Gold Medal Horse - Bonnie Bryant 2013-03-27

Southwood is the most glorious horse the Saddle Club has ever seen. He has more than athletic talent—he has the heart and soul of a champion. The girls think this horse could jump for gold at the world's most exciting competition. But he has to qualify first—and Southwood's new owner doesn't think the horse is ready to be pushed that hard.

The Essence of Sadie's Dream - Lynn McLean 2013-11-27

Sadie a little mountain girl found the need to leave her home near the sky, where anguish, misery and sorrow was her life. She and her courageous German shepherd dog, found dying in the primitive wilderness became inseparable, as they made their way through dark forests to the sea. There, she met a family who swept her into their arms and away from her despicable rejected life. They saw her as precious. Her needs came to her from their very love of her soul. The manifestation of her prosperity came to be her way of life. She grew to be a fine young lady; a doctor and remained forever humble She was loved by all, including the simple folks across the open land.

Insect Dreams - Marc Estrin 2003-02-04

The metamorphosis of Kafka's Gregor Samsa from fabric salesman to cockroach was surely one of the momentous transformations of the modern world. Now, in Marc Estrin's astounding debut, Gregor undergoes yet another metamorphosis—one that propels him across the rocky and often ridiculous landscape of the early twentieth century. In these continuously surprising pages, Estrin's Gregor—secretly sold to a Viennese sideshow by the Samsas' chambermaid—comes to sharpen his mind against those of Wittgenstein, Spengler and Einstein; dance to the crazy rhythm of American Prohibition; appear as a surprise witness at the Scopes trial; become intimately involved in Alice Paul's feminist movement (and with Alice Paul); encounter the KKK; and confer with FDR, and Robert Oppenheimer—and emerge from it all as the very essence of modern conscience.

A Good Horse - Jane Smiley 2010-10-26

When eighth grader Abby Lovitt looks out at those pure-gold rolling hills, she knows there's no place she'd rather be than her family's ranch—even with all the hard work of tending to nine horses. But some chores are no work at all, like grooming young Jack. At eight months, his rough foal coat has shed out, leaving a smooth, rich silk, like chocolate. As for Black George, such a good horse, it turns out he's a natural jumper. When he and Abby clear four feet easy as pie, heads start to turn at the ring—buyers' heads—and Abby knows Daddy won't turn down a good offer. Then a letter arrives from a private investigator, and suddenly Abby stands to lose not one horse but two. The letter states that Jack's mare may have been sold to the Lovitts as stolen goods. A mystery unfolds, more surprising than Abby could ever expect. Will she lose her beloved Jack to his rightful owners? Pulitzer Prize winner Jane Smiley raises horses of her own, and her affection and expertise shine through in this inviting horse novel for young readers, set in 1960s California horse country and featuring characters from *The Georges* and *The Jewels*.

The Political Animal - Chris Danta 2010-09-01

In the variegated history of the philosophical definitions of man, one has survived since it has been given the status of the self-evident. The definition in question comes from Aristotle's *Politics*: "the human is a

political animal" (1253a3). There is something indisputable about this characterization: humans are, indeed, the most social of animals - they are denizens of the polis with its institutions and laws, its rulers, judges and generals. It would be difficult to contend that any other animal has recourse to the political as much as the human. Aristotle's *Politics* need not be surrendered to the strictures of humanism. It remains amenable to the new schema for the political animal that we are sketching here. Each article collected in this issue responds - in its own way and by establishing its own protocols - to the exigency of the animal as it was formulated in Aristotle's *Politics*. Each article is an act of response, a moment of interruption.

The House at World's End - Monica Dickens 2011-09-28

Carrie, Tom, Em and Michael Fielding are at the mercy of their rotten Uncle Rudolph after a fire leaves them homeless, with their mother in hospital and their father abroad at sea. Uncle Rudolph and his vain wife Val reluctantly take the children in, but soon let them live alone at World's End, their ramshackle house in the countryside, rather than look after them. So begins a life with no grown-ups where the Fielding children can adopt as many dogs, cats, monkeys and horses as they like. Free at last from interference from their relatives, they begin to fend for themselves, adding to their already sizeable collection of animals - rescuing them from the thoughtless cruelty of adults. *The House at World's End* is the first adventure in *The World's End* series.

Dreams of Lilacs - Lynn Kurland 2014-04-29

Isabelle de Piaget is determined to elude her overprotective family by means of a hasty escape to France. But instead of making a surprise visit to her brother there, she winds up shipwrecked on the French coast with no memory of who she is or how she came to awaken in the dark and forbidding castle of an equally brooding lord. Gervase de Seger rescues—very reluctantly—the bedraggled urchin he finds on the road and puts her to work where he can ignore her. Unfortunately, he soon realizes that her brother is an intimidating lord who is going to be absolutely furious when he learns that his beloved sister has been laboring as a scullery maid. Yet Isabelle may be the one who holds the key to solving Gervase's most pressing problem: that someone has been trying to finish the task of separating him from his title and his lands. Finding the truth propels Gervase and Isabelle from the buried secrets of half-ruined keeps to the glittering French court, and to the realization that love can blossom in the most perilous circumstances—and in the most unexpected places of the heart . . .

For the Love of Horses - Kelly Wilson 2014-10-03

Three sisters and an unforgettable journey to tame New Zealand's Kaimanawa horses *For the Love of Horses* is a heartfelt story about a life familiar to many young Kiwis who love horses - the trials and tears of Pony Club, the joy of riding bareback, and the pressures of adolescence and competitive showjumping. It is also the story of an unlikely childhood dream coming true. Every year in the wilderness of the Central Plateau, wild Kaimanawa horses are rounded up and sent to the slaughterhouse. It's upsetting, but what else can be done? The Wilson sisters decide something could be done. They saw future champions behind the fiery eyes and beneath the shaggy coats. In this touching book, Kelly Wilson tells the true story of how they embarked on a courageous journey to train horses that most people believed were untrainable.

Reader review _____ No-one ever promised that falling in love was going to be easy... Jemima Carlisle's father lost their home, their money, and even her mother through his gambling addiction, so it's hardly surprising that his daughter hates everything to do with horseracing with a passion. Opening a bookshop in Milton St John, a village right in the middle of all the biggest race training yards in the country, isn't the brightest thing she's ever done. The bookshop suddenly becoming the focus for village intrigue doesn't exactly help matters, but when Jemima falls for jump jockey and lady-killer Charlie Somerset, she quickly learns that jumping to conclusions is bound to end in disaster...

_____ Love Christina Jones' captivating novels? Then check out the fabulously joyful Summer at Sandcastle Cottage and Christmas at Sandcastle Cottage. You won't be disappointed!

Movin' on and Beyond - Betty Brown 2019-03-14

Movin' on and Beyond By: Betty Brown *Movin' on and Beyond* is an autobiography portraying an American girl born on the prairie in the middle of the United States to hardworking, untutored, steadfast parents and immigrant grandparents. It tells of her experiences growing up, marriage, raising a family, employment, divorce, remarriage, travels and sickness. Through her determination, integrity and courage, she became a strong-willed, independent thinker. Challenges only made her stronger, setbacks made her determined. Her strength comes from her father, personal endurance from her mother. This book is intended for family reading to educate young & old. Make your journey through life a courageous one, keeping focused. Honor events of those that came before us and those who come after us. I have heard it said, the road to success is not straight. There is a curve called failure, a loop called confusion, speed bumps called faith and a driver called Jesus who leads you to a place called success. From the words of the hymn, "I Am Forever Who I Am" Some days seem long, though life is brief, Death is waiting like a thief. Vision fades, dreams go dry, We will on unseen things rely. Stories take up but a page, Yours goes on from age to age.

Little Squire - Judy Andrekson 2009-05-08

Little Squire was born in an Irish meadow on an early spring day. The colt was beautifully formed with strong, straight legs and a pretty head. But due to his small size, it was unlikely he would be more than a nice child's riding pony. By the following spring, the yearling was separated from his mother and turned out to pasture with the other weanlings. Little Squire wasn't happy to be away from his dam so he charged the high stone wall and cleared it easily. Little Squire had just shown an astonishing side of himself that would eventually bring him greatness. Over time, the young horse traded hands, crossed an ocean, and ended up on the American show-jumping circuit. That was when he met another diminutive Irish immigrant, Mickey Walsh. The two were inseparable until, at Mickey's request, Little Squire was retired at the top of his game, and while he was still sound. He went out in a blaze of glory, though, ending his last performance with Mickey by jumping a six-foot-two fence — rider-less — in front of a packed arena. During the war-torn 30s, Little Squire had given people something to cheer about.

The Horse Trials Story - Charles Evelyn Graham Hope 1969

The Earth Walkers - Helen Goldstein 2019-08-25

The Earth Walkers is a story of the relationship of horses, humans, and planet earth. It is a simple story that over time we, as humans, have complicated. Once, all three lived in harmony, but humans viewed this as primitive, savage, or wild. And so we began to make our existence together more civilized. In our interference, we began to lose respect for our planet and all that lived upon it, including ourselves. One of the three, though, remained steadfast throughout the story. Horses, except in their physical appearance, have neither changed nor tried to change anything, just being themselves, constantly at our sides. Tracing the story of the relationship from the beginning of time, the unique bond between humans and horses is explored through different civilizations and cultures up to present day. It tracks the journey of the two species and the effect they had on earth as they walked around it. It also tells the story of how—when in times of disruption, chaos, and imbalance—earth has spoken to us, giving us signs; and horses have always been there, guiding us to a path back home. It is a path to a home on earth where all can live in harmony and at peace—a path that we will hopefully choose to walk together once again.

The Dream Interpretation Dictionary - J.M. DeBord 2017-05-22

Unravels dream symbols and their meanings What do reoccurring dreams reveal? What's the purpose of nightmares—and can they be stopped? Why do some people show up in dreams? Also included are a helpful bibliography and an extensive index, adding to the book's usefulness.

The Eighty-Dollar Champion - Elizabeth Letts 2012-05-29

#1 NEW YORK TIMES BESTSELLER • The dramatic and inspiring story of a man and his horse, an unlikely duo whose rise to stardom in the sport of show jumping captivated the nation Harry de Leyer first saw the horse he would name Snowman on a truck bound for the slaughterhouse. The recent Dutch immigrant recognized the spark in the eye of the beaten-up nag and bought him for eighty dollars. On Harry's modest farm on Long Island, he ultimately taught Snowman how to fly. Here is the dramatic and inspiring rise to stardom of an unlikely duo. One show at a time, against extraordinary odds and some of the most expensive thoroughbreds alive, the pair climbed to the very top of the sport of show jumping. Their story captured the heart of Cold War-era America—a story of unstoppable hope, inconceivable dreams, and the chance to have it all. They were the longest of all longshots—and their win was the stuff of legend.

Dreaming with God - Sarah Beth Marr 2018-02-06

The world tells us that the way to make all our dreams come true is to set our own course and strive every day. But when it's all on us, we end up feeling exhausted, frustrated, and, disappointed when things don't turn out as we'd hoped. Have you ever wondered if there was a better way? There is. God knows the desires of our hearts—he put them there. And he calls us to trust, to lean on him, and sometimes . . . to wait. Weaving together her unique perspective as a professional ballerina with profound truths drawn from Scripture and the life of faith, Sarah Beth Marr reminds us that we are not dreaming alone. If God has given us a dream, we can be sure that he will come alongside us as we work toward realizing it. Using her own story as a catalyst, Marr encourages women to surrender their plans to God, to stay in tempo with his Spirit, and to step into a deeper relationship with Christ. When they do, she says, they will be able to move confidently into the future, knowing that their dreams and God's desires are aligned in perfect harmony.

The Eighty-Dollar Champion (Adapted for Young Readers) - Elizabeth Letts 2020-12-01

Adapted from the #1 New York Times bestselling adult novel, this inspiring true story of a man and horse duo who rose to the top of the competitive equestrian world is one of unstoppable hope, inconceivable dreams, and the chance to have it all, perfect for animal lovers and history buffs alike. On a bleak winter afternoon, Harry de Leyer first saw the horse he would name Snowman between the slats of a rickety truck bound for the slaughterhouse. Noting a spark in the horse's eye, the Dutch immigrant bought the beaten-up animal for only eighty dollars and took him to the family's modest farm on Long Island. Though Snowman thrived in his new home, Harry needed money. Reluctantly, he sold Snowman to another farm a few miles down the road. But the shaggy horse had other ideas. When he turned up back at Harry's barn, dragging an old tire and a broken fence board, Harry knew that he had misjudged the horse. Snowman then began his extraordinary path to stardom as Harry trained him to show jump, taking Snowman all the way to the very top of the sport. This dramatic and inspiring rise to stardom of an unlikely duo is based on the insight and recollections of the Flying

Dutchman himself. Snowman and Harry's story captured the heart of Cold War-era America--a story of unstoppable hope, inconceivable dreams, and the chance to have it all. Elizabeth Letts's message is simple: Never give up, even when the obstacles seem sky-high. There is something extraordinary in all of us. Praise for the Adult Edition of *The Eighty-Dollar Champion* "A classic American dream story, with a down-on-its-luck horse galloping in for good measure."-USA Today "If you loved the story of Seabiscuit, the surprise champion racehorse, make a date to check out the true story of Snowman."-San Jose Mercury News "This is a wonderful book—joyous, heartfelt, and an eloquent reminder that hope can be found in the unlikeliest of places. Most of all, it's a moving testament to the incredible things that can grow from the bond between animals and humans. If you love a great animal tale, you'll love this book!"—Gwen Cooper, author of *Homer's Odyssey*

Horsenapped and Pack Trip - Bonnie Bryant 2002-01-01

Horsenapped Stevie, Carole and Lisa are best friends and horse-crazy members of The Saddle Club. The three are looking forward to the combined-training event at Pine Hollow Stables, when all riders will compete in dressage, cross-country and stadium jumping. It's a horse lover's dream! When snooty Veronica blames her bad performance on her horse, Garnet, and storms out of the ring, Carole follows, fearing Veronica's threat to giveaway her horse. But horse and rider have disappeared. Later, when Lisa finds a \$10,000 ransom note in the stall, the possibility becomes all too clear: Garnet has been horsenapped! Who would have thought that The Saddle Club girls would ever feel sorry for Veronica? The girls resolve to catch the horsenappers and soon find themselves in a daring escape that puts all their horse-riding skills to the test. Pack Trip Carole, Stevie and Lisa are thrilled when they get a call from The Bar None Ranch. Kate has an offer for them: Would the girls like to go on a pack trip in the mountains? The answer is an enthusiastic yes! When they meet the other riders, they couldn't be happier. Lisa feels instantly drawn to Seth, while his fun-loving sister Amy seems to be a

perfect pal for Stevie. Another boy, John, is as serious and horse wise as Carole. The group hits it off immediately. But first impressions can be deceiving. Amy isn't just high spirited and impulsive, she's downright reckless. As her behaviour gets more outrageous and dangerous, Seth tries to cover for her and puts Lisa in the middle. Can the girls figure out what to do about Amy before her next wild stunt threatens all their lives? [Dream New Dreams](#) - Jai Pausch 2012-05-15

A remarkably frank, deeply moving, and inspiring memoir by Jai Pausch, whose husband, Randy, wrote the bestseller *The Last Lecture* while battling pancreatic cancer. "Jai is such a giver that she often forgets to take care of herself," Randy Pausch wrote about his wife. "Jai knows that she'll have to give herself permission to make herself a priority." In *Dream New Dreams*, Jai Pausch shares her own story for the first time: her emotional journey from wife and mother to full-time caregiver, shuttling between her three young children and Randy's bedside as he sought treatment far from home; and then to widow and single parent, fighting to preserve a sense of stability for her family, while coping with her own grief and the challenges of running a household without a partner. Jai paints a vivid, honest portrait of a vital, challenging relationship between two strong people who faced a grim prognosis and the self-sacrificing decisions it often required. As she faced life without the husband she called her "magic man," Jai learned to make herself a priority to create a new life of hope and happiness—as she puts it, to "feel a spark of my own magic beginning to flicker." *Dream New Dreams* is a powerful story of grief, healing, and newfound independence. With advice artfully woven into an intimate, beautifully written narrative, Jai's story will inspire not only the legions of readers who made *The Last Lecture* a bestseller, but also those who are embarking on a journey of loss and renewal themselves.
