Comedian Brandt Tobler has the answers in this funny, touching and sometimes downright unbelievable memoir of a small town Wyoming-kid turned "mall-fia" don, turned nationally touring comic. Records of the Three Kingdoms in Plain Language - Anonymous 2016-09-01

The saga of the Three Kingdoms—which recounts the dramatic story of the civil wars (ca. 180–220 CE) that divided the old Han Empire into the Shu, Wei, and Wu states—remains as popular as ever in China, having served as the basis of not only traditional operas and ballads, but also, in more recent years, of movies, television dramas, and video games. Translated into English for the first time here, the Sanguozhi pinghua (thirteenth century CE) provides a complete and fast-paced narrative account of the events of the period, from the beginning of the civil wars to the demise of the Three Kingdoms and the short-lived reunification of the realm by the Jin dynasty. Shorter, clearer, and more accessible to Western audiences than Luo Guanzhong's later, greatly expanded Romance (Sanguo yanyi)—and beautifully rendered in this edition by two modern-day masters of the art of Chinese literary translation—the Records of the Three Kingdoms in Plain Language provides an ideal introduction to one of the foundational Chinese epic traditions. Tables of major Chinese dynasties and reigns, a guide to understanding formal Chinese naming conventions, a glossary of Chinese names and terms, and reproductions of some woodcuts from the original edition of the text are included.

As important for Chinese culture as the Homeric epics have been for the West, this Ming dynasty masterpiece continues to be widely influential in China, Korea, Japan, and Vietnam and remains a great work of world literature.

Sacred - Dennis Lehane 2009-10-13

A beautiful, grief-stricken woman has vanished without a trace. So has the detective hired to find her. And a lot of money... Enter tough-nosed private investigators Patrick Kenzie and Angela Gennaro. Rooted in the streets of blue-collar Dorchester, they've seen it all - and survived. But this case leads them into unexpected territory: a place of lies and corruption, where trusting anyone could get them killed, and where nothing is sacred. Another superior thriller from Dennis Lehane, the bestselling and acclaimed author of *Mystic River*, *Shutter Island*, and *Gone, Baby, Gone*.
