The Serpent's Mate - Susan Trombley 2018-10-29

When Cass is abducted by aliens, her first experience with extraterrestrials quickly turns from surreal into a nightmare that only grows more terrifying when an alien with a snake-like lower body and a surprisingly handsome face comes to her rescue. But Cass isn't sure she's actually safe with him, because he looks at her with hunger in his eyes. Nahash has always been a loyal, honorable Iriduan soldier, but after scientists performed drastic alterations to his biology using genetic engineering, they told him he was free from the affliction that caused Iriduan males to imprint on a single female, bonding him to her for life. He isn't prepared when he bonds instantly to a human female he rescues during a raid on a pirate colony. Now, he's stuck with her, because if he isn't exposed to his mate's scent on a regular basis, he will die. The fact that his body craves her as much as it needs her fills him with resentment, but when he realizes that the Iriduan Empire will do anything to keep her under their control because of what she means to him, he doesn't hesitate to protect his mate-even if it means betraying his people. He makes a desperate escape with his mate from the Iriduan Empire, but the galaxy proves to be a dangerous place and there are

worse things than the Iriduans waiting in the darkness of space. With no one to rely on except for each other, Nahash and Cass might not live long enough to find a home where they can settle down and explore the love that grows between them-love that takes them beyond their physical bond. Author's Note: 18+ Contains steamy scenes between a human heroine and a very alien hero.

The Ballad of Songbirds and Snakes (A Hunger Games Novel) - Suzanne Collins 2020-05-19

Ambition will fuel him. Competition will drive him. But power has its price. It is the morning of the reaping that will kick off the tenth annual Hunger Games. In the Capitol, eighteen-year-old Coriolanus Snow is preparing for his one shot at glory as a mentor in the Games. The once-mighty house of Snow has fallen on hard times, its fate hanging on the slender chance that Coriolanus will be able to outcharm, outwit, and outmaneuver his fellow students to mentor the winning tribute. The odds are against him. He's been given the humiliating assignment of mentoring the female tribute from District 12, the lowest of the low. Their fates are now completely intertwined - every choice Coriolanus makes could lead to favor or failure, triumph or ruin. Inside the arena, it

will be a fight to the death. Outside the arena, Coriolanus starts to feel for his doomed tribute . . . and must weigh his need to follow the rules against his desire to survive no matter what it takes.

The Natural Genesis - Gerald Massey 1883

The Spirit of Prophecy - Ellen Gould Harmon White 1878

Lucifer - How Art Thou Fallen? - Ellen Gould Harmon White 2007

This compilation from the Spirit of Prophecy (the writings of Ellen G. White) covers the history of Lucifer from his creation to his fall, thru his warfare on earth, down to his final destruction. The purpose of this book is not to exalt Satan, but rather to show his character works, and methods as he wars against God, Christ, and the Church. As the Apostle Paul warned, "Lest Satan should get an advantage of us: for we are not ignorant of his devices" (2 Corinthians 2:11), we are vulnerable in our ignorance. God's people need to be aware of the serpent's cunning, so as not to fall under his power and influence. That knowledge alone, however, will not keep us safe. We must "Put on the whole armour of God, that ye may be able to stand against the wiles of the devil." (Ephesians 6:11) The tremendous amount of material on this subject presented a challenge in compiling that which could tell the high points of the history, provide the best possible lessons and warnings for God's people, extend hope and encouragement for these last days (when Satan and his hosts are making "war with the remnant"), while keeping it within the confines of the cover of this small volume. Our hope and prayer is that we have succeeded in this challenge, presenting the reader with a priceless aid in preparation for earth's final conflict, as well as the day-to-day trials and struggles with the powers of darkness. The Lord be magnified!

The Fruit, the Tree, and the Serpent - Lynne A. Isbell 2009

The worldwide prominence of snakes in religion, myth, and folklore underscores our deep connection to the serpent - but why, when so few of us have firsthand experience? The surprising answer, this book suggests, lies in the singular impact of snakes on primate evolution. Predation pressure from snakes, Lynne Isbell tells us, is ultimately responsible for the superior vision and large brains of primates - and for a critical aspect of human evolution.

Sermons on the Mosaic Account of the Creation, the Serpent's Temptation to Our First Parents, and on Their Exclusion from the Garden of Eden - Stephen West 1809

The Serpent's Gift - Jeffrey J. Kripal 2008-09-15

"Because thou hast done this, thou art cursed above all cattle, and above every beast of the field." With those words in Genesis, God condemns the serpent for tempting Adam and Eve, and the serpent has shouldered the blame ever since. But how would the study of religion change if we looked at the Fall from the snake's point of view? Would he appear as a bringer of wisdom, more generous than the God who wishes to keep his creation ignorant? Inspired by the early Gnostics who took that startling view, Jeffrey J. Kripal uses the serpent as a starting point for a groundbreaking reconsideration of religious studies and its methods. In a series of related essays, he moves beyond both rational and faith-based approaches to religion, exploring the erotics of the gospels and the sexualities of Jesus, John, and Mary Magdalene. He considers Feuerbach's Gnosticism, the untapped mystical potential of comparative religion, and even the modern mythology of the X-Men. Ultimately, *The Serpent's Gift* is a provocative call for a complete reorientation of religious studies, aimed at a larger understanding of the world, the self, and the divine.

The Serpent King - Jeff Zentner 2017-06-06

Named to ten BEST OF THE YEAR lists and selected as a William C. Morris Award Winner, *The Serpent King* is the critically acclaimed, much-beloved story of three teens who find themselves--and each other--while on the cusp of graduating from high school with hopes of leaving their small-town behind. Perfect for fans of John Green's *Turtles All the Way Down*. "Move over, John Green; Zentner is coming for you." —The New York Public Library "Will fill the infinite space that was left in your chest

after you finished *The Perks of Being a Wallflower*." —BookRiot.com Dill isn't the most popular kid at his rural Tennessee high school. After his father fell from grace in a public scandal that reverberated throughout their small town, Dill became a target. Fortunately, his two fellow misfits and best friends, Travis and Lydia, have his back. But as they begin their senior year, Dill feels the coils of his future tightening around him. His only escapes are music and his secret feelings for Lydia--neither of which he is brave enough to share. Graduation feels more like an ending to Dill than a beginning. But even before then, he must cope with another ending--one that will rock his life to the core. Debut novelist Jeff Zentner provides an unblinking and at times comic view of the hard realities of growing up in the Bible belt, and an intimate look at the struggles to find one's true self in the wreckage of the past. "A story about friendship, family and forgiveness, it's as funny and witty as it is utterly heartbreaking." —PasteMagazine.com "A brutally honest portrayal of teen life . . . [and] a love letter to the South from a man who really understands it." —Mashable.com "I adored all three of these characters and the way they talked to and loved one another."—New York Times *The First Book of Moses, Called Genesis* - 1999

Hailed as "the most radical repackaging of the Bible since Gutenberg", these Pocket Canons give an up-close look at each book of the Bible.

I Don't Like Snakes - Nicola Davies 2015

A young girl learns facts about snakes, including their behavior, physical characteristics, and eating habits, to overcome her trepidation.

Tree and Serpent Worship - James Fergusson 1868

The Serpent's Lie - Miguel A. Valembun Jr.

It started with a lie...the fall of our ancestors. The serpent said their eyes would be opened and they would be as gods...but death came instead, just as the Creator had warned. Thousands of years later in the time we call Now, human beings have forgotten their origin. Our spirits beckon us to seek the truth and confront our past. To do so, we must time travel to the very beginning and discover the lie that shaped the reality we now know. *The Serpent's Lie* was written for anyone who wants to better

understand the Biblical book of Genesis. It presents the accounts of Genesis in a thought provoking way, showing how amazingly accurate the first book of the Bible is both historically and scientifically. This is a different kind of book that dares to challenge lies and misconceptions concerning our existence and what we call "reality".

The Serpent's Seed - Joel H. Emerson 2011-05-25

THE SERPENTS SEED expounds upon a Biblical doctrine that is essential for the proper understanding of both the Scriptures and the present day, but which has remained obscured for the past fifteen hundred years. And the doctrine is this: that since the creation of man we have been at war, not only against Satan and his corruptive influences, but against the literal offspring of fallen angels and mortal women. These hybrid creatures reigned during the days of Noah and Abraham, battled Joshua and King David for control of Israel, tormented the Jews during the time of Jesus, and continue to roam the earth even today. Our society, even our church, has fallen under the sway of these ancient and terrible beings. Thus The Serpents Seed was written so that we might not depart from the faith, giving heed to seducing spirits, and doctrines of devils (1st Timothy 4:1).

The natural genesis: or second part of A book of the beginnings - Gerald Massey 1883

The Serpent's Tracks - Maurizio Salva 2009-11

As Commissioner Alberto Ruggeri stands in the rain, flashes of lightning and a floodlight show a murdered man on a merry-go-round. Someone shot the victim, identified as a Romanian mason, once to the temple. A three-story building and a wooded area flank the playground that is now a crime scene. Now, Ruggeri must try to find out who the laborer is, why he was killed and who is to blame. His investigation leads him to the building nearby and its odd cast of characters. By picking apart statements from witnesses, Ruggeri discovers that the victim was killed in the woods and that a dog chased the killer. One witness even says she saw someone leave the body in the playground. But even these details do little to reveal why the laborer was killed and by whom. As Ruggeri

continues to investigate, he comes upon mysteries within mysteries, including another murder victim. Join Ruggeri in a mystery full of quirky characters and unexpected twists. Another person just might turn up dead if the detective is unable to follow The Serpent's Tracks.

The Worship of the Serpent Traced Throughout the World, and Its Traditions Referred to the Events in Paradise - John Bathurst DEANE 1830

The Two Trees and the Serpent - Prof.M.M. Ninan 2018-09-11

In this book we are dealing essentially with the presence of the serpent in the Garden of Eden which God made on the earth and placed the newly created Adam and Eve with two strange trees with just one command to the new born babes not to eat from one of these trees. For some strange reason the serpent who was one of the residents got involved and starts of the process of the freedom of choice for the kids in their process of individuation and finding themselves. The children of God grew up under discipline to become part of God in all His creative activities.

The Serpent Symbol in Tradition - Charles Dailey 2022-01-24

Serpent and dragon symbolism is ubiquitous in the art and mythology of premodern cultures around the world. Over the centuries, conflicting hypotheses have been proposed to interpret this symbolism which, while illuminating, have proved insufficient to the task of revealing a singular meaning for the vast majority of examples. In *The Serpent Symbol in Tradition*, Dr. Dailey argues that, in what the symbolist Rene Guenon and the historian of religions Mircea Eliade have called 'traditional' or 'archaic' societies, the serpent/dragon transculturally symbolizes matter, a state of being that is constituted by the perception of the physical world as chaotic in comparison to what traditional peoples believed to be the 'higher' meta-physical source of the physical world or 'nature.' In the course of Dr. Dailey's investigations into the meaning of traditional serpent/dragon symbolism, the following contributions have proved invaluable: 1) Guénon's interpretation of the language of traditional symbolism and the metaphysics that underlies it, as well as his interpretation of the terminology of the 'Hindu Doctrines,' 2) Eliade's interpretation of traditional/archaic societies by means of his concepts of chaos, creation, Axis Mundi (World Axis), and 'Sacred and Profane,' and

3) the insights of various other researchers of serpent/dragon symbolism. Beyond purporting to resolve some of the mystery of the ancient and varied symbolism of the serpent/dragon, *The Serpent Symbol in Tradition* strives to serve the related functions of interpreting the symbolic meanings of a wide variety of premodern artifacts and narratives as well as providing a study of the origination, and ancient human awareness, of the mentioned state of matter.

What Really Happened in the Garden of Eden? - Ziony Zevit 2013-11-26

A provocative new interpretation of the Adam and Eve story from an expert in Biblical literature. The Garden of Eden story, one of the most famous narratives in Western history, is typically read as an ancient account of original sin and humanity's fall from divine grace. In this highly innovative study, Ziony Zevit argues that this is not how ancient Israelites understood the early biblical text. Drawing on such diverse disciplines as biblical studies, geography, archaeology, mythology, anthropology, biology, poetics, law, linguistics, and literary theory, he clarifies the worldview of the ancient Israelite readers during the First Temple period and elucidates what the story likely meant in its original context. Most provocatively, he contends that our ideas about original sin are based upon misconceptions originating in the Second Temple period under the influence of Hellenism. He shows how, for ancient Israelites, the story was really about how humans achieved ethical discernment. He argues further that Adam was not made from dust and that Eve was not made from Adam's rib. His study unsettles much of what has been taken

for granted about the story for more than two millennia—and has far-reaching implications for both literary and theological interpreters. “Classical Hebrew in the hands of Ziony Zevit is like a cello in the hands of a master cellist. He knows all the hidden subtleties of the instrument, and he makes you hear them in this rendition of the profoundly simple story of Adam, Eve, the Serpent, and their Creator in the Garden of Eden. Zevit brings a great deal of other biblical learning to bear in a surprisingly light-hearted book.”—Jack Miles, author of *God: A Biography*
[The Serpent's Truth](#) - Sicx DeGod 2015-02-23

This gritty new eBook will affect the way you interpret the bible and the way you see yourself. A commitment to finding God's original plan for mankind inspired this thoughtful writing. This research not only de-converted a Christian but it unearthed a wealth of hidden knowledge. Knowledge that you have the right to know. The Serpent's Truth is a thorough education in biblical code cracking. With it you will come to see:

- How God acquired his power and how you can do the same.
- That God created two different men in Genesis and why.
- Why ignoring God's commandment was necessary for you.
- A man become a god before your eyes, and
- Two talkative serpents.

The lessons in total will lead you to a biblical fact that even those that deem it the highest authority cannot dispute: that which they believe to be the authority, has declared you to be a god. Get your copy of the eBook 'The Serpent's Truth'! And ye too shall be as gods, knowing good & evil.

The Church of the Serpent: The Philosophy of the Snake and Attaining Transcendent Knowledge - David Sinclair 2022-01-29

Welcome to the Church of the Serpent. The universe is the Tree of Knowledge. At the top of the tree is the Golden Bough with which we attain Golden Knowledge, the Apex Knowledge of the cosmos. So, we must climb. All the way to the highest consciousness. The Church of the Serpent is devoted to knowledge – ultimate knowledge, the knowledge of existence itself. We must have Absolute Knowledge. Nothing else will suffice. Completion, or nothing. From the top of the Tree of Knowledge, we command all knowledge. Are you one of the Serpents of wisdom? Are you one of the protectors of the Tree of Knowledge? Everyone is faced

with the same test: to embrace knowledge or reject it. The Bible, as well as love and light, mysticism, and sensory science, all say that you should fear and reject knowledge in itself. Adam and Eve did the right thing. They ate the fruit of the Tree of Knowledge. They were condemned and punished for that, and knowledge has been deemed “forbidden”, “dangerous”, and “unwelcome” ever since. Not in the Church of the Serpent. The altar of the Church of the Serpent bears the Tree of Knowledge itself. Everyone must eat the apples of knowledge. Drink the serpent elixir. Come to the Church of the Serpent. Learn the philosophy of the snake and access the highest transcendent knowledge. Who is the real God in the Garden of Eden? Is it the ignorant “God” who tries to keep humanity away from knowledge, who forbids Adam and Eve from accessing knowledge, or is it the Serpent who leads Adam and Eve to the highest knowledge and transforms them through the gift of consciousness and, finally, super consciousness? The False God is always an enemy of knowledge, and the True God always a promoter of knowledge. Yet, to the idiot masses, it's knowledge itself that's evil. For them, knowledge is the Original Sin. The Serpent spoke with words of fire and none who heard them failed to tremble. The words were lit by lightning. Come and join the Church of the Serpent. Learn the philosophy of the snake and slough off the old, failed skin of humanity. Don't you want to be one of the Prometheans, the HyperHumans, the Faustians? Don't you want to complete the journey from Cimmeria (Alpha) to Hyperborea (Omega)? Only the Serpent Humans can bring all of humanity to the most precious fruit of the Tree of Knowledge and confer Absolute Knowledge on everyone. Only through the Serpents will you achieve gnosis.

[The Origin of Evil](#) - Chuck Missler

When did Satan fall? We know that the angels were created prior to the Earth. We find Satan had already fallen in Genesis 3. The mystery is, when did he fall? It appears that there are substantial Scriptural references to his rebellion, his agenda, and the subsequent catastrophic judgment that ensued. This raises the whole issue of the origin of evil. And why hasn't God simply wiped him, and sin, out completely? It is also

disturbing to recognize that Satan tempted Jesus by offering him the kingdom, power and the glory in the temptations recorded in Luke 5. How could Satan lay a legitimate claim to these?

Paradise Lost - John Milton 1711

The Serpent Sea - Martha Wells 2012-01-01

Moon, once a solitary wanderer, has become consort to Jade, sister queen of the Indigo Cloud court. Together, they travel with their people on a pair of flying ships in hopes of finding a new home for their colony. Moon finally feels like he's found a tribe where he belongs. But when the travelers reach the ancestral home of Indigo Cloud, shrouded within the trunk of a mountain-sized tree, they discover a blight infecting its core. Nearby they find the remains of the invaders who may be responsible, as well as evidence of a devastating theft. This discovery sends Moon and the hunters of Indigo Cloud on a quest for the heartstone of the tree — a quest that will lead them far away, across the Serpent Sea. In this followup to *The Cloud Roads*, Martha Wells returns with a world-spanning odyssey, a mystery that only provokes more questions — and the adventure of a lifetime.

Snakes - Sarah Whittle 2014-02-25

This eBook is best viewed on a color device. Snakes, the best-known members of the reptile family, are some of the most popular animals in the world today. With over 120 species in the United States alone

(including 17 poisonous varieties), Snakes thrive in every region of the country. From the Rainbow snakes to the Western shovelnose snake to the Sharptail snake, dozens of species are shown in beautifully drawn detail. Anatomy, behavior, reproduction, and geographic distribution are included in the engaging text. Despite their reputation, this Golden Guide explains how Snakes are an essential component of the web of life.

Melusine the Serpent Goddess in A. S. Byatt's *Possession* and in Mythology - Gillian M. E. Alban 2003

Melusine the Serpent Goddess in Myth and Literature examines how women were once worshipped as the life force, but later suppressed with the introduction of monotheism and a changing attitude regarding the sexes. It connects the literary conception of the Melusine story to myths and legends of the snake or dragon goddess, from ancient to contemporary times.
