**Who's who Among African Americans** - Ashyia N. Henderson 2000  
Devoted to recording the scope of African American achievement, reference provides biographical and career details on more than 20,000 notable African American individuals, including leaders from sports, the arts, business, religion and more. An obituary section contains fully updated entries for listees who have died since the previous edition.  
**African-American Newspapers and Periodicals** - James Philip Danky 1998

The authentic voice of African-American culture is captured in this first comprehensive guide to a treasure trove of writings by and for a people, as found in sources in the United States, Canada, and the Caribbean. This bibliography contains over 6,000 entries.

**Directory for Reaching Minority and Women's Groups** - United States. Bureau of Apprenticeship and Training 1979

**Black Women College Students** - Felecia Commodore 2018-01-31  
The latest book in the Key Issues on Diverse College Students series explores the state of Black women students in higher education. Delineating key issues, proposing an original student success model, and describing what institutions can do to better support this group, this

important book provides a succinct but comprehensive exploration of this underrepresented and often neglected population on college campuses. Full of practical recommendations for working across academic and student affairs, this is a useful guide for administrators, faculty, and practitioners interested in creating pathways for Black female college student success. Whether this book is read cover to cover or used as a resource manual, the pages contain critical insights that should be taken into serious consideration wherever Black women college students are concerned.

**The NarrowRoad: A Guide to Legacy Wealth** - Dr. Pamela C. V. Jolly 2022-09-12

Does the vision you hold for your life elude you? There may be a reason. According to Dr. Pamela Jolly's premise, you may not be using your natural gifts. What if we also told you that understanding the business of YOU is the key that unlocks the door to fulfilling your dreams. We all seek direction in life to go forward toward things we want most to happen. What if you could find a way to tap into the crucial insights of who you really are? And what if you could guarantee yourself a winning chance of reaching your full potential in your lifetime? The NarrowRoad System invites you on a journey of self-discovery. When navigated, it

reveals the path that leads to the wealth you desire and your ability to ensure your legacy continues. Using 24 unique NarrowRoad Identity (NRID) patterns developed from her data-driven research and engaging the five forms of capital available to us all—human, social, intellectual, cultural, and spiritual—Dr. Jolly shows a personal journey to true transformation.

Chronicles the achievements of over twenty-one thousand African Americans.

**Born to Lead** - Katina Rankin 2021-08-08

Born to Lead is the inspirational story of a woman's journey to not only chase her dreams but conquer them. Follow Dr. Glenda Glover as she takes steps to become the first female president of Tennessee State University, the first sorority president to launch a Mobile Mammography Unit giving women in underserved communities the tools they need to fight breast cancer, and the first to make a documentary shedding light on women's accomplishments within Alpha Kappa Alpha Sorority, Inc. Those are just a few of her many accomplishments to inspire generations of young girls to do as she has, serve her community, and leave the world a better place than she found it. Find out the others by flipping through the pages of her journey.

*Mary McLeod Bethune in Florida* - Ashley N. Robertson 2015-06-29

A vibrant biography of the woman who shaped the political climate of

Daytona Beach with her civil rights, women's rights, and education activism. Mary McLeod Bethune was often called the "First Lady of Negro America," but she made significant contributions to the political climate of Florida as well. From the founding of the Daytona Literary and Industrial School for Training Negro Girls in 1904, Bethune galvanized African American women for change. She created an environment in Daytona Beach that, despite racial tension throughout the state, allowed Jackie Robinson to begin his journey to integrating Major League Baseball less than two miles away from her school. Today, her legacy lives through a number of institutions, including Bethune-Cookman University and the Mary McLeod Bethune Foundation National Historic Landmark. Historian Ashley Robertson explores the life, leadership and amazing contributions of this dynamic activist.

*Official Congressional Directory 114th Congress, 2015-2016, Convened January 2015* - Congress (U S ) Joint Committee on Printing 2016-03-30

*Color Him Father* - Lawrence M. Drake II 2019-06-13

It's a brotherhood no man wants to join - the group of men who share the pain of losing a child. Whether that child is an infant, teenager, young or full grown adult, grieving the loss of a child is a heartache that can break the strongest of men. Now, seven men who hold membership in that fraternity of fatherhood have come together to share the sorrow of their

suffering. In their own unique voices, these men tackle perspectives of being a Black father that are rarely discussed. In *Color Him Father*, you will step inside these very personal and intense stories of love and loss, tragedies and triumphs....But these stories will take you beyond the pain as they share their deep commitment to fatherhood. Whether you're a man traveling a similar path, supporting someone who has made that journey, or just want to gain insight, these touching testimonies will enlighten and educate people from all walks of life. *Color Him Father* will encourage all fathers to renew their promises to their children, while motivating young Black men to become even more committed to the brotherhood of fatherhood.

*African American Biographies, 2* - Walter Lee Hawkins 1994

Provides background information for successful Black Americans who are living or died after 1975, including such individuals as Maya Angelou, Julian Bond, and Whoopi Goldberg

*Congressional Record Index* - 1998

Includes history of bills and resolutions.

*Who's who Among Black Americans* - 1994

*The Divine Nine* - Lawrence C. Ross 2019-08-27

This comprehensive history of African American fraternities and sororities celebrates the spirit of Black Excellence in higher education

that has produced American leaders in politics, sports, arts, and culture such as Kamala Harris, Colin Kaepernick, Michael Jordan, Thurgood Marshall, and Toni Morrison, and is sure to be a treasured resource for generations to come. America's Black fraternities and sororities are a unique and vital part of 20th century African American history, providing young black achievers with opportunities to support each other while they serve their communities and the nation. From pioneering work in the suffragette movement to extraordinary strides during the Civil Rights era to life-changing inner-city mentoring programs, members of these organizations share a proud tradition of brotherhood, sisterhood, and service. Today, America's nine black fraternities and sororities are millions of members strong with chapters at HBCUs, Ivy League Schools, and colleges across the nation including Stanford University, Howard University, and the University of Chicago.

**Black Woman Redefined** - Sophia Nelson 2012-11-20

It's time for a REDEFINITION among black women in America. In its 2011 hardcover release, *Black Woman Redefined* was a top-selling book and took home a 2011 Best Non-Fiction Book of the Year Award from the African American Literary Awards. Author Sophia A. Nelson won the 2012 Champions of Diversity Award, given each year by diversity business executives in Fortune 100 companies. *Black Woman Redefined* was inspired in part by what Nelson calls "open season on accomplished black women": from Don Imus's name-calling of black female basketball players in 2007 and a 2009 Yale University study titled "Marriage Eludes High-Achieving Black Women," to the more recent revelation that First Lady Michelle Obama is concerned about being painted as an "angry, black woman." In *Black Woman Redefined*, Nelson sets out to change this cultural perception, taking readers on a no-holds-barred journey into the hearts and minds of accomplished black women to reveal truths, tribulations, and insights like never before. This groundbreaking book provides black women of a new generation with essential career and life-coaching advice. Based on never-before-done research on college-educated, career-driven black women, Nelson offers her fellow "sisters"—and those who know, love, and work with them—a feel-good

volume for personal and professional success that empowers them without tearing others down.

**She Took Justice** - Gloria J. Browne-Marshall 2020-11-30

*She Took Justice: The Black Woman, Law, and Power - 1619 to 1969* proves that The Black Woman liberated herself. Readers go on a journey from the invasion of Africa into the Colonial period and the Civil Rights Movement. The Black Woman reveals power, from Queen Nzingha to Shirley Chisholm. In *She Took Justice*, we see centuries of courage in the face of racial prejudice and gender oppression. We gain insight into American history through The Black Woman's fight against race laws, especially criminal injustice. She became an organizer, leader, activist, lawyer, and judge - a fighter in her own advancement. These engaging true stories show that, for most of American history, the law was an enemy to The Black Woman. Using perseverance, tenacity, intelligence, and faith, she turned the law into a weapon to combat discrimination, a prestigious occupation, and a platform from which she could lift others as she rose. This is a book for every reader.

**African American Education** - Cynthia L. Jackson 2001-01-01

A look into the education of African Americans, particularly over the past two decades, covers desegregation, affirmative action, relevant legislation and court cases, historically black colleges, and education equity.

**Florida's Historic African American Homes** - Jada Wright-Greene 2021

The state of Florida has a rich history of African Americans who have contributed to the advancement and growth of today. From slaves to millionaires, African Americans from all walks of life resided in cabins, homes, and stately mansions. The lives of millionaires, educators, businessmen, community leaders, and innovators in Florida's history are explored in each residence. Mary McLeod Bethune, A.L. Lewis, and D.A. Dorsey are a few of the prominent African Americans who not only resided in the state of Florida but also created opportunities for other blacks to further their lives in education and ownership of property and to have a better quality of life. One of the most humanistic traits found in

history is the home of someone who has added something of value to society. Today, some of these residences serve as house museums, community art galleries, cultural institutions, and monuments that interpret and share the legacy of their owners.

Congressional Record - United States. Congress 2004

The Congressional Record is the official record of the proceedings and debates of the United States Congress. It is published daily when Congress is in session. The Congressional Record began publication in 1873. Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States (1789-1824), the Register of Debates in Congress (1824-1837), and the Congressional Globe (1833-1873)
