psychology." --Florence L. Denmark, PhD (From the Foreword) Author, *Psychology of Women "FINALLY--A collection of work that is built on decades, if not centuries, of hard work from many feminists of color and our allies! This is one of the few books that delves deeply into the complex world of considering the human condition in cultural context, something psychology is only [relatively] recently trying to do. This book is a must have for anyone interested in feminism OR diversity issues. It is a great example of feminist multiculturalism and both fields (i.e., feminism and multicultural psychology) should consider it an example of how to merge theoretical orientations in a way that is fitting for real people. I LOVE this book!"* --Geneva Reynaga-Abiko, Psy.D. This handbook presents a multicultural approach to diversity in feminist psychology. Provocative and timely, the text comprehensively discusses the cutting-edge of feminist discourse, covering major topics such as multicultural feminist theory, gender discrimination, aging, health and therapy, violence and harassment, politics and policy, and much more. The unique quality of this book is that each contributor brings her own cultural perspective, values, and concerns to her chapter. Special emphasis is also given to the intersectionality of minority identities such as race, ethnicity, social class, sexual preference, and other socially constructed status differences among women. Key Topics Discussed: Intimate partner violence: perspectives from ethnic groups in the United States Gender-transgressive sexual minorities HIV/AIDS among women of color and sexual minority women Psychological perspectives on older women, including transitions, cognitive functioning, and mental health Ethnicity, disordered eating, and body image Methodological and statistical issues in research with diverse samples Low-income women, women with disabilities, workers, and immigrants/refugees

Nice Girls Don't Get the Corner Office - Lois P. Frankel 2014-02-18

Before you were told to "Lean In," Dr. Lois Frankel told you how to get that corner office. The New York Times bestseller, is now completely revised and updated. In this edition, internationally recognized executive coach Lois P. Frankel reveals a distinctive set of behaviors--over 130 in all--that women learn in girlhood that ultimately sabotage them as adults. She teaches you how to eliminate these unconscious mistakes that could be holding you back and offers invaluable coaching tips that can easily be incorporated into your social and business skills. Stop making "nice girl" errors that can become career pitfalls, such as: Mistake #13: Avoiding office politics. If you don't play the game, you can't possibly win. Mistake #21: Multi-tasking. Just because you can do something, doesn't mean you should do it. Mistake #54: Failure to negotiate. Don't equate negotiation with confrontation. Mistake #70: Inappropriate use of social media. Once it's out there, it's hard to put the toothpaste back in the tube. Mistake #82: Asking permission. Children, not adults, ask for approval. Be direct, be confident.

Children's Books in Print, 2007 - 2006

The Confident Woman - Marjorie Hansen
Shaevitz 2012-01-04

How Confident Are You? Marjorie Hansen Shaevitz has won national awards for her work in women's health and has enjoyed the success some people only dream of: a prosperous professional life; a long, happy marriage; two Stanford-educated children; and a bestselling book, *The Superwoman Syndrome*, which coined a term for a generation of women. Despite all of her accomplishments, however, she struggled with the issue of confidence. After conducting extensive research, she found that she was far from alone: Many women experience the paradox of enjoying success in their business and personal lives while lacking confidence in themselves. *The Confident Woman* focuses on the issues that women face in growing up as girls in this society. Using a series of seven

steps, complete with techniques and questions, Shaevitz presents an accessible and proven program that helps women regain their confidence. It is written for women of all ages, ending with an epilogue for mothers who want practical tips for raising confident daughters. In clear, concise prose -- filled with anecdotes and humor -- *The Confident Woman* focuses on what women say they want: practical advice that they can use now.

The New York Times Biographical Service - 1998-05

A compilation of current biographical information of general interest.

Financial Recovery - Karen McCall 2011-03-21
After healing her own unhealthy relationship with money, and transforming her financial disaster into prosperity and security, Karen McCall created a recovery program she has now used for more than twenty years to help individuals, couples, and businesses large and small. In the midst of her money troubles, she saw a need for something other than financial planners, accountants, and credit counselors. These experts could tell her what she should be doing differently, but she needed someone to help her understand the underlying causes of chronic, self-defeating overspending and credit card debt, underearning, and low or no savings. To save herself, she created practical, holistic tools that address these sources of pain and shame. McCall's program supports people as they uncover their deep-seated attitudes about money; provides simple, step-by-step tools for healing areas of physical, emotional, and spiritual deprivation; and teaches skills and strategies for experiencing lasting personal and financial fulfillment even in the midst of economic challenges and reversals.

Why Women Earn Less - Mikelann R. Valterra 2004

"Why Women Earn Less" is a practical, step-by-step guide for under-earning women who are ready to turn their lives around. It demystifies the process of underearning, explores its underlying psychological and emotional issues, and offers practical advice and strategies to help overcome it.

The Wiley Handbook on Violence in Education - Harvey Shapiro 2018-05-03

In this comprehensive, multidisciplinary volume, experts from a wide range of fields explore violence in education's different forms, contributing factors, and contextual nature. With contributions from noted experts in a wide-range of scholarly and professional fields, The Wiley Handbook on Violence in Education offers original research and essays that address the troubling issue of violence in education. The authors show the different forms that violence takes in educational contexts, explore the factors that contribute to violence, and provide innovative perspectives and approaches for prevention and response. This multidisciplinary volume presents a range of rigorous research that examines violence from both micro- and macro- approaches. In its twenty-nine chapters, this comprehensive volume's fifty-nine contributors, representing thirty-three universities from the United States and six other countries, examines violence's distinctive forms and contributing factors. This much-needed volume: Addresses the complexities of violence in education with essays from experts in the fields of sociology, psychology, criminology, education, disabilities studies, forensic psychology, philosophy, and critical theory Explores the many forms of school violence including physical, verbal, linguistic, social, legal, religious, political, structural, and symbolic violence Reveals violence in education's stratified nature in order to achieve a deeper understanding of the problem Demonstrates how violence in education is deeply situated in schools, communities, and the broader society and culture Offers new perspectives and proposals for prevention and response The Wiley Handbook on Violence in Education is designed to help researchers, educators, policy makers, and community

leaders understand violence in educational settings and offers innovative, effective approaches to this difficult challenge.

Financial Intimacy - Jacquette M. Timmons 2009-10

Addressing the common reasons people don't discuss personal finances in detail and in-depth with their partner, this unique approach to managing money goes beyond the superficial to the substantial and significant conversations couples should have about money. In part one, personal profiles of 19 women reflect the financial and emotional challenges every woman, to some degree, eventually faces when the relationships she has with herself, her money, and her mate converge. The second section reviews key individual thoughts, behavior, and expectations concerning money and examines how these affect the expectations of a significant other. The love-and-money dance is the focus of the third part, providing a framework for asking questions and exchanging information that allow any couple to know and understand each other's personal financial history. Assessing and improving the emotional impact of managing money in a romantic relationship, this guidebook elevates the conversation about money and provides women with the tools to take the lead.

Women and Domestic Violence Law in India - Shalu Nigam 2019-09-17

This book critically examines domestic violence law in India. It focuses on women's experiences and perspectives as victims and litigants, with regard to accessibility to law and justice. It also reflects on the manner in which the legal process reproduces gender hierarchies. This volume: Analyzes the legal framework from a gender perspective to pinpoint the inherent stereotypes, prejudices and discriminatory practices that come into play while interpreting the law; Includes in-depth interviews and case studies, and explores critical themes such as marriage, rights, family, violence, property and the state; Presents alternatives beyond the domain of law, such as qualitative medical care and legal aid facilities, shelter homes, short-stay homes, childcare facilities, and economic and social security provisions to survivors and their children. Drawing on extensive testimonies and ethnographic studies situated in a theoretical framework of law, this book will be of great

interest to scholars and researchers of law, gender, human rights, women's studies, sociology and social anthropology, and South Asian studies.

Insider Threat: Protecting the Enterprise from Sabotage, Spying, and Theft - Eric Cole 2005-12-15

The Secret Service, FBI, NSA, CERT (Computer Emergency Response Team) and George Washington University have all identified "Insider Threats as one of the most significant challenges facing IT, security, law enforcement, and intelligence professionals today. This book will teach IT professional and law enforcement officials about the dangers posed by insiders to their IT infrastructure and how to mitigate these risks by designing and implementing secure IT systems as well as security and human resource policies. The book will begin by identifying the types of insiders who are most likely to pose a threat. Next, the reader will learn about the

variety of tools and attacks used by insiders to commit their crimes including: encryption, steganography, and social engineering. The book will then specifically address the dangers faced by corporations and government agencies. Finally, the reader will learn how to design effective security systems to prevent insider attacks and how to investigate insider security breaches that do occur. Throughout the book, the authors will use their backgrounds in the CIA to analyze several, high-profile cases involving insider threats. * Tackles one of the most significant challenges facing IT, security, law enforcement, and intelligence professionals today * Both co-authors worked for several years at the CIA, and they use this experience to analyze several high-profile cases involving insider threat attacks * Despite the frequency and harm caused by insider attacks, there are no competing books on this topic.

Powerful Mate Syndrome - Angela Wilder

2014-01-14

A frank, practical, and uplifting guide for anyone living in the shadow of a powerful mate. Former NBA wife and marriage and family therapy intern Angela Wilder knows all about living with a powerful mate. Through her own experiences and those of her many clients and even many friends, she has come to recognize the signs of what she calls Powerful Mate Syndrome: - a belief that a partner's work, interests, and personality should come before one's own - a lack of self-worth, identity, and joyful self-expression - a loss of financial and decision-making power - a fear of questioning, challenging, or disagreeing with one's "powerful mate" for fear of losing what is good (or even not so good) about the relationship In this warm, supportive, and refreshingly tell-it-like-it-is book, Angela Wilder helps readers understand how they got to this destructive power imbalance in their relationship (hint: it's NOT all the other

person's fault!), and she charts a simple, step-by-step path to a healthier sense of self, and a more balanced, healthy, and fulfilling relationship. Complete with insightful and revealing quizzes, checklists, and exercises, and generously offering personal and professional anecdotes to help explain Powerful Mate Syndrome ("the other PMS"), this one-of-a-kind guide will introduce you to your "Reality Godmother" - and offer hope, and concrete solutions, for anyone who lives in the reflected glory of a powerful mate.
