Developing Play and Drama in Children with Autistic Spectrum Disorders - Dave Sherratt 2012-09-10

Learning through play is a well-established principle that underpins much educational practice, yet it is often overlooked in association

with children with autistic spectrum disorders. This book considers the wide-ranging benefits of developing play and taking it into drama with these children. The authors demonstrate how to implement such approaches via a highly practical, structured developmental framework, within which participants may gradually learn to be creative. They also discuss the psychology and pedagogy of autism in relation to play and drama and connect them to everyday learning situations using a wealth of examples. This accessible approach to play and drama can offer a powerful, memorable, integrating way forward for children with autistic spectrum disorders - and enjoyable, fun opportunities for teaching and learning.

Bodies and Transformance in Taiwanese Contemporary Theater - Peilin Liang

2019-07-26

In *Bodies and Transformance in Taiwanese Contemporary Theater*, Peilin Liang develops a theory of bodily transformation. Proposing the concept of transformance, a conscious and rigorous process of self-cultivation toward a reconceptualized body, Liang shows how theater practitioners of minoritized cultures adopt transformance as a strategy to counteract the embodied practices of ideological and economic hegemony. This book observes key Taiwanese contemporary theater practitioners at work in forging five reconceptualized bodies: the energized, the rhythmic, the ritualized, the joyous, and the (re)productive. By focusing on the development of transformance between the years of 2000–2008, a tumultuous political watershed in Taiwan's history, the author succeeds in bridging postcolonialism and interculturalism in her conceptual framework. Ideal for scholars of Asian and postcolonial theater, *Bodies and Transformance in Taiwanese Contemporary Theater* shows how transformance, rather than performance, calibrates with far greater precision and acuity the state of the body and the culture that it seeks to create.

Creating Aztlán - Dylan A. T. Miner 2014-10-30

In lowriding culture, the ride is many things—both physical and intellectual. Embraced by both Xicano and other Indigenous youth, lowriding takes something very ordinary—a car or bike—and transforms it and claims it. Using

the idea that lowriding is an Indigenous way of being in the world, artist and historian Dylan A. T. Miner discusses the multiple roles that Aztlán has played at various moments in time, from the pre-Cuauhtemoc codices through both Spanish and American colonial regimes, past the Chicano Movement and into the present day. Across this “migration story,” Miner challenges notions of mestizaje and asserts Aztlán, as visualized by Xicano artists, as a form of Indigenous sovereignty. Throughout this book, Miner employs Indigenous and Native American methodologies to show that Chicano art needs to be understood in the context of Indigenous history, anticolonial struggle, and Native American studies. Miner pays particular attention to art outside the U.S. Southwest and includes discussions of work by Nora Chapa Mendoza, Gilbert “Magú” Luján, Santa Barraza, Malaquías Montoya, Carlos Cortéz Koyokuikatl, Favianna Rodríguez, and Dignidad Rebelde, which includes Melanie Cervantes and Jesús Barraza. With sixteen pages of color images, this book will be crucial to those interested in art history, anthropology, philosophy, and Chicano and Native American studies. *Creating Aztlán* interrogates the historic and important role that Aztlán plays in Chicano and Indigenous art and culture.

Australian Plays for the Colonial Stage -

Richard Fotheringham 2006

From the mid-1830s until the end of the nineteenth century hundreds of plays were written and staged in the Australian colonies. The first known of these, Henry Melville's *The Bushrangers*, was performed by a mixed amateur and professional cast at Hobart's Argyle

Assembly Rooms on 29 May 1834. By the end of the century at least six professional theatre companies were giving hundreds of performances of versions of The Kelly Gang to popular acclaim throughout the length and breadth of Australia. This Academy Edition presents the scripts of nine colonial plays, one of them in two versions. Beginning with Melville's short melodrama and ending with the best known of the Kelly Gang plays, first staged in 1899 in Sydney, the volume also contains a scurrilous satire *Life in Sydney* (1843), a pioneering romance *Arabin; or, The Adventures of a Settler* (1849), a short choral 'masque' *The South-Sea Sisters* (1866), a proto-nationalistic pantomime in Melbourne and Sydney versions *The House that Jack Built* (1869 and 1871), a city murder-mystery *Hazard* (1872), a comic-horror saga of a bush heroine *For £60,000* (1874) and the first Australian stage classic, adapted in 1886 from Marcus Clarke's novel, *For the Term of His Natural Life*. Comprehensive general introduction Each play has been given generous historical and textual introductions and is supplemented with explanatory notes on the many people, places, events and stories referred to Appendix containing nearly sixty pages of music for the songs and tunes used in four of the productions Contains over 50 illustrations Special hardback volume with quality sewn bindings, decorative head and tail bands with coloured and gold foil blocking, and an attractive dust cover jacket Four of the plays have never before been published and the other five are copied from rare nineteenth century editions that are difficult-to-access Editorial apparatus All of the plays in this edition are reset. Four of the plays - *Life in Sydney*, *Arabin*, *For the Term of His Natural Life* [from Marcus Clarke's novel] and *The Kelly Gang* - have never been published before and have been transcribed from unique hand-written manuscripts; and the other five are copied from rare nineteenth century editions - *The Bushrangers*, *The South-Sea Sisters*, *The House that Jack Built*, *Hazard*, and *For £60,000*. The plays have been given generous introductions, placing the play in historical context and detailing the choice of copy text and textual variants, and are supplemented with explanatory footnotes. A comprehensive general introduction

describes the Australian colonial theatre industry - its stories, artists, stage traditions and innovations - and explains the appeal that theatre had as art and show business to men and women from different social groups living in both city and country. The collection also has a chronology of events relating to colonial theatre, over 50 illustrations and an appendix containing nearly sixty pages of music for the songs and tunes used in four of the productions which is edited by Angela Turner. Contents Henry Melville, *The Bushrangers; or, Norwood Vale* (1834) 'A. B. C.', *Life in Sydney; or, The Ran Dan Club* (1843) James R. Closer - Emerald O'brien 2016-07-11

Chloe Forrester has planned her life out perfectly. Newly engaged to her adoring boyfriend, Harrison Scott, she finally feels as if the pieces of her life are coming together. But when Paxton Potter, a man with a grudge against her fiancé, accuses him of betrayal, Chole's trust in Harrison starts to waver. After a young woman's body is found, a dangerous and unlikely connection is formed between Chloe and Paxton. With each dark secret uncovered, Chole has a choice- turn a blind eye or dig deeper. But in order to understand something or someone, you have to look closer. Each decision she makes has a consequence, as new truths are revealed about her enemies and the people she loves. With Chole's future dangling by a thread, she must be ready to sever ties to the life she thought she knew in order to survive.

Old Nyaviyuyi in Performance - Tito Banda 2017-11-28

Reading these tales from Northern Malawi readers come close to watching an original performance and the tales and the songs encapsulate the essence of Malawian culture. The authors presentation, using performance

directions, allows the reader to see and hear old Nyaviyuyi as she, through word, voice, tone and gesture, mocks nosy wives, and celebrates the devotion of friendship and parental love. The author has made a further contribution to the topic by including musical notations for the songs.

Context and Development - Robert Cohen
2014-02-04

The purpose of this book is to explore meaningful integrations of developmental processes and functioning with conceptualizations of "context" -- a term traditionally denoting physical settings, social arenas, or perceptual or social backdrops in relation to a focal point. However, the study of context has taken a considerably more unique and vibrant form in recent years -- the term is becoming more than a substitute for background independent variables. Rather, the contributions of context to behavior, thought, feelings -- and vice versa -- are becoming central issues in many research domains. This text is a collection of empirical and theoretical accounts for understanding context; its focus is on integrating the study of context with the science of developmental psychology. Although the authors work in many different areas of the field, and with different populations, they all converge on a central methodological/conceptual theme of contextualism, which is presented as the dynamic integration of intraindividual factors with environmental and social/environmental factors.

Creating Kabuki Plays - Katherine Saltzman-Li
2010-04-16

Significant study of Kabuki playwriting of the Edo Period (1603-1867), based around an examination and translation of the only extant treatise fully devoted to the subject, the 1801 *Kezairoku, Sakusha no Shikihô* (Valuable Notes on Playwriting, A Playwrights' Methodology.)

Script Analysis specifically for Actors, Directors, and Designers; the only book on this subject that covers the growing area of unconventional plays.

John Green - Kathleen Deakin 2015-06-09

In a very short time, John Green has become an icon of young adult literature. His first novel, *Looking for Alaska* (2005) won the Michael Prinz

award, *Paper Towns* (2008) received an Edgar Allan Poe award, and in 2014, *Time* magazine named him one its 100 Most Influential People. *The Fault in Our Stars* reached number one on the *New York Times* bestseller list, and the film adaptation was a worldwide hit. *John Green: Teen Whisperer* looks at the work of a versatile author whose works have fast become must-reads for teens and adults alike. After providing a biographical sketch of the author, subsequent chapters focus on different "types" of Green's writing: radio broadcasts, blogs, vlogs, YouTube videos, and, of course, his novels, including *An Abundance of Katherines* (2006) and *Will Grayson, Will Grayson* (2010). This volume concludes with an interview of Green and a unique final chapter that considers not only the young adult view of his work, but an adult perspective as well. Based on extensive research, this book captures the diverse elements of Green and his work: predictable, but surprising; stable, yet enigmatic; aloof, but deeply caring; hip, but homespun; irreverent, but deeply spiritual. Exploring why his writing reaches both teens and adults, *John Green: Teen Whisperer* will be of interest to librarians, scholars, and the author's many fans.

Institutions of the Text - Jeffrey Masten 2001
Volume XXX of this award-winning publication examines texts in relationship to the institutions that shaped early modern culture - the printing industry, the market-place of both texts and fashions, theatrical companies - as well as manuscript circulation, authorship, and issues relating to the family and paternity. In essays that range across the terrain of early modern culture, the contributors use a wide variety of methodologies to explore their interests and tackle fundamental questions. *Renaissance Drama*, an annual publication, is devoted to drama as a central feature of Renaissance culture. Displaying an interdisciplinary orientation, the essays in each volume explore the Renaissance dramatic traditions in relation to their precursors and successors and examine the impact of new forms of interpretation on the study of Renaissance plays.

On the Subject of Drama - David Hornbrook
2002-01-04

Although much has been written on how the drama elements of the English curriculum might

be taught in schools, there is less guidance available for teachers who regard drama not as an adjunct of English but as an arts subject in its own right. In this volume, David Hornbrook and a team of experienced drama specialists show how the subject of drama may be defined and taught. Drawing on literature, visual art, music and dance as well as the rich and varied traditions of drama itself, they map out an eclectic subject curriculum for students of all ages. Opening up the field in new and exciting ways, the book embraces the widest possible range of dramatic knowledge and skills, from the Natyashastra of ancient India to contemporary classroom improvisation. The book is divided into three sections: The teaching and learning of drama: ideas about interculturalism, creativity and craft - key concepts informing the drama curriculum - are interrogated and re-theorised for the classroom. Making and performing drama in school: the fundamental processes of reading and writing plays for performance are explored, along with the potential of dance to enhance and extend students' experience of dramatic performance. Watching and understanding drama: ensuring the curriculum is appropriately balanced between the production and reception of drama, this last section emphasises the role of students as audience - for both live and electronic performances - and the development of a dramatic vocabulary.

Closer - Patrick Marber 2015-04-23

There's a moment. There's always a moment . . . Dan rescues Alice. Anna photographs Dan. Larry meets Anna online. Alice rescues Larry. This is London at the end of the twentieth century where lives collide and fates change in an instant. Strangers become lovers and lovers become strangers . . . On its premiere in 1997, *Closer* won Olivier, Evening Standard and New York Drama Critics' Circle Awards. Since then, the play has been produced in more than 200 cities across the world. This edition of the play was published to coincide with the production at the Donmar Warehouse, London, in February 2015.

Scripts of Terror - Benedict Wilkinson
2020-02-01

This book explores terrorism as a strategic choice-- one made carefully and deliberately by

rational actors. Through an analysis of the terrorist groups of Egypt, Saudi Arabia and Yemen, this book charts a series of different strategic 'scripts' at play in terrorist behavior, from survival, to efforts in mobilizing a supporter base, through to the grinding attrition of a long terrorist campaign. The theme that runs through all the organizations is the unbridgeable gap between their strategic vision, and what actually unfolds. Regardless of which script terrorists follow, they often fall short of achieving their political ambitions. And yet, despite its frequent failure, the terrorist strategy is returned to time and again-- people continue to join such groups, and to commit mindless acts of violence. *Scripts of Terror* explores the reasons behind this. It asks why, if terrorism is so rarely successful and so hard to pull off, its approach remains an appealing one. And it examines how terrorists formulate their strategies, and how they envisage achieving their ambitions through violence. Most importantly, it explores why they so often fail.

Scripts of Blackness - Noémie Ndiaye
2022-09-20

Scripts of Blackness shows how the early modern mass media of theatre and performance culture at-large helped turn blackness into a racial category, that is, into a type of difference justifying emerging social hierarchies and power relations in a new world order driven by colonialism and capitalism. In this book, Noémie Ndiaye explores the techniques of impersonation used by white performers to represent Afro-diasporic people in England, France, and Spain in the sixteenth and seventeenth centuries, using a comparative and transnational framework. She reconstructs three specific performance techniques—black-up (cosmetic blackness), blackspeak (acoustic blackness), and black dances (kinetic blackness)—in order to map out the poetics of those techniques, and track a number of metaphorical strains that early modern playtexts regularly associated with them. Those metaphorical strains, the titular scripts of blackness of this book, operated across national borders and constituted resources, as they provided spectators and participants with new ways of thinking about the Afro-diasporic people who lived or could/would ultimately live in their midst. Those scripts were often

gendered and hinged on notions of demonization, exclusion, exploitation, animalization, commodification, sexualization, consensual enslavement, misogynoir, infantilization, and evocative association with other racialized minorities. Scripts of Blackness attempts to grasp the stories that Western Europeans told themselves through performative blackness, and the effects of those fictions on early modern Afro-diasporic subjects.

Hold Me Closer - David Levithan 2015-03-17

TIME Magazine's Top Ten Children's Books of 2015 "Tiny Cooper stole our hearts."

—Entertainment Weekly Especially for those of us who ordinarily feel ignored, a spotlight is a circle of magic, with the strength to draw us from the darkness of our everyday lives. Watch out, ex-boyfriends, and get out of the way, homophobic coaches. Tiny Cooper has something to say—and he's going to say it in song. Filled with honesty, humor, and "big, lively, belty" musical numbers, *Hold Me Closer* is the no-holds-barred (and many-bars-held) entirety of the beloved musical first introduced in *Will Grayson, Will Grayson*, the award-winning bestseller by John Green and David Levithan. Tiny Cooper is finally taking center stage . . . and the world will never be the same again. "Tiny will have readers falling out of their chairs laughing. . . . It's big. It's gay. It's outrageous and hilarious." —Kirkus Reviews

Signs of the Americas - Edgar Garcia 2020-01-23

Indigenous sign-systems, such as pictographs, petroglyphs, hieroglyphs, and khipu, are usually understood as relics from an inaccessible past. That is far from the truth, however, as Edgar Garcia makes clear in *Signs of the Americas*. Rather than being dead languages, these sign-systems have always been living, evolving signifiers, responsive to their circumstances and able to continuously redefine themselves and the nature of the world. Garcia tells the story of the present life of these sign-systems, examining the

contemporary impact they have had on poetry, prose, visual art, legal philosophy, political activism, and environmental thinking. In doing so, he brings together a wide range of indigenous and non-indigenous authors and artists of the Americas, from Aztec priests and Amazonian shamans to Simon Ortiz, Gerald Vizenor, Jaime de Angulo, Charles Olson, Cy Twombly, Gloria Anzaldúa, William Burroughs, Louise Erdrich, Cecilia Vicuña, and many others. From these sources, Garcia depicts the culture of a modern, interconnected hemisphere, revealing that while these "signs of the Americas" have suffered expropriation, misuse, and mistranslation, they have also created their own systems of knowing and being. These indigenous systems help us to rethink categories of race, gender, nationalism, and history. Producing a new way of thinking about our interconnected hemisphere, this ambitious, energizing book redefines what constitutes a "world" in world literature.

Constellations - Nick Payne 2014-12-16

"A singular astonishment." —John Lahr, *The New Yorker* One relationship. Infinite possibilities. In the beginning Marianne and Roland meet at a party. They go for a drink, or perhaps they don't. They fall madly in love and start dating, but eventually they break up. After a chance encounter in a supermarket they get back together, or maybe they run into each other and Marianne reveals that she's now engaged to someone else and that's that. Or perhaps Roland is engaged. Maybe they get married, or maybe their time together will be tragically short. Nick Payne's *Constellations* is a play about free will and friendship; it's also about quantum multiverse theory, love, and honey.

Alex North's A Streetcar Named Desire -

Annette Davison 2009

This film score handbook provides a detailed analysis of Alex North's astounding score for Elia Kazan's 1951 adaptation of *A Streetcar Named Desire*. Beginning with a review of North's musical training and film scoring techniques, the book then uses approaches from both musicology and film studies to present a comprehensive exploration of the film's (self-)censorship and its impact on North's music, most notably in the film's infamous staircase scene.

Playscript - 1973

Promised End - Seth C. Hawkins 2019-08-05

Perhaps the most important, difficult, and unresolved issue in Shakespeare studies is the question of Lear's last lines; the whole meaning

of Shakespeare's greatest and most controversial tragedy depends upon it. In the 1608 Quarto, it is "O,o,o,o"—that zero to which the Fool compares Lear himself. In the 1623 Folio, the King's last words are "Look on her! Look, her lips! Look there, look there!" No one but Lear sees what he points us to envision. Is it epiphany or delusion? Is Lear's tragedy nihilistic or redemptive? In search of an answer, Hawkins deploys a wide spectrum of critical approaches: close scrutiny of the rival texts and comparison with the play's sources, the unique double structure of Lear, its symbols and imagery, its visual and verbal scriptural allusions, even its numerology. The book enlists its readers in a quest for final meaning, not unlike the movement of the play itself towards Dover and the extreme verge of its imagined cliff, that high place where life borders upon death and earth meets sky and sea.

Video Versions: Film Adaptations of Plays on Video - Thomas L. Erskine 2000-03-30

Many of our favorite films began as plays—some as well known as Shakespeare's *Romeo and Juliet*, and some not so well known as *You've Got Mail*'s origin, a 1937 play *Parfumerie* by Miklos Laszlo. *Video Versions* identifies nearly 300 films and their theatrical origins, providing readers with an overview of the films and highlighting similarities and differences to the source plays. Perfect for teachers, students, and anyone interested in theater and film, it is the most complete resource available for video versions of plays. Each entry provides: the original play's title, author, and year of publication; the name of the film, year of production, director and adapter; the main cast and the characters they play; running time and rating if available.

Following a plot summary, a critical analysis provides the similarities and differences of the play and film, including character and plot

changes, setting, missing or added scenes, special film techniques, and behind-the-scenes information such as who turned down or lost particular parts when the play was adapted to film. A short list of sources for further reading follows each entry. Information about contacting distributors—for obtaining the films—is included in the introduction and an extensive index completes the volume.

Boy Swallows Universe Playscript - Trent Dalton
2022-05-01

The bestselling novel, which has taken Australia and the world by storm, now comes alive onstage. Brisbane, 1985: A lost father, a mute brother, a mum in jail, a heroin dealer for a stepfather and a notorious crim for a babysitter.

It's not as if Eli Bell's life isn't complicated enough already. He's just trying to follow his heart and learn what it takes to be a good man, but life keeps throwing obstacles in his way - not the least of which is Tytus Broz, legendary Brisbane drug dealer. Soon Eli is beset by chaos on all sides, and a run-in with the local crime king and his henchman launches the 13-year-old with the old soul on a journey to find out what kind of man he is going to be. Adapted by Tim McGarry from Trent Dalton's smash-hit novel, *Boy Swallows Universe* is an exhilarating story of magic and madness, of beauty and brutality, of joy and heartbreak, and of the power of love to triumph over the darkest of circumstances.

Writing Without Words - Elizabeth Hill Boone
1994

"This interdisciplinary collection of articles focuses on pictorial and iconic systems of the Maya, Mixtec, Aztec, and Inca, and the social contexts of writing during the colonial period, to challenge western conceptualizations of art, writing and literacy. The final papers offer stimulating discussions of interactions between European and indigenous writing systems"--*Handbook of Latin American Studies*, v. 57.
