The Unforgettable Logan Foster #1 - Shawn Peters 2022-01-18

Packed with superheroes, supervillains, and epic showdowns between good and evil, *The Unforgettable Logan Foster* from debut author Shawn Peter shows that sometimes being a hero is just about being yourself. Logan Foster has pretty much given up on the idea of ever being adopted. It could have something to do with his awkward manner, his photographic memory, or his affection for reciting curious facts, but whatever the cause, Logan and his “PP’s” (prospective parents) have never clicked. Then everything changes when Gil and Margie arrive. Although they aren’t exactly perfect themselves—Gil has the punniest sense of humor and Margie’s cooking would have anyone

running for the hills—they genuinely seem to care. But it doesn’t take Logan long to notice some very odd things about them. They are out at all hours, they never seem to eat, and there’s a part of the house that is protected by some pretty elaborate security. No matter what Logan could have imagined, nothing prepared him for the truth: His PP’s are actually superheroes, and they’re being hunted down by dastardly forces. Logan’s found himself caught in the middle in a massive battle and the very fate of the world may hang in the balance. Will Logan be able to find a way to save the day and his new family?

A Most Magical Girl - Karen Foxlee 2016-08-02
From the author of *Ophelia and the Marvelous Boy* comes the story of a friendship between two girls set in Victorian England, with magical machines, wizards, witches, a mysterious underworld, and a race against time. Annabel Grey is primed for a proper life as a young lady in Victorian England. But when her mother suddenly disappears, she's put in the care of two eccentric aunts who thrust her into a decidedly un-ladylike life, full of potions and flying broomsticks and wizards who eat nothing but

crackers. Magic, indeed! Who ever heard of such a thing? Before Annabel can assess the most ladylike way to respond to her current predicament, she is swept up in an urgent quest. Annabel is pitted against another young witch, Kitty, to rescue the sacred Moreover Wand from the dangerous underworld that exists beneath London. The two girls outsmart trolls, find passage through a wall of faerie bones, and narrowly escape a dragon, but it doesn't take long for Annabel to see that the most dangerous part of her journey is her decision to trust this wild, magical girl. Sparkling with Karen Foxlee's enchanting writing, this is a bewitching tale of one important wand and two most magical girls. "[Foxlee's] heroines have grit and heart, and they are willing to get dirty. And they do. Foxlee's nicely wry tone and moments of incongruous humor break up the tension, while Annabel's race against time in a harrowing journey deep under London keeps the pages turning. Deliciously complex and convincingly

detailed."--Kirkus Reviews, Starred Review "Kids who enjoyed Foxlee's Ophelia and the Marvelous Boy and fans of Hardinge's Cuckoo Song will find similar otherworldly appeal in this enthralling adventure."--The Bulletin, Starred review "Memorable for its vivid imagery and stylish, thoughtful prose."--Horn Book Magazine
