Everyday Reading - Mike Chasar 2012-11-13

Exploring poetry scrapbooks, old-time radio show recordings, advertising verse, corporate archives, and Hallmark greeting cards, among other unconventional sources, Mike Chasar casts American poetry as an everyday phenomenon consumed and created by a vast range of readers. He shows how American poetry in the first half of the twentieth century and its reception helped set the stage for the dynamics of popular culture and mass media today. Poetry was then part and parcel of American popular culture, spreading rapidly as the consumer economy expanded and companies exploited its profit-making potential. Poetry also offered ordinary Americans creative, emotional, political, and intellectual modes of expression, whether through scrapbooking, participation in radio programs, or poetry contests. Reenvisioning the uses of twentieth-century poetry, Chasar provides a richer understanding of the innovations of modernist and avant-garde poets and the American reading public's sophisticated powers of feeling and perception.

One Thousand Gifts - Ann Voskamp 2011-01-04

More than 1.5 million copies sold! What if you discovered that the life you already have is the life you've always wanted? What if joy is possible right where you are? New York Times bestselling author Ann Voskamp invites you to embrace everyday blessings and embark on the transformative journey of chronicling God's gifts. How can you find joy in the midst of deadlines, debt, drama, and even the death of loved ones? What does the Christ-life really look like when your days are gritty, long, and sometimes even dark? How is God even here? "It is in the dark that God is passing by . . . our lives shake not because God has abandoned but the exact opposite. God is passing by. God is in the tremors. Dark is the holiest ground, the glory passing by. In the blackest, God is closest, at work, forging His perfect and right will. Though it is black and we can't see and our world seems to be free-falling and we feel utterly alone, Christ is most present to us..." In *One Thousand Gifts*, Ann Voskamp invites you to discover a way of seeing that opens your eyes to ordinary amazing grace, a way of living that is fully alive, and a way of becoming present to God that brings deep and lasting joy. It's only in the expression of gratitude for the life we already have, we discover the life we've always wanted . . . a life we can take, give thanks for, and break for others. Come to feel and know the impossible right down in your bones: you are wildly loved by God. As Ann invites you into her own beautiful, heart-aching moments of amazing grace, she gently teaches you how to: Biblically lament loss and turn pain into poetry Intentionally embrace a lifestyle of radical gratitude Slow down and catch God in the moment Not a book merely to read, *One Thousand Gifts* is an invitation to engage with truths that will serve up the depths of God's joy and transform your life forever. Leave pride, fear, and control behind, and abandon yourself to the God who overflows your cup.

PostSecret - Frank Warren 2005-11-29

The project that captured a nation's imagination. The instructions were simple, but the results were extraordinary. "You are invited to anonymously contribute a secret to a group art project. Your secret can be a regret, fear, betrayal, desire, confession, or childhood humiliation. Reveal anything -- as long as it is true and you have never shared it with anyone before. Be brief. Be legible. Be creative." It all began with an idea Frank Warren had for a community art project. He began handing out postcards to strangers and leaving them in public places -- asking people to write down a secret they had never told anyone and mail it to him, anonymously. The response was overwhelming. The secrets were both provocative and profound, and the cards themselves were works of art -- carefully and creatively constructed by hand. Addictively compelling, the cards reveal our deepest fears, desires, regrets, and obsessions. Frank calls them "graphic haiku," beautiful, elegant, and small in structure but powerfully emotional. As Frank began posting the cards on his website, *PostSecret* took on a life of its own, becoming much more than a simple art project. It has grown into a global phenomenon, exposing our individual aspirations, fantasies, and frailties -- our common humanity. Every day dozens of postcards still make their way to Frank, with postmarks from around the world, touching on every aspect of human

experience. This extraordinary collection brings together the most powerful, personal, and beautifully intimate secrets Frank Warren has received -- and brilliantly illuminates that human emotions can be unique and universal at the same time.
