Sycamore Gap - L. J. Ross  
2021-03

Detective Chief Inspector Ryan believes he has put his turbulent history behind him. Then, in the early hours of the summer solstice, the skeleton of a young woman is found inside the Roman Wall at

Sycamore Gap. She has lain undiscovered for ten years and it is Ryan's job to piece together her past. Enquiry lines cross and merge as Ryan is forced to face his own demons and enter into a deadly game of cat and mouse with a killer who seems unstoppable...

**Penshaw** - L. J. Ross 2020

When you sell your soul, the devil gives no refunds... When an old man is burned alive in a sleepy ex-mining village, Detective Chief Inspector Ryan is called in to investigate. He soon discovers that, beneath the facade of a close-knit community, the burn from decades-old betrayal still smoulders. When everyone had a motive, can he unravel the secrets of the past before the killer strikes again?

Meanwhile, back at Northumbria CID, trouble is brewing with rumours of a mole in Ryan's department. With everyone under suspicion, can he count on anybody but himself? Murder and mystery are peppered with romance and humour in this fast-paced crime whodunnit set amidst the spectacular Northumbrian landscape. **Cragside** - L. J. Ross 2021-03

After his climactic battle with notorious serial killer THE HACKER, DCI Ryan is spending the summer with his fiancée within the grounds of Cragside, a spectacular Bavarian-style mansion surrounded by acres of woodland. When they are invited to attend the staff summer party - a Victorian murder mystery evening - it's all a joke until the lights go out and an elderly man is found dead. It looks like an unfortunate accident but, as the dead man's life begins to unfold, Ryan and his team of detectives realise that all is not as it appears. When a second body is found, terror grips the close-knit community and Ryan must uncover the killer who walks among them, before they strike again...

*On the Way to Casa Lotus* -  
Lorena Junco Margain  
2021-05-04

Lorena Junco  
Margain is a passionate art collector and devoted wife and mother who is already shaken after abruptly fleeing Mexico and relocating in the USA with her

family while pregnant due to safety concerns. Then, she learns she has a tumor on her adrenal gland. Having long experienced unexplained symptoms of dizziness and lethargy that neither medications nor holistic or Ayurvedic treatments have helped, she embraces the news with tears of relief: with a simple surgery, she can regain her strength and joyful spirit. But fate can be mischievous, and to err is human—even for surgeons. Rather than improve after surgery, her condition worsens. On the Way to Casa Lotus is the gripping true story of Junco Margain's journey coming to terms with the permanent consequences of a surgeon's devastating mistake. Mindful that even good people make errors and that vengeance would not mend her broken body or soul, she chooses instead to embark on a quest for peace and healing—beginning by seeking space in her heart to forgive.

Molly Bowes - Val Scully  
2018-04-09

My Name is Eleanor (2016) told the true story of Mary Eleanor Bowes, Countess of Strathmore, ancestor of the Queen, whose second marriage to an abusive con-man and fortune-hunter led to notoriety and near ruin. When Stoney was finally imprisoned in the King's Bench Prison, he was able to seduce the daughter of a fellow prisoner who bore him

5 children: Molly is one of them. Fiercely independent and determined to evade the fate that had befallen her mother, Molly sets out for freedom in a world fraught with dangers. When her baby vanishes at the Peterloo Massacre, she must turn for help to the family who put her father in prison. Molly's search through nineteenth century England takes her from a London Prison to radical Tyneside; from medieval Newcastle to the City of Palaces; from Thomas Bewick's woodcuts to the finest European art and literature; from the criminal underworld to the glories of Gibside and The Bowes Museum.

**Surprise, Kill, Vanish** - Annie Jacobsen 2019-05-14

From Pulitzer Prize finalist Annie Jacobsen, the untold USA Today bestselling story of the CIA's secret paramilitary units. Surprise . . . your target. Kill . . . your enemy. Vanish . . . without a trace. When diplomacy fails, and war is unwise, the president calls on the CIA's Special Activities

Division, a highly-classified branch of the CIA and the most effective, black operations force in the world. Originally known as the president's guerrilla warfare corps, SAD conducts risky and ruthless operations that have evolved over time to defend America from its enemies. Almost every American president since World War II has asked the CIA to conduct sabotage, subversion and, yes, assassination. With unprecedented access to forty-two men and women who proudly and secretly worked on CIA covert operations from the dawn of the Cold War to the present day, along with declassified documents and deep historical research, Pulitzer Prize finalist Annie Jacobsen unveils -- like never before -- a complex world of individuals working in treacherous environments populated with killers, connivers, and saboteurs. Despite Hollywood notions of off-book operations and external secret hires, covert action is actually one piece in a

colossal foreign policy machine. Written with the pacing of a thriller, *Surprise, Kill, Vanish* brings to vivid life the sheer pandemonium and chaos, as well as the unforgettable human will to survive and the intellectual challenge of not giving up hope that define paramilitary and intelligence work. Jacobsen's exclusive interviews -- with members of the CIA's Senior Intelligence Service (equivalent to the Pentagon's generals), its counterterrorism chiefs, targeting officers, and Special Activities Division's Ground Branch operators who conduct today's close-quarters killing operations around the world -- reveal, for the first time, the enormity of this shocking, controversial, and morally complex terrain. Is the CIA's paramilitary army America's weaponized strength, or a liability to its principled standing in the world? Every operation reported in this book, however unsettling, is legal.

**Doing the Opposite** - Jeff Dewing 2021-01-26

Not so long ago, I had £7.60 in my bank account and was struggling to feed my children. Aged 39, I was bankrupt. The taxman had taken my house, my car and my self-respect. In a matter of months I had seen my life collapse. I went from owning a successful business and a football club, to claiming benefits to try and put food on the table. In 2012, I started a new business in my garden shed. Just eight years later it was about to be sold for tens of millions of pounds. My journey is the tale of a working class, East End lad done good, who lost it all and hit rock bottom hard, but who managed to battle back. This book highlights the lessons in life which helped me to recover,

and some of the principles I believe you need to follow to find happiness, not just in your bank balance, but in life itself. As for that multi-million pound deal? There was a slight hiccup. People in China started coughing.

"Advice and Support: The Early Years, 1941-1960" describes the activities of the U.S. Army in Vietnam during World War II, military advice and assistance to the French government during the immediate postwar years, and the advisory program that developed after the Geneva Agreements of 1954. Its scope ranges from high-level policy decisions to low-echelon advisory operations in the field, presented against a background of relevant military and political developments. Useful not only as a study of military assistance but as a view of the Army as an agent of national policy, Ronald Spector's interesting book is a fitting introduction to the overall study of the conflict in Vietnam.

She and Ryan struggle to work together to hunt a killer who hides in plain sight, while pagan ritual and small-town politics muddy the waters of their investigation.

**Lifesaver in a Bikini (The Cameron Series, #0)** -

Angelina Sydney 2015-10-10  
Lifesaver in a Bikini is the prequel to the Cameron Series. This action-filled, high-intensity, romantic thriller will take you to the edge of your seat. Definitely unputdownable from the first chapter to the last. When beautiful, sassy ballistics expert Queen Gomez finds herself thrust into the middle of a murder mystery, the media hails her 'the

lifesaver in a bikini'. Her hunky husband, New York SWAT Officer Giorgio Gomez, tells her to stay in the crime lab and let the detectives handle it. She wouldn't listen. For her, the truth is out there, and she must seek it. Now, fearless Queenie is in a world of trouble. G is going to have to put his life on the line to save the woman he loves more than Lego. As a matter of fact, the mystery had started with Belle. A forensic accountant who got in the way of a sociopath's global criminal enterprise. Enter handsome Australian SAS Captain Bryce Mabo Cameron, and sparks between him and Belle fly. About the gamine beauty, he sums it up best: 'I know why you're in hot water. You ask too many questions.' As the personal tragedies mount, it's up to them, especially Queen, to solve the mystery and catch the madman before the game gets too rough to play.

**Crossing the Rubicon** -

Michael C. Ruppert 2004-09-15

The acclaimed investigative reporter and author of

Confronting Collapse examines the global forces that led to 9/11 in this provocative exposé. The attacks of September 11, 2001 were accomplished through an amazing orchestration of logistics and personnel. Crossing the Rubicon examines how such a conspiracy was possible through an interdisciplinary analysis of petroleum, geopolitics, narco-traffic, intelligence and militarism—without which 9/11 cannot be understood. In reality, 9/11 and the resulting "War on Terror" are parts of a massive authoritarian response to an emerging economic crisis of unprecedented scale. Peak Oil—the beginning of the end for our industrial civilization—is driving the elites of American power to implement unthinkably draconian measures of repression, warfare and population control. Crossing the Rubicon is more than a story of corruption and greed. It is a map of the perilous terrain through which we are all now making our way.
