Ripley's Believe It Or Not! Strikingly True - Ripley's Believe It Or Not!
2011-09-13

The newest title in the Ripley's Annual series is a compendium of new and bizarre stories, pictures and interviews all of which are packaged nicely within a vibrant red foil and lenticular cover. For the legions of dedicated Ripley's fans, and anyone else on the planet who loves unbelievable facts and jaw-dropping images, the latest annual in our bestselling series is a feast of delights. Be amazed at a portrait made from 200,000 dead ants, the man who traversed the English Channel by holding onto a bunch of balloons, and the single human hair featuring paintings of all 42 American presidents. A compendium of incredible and bizarre facts, stories, interviews and features, presented in a stunning new design, this book also drives readers to Ripley's fully interactive website. There are intriguing interviews with some of the astounding individuals who are featured in the book that spotlight their achievements and reveal more about what motivates them. A dramatic eight-page gatefold sections presents Ripley's first ever odditorium, which showcased sideshow performers and was built for the World's Trade Fair in 1933. This features a selection of choice memorabilia including Robert Ripley's original annotated list of performers.

Informative "Ripley's Research" boxes give the scientific explanation behind some of the most incredible tales in the book, such as how people have turned their fingers into magnets. A section on the Olympic games, past and present, highlights the wacky as well as the amazing feats that have taken place at the height of sporting achievement. Additional black and white Ripley archive photographs feature throughout the book, and miscellaneous lists are also scattered throughout. This year specially commissioned photographic features will also appear in the book.

You will find your old favorites-and some new puzzlers which Mr. Ripley has uncorked now for the first time. Believe It Or Not this volume contains a thousand new things under the sun!

A Curious Man - Neal Thompson 2014-06-03

A Curious Man is the marvelously compelling biography of Robert "Believe It or Not" Ripley, the enigmatic cartoonist turned globetrotting millionaire who won international fame by celebrating the world's

strangest oddities, and whose outrageous showmanship taught us to believe in the unbelievable. As portrayed by acclaimed biographer Neal Thompson, Ripley's life is the stuff of a classic American fairy tale. Buck-toothed and cursed by shyness, Ripley turned his sense of being an outsider into an appreciation for the strangeness of the world. After selling his first cartoon to Time magazine at age eighteen, more cartooning triumphs followed, but it was his "Believe It or Not" conceit and the wildly popular radio shows it birthed that would make him one of the most successful entertainment figures of his time and spur him to search the globe's farthest corners for bizarre facts, exotic human curiosities, and shocking phenomena. Ripley delighted in making outrageous declarations that somehow always turned out to be true—such as that Charles Lindbergh was only the sixty-seventh man to fly across the Atlantic or that "The Star Spangled Banner" was not the national anthem. Assisted by an exotic harem of female admirers and by ex-banker Norbert Pearlroth, a devoted researcher who spoke eleven languages, Ripley simultaneously embodied the spirit of Peter Pan, the fearlessness of Marco Polo and the marketing savvy of P. T. Barnum. In a very real sense, Ripley sought to remake the world's aesthetic. He demanded respect for those who were labeled "eccentrics" or "freaks"—whether it be E. L. Blystone, who wrote 1,615 alphabet letters on a grain of rice, or the man who could swallow his own nose. By the 1930s Ripley possessed a vast fortune, a private yacht, and a twenty-eight room mansion stocked with such "oddities" as shrunken heads and medieval torture devices, and his pioneering firsts in print, radio, and television were tapping into something deep in the American consciousness—a taste for the titillating and exotic, and a fascination with the fastest, biggest, dumbest and most weird. Today, that legacy continues and can be seen in reality TV, YouTube, America's Funniest Home Videos, Jackass, MythBusters and a host of other pop-culture phenomena. In the end Robert L. Ripley changed everything. The supreme irony of his life, which was dedicated to exalting the strange and unusual, is that he may have been the most amazing oddity of all.

Ripley's Believe it Or Not! - Geoff Tibballs 2019

Ripley's Believe it Or Not! 2013 - Robert LeRoy Ripley 2012

Running with Sherman - Christopher McDougall 2020-07-28

From the bestselling author of Born to Run, a heartwarming story about training a rescue donkey to run one of the most challenging races in America, and, in the process, discovering the life-changing power of the human-animal connection. "A delight, full of heart and hijinks and humor." —John Grogan, author of Marley & Me: Life and Love with the World's Worst Dog When Christopher McDougall decided to adopt a donkey in dire straits, he had no idea what he was getting himself into. But with the help of his neighbors, Chris came up with a crazy idea. Burro racing, a unique type of competition in which humans and donkeys run side by side over mountains and through streams, would be exactly the challenge Sherman and Chris needed. In the course of Sherman's training, Chris would enlist Amish running clubs, high-spirited goats, the service animal community, and two Sarah Palin-loving long-distance female truckers. Sherman's heartwarming story of overcoming all odds to run one of the most unbelievable races in America shows the healing power of movement and the strength of the human-animal connection. Look for Christopher McDougall's new book, Born to Run 2, coming in December!

All This Could Be Different - Sarah Thankam Mathews 2022-08-02

2022 NATIONAL BOOK AWARD FINALIST A New York Times Editors' Choice Pick "One of the buzziest, most human novels of the year...breathless, dizzying, and completely beautiful." —Vogue "Dazzling and wholly original...[written] with such mordant wit, insight, and specificity, it feels like watching a new literary star being born in real time." —Entertainment Weekly From a brilliant new voice comes an electrifying novel of a young immigrant building a life for herself—a warm, dazzling, and profound saga of queer love, friendship, work, and precarity in twenty-first century America Graduating into the long maw of an American recession, Sneha is one of the fortunate ones. She's moved to Milwaukee for an entry-level corporate job that, grueling as it may be, is the key that unlocks every door: she can pick up the tab at dinner with her new friend Tig, get her college buddy Thom hired alongside her, and send money to her parents back in India. She begins dating women—soon developing a burning crush on Marina, a beguiling and beautiful dancer who always seems just out of reach. But before long, trouble arrives. Painful secrets rear their heads; jobs go off the rails; evictions loom. Sneha struggles to be truly close and open with anybody, even as her friendships deepen, even as she throws herself headlong into a dizzying romance with Marina. It's then that Tig begins to draw up a radical solution to their problems, hoping to save them all. A beautiful and capacious novel rendered in singular, unforgettable prose, *All This Could Be Different* is a wise, tender, and riveting group portrait of young people forging love and community amidst struggle,

and a moving story of one immigrant's journey to make her home in the world.

Magpie Murders - Anthony Horowitz 2017-06-06

Soon to be a series on PBS MASTERPIECE! "A double puzzle for puzzle fans, who don't often get the classicism they want from contemporary thrillers." —Janet Maslin, *The New York Times* *New York Times* bestseller | Winner of the Macavity Award for Best Novel | #1 Indie Next Pick | NPR best book of the Year | Washington Post best book of the Year | Esquire best book of the Year From the *New York Times* bestselling author of *Moriarty* and *Trigger Mortis*, this fiendishly brilliant, riveting thriller weaves a classic whodunit worthy of Agatha Christie into a chilling, ingeniously original modern-day mystery. When editor Susan Ryeland is given the manuscript of Alan Conway's latest novel, she has no reason to think it will be much different from any of his others. After working with the bestselling crime writer for years, she's intimately familiar with his detective, Atticus Pünd, who solves mysteries disturbing sleepy English villages. An homage to queens of classic British crime such as Agatha Christie and Dorothy Sayers, Alan's traditional formula has proved hugely successful. So successful that Susan must continue to put up with his troubling behavior if she wants to keep her job. Conway's latest tale has Atticus Pünd investigating a murder at Pye Hall, a local manor house. Yes, there are dead bodies and a host of intriguing suspects, but the more Susan reads, the more she's convinced that there is another story hidden in the pages of the manuscript: one of real-life jealousy, greed, ruthless ambition, and murder. Masterful, clever, and relentlessly suspenseful, *Magpie Murders* is a deviously dark take on vintage English crime fiction in which the reader becomes the detective.
