Iqbal - Francesco D'Adamo 2010-05-11

When young Iqbal is sold into slavery at a carpet factory, his arrival changes everything for the other overworked and abused children there. It is Iqbal who explains to them that despite their master's promises, he plans on keeping them as his slaves indefinitely. But it is also Iqbal who inspires the other children to look to a future free from toil...and is brave enough to show them how to get there. This moving fictionalized account of the real Iqbal Masih is told through the voice of Fatima, a young Pakistani girl whose life is changed by Iqbal's courage.

Papaya Salad - Elisa Macellari 2020-11-03

The debut graphic novel from Thai-Italian illustrator Elisa Macellari, *Papaya Salad* tells the story of her great-uncle Sompong who found himself in Europe on military scholarship on the eve of World War II. A gentle and resolute man in love with books and languages, in search of his place in the world, Sompong chronicles his life during the war and falling for his wife, finding humor and joy even as the world changes irrevocably around him This Winner of the 2019 Autori di Immagini Silver Medal in the Comics category tells the human story of the War, from a perspective not typically seen. "An historical and emotional journey through my family and my roots that are grown between Europe and Asia. A personal narrative that needs to be shared and hopefully arouses empathy in the reader." -- Elisa Macellari

Historical Atlas of Medieval Music - Vera Minazzi 2019-08-31

Music is rooted in the heart of Western culture. The absence of music from the usual publications of medieval history and history of art of the Middle Ages is understandable, considering the rarity of sources. And yet, throughout the last decades, an intense activity of historico-musicological research has been carried out internationally by a select group of specialized scholars. The ambitious goal of this work is to set medieval music within its historical and cultural context and to provide readers interested in different disciplines with an overall picture of music in the Middle Ages; multi-faceted, enjoyable, yet scientifically rigorous. To achieve this goal, the most prominent scholars of medieval musicology were invited to participate, along with archaeologists, experts of acoustics and architecture, historians and philosophers of medieval thought. The volume offers exceptional iconography and several maps, to accompany the reader in a fascinating journey through a network of places, cultural influences, rituals and themes.

The Baron in the Trees - Italo Calvino 2017

"Cosimo di Rondó, a young Italian nobleman of the eighteenth century, rebels against his parents by climbing into the trees and remaining there for the rest of his life. He adapts efficiently to an existence in the forest canopy he hunts, sows crops, plays games with earth-bound friends, fights forest fires, solves engineering problems, and even manages to have love affairs. From his perch in the trees, Cosimo sees the Age of Enlightenment pass by and a new century dawn. Long considered one of Calvino's finest works, *The Baron in the Trees* exemplifies this brilliant writer's gift for fantasy."--Page [4] of cover.

The Florios of Sicily - Stefania Auci 2020-04-21

Based on the true history of the uncrowned kings of Sicily: the story of a family, restless and ambitious, shrewd and determined to be richer and more powerful than anybody else. In this grand, sweeping epic inspired by the real lives of history-making titans, international best-selling author Stefania Auci brings to life the dark secrets, the loves and betrayals, and the cruel acts of revenge that marked the Florio family's century of influence. The Florios arrive in Sicily, with nothing but the clothes on their back after an earthquake destroys their hometown. Against all odds, the family begins anew despite the looming Napoleonic wars and devastating plagues. But when Vincenzo is spurned by his aristocratic lover, he vows to avenge his honor by becoming the wealthiest man in Italy. Sacrificing love and family, he strives to buy what cannot be his by birth. Not to be outdone by the men, the Florio women unapologetically demand their place outside the restraints of caring mothers, alluring lovers, or wounded wives. Giulia, though only a mistress, is fiercely intelligent and runs the empire from the shadows. Angelina, born a bastard, charts her own future against the wishes of her father. In this epic yet intimate tale of power, passion, and revenge, the rise and fall of a family taps into the universal desire to become more than who we are born as. Crossing the Mangrove - Maryse Conde 2011-03-02

In this beautifully crafted, Rashomon-like novel, Maryse Conde has written a gripping story imbued with all the nuances and traditions of Caribbean culture. Francis Sancher--a handsome outsider, loved by some and reviled by others--is found dead, face down in the mud on a path outside Riviere au Sel, a small village in Guadeloupe. None of the villagers are particularly surprised, since Sancher, a secretive and melancholy man, had often predicted an unnatural death for himself. As the villagers come to pay their respects they each--either in a speech to the mourners, or in an internal monologue--reveal another piece of the mystery behind Sancher's life and death. Like pieces of an elaborate puzzle, their memories interlock to create a rich and intriguing portrait of a man and a community. In the lush and vivid prose for which she has become famous, Conde has constructed a Guadeloupean wake for Francis Sancher. Retaining the full color and vibrance of Conde's homeland, *Crossing the Mangrove* pays homage to Guadeloupe in both subject and structure.

Windhaven - George R. R. Martin 2012-10-16

"Told with a true storyteller's voice: clear, singing, persuasive, and wonderfully moving . . . a truly wonderful book."—Jane Yolen From #1 New York Times bestselling author George R. R. Martin and acclaimed author Lisa Tuttle comes a timeless tale that brilliantly renders the struggle between the

ironbound world of tradition and a rebellious soul seeking to prove the power of a dream. Among the scattered islands that make up the water world of Windhaven, no one holds more prestige than the silver-winged flyers, romantic figures who cross treacherous oceans, braving shifting winds and sudden storms, to bring news, gossip, songs, and stories to a waiting populace. Maris of Amberly, a fisherman's daughter, wants nothing more than to soar on the currents high above Windhaven. So she challenges tradition, demanding that flyers be chosen by merit rather than inheritance. But even after winning that bitter battle, Maris finds that her troubles are only beginning. Now a revolution threatens to destroy the world she fought so hard to join—and force her to make the ultimate sacrifice. “Martin and Tuttle make wonderful professional music together . . . shifting easily from moments of almost unbearable tension to others of sheer poetry and exhilaration.”—Fort Worth Star-Telegram “A powerful flight of the imagination . . . an entirely enjoyable reading experience, wrought by a pair of writers noted for excellence.”—Roger Zelazny “It's romance. It's science fiction. It's beautiful.”—A. E. van Vogt “I didn't mean to stay up all night to finish Windhaven, but I had to!”—Anne McCaffrey

The Vatican Necropoles - Paolo Liverani 2010

This is the first published summary of the entire complex of the great necropoles of Rome, which were situated on Vatican Hill. The work concerns one of the most extensive, richest, and least-known Roman archaeological phenomena and bears witness to the work of creating an underground museum that has been followed internationally as a model of conservation practice. From the submerged world of the necropoles emerges the funeral 'normality' of the Roman world, from poorer cremations in wooden urns, to sumptuous sarcophagi, to sepulchres adorned with frescoes and mosaics. One can also observe Egyptian cults influencing the practice of epicurean philosophy. In addition, we can catch a glimpse of the first traces of Christianity, which include the presence of St. Peter the Apostle's tomb.

The Mist - Stephen King 2017-05-23

#1 New York Times bestselling author Stephen King's terrifying novella about a town engulfed in a dense, mysterious mist as humanity makes its last stand against unholy destruction—originally published in the acclaimed short story collection *Skeleton Crew* and made into a TV series, as well as a feature film starring Thomas Jane and Marcia Gay Harden. In the wake of a summer storm, terror descends...David Drayton, his son Billy, and their neighbor Brent Norton join dozens of others and head to the local grocery store to replenish supplies following a freak storm. Once there, they become trapped by a strange mist that has enveloped the town. As the confinement takes its toll on their nerves, a religious zealot, Mrs. Carmody, begins to play on their fears to convince them that this is God's vengeance for their sins. She insists a sacrifice must be made and two groups—those for and those against—are aligned. Clearly, staying in the store may prove fatal, and the Draytons, along with store employee Ollie Weeks, Amanda Dumfries, Irene

Reppler, and Dan Miller, attempt to make their escape. But what's out there may be worse than what they left behind. This exhilarating novella explores the horror in both the enemy you know—and the one you can only imagine.

Metamorphoses - Ovid 1960

Ovid's magnificent panorama of the Greek and Roman myths—presented by a noted poet, scholar, and critic. Prized through the ages for its splendor and its savage, sophisticated wit, *The Metamorphoses* is a masterpiece of Western culture—the first attempt to link all the Greek myths, before and after Homer, in a cohesive whole, to the Roman myths of Ovid's day. Horace Gregory, in this modern translation, turns his own poetic gifts toward a deft reconstruction of Ovid's ancient themes, using contemporary idiom to bring to today's reader all the ageless drama and psychological truths vividly intact.

Geometry of the Passions - Remo Bodei 2018-08-08

The passions have long been condemned as a creator of disturbance and purveyor of the temporary loss of reason, but as Remo Bodei argues in *Geometry of the Passions*, we must abandon the perception that order and disorder are in a constant state of collision. By means of a theoretical and historical analysis, Bodei interprets the relationship between passion and reason as a conflict between two complementary logics. *Geometry of the Passions* investigates the paradoxical conflict-collaboration between passions and reason, and between individual and political projects. Tracing the roles passion and reason have played throughout history, including in the political agendas of Descartes, Hobbes, and the French Jacobins, *Geometry of the Passions* reveals how passion and reason may be used as a vehicle for affirmation rather than self-enslavement.

A Knight of the Seven Kingdoms - George R. R. Martin 2020-02-25

NEW YORK TIMES BESTSELLER • Taking place nearly a century before the events of *A Game of Thrones*, *A Knight of the Seven Kingdoms* compiles the first three official prequel novellas to George R. R. Martin's ongoing masterwork, *A Song of Ice and Fire*. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY LOS ANGELES TIMES AND BUZZFEED These never-before-collected adventures recount an age when the Targaryen line still holds the Iron Throne, and the memory of the last dragon has not yet passed from living consciousness. Before Tyrion Lannister and Podrick Payne, there was Dunk and Egg. A young, naïve but ultimately courageous hedge knight, Ser Duncan the Tall towers above his rivals—in stature if not experience. Tagging along is his diminutive squire, a boy called Egg—whose true name is hidden from all he and Dunk encounter. Though more improbable heroes may not be found in all of Westeros, great destinies lay ahead for these two . . . as do powerful foes, royal intrigue, and outrageous exploits. Featuring more than 160 all-new illustrations by Gary Gianni, *A Knight of the Seven Kingdoms* is a must-have collection that proves chivalry isn't dead—yet. Praise for *A Knight of the Seven Kingdoms* “Readers who already love Martin and his ability to bring visceral human drama out of any story will be thrilled to find this trilogy brought together and injected with extra life.”—Booklist “The real reason to check out this collection is that it's simply great storytelling. Martin crafts a living, breathing world in a way few authors can. . . . [Gianni's illustrations] really bring the events of the novellas to life in beautiful fashion.”—Tech Times “Stirring . . . As Tolkien has his *Silmarillion*, so [George R. R.] Martin has this trilogy of foundational tales. They succeed on their own, but in addition, they succeed in making fans want more.”—Kirkus Reviews (starred review) “Pure fantasy adventure, with two of the most likable protagonists George R. R. Martin has ever penned.”—Bustle “A must-read for Martin's legion of fans . . . a rousing prelude to [his] bestselling *Song of Ice and Fire* saga . . . rich in human drama and the colorful worldbuilding that distinguishes other books in the series.”—Publishers Weekly

Italian Film - John Stewart 1994

Italian cinema has been an influential, sometimes dominant, force in the world of filmmaking for over 100 years. Many world famous actors and production personnel have made their mark on the Italian screen. This is an encyclopedic reference and filmography to the nearly 5,000 people, Italians and foreigners, who have been involved in Italian filmmaking since 1896. Each entry provides brief biographical information on the person, along with full filmographic data on his or her films in Italy or for Italian filmmakers. The annotated title index includes Italian titles (and year) and English-language titles and alternate titles where appropriate. Conjoined to all of the title index references (to serially numbered personal entries), with the exception of acting credits, are mnemonic codes indicating specific areas of production (e.g., director, producer, camera, music, etc.).

In the Name of the Father - Morticia Knight 2019-08-30

I was living a lie. I couldn't be caught in my deception, or my family and friends would abandon me. But my fears became reality and I was cast away as if I were garbage. Then this man, a stranger, took me home and showed me that love can take on many forms, that I'm not filled with sin or doomed to go to hell because I'm gay. He showed me that I'm not broken. I don't need to be fixed. What I need is to be nurtured and cared for. This man showed me that it's okay to be his boy and to call him Daddy...Seth was a good Christian son raised in a very conservative church. He learned early on that the world is evil and filled with sinners-but the most horrible thing you can be is gay. When his shame is discovered, he's shipped off to a special camp that fixes deviants like him. Years have passed since then, yet he still runs from himself every day. Malcolm was a good Daddy for almost ten years before his boy died. No longer daring to be too close with another man again, he's avoided clubs and old friends that remind him of a life filled with a joy he can no longer have. Unable to find a purpose in his lonely existence, he spends night after night in a dive bar at the edge of town. However, witnessing a scared young man being harassed by two bullies jolts him out of his misery. No one messes with someone vulnerable and helpless on his watch... Note: In the Name of the Father is a full-length novel with angst and a slow burn romance between an older daddy and younger boy. You can expect lots of hurt/comfort, a daddy with some kinky tricks up his sleeve and a sweet HEA. Possible triggers: Extreme past abuse involving both physical and emotional trauma.

Stranded with a Billionaire - Jessica Clare 2013-04-16

The Billionaire Boys Club is a secret society of six men who have vowed success - at any cost. Not all of them are old money, but all of them are incredibly wealthy. They're just not always as successful when it comes to love... Billionaire Logan Hawkings needs a vacation. He's had a rough time after the death of his father and the betrayal of his fiancée. But with a visit to a recent business acquisition—a private island resort in the Bahamas—he has a chance to mend his broken heart. When a hurricane blows in, a misplaced passport and a stalled elevator bring Logan together with an unusual woman named Bronte. She's unlike anyone he's ever met—down to earth, incredibly sensual, and even quotes Plato. She also has no clue that he's rich... Bronte Dawson, a waitress from the Midwest, is stranded with the hotel's domineering yet sexy manager Logan. What's the harm in a little fling when it's just the two of them, alone in paradise? But after several steamy island nights in Logan's arms, Bronte's ready to give her heart—and her body—to the man in charge. But she soon discovers there's more to Logan than he's told her...a billion times more. Now, Bronte's caught in a whirlwind affair with one of the world's most powerful men. But can their love endure their differences or will it all just blow over? Love. Sex. Money. Want more? Look out for the next steamy title in the Billionaire Boys Club series from Jessica Clare, coming from InterMix.

Healing Invisible Wounds - Richard F. Mollica 2008-12-29

In these personal reflections on his thirty years of clinical work with victims of genocide, torture, and abuse in the United States, Cambodia, Bosnia, and other parts of the world, Richard Mollica describes the surprising capacity of traumatized people to heal themselves. Here is how Neil Boothby, Director of the Program on Forced Migration and Health at the Mailman School of Public Health, Columbia University, describes the book: "Mollica provides a wealth of ethnographic and clinical evidence that suggests the human capacity to heal is innate—that the 'survival instinct' extends beyond the physical to include the psychological as well. He enables us to see how recovery from 'traumatic life events' needs to be viewed primarily as a 'mystery' to be listened to and explored, rather than solely as a 'problem' to be identified and solved. Healing involves a quest for meaning—with all of its emotional, cultural, religious, spiritual and existential attendants—even when bio-chemical reactions are also operative." Healing Invisible Wounds reveals how trauma survivors, through the telling of their stories, teach all of us how to deal with the tragic events of everyday life. Mollica's important discovery that humiliation—an instrument of violence that also leads to anger and despair—can be transformed through his therapeutic project into solace and redemption is a remarkable new contribution to survivors and clinicians. This book reveals how in every society we have to move away from viewing trauma survivors as "broken people" and "outcasts" to seeing them as courageous people actively contributing to larger social goals. When violence occurs, there is damage not only to individuals but to entire societies, and to the world. Through the journey of self-healing that survivors make, they enable the rest of us not only as individuals but as entire communities to recover from injury in a violent world.

Renaissance Rewritings - Helmut Pfeiffer 2017-09-25

'Rewriting' is one of the most crucial but at the same time one of the most elusive concepts of literary scholarship. In order to contribute to a further reassessment of such a notion, this volume investigates a wide range of medieval and early modern literary transformations, especially focusing on texts (and contexts) of Italian and French Renaissance literature. The first section of the book, "Rewriting", gathers essays which examine medieval and early modern rewritings while also pointing out the theoretical implications raised by such texts. The second part, "Rewritings in Early Modern Literature", collects contributions which account for different practices of rewriting in the Italian and French Renaissance, for instance by analysing dynamics of repetition and duplication, verbatim reproduction and free reworking, textual production and authorial self-fashioning, alterity and identity, replication and multiplication. The volume strives at shedding light on the complexity of the relationship between early modern and ancient literature, perfectly summed up in the motto written by Pietro Aretino in a letter to his friend the painter Giulio Romano in 1542: "Essere modernamente antichi e anticamente moderni".

Doctor Me Di Cin - Roberto Piumini 2001

The son of the emperor of China is pale and weak, but when Doctor Me Di Cin tells him to go for a walk in the fresh air, the prince refuses, leaving it up to the clever doctor to trick him into going outside.

The Witch of Edmonton - Thomas Dekker 2021-11-22

At the center of this remarkable 1621 play is the story of Elizabeth Sawyer, the titular "Witch of Edmonton," a woman who had in fact been executed for the crime of witchcraft mere months before the play's first performance. Described by the authors as a tragi-comedy and drawn in part from a pamphlet account of the trial then circulating, the play not only offers a riveting account of the contemporary superstitions embodied by the figure of the witch, but also delivers an implicit critique of the society that has created her. This edition of the work offers a compelling and informative introduction, thorough annotation, and a selection of contextual materials that helps set the play in the context of the "witch-craze" of Jacobean England.

Medieval Callings - Jacques Le Goff 1995-12-18

These essays by eleven internationally renowned historians present nuanced profiles of the major social and professional groups—the callings—of the Middle Ages. The contributors focus on attitudes of medieval men and women toward their own society. Through a variety of techniques, from a reading of the Song of Roland to a reading of administrative records, they identify characteristic viewpoints of members of the fighting class, the clergy, and the peasantry. Along with vivid descriptions of what life was like for warrior knights,

monks, high churchmen, criminals, lepers, shepherds, and prostitutes, this innovative approach offers a valuable new perspective on the complex social dynamics of feudal Europe.
