Mírate / Look at Yourself - Andrea Vilallonga 2018-09-25

Andrea Vilallonga, profesora de OT 2017 y experta en imagen y comunicación, nos presenta el método #MÍRATE: Mejora tu imagen, renueva tu actitud, trabaja tu expresión. EL MÉTODO MÍRATE TE PERMITE, SENCILLAMENTE, AMARTE: - Aceptar cómo te ves. - Mejorar la comunicación con los demás. - Aclarar lo que realmente quieres transmitir con tu imagen. - Revelar qué te hace único y decidir sacar lo mejor de ti mismo. - Transformar la perspectiva que tienes sobre tu imagen. - Elevar tu autoestima. El método #MÍRATE se basa en la idea de aceptación de la imagen propia como punto de mejora, usándola como elemento de presencia y no de belleza. Este libro desarrolla un trabajo que explica cómo descubrir cuál es la imagen transmitida y, a través de la propia imagen externa, la expresión y la actitud, entender cómo mejorarla, basándose siempre en las características y necesidades de cada persona para transmitir su verdadero yo, sin disfrazarse o querer ser lo que no se es. ENGLISH DESCRIPTION Andrea Vilallonga, professor on the Spanish musical talent show OT 2017 and expert in image and communication, presents the Mírate (Look at Yourself) Method (#MÍRATE): Improve your image, refresh your attitude, and work on your expression. The Mírate Method allows you to simply love yourself: · Accept what you see. · Improve communication with others. · Reveal that which makes you unique and decide to bring out the best in yourself. · Transform the perspective you have about your own image. · Raise your self-esteem. The Mírate Method is based on the idea of accepting your own self-image as a starting point for improvement, using it as an element of presence and not of beauty. This book explains how to discover what the image is that we are transmitting, and through that external image, expression, and attitude, to understand how to improve it, always based on each person's individual characteristics and need to transmit their own best self, without disguising themselves or trying to be what they are not.

A is for Asylum Seeker: Words for People on the Move / A de asilo: palabras para personas en movimiento - Rachel Ida Buff 2020-08-04
A clear and concise A to Z of keywords that echo our current human

rights crisis As millions are forced to leave their nations of origin due to political, economic, and environmental peril, rising racism and xenophobia has led to increasingly harsh policies. A mass-mediated political circus obscures both histories of migration and longstanding definitions of words for people on the move, fomenting widespread linguistic confusion. Under this circus tent, there is no regard for history, legal advocacy, or jurisprudence. Yet in a world where the differences between “undocumented migrant” and “asylum seeker” can mean life or death, words have weighty consequences. A timely antidote to this circus, *A is for Asylum Seeker* reframes key words that describe people on the move. Written to correct the de-meaning of terms by rhetoric and policies based on dehumanization and profitable incarceration, this glossary provides an intersectional and historically grounded consideration of the words deployed in enflamed debate. Skipping some letters of the alphabet while repeating others, thirty terms cover everything from Asylum-seeker to Zero Tolerance Policy. Each entry begins with a contemporary or historical story for illustration and then proceeds to discuss the language politics of the word. The book balances terms impacted by current political debates—such as “migrant,” “refugee,” and “illegal alien”—and terms that offer historical context to these controversies, such as “fugitive,” “unhoused,” and “vagrant.” Rendered in both English and Spanish, this book offers a unique perspective on the journeys, histories, challenges, and aspirations of people on the move. Enhancing the book's utility as an educational and organizing resource, the author provides a list of works for further reading as well as a directory of immigration advocacy organizations throughout the United States. ***** Un claro y breve abecedario de palabras clave que hacen eco en nuestra crisis humanitaria presente. Mientras millones son forzados de huir de sus naciones de origen debido a peligro político, económico, y ecológico, racismo y xenofobia han llevado a políticas más y más severas. Un circo político en los medios oculta a ambas las historias de inmigración y las definiciones antiguas de palabras para personas en movimiento, creando confusión lingüística amplia. Bajo esta carpa de circo, no hay consideración para historia, defensa legal, o jurisprudencia. Pero en un mundo donde las diferencias entre “migrante indocumentado” y “solicitante de asilo” pueden ser la diferencia entre vida y muerte, palabras tienen consecuencias graves. Un antídoto oportuno a este circo, *A de Asilo* re-enmarca palabras claves que describen a personas en movimiento. Escrito para corregir la designificación de términos por retórica y políticas basadas en deshumanización y encarcelación lucrosa, este glosario provee una consideración interseccional e histórica de las palabras usadas en debate inflamado. Brincando a unas letras del alfabeto mientras repite a otras, treinta términos cubren todo desde Asilo a Tolerancia Cero. Cada artículo empieza con una historia contemporánea u histórica para ilustrar, y después discute la política alrededor de la palabra. El libro balancea términos impactados por debates políticos contemporáneos—como “migrante,” “refugiado” y “extranjero ilegal”—y términos que ofrecen contexto histórico a estas controversias, como “fugitivo” “sin casa” y “vagante.” Escrito en inglés y español, este libro ofrece una perspectiva única en las jornadas, historias, retos, y aspiraciones de personas en movimiento. Aumentando la utilidad del libro como un recurso educacional y organizacional, la autora provee una lista de obras para más lectura, igual que un directorio de organizaciones de defensa de inmigrantes a través de los Estados Unidos.

Civil Judgment Recognition and the Integration of Multiple-state Associations - Robert C. Casad 1981

This book represents a prodigious study of judgment-recognition practices in the Central American states, and is for that reason alone an important and needed contribution to comparative law. Distinguished legal scholar Robert C. Casad details the history and present arrangements in Central America, compares the Central American system to interstate judgment-recognition arrangements in the U.S. and the European Economic Community, and considers important suggestions for reform in Central America. This book brings together for the first time in one source, translated into English, the texts of the relevant code provisions of each of the six Central American countries, as well as the text of the Bustamante Code (the multi-lateral treaty) and the European Economic Community judgment-recognition convention.

Understanding the Book of Daniel for This Generation

Comprensión El Libro De Daniel Para Esta Generación - Earl B. Schrock 2021-12-15

The entire book of Daniel demonstrates the battle between good and evil from the days of Daniel to the very end of the ages when sin is completely destroyed. It reveals the ongoing battle where the sacred verses the secular and the holy verses the unholy. The author’s goal is to produce an easy to read book explaining the intent of each chapter in the book of Daniel, leading the reader to get a clearer understanding of Bible prophecy. The objective is to help people realize an interpretation of the book of Daniel, for our day, for this generation, is indispensable. There is a soon coming time of trouble and a time of tribulation we should know about, understand, and prepare for. Daniel Bible questions to ponder: How many years were Daniel’s people to be in Babylon? And why? How long is the “seven times” in which King Nebuchadnezzar was punished? How long is “time, times, and half a time”? When do the 70 weeks, 1260, 1290, 1335, and 2300 days begin? What is the Holy Covenant? What is the “continual” of Daniel 12:11? What is the “abomination of desolation”? Can a seven year tribulation period be substantiated in the Bible? What does “the appointed time of the end” timeline look like as designed by the Bible? Todo el libro de Daniel demuestra la batalla entre el bien y el mal desde los días de Daniel hasta el final de los tiempos cuando el pecado es completamente destruido. Revela la batalla en curso donde los versos sagrados lo secular y los versos santos lo profano. El objetivo del autor es producir un libro fácil de leer que explique la intención de cada capítulo del libro de Daniel, lo que lleva al lector a obtener una comprensión más clara de la profecía bíblica. El objetivo es ayudar a la gente a darse cuenta de que una interpretación del libro de Daniel, para nuestros días, para esta generación, es indispensable. Pronto vendrá un tiempo de angustia y un tiempo de tribulación que debemos conocer, comprender y para el que debemos prepararnos. Preguntas de la Biblia de Daniel para reflexionar: ¿Cuántos años estuvo el pueblo de Daniel en Babilonia? ¿Y por qué? ¿Cuánto duran las “siete veces” en las que se castigó al rey Nabucodonosor? ¿Cuánto tiempo es “tiempo, tiempos y medio tiempo”? ¿Cuándo comienzan las 70 semanas, 1260, 1290, 1335 y 2300 días? ¿Qué es el santo pacto? ¿Qué es lo “continuo” de Daniel 12:11? ¿Qué es la “abominación desoladora”? ¿Puede fundamentarse en la Biblia un período de tribulación de siete años? ¿Cómo se ve la línea de tiempo del “tiempo señalado del fin” según lo diseñado por la Biblia? Sexual Hierarchies, Public Status - Cristian Berco 2007-01-01

Despite the increasing popularity of queer scholarship, no major work in English thus far has explored the evidence of male homosexual behaviour found in the inquisitorial court records of early modern Spain. This absence seems all the more glaring considering the wealth of available archival material. *Sexual Hierarchies, Public Status* aims to fill this gap by comprehensively examining the Aragonese Inquisition's sodomy trials. Using court records, Cristian Berco provides an analysis of male sexuality and its connection to public social structures and processes. His study illustrates how male homosexual behaviour existed within a widespread gendered system that extolled the penetrative act as the masculine pursuit of an emasculated passive partner. This sexual hierarchy based on masculinity constantly intersected in a potentially subversive manner with notions of public hierarchy and posed a threat to local sexual economies. Yet, Berco demonstrates how the views of private denouncers and magistrates in the sodomy trials produced divergent sexual economies that rendered persecution unstable and diffuse. By focusing on how hierarchies were created both within sexual relationships and in the public eye, this investigation traces the significance of homosexual desire in the context of daily social relations informed by status, ethnic, religious, and national differences.
